The Lawless thieves of Blackwater hire known war criminals from the most brutal of tyrannical regimes to carry out the neocon agenda of 'freedom' for 'Iraqis'. American tax payers pay $1,222.00 per death squad goon, per day, while billing their sacrificing kids, tens of thousands for up and coming medical costs not covered. Did you know they, the incompetent bush regime, still haven't fixed Walter Reed? Who really cares right?

Again, national bushite broadcaster,
George Norry stated he'd go ballistic against any American soldier who refused to murder for the neocon as traitors, and "America" STILL refuses to speak in their own defense for dying. Death to the bushite, death to the enemies of Freedom for America.

Look, listen to soldiers who sing about the joys of murdering innocent young girls, see their faces in the videos celebrating the murder of girls LOVED by GOD and ME, and question: Why won't you as an American assist Christ in the glorious hunt. Nothing better in this world than to kill a murderous bushite who claims it's lawless to this suffering Universe, ruled criminally by the demon antichrist enemy of ALL HUMAN LIVES. All religions want US to defend GOD - please help me take on all challengers.

ABCNEWS.com : FBI Called off Terror Investigations

A question Johnny Wizard has for America: Tell me, is this not a treasonous act - for Bush to close criminal investigations, immediately after the terrorist crimes of 911? Shouldn't the demon enemy be put to arrest for that godless act alone in this forsaken dying world? A world left instead suffering further the tyrannies of the war criminal ENEMY of all Human Life?

A refresher: the neocon will tell you openly, they live to lie to the Public for cheating and stealing by murder of US as proxied, innocent peoples purposefully enslaved by a made ignorantly entranced TV audience that is repeatedly reminded, we have no power worth respecting.

CNN, CBC, and FOXNEWS aren't taking are calls presently, but just lie and tell US they do. Look to see, almost all political internet traffic condemns Bush straight to hell well

he rightly belongs, but the polls still say no - WE, seeking for Just cause, are the minority.. just roll over and die for the neocon betrayers to god and country, life and loving.

Lying Enemy Traitor to America, Glenn Beck

www.crooksandliars.com/Media/Play/22003/1/Beck-Limbaugh-100207.wmv

"Media Matters didn't have a word to say when congressman John Murtha accused American Marines of being guilty of murdering innocent Iraqi civilians, service men who actually turned out to be innocent heroes."

I propose we try CNN's Glenn Beck for nazi treason, and upon easily successful conviction, we put the demon liar to death along with bushite Tatum who confesses freely to slaughtering innocent Iraqi civilians for satanic pleasures all to serve the neocon agenda of swindling America TO DEATH for cash profit through neocon censorship. Mattis, the woman hating documented child killer, was made into a 'Judge' for the bushite's version of a war crimes 'trial', that hasn't even yet truly transpired, for the evidence was not brought to light through the proceeding, such as Tatum's full confession. But, of course, Glenn Beck, the treasonous liar, doesn't want America, the dying by contempt, to truly know that. For, he'd be likely dead as sworn enemy.

True Enemy of Liberty

I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really set ourselves free with..

"Al-Qaida" = "General Mahmoud Ahmad"

A neocon bushite soldier is a true enemy of Liberty for America. They as DEMONIC LIARS, are dishonorable THIEVING nazi savages that bomb our innocent families with criminal intent to MURDER. Enemies of Life and Love, a dead bushite is an enemy of GOD halted from victimizing further our loved brothers and sisters, mothers and fathers. Death to the neoconner bushite dumfuk grunting liars who bomb our families, death to the enemies of Christ who war for the escape of the true culprits responsible for 911. TRAITORS.

See my friends, this is why I, as the Son of Man beg and plead for all able bodied men, to kill treasonous bushite on sight, for every time you love God by defending the innocent from murder, (the innocent whom any pro-bush corporate professional hold in total self contempt,) you save REAL peoples lives, and

you defend God's good name to love God as ourselves committed to true Liberty. Bushites are enemies of freedom, enemies of God, and worthy of death, before allowed to further bomb people indiscriminately like the commanders of NATO order day after day without risking instant frag because, bushites are blind cowardly thieving nazi fascist savages, brain damaged, who believe as satanic demon whores of Molech, they can con all of US including me forever, just like dare dubya. Dumfuks to their bitter end.

To Kill a Bushite, is to be Heroic

American soldier: Your enemy is TRULY LIAR happy George Norry. The demon knows of Ahmad, and forbids any guest from uttering such understandings in defense of the DYING dumfuk grunt nazi - Good riddance? Do you care that your country men are dying for the criminal zionist neocon as traitors? Support my demand for US to be heard GOD DAMN YOU. ...or die by the hands of Humanity.

All fighters, listen up. ANY bush bitch neocon biter who pretends as a cowardly child killing traitor, it can't ever hear my manly voice from here, YOU kill to defend ourselves over, in the cage or otherwise. CHRIST RETURNS

I again, beg Humanity to speak in opposition to Amerika in the defense of our innocent forsaken dying lives. CBC producers know the bushmob did 911 but lie with propaganda to kill our families for the ungodly as thieving neocon enemies. They refuse to inform ourselves that Al-Qaida is General Mahmoud Ahmad, as according to the FBI. Or that video of iron flowing like water from the WTC towers exists indicating without doubt, the bushmob enemies did 911 as TRAITORS.

Today, there is nothing more i wish, than to hear bushite nazi savage thieves for the neocon die rightly, before the innocent they target for murder. All in an attempt to 'escape' those truly responsible for the crimes of 911 a bushite whore practices, as an enemy to Christ and America.

Evidence is required to convince ourselves on who is good or evil. Period. Don't like it? Too bad. We are on charged!!

Who cares about yourself if you won't listen as reason to? What can you lose when you have granted to be blindly stolen from?

Zionist nazi Israelis, do tell as LIARS, that Israel, the nation that openly thieves, tortures, and murders daily thoses THEY ADMIT are commpletely innocent, are enemies of every religious person denied access to honestly speak the facts as firmly established since the dawn of Man.

I AM AMERICA

Sattler ordered the murder of more than 200,000 innocent people in Fallujah, and they speak nothing but lies on how such demonic behaviors are godly as just ignored. Our Lives forsaken, as they hold their very own to die sacrificed for the unelected traitor neocon. I AM AMERICA.

America MUST demand war crime trials for the propaganda CNN broadcast "Anvil of God" regarding the demonic actions of Bravo company. They forgot to tell America importantly, nazi forces forbade the population from leaving, gunning originally for everyone between 15 to 55, but sided instead to murder infants and the elderly too, when beginning the Zarqawi campaign by bombing hospitals as first strike targets. As such, the bushite murdered many good doctors and nurses - so all to send bushite snipers on hospital near rooftops gunning for every seriously injured woman and child who tried to get help from the Humans. While driving down residential streets, grenading every home of humans being. Remember that when you hear these dishonorable bushite thieves die rightly for god and country.

[Sideline: It's been thought the reason why rescue efforts in New Orleans were provably sabotaged by Rove, was an attempt to make the blue state, commi red.]

See?.. women and children, who the enemy bushite forbade to leave the city with their innocent families, who, as were all living in the entire city of mosques conveniently found labeled therefore by bushite, "Insurgents" (or did leave earlier, and had our innocent families reportedly indiscriminately murdered two miles or so down the road by the most evil war crime act of recorded history.)

Importantly, there was no evidence made awared of, that legitimately offered PUBLICLY, from the UN or the U.S. to indicate a refugee camp anywhere, but for maybe a small group photographed - then some belligerent bushite bogus pocus - all

headed up by a blatant traitor to America named Sattler.
Reminder: after the indiscriminate carnage, they couldn't
find near anyone for weeks who would take money offered to any
citizen freely who survived for their satanic benefactor. So
insanely disturbing as ungodly evil doing, war criminal
Sattler called a halt to giving out charitable considerations
from Americans to the unseen surviving victims - all in an
'escape' attempt to make it look better for US, the paying
audience. So, where did our stolen values go to then eh?

TWO OF THE PROTECTED 911 HIGHJACKERS WERE WORKING WITH SAUDI INTEL!

Murder for stolen money in America's America!, and CBC, CNN, FOXNEWS report no cause to care! Treasonous George Norry CONS Americans to murder for the evil neocons with threat of his going "ballistic" against any or all Americans who try to stand up as a Just peoples for what is righT, for Life and/or God by SPEAKING FREELY. Will You try?, or go silent to die as unworthy? Your call bud...

What Freedom do bushite war the innocent for to rape, pillage, and murder as blind neocon followers of the 'lawless' demon antichrist? Eh?

"Al-Qaida" = "General Mahmoud Ahmad"

CBC, CNN, FOXNEWS, the Zionists, purposefully work to LIE to the dying American Marine, that the ungodly bushite wars to escape the 911 perpetrators hold some hidden benefit, as the TREASONOUS neocon thieves freely rob from both undefended American and Iraqi citizens, The neoconner, Mr. Bush closed criminal investigations on 911 immediately after the event occurring, while Billions are stolen through 'ear marks' and TVed Americans have no care known to speak of.

Done with American tax paid for rapists, torturers, and terrorists like Aegis who dress up as al-Qaida to murder godly lovers of Justice. CNN, CBC, and FOXNEWS would rather kill the Marine, than teach them where to aim their weaponry of liberation.

CNN, CBC, and FOXNEWS speaks NOTHING to demand the execution of hiding as 'British' soldiers who on prized video tape, beat to death young barefoot children for erotic fun, nor on mercury vaccines not banned minus "The President" in name. BANNED if God were Loved by America, or that the man or woman on the street would financially support my rise by popular command. Would you leave me to know, I will be left without a home to rest, or food to feed my hunger? Would an American?, I ask all Peoples of Earth to witness the American's contempt

for Our worthy lives. Sattler ordered the murder of more than 200,000 innocent people in Fallujah, and they speak nothing but lies on how such demonic behaviors are godly as just ignored. Our Lives forsaken, as they hold their very own to die sacrificed for the unelected neocon. I AM AMERICA.

Johnny America Speaks Out

"what's this freedom war against Life for again"?

Hannity is a perfect example of what a neocon is. It's a one way communications system. He tells us what we think, and he'll never takes our calls, they won't read our emails, and they'll continue to pretend WE don't exist. AND... when WE die, they'll be richer for it. AND you'll be dead, your innocent brother will be dead, your innocent child will be dead. No evidence against an accused is US being truly abused. George Walker Bush is Guilty for 911, while every irrational bushite is a traitor to the American Family.

ABCNEWS.com : FBI Called off Terror Investigations

THERE ARE certain principles that we would all agree to publicly speaking. There are criminals who don't like these ideas, but they ain't going to speak out against us. Example 'I don't want to be held accountable to the American public, cause I want to steal that 16 billion dollars for myself. That's my public opinion.' What are we going to do but defend ourselves of deathly lawless tyranny, eventually. Or, you won't by DECIDING not to decide. Support our rise as the top cop of Humanity, coming down for diplomatic talks to engage the flagrant wanton stupidity of the bushite grunters. All on hopes you'll consider also, these Kingly texts worth a couple hedge funder salaries, a sixty cent barrel of oil marked up to 74 dollars, or a thousandth of the money America would save in a year, if you adopted Canadian Health care systems overnight for yourself to immediately provide all People the respect for life we deserve. Or don't, and needlessly continue to pay twice as much, while dying broke as self made losers without a cause worth preserving. A free market open to waste for profit

Nazi zionists gave US Jews a bad rap again I see. They're despicable criminal savages the neocon.. who steal the rights and privileges of US peopled folks, all to fall victimized with their self confessed contempt for love and justice. Condi's crew dropped seven million land mines to murder ourselves for generations, and, shouldn't she and the neocons responsible be put to death for such conducts?? If not then, when? discuss.. They openly target innocent human beings indiscriminately without apology, but excuses that don't hold water. Not that corporate news professionals are even pouring! It's most definitely the re-occurring true story of a censored mankind with You as it's innocent victim. For, what human would support victimizing others for the tyranny of blind terror? Only bushite amerika would fall silent under such self contempt for our constitutions.

/ / [..]Israeli "Defense" Force (IDF) has announced that it will discontinue its practice of "capturing" populated Palestinian villages during military training exercises. The IDF states it will "reexamine their policy" of conducting such raids on uninformed, panic-stricken Palestinian villages. \ \

Tell me, is this the godly people the neocon boast of for defense in? Or, just again examples of standing terrorism against life ourselves - committed by the censored as will giving, sacrificing American payer? Justice is Freedom.

Do you care to buy the bushite lies, when they commit openly the very same terrorist acts they say we should all be outraged against? Somalia is a case to point. They murder helpless people as bushite, then say they'll remain dying to thieve further as enemies to Humans being. It doesn't fool me, but perhaps it does you. A neocon soldier murders innocent Iraqis, while selling you they are all there risking their lives to bring freedom. So, they die. For lies. Die. Again, KNOWN Aegis goons openly commit crimes against Iraq done officially to get killed! the supposed to be Patriot Marine. P2OG. Soldiers under bushite command would rather die cowardly, than to honorably demand the bushmob's arrest for public trials as defeating ungodly fascist war criminal savages.

Why suffer otherwise this way under the tyrannies of naked neocon plunder to deny our lives for measured justice I ask YOU again, please believe: truth will set us free.

Al-Qaida = General Mahmoud Ahmad = ungodly bushite liars

Elected Governments All Over The World

Galloway "These are the people who have overthrown elected governments all over the world. and he [Richard Perle] comes on your program to prattle about democracy. These people don't want democracy, they want slave governments. If it's a slave dictatorship - that's fine. If it's a slave elected government - that's also fine. The only thing that matters is that the government is a slave government. That is why they will never invade Egypt. They will never invade Saudi Arabia. They only invade countries, or threaten to invade countries, who stand against them and who refuse to be slaves to them. That is why they hated Iraq, that's why they hate Iran. That is why they hate Syria. Of all the faults of all the three regimes in these three countries - they were never slaves to the United States, and that's why they were attacked. [...^] In Iran, 17 million people voted for the president, Ahmadinejad, and 10 million voted for his opponent Rafsanjani. Those 27 million are determined to exercise their right to nuclear power. The response of Bush and Perle is to threaten them with invasion. These are the people who murdered Salvador Allende, the elected president of Chile. These are the people who have overthrown elected governments all over the world."

911 Leaders Saying They Are Jesus
http://rss.nfowars.net/20070802_Thu_Alex.mp3

Jason Bermas "I just want to let people know, that if this is a hit piece that involves, you know, saying that we're all blaming the Jews, or the Zionists, or something ridiculous, where we go after an ethnic group, [Jason Bermas suggests "Jews" = "Zionists"?] 'we' can not be associated with ANTI-SEMITISM, space beams, utter kookery.

Alex Jones "Or Jesus! they have 911 leaders saying they are Jesus now. They have people saying it's space beams from Pluto. And folks, I've tracked these people, they all were formally in intelligence, or connected to the Bushes, the space beam thing came from a almost cabinet member level Bush member, and folks this is a setup to poison our movement."

Now??

I've given my phone number several times to Alex Jones, of which he's not as of yet, invited me on as official guest, for fears he can find no arguments against US I presume. 911 financier Ahmad = al Qaida, and we have molten iron on video flowing like water. Demon Bush Jr. gave US zero, while closing criminal investigations immediately after the terrorist offense of no questions!, no questions! Case closed. But no, the American media rarely if never mention these facts, while insisting Bush's deathly war criminalling is as only a puppet, look away! look away!, leaving without challenge on the, teen like naivety of wearechange.org's consistence that "we", who demand justice for 911, who might also hold the opinion that zionist behavior does not blindly equal being Jewish, should not be allowed to speak Justly for our public challenge, because bushite Amerika has no defense

for censorship against ANY of our judicial wanting, as documented positions on behalf of the suffering to death victimized public. Why? Because we are Just. Well, I try to be anyway. (I've spoken as written for YEARS, with NO ONE WORLD WIDE countering in the public realm, but for the strangely odd insult. Bushite do exist, don't get god wrong, but dumb evil bushite brood in darkness with censorship like all zionists do, selling to be 'godly' honorable men, when in truth, they'd murder anyone of US for a stolen nickel given to a neocon. I, as open line talk radio producer, win every time, always, forever, never fail. [er.. yet..] Why? Because I treat YOU fairly. America should do the same. We are all in this together. Zionists like robbing then killing defenseless innocent Christians, and Jews, while just lying that they don't without scened factual TV perception. Demon 911 WITCH, zionist Condi 'okayed' the dropping of more than SEVEN MILLION land-mines on Lebanon, purposefully done to indiscriminately murder ourselves for generations. Jason might foolishly call you an "anti-Semite" in fear for speaking such not understood truths. And importantly, not because they can publicly disagree so in open debate, so sides to not allow US to rise in acknowledgement to bring about Justice as demanded, for ALL as ANY. (Gee, who's the neocon now eh? (we're all sinners.))

If Americans really want 911 Justice:

Help US out by putting the video of molten iron flowing like water out there in the minds of any who have doubts, tell them hypno mugger Bush, gave US zero to substantiate his public falsehoods, and tell US about Ahmad as more than a passing fact that means little of nothing, then, WE, The People, will believe this has more to do with Justice for Humanity, than the American suffering movie goer ego being, "leading the free world", by voicing no public concerns on the criminality of the bushmob shysters. Left happying in the George Norry, as a TRAITOR to a dying America not hearing. An enemy of Liberty to the, tried to be free soldier, who is led TO DIE still un-wittingly by lie for the misfortuned neocon bounty of

global tyranny through coast to coast story lining. Look, the peenackers will tell you freakishly, that they work to lie to us all, to take advantage of a plain to view weakness. I swear. The neocon wants to con your kid to die for a war lied into with as our stolen goods. We lose as crime victims, while they win free accountability because, (well... Do Republicans mean to bring health care suffering out of control with no market values, because truly they have little of no skills when it comes to fixing their own buffoonery? Hmm... unless they count to hide the bean all together, fixing the game intentionally to have US lose by remote controlling stupidity! 300 channels, and nobody's taking our call from the space cased file of, "what's this freedom war against Life for again"? Look, is mercury as a medicine good or bad do you think?, let's ask someone for Christ's sake. Or for Deb, Henry, Bill, Beth, Mark, Carol or Tony. Johnny Wizard, our everyday normal magic man of folklore, opens up the stage to ask all the people together, "Are we Man or machine to take this all lying down quietly"? Bush and Co. have publicly acted nothing warranting immediate arrest, or have openly supported the great Kucinich's plan for Impeachment, and consequently, are leveraging America into this mess 'because' we were portrayed as sold to the U.N. for freedom as Iraqi's Grand Strategy. BOGUS! Nothing about the PLANNING of killing people indiscriminately for financial criminal gains as bonafide terrorists, for we had unrestricted access prior to dropping bombs for mangy LIAR neocons. ORHA. General Johnny would teach MY soldiers to immediately arrest to kill for such criminality. In fact, I'd likely even throw in some bonus cash, an a Freedom medal from all lovers of Liberty. Did you know, many bushite sing a song about killing innocent young girls for pleasure? Did you know that also, an "American" radio host likes playing that same song as recorded on "American" airwaves? Fight back for God, or die from self contempt my friends, fight back for life and love.

TRAITORS TO LIFE

"I told him, there's women and kids in that room," Lance Cpl. Humberto M. Mendoza said of Lance Cpl. Stephen B. Tatum. Tatum's response was, "Well, shoot them,"

If Americans don't proudly put to death Tatum, on behalf of the Family that lost their son, their Marine, Johnny will formally conclude, Bushite america is an ungodly evil nazi fascist state of intolerance and hate to US, the Great Human Race. Bushite amerka does not own Freedom, nor do they own our rights to be Just. Join me in demanding the Public execution of the satanic demon liar Tatum, on his Public insistence that murdering innocent families to thieve from for the neocon, is a crime not warranting the death sentence enforced by any family man. Death to the bushite. death to the enemies of man. The neocons will be arrested, tried, and executed for the crimes of 911 as traitors to Life.

Death to the bushite instead of the innocent loved in God

Don't EVER forget, the private company Aegis has been officially found dressing up as AL-QAIDA! - AL-QAIDA! - AL-QAIDA! to murder pro-western forces in Iraq, while desecrating Elvis. Elvis Presley. If you don't love Elvis, there is something seriously wrong with America. Now yous messing with a real son-of-bitch. HeY!, question: why don't Americans kill a bushite for Yourself bud? - because Bushites insist "we're" willingly being led by the antichrist enemy of all human life as Satanic LIARS who intend to cheat ourselves of freedom through self respect. Pro-neocon-media enemies are nazi savages, and I don't like it..How about you?

Death to the bushite instead of the innocent loved in God

-

Time is Up

Al-Qaida Kagan "Al-Qaida, their whole strategy revolves around generating sectarian violence, because that is how they embed themselves within local communities "

What?? For friendship?

What is the demon TRAITOR to HUMANITY in America saying about the reasons he embeds an Iraqi under 50 odd divergent NEOCON labels? Wouldnt most Al-Qaida take great joy in killing a bushite nazi grunt like any real Family man would also? These LIAR dumfuk grunts who cheer "whore yeah", routinely, can barely read or write, so, how possibly does this FOXNEWS expert, expect such ungodly antichrist forces to delineate Al-Qaida from the local communities they PROVABLY indiscriminately bomb as Satanic?

Kristol and Kagan: Put Everything Behind Escalation So We Can Bomb Iran and Syria

Kristol and Kagan MUST be put to death for treason against America, treason against Life, treason against GOD. They both have continued to Publicly advocate murdering more innocent peoples indiscriminately they call, "Al-Qaida", all to rob further monies from an undefended America. It is easily learned by any as all, the victims of bushite tyranny are exclusively, US, The People, guilty of nothing but our shared love of GOD. Remember forever: there was NO JUSIFIED REASON for bombing PEACEFUL Samara, NONE! that bombers confess was done as ordered by Allawi INDISCRIMINATELY, all for getting killed Marines sent in later for more stolen cash from America. P2OG. [hundreds of bushited Marines died rightly almost immediately - (wow eh?)] A Satanic action, Kistol and Kagan, both blame without thought to question on "Al-Qaida".

The action of Satanic bushite bombers targeting Samara as war criminals is FULLY documented.

Death to the bushite neocon LIARS, death to the enemies of Freedom for Humanity. My beloved friends of GOD, please, when you see the mute bushite, kill it for Christ, kill it for Love, kill it to defend your loved family. (Any soldier who doesn't proudly talk of how it hunts those British soldiers who kidnapped barefoot children and victimized them on video, is a soldier worth destroying NOW to defend GOD and Life from needless death.) I HATE the REAL demon antichrist Christ says.

Kagan "You rarely know in the middle of a war, what the outcome will be."

/ / The US has also been backing some pro-western politicians like Iyad Allawi \ \

Do you know who Allawi is? Allawi confesses to blowing up school buses filled with children for "CIA" money. NOT THEORY. HE ADMITS IT AS AN ACTUAL SATANIC DEMON! Allawi, the truly insane mad man, confesses to having ordered the murder of doctors and nurses that treated wounded god loving women and children from Fallujah. It was these DOCUMENTED acts that had him thrown out of 'the CBC, CNN, and FOXNEWS TV expert scene as workable', all for fears that US humans might actually wake the fuk up on WHO is Our True Enemies here. All three, pro-private-bank zionist news stations are well aware that the bushmob did 911, but lie to YOU as forsakenly dying for their growing riches and world wide broadcast fame.

CBC National Newz - July 11th 2007 'tens of thousands have died in Iraq since the war against truth started.'

Anyway, these two Allawi incidences are fully documented, look it up, then demand the "The US" pro-western politician person quoted as supporting Allawi - be found guilty of CRIMES AGAINST HUMANITY, Demand publicly, having the neocon zionists EXECUTED by America, for America, as America. A Just America that defends America from criminal madness. Or don't. Death to the bushite, death to the enemies of Man I say.

-

George Bush "The same folks that are bombing innocent people in Iraq were the ones who attacked us in America on September the 11th"

George Bush 'Iraq has nothing to do with 911, you bunch of nazi dumfuk grunting LOSERS. Whore yeah - praise Satan - die America die. I mean... I love Jesus'

So it was as I thought too: the direct co-operation of the joint chiefs of staff assisting General Ahmad, in committing the murder of thousands in America on 911 for the neocon TRAITORS, as the same 'escaping' enemies today, responsible for 'secretly' ordering these indiscriminate terror attack bombings against YOUR Humanity for their continuing stolen pleasures as Satanic.

The Pentagon's Power to Jail Americans Indefinitely
http://www.jonesreport.com/articles/270307_pentagon_power_jail.html

Look, demon enemies of Christ torture innocent people for fun,
paid for by the silent American tax payer. Americans refuses
to bother making a simple phone call to Coast to Coast to
raise some concern. THEY don't. They refuse to hunt bushite
down in their streets for death to defend the innocent held
indefinitely against GOD'S will. Death to the bushite, death
to Johnny's godless, lawless, fascist enemies of FREEDOM.

Look, CNN, CBC, and FOx News know the bushmob did 911, but
will smile while watching your son or daughter sent out to die
CONNED by their demonic hatred for US freely communicated.
How do I know this? I made the effort of making the phone
calls.

"Al-Qaida" = "General Mahmoud Ahmad"

Defend freedom, and the FBI, by demanding Coast to Coast radio
hosts allow free communications, absent their personal
contempt for preserving freedom to be our America. George
Norry WILL kill Your American child for the contempt he truly
holds for our lives here. He says he only supports murdering
Arab children for the neocon, but when your not looking in his
'shadows', he'll kill your child too, don't doubt it for a
second.

-

Allah is all, and negotiating for freedom from naked bushite
tyranny is won EASILY through communicating understanding.
Omar the Just knew this to say so, as do I. And this is why
corporate news professionals forbid me to speak openly without
nazi censorship, ON OUR AIR-WAVES, because I am honorable,
right, and true as believable. While America's fun guy,

zionist George Norry, states to support PUBLICLY, the ungodly
murder of innocent Arabic children for nothing but his
personal contempt of YOUR DYING LIFE, while further wanting to
invite thoughtlessly nuking places on Earth all for his secret
hatred of US freely commutating. Typical bushite. Ending

with to tell US again 'convincingly', that bin Laden did do 911 as a terror-ist bad guy in G's World!!?! How so? EH? How so? he don't care man, he don't care. He and his family have millions of dollars to sell you out, so why care for your struggle to survive in bushville soldiering?

Alex Jones and me aren't on the best of speaking terms, but I will state, a desire to address every same challenge he has adroitly addressed as publicly lacking. And when I am addressed 'officially', I will campaign to put US in the space to realize, we are the government, we are the people. We don't need to run to the hills and encamp ourselves away to defend ourselves to the max from the man, we are the man. I'm telling yeh, I know this to be so as the sea is we magically. Equal rights for all in God's name is self evident. Self evident to ME anyway... but well.. who am i?, right - I'll tell you as I have for more than a decade as a living fiction forsaken for lack of anybody anywhere understanding in totality what I am here on Earth as true Son to Man - a 'understandable' timeless stand in for G to gain recognition through as honest broker. [I've been everywhere around forever, and.. blahblah.. I know people really don't care to know of ancient wisdoms, truths that guide the order to the Universe, cause often they think I'm beyond their comprehension as a 'better than', when all power is in equal respect for others as our hurting brothers and sisters suffering with tyranny by our collective willful ignorance on Justice.[God's bestest is Just for every reason being thus]] I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really defend ourselves with.

Please my American friend, help US speak out freely Coast to Coast. So we together can start, on demanding Justice for all, as innocence in serious jeopardy. Dadullah is most likely an individual who holds at least some control over official military functions of NATO in the region. So, we're going to seed loyalties of the rare Patriots in the force to recognize our need to isolate who supports, not talking FREELY for peace easily in Afghanistan without question. No evidence was brought against Laden, therefore, the Taliban were True Patriots, and bushite traitors are pure racist nazi filth ridden, toxic, as being cowardly dishonorable as despicably evil, enemies to us all. Put US in Command.

Question the bushite, question to anyone who mumbles disagreement in the godly fact, that WE, as Humanity, will spend the better part of this next generation, hunting every last war profiteering nazi war criminal down for our real Freedom from their, so errorred "endless" tyranny of big money terror. Lawlessness with be outlawed, and ANY corporate

american who mumbles otherwise, as an enemy totalitarianist, the clear ungodly, (as should be criminal,) will be put to challenge by their very own children, or parents, or bleeding dead brothers. Hannity must be tried for death as lying that the holocaust never happened from Iran. DEATH to the demon liar nazi fu-ker I say, DEATH to the demon liar nazi fu-ker.

Al-Qaida = General Mahmoud Ahmad

Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

/ / "Those who negotiate in the name of the Taliban will be killed," he said. He did not elaborate. \ \ He's either with the proven cowards of JTF2, or the two or three "CIA" guys

secretly hunting bin Laden in caves out there with tens of billions of dollars. SPENT EACH YEAR 'unknowingly'. (No reason why, but, they just can't tell You, as the paying for it really while DYING) Put US in Command.

/ / The Mujahideen aren't students of power and don't compete for power like others do. We are students of truth and work for establishing this truth and for this cause we sacrifice our power \ \

I would offer rewards for more soldiers to come forward. Why? because there truly is, no honor among thieves. Every bushite soldier in Iraq for the liar neocon is minimum, a purposeless dumfuked cowardly thief. See? if you offer a reward, and they don't take it, their 'fellow' bushite, kill'em for it, right? why take the risk it'll cash in over your worthless

life? For, who can trust a lying bushite nazi savage?
certainly not a lying bushite nazi savage. In other words:
speak against committing war criminal acts of lawless
aggression in Iraq for Bush, as CLEARLY un-American, and I'll
try to forgive you as human. Or, I guess you'll kill
yourselves in mutually muted total contempt for this universal
life as actually worth something.

When you see and hear on video, sexually dysfunctional, as
sadistically satanic grunt puke pro-bush soldiers moaning,
while deliberately killing innocent defenseless Family People
running for our dying lives from a holy church, or as just
simply anyone standing near the side of the road, then, my
friend, you'll begin to understand what evil actually is.
And, what needs to be done to seriously save ourselves.
Seriously. Justice must be won sooner than later.

Five Star American General Johnny Wizard will train American
Soldiers to recognize such demonic behaviors in combat as
worthy of immediate frag to defend the lives of truly fellow
honorable soldiers. Soldiers ACTually, committed to freedom
from godless satanic dumfuk tyranny of the antichrist demon,
Mr. evil personified, the UN-ELECTED 911 TERRORIST, George

YOU

"If the absence of violence is victory, no one will ever win."
http://cleveland.indymedia.org/news/2007/03/24652.php

I know, it's seems odd that I am, at the same time, offering answers to any question on the science of God as is pertains to Justice measured, but this is just who I am to be conscious man. So, if we can get over the shock of me being so especially normal, maybe we can then realize, I have some simple good old ideas that transcend through time by rational understanding communicable between any two people. I am not a "miracle worker" to all those I advise to not eat Aspartame because it's a poison that also makes your body crave un-needed carbs, that will likely convert to more unless fat. So, it slowly kills you, while making you fatter than you need be along the dead end journey faithing in "the system". So, why do some do it religiously? Who cares (for now) but to say, our governments are failing US miserably. I spoke personally with one of the head scientists in Canada at "Health Food and Safety", and he told me the scientific analysis done by reputable scientists I found freely available repeatedly on the internet years ago, was completely true. (It breaks down to formaldehyde, and methanol (a slow lethal poison), among other shockers. Poison. P-o-i-s-o-n-s in our food stuffs. Poisons.) However, he could take no action to defend Canadians "officially" because we, Canadians, have our corporate interest news departments completely refusing to defend ourselves from corporate exploitation anywhere, and as natural consequence, we, as the dying world, would together unrepresented, probably lose a law suit from mutant Monsanto through the self inflicted bounds of OUR censored WTO program. - instituted through the top secretly mastered puppet people persons of the 'unseen' NWO I guess.

I'm telling you, we need me as King.

Look: Aegis's workforce, for American PAYING profit, has been publicly disclosed through CNN to be shooting people in Iraq indiscriminately for your money, and when the Pentagon was contacted by Nick Roberts about what would be done, they responded, nothing would be done by Johnny's America but to increase the multi-hundred-million dollar contract with demon enemy Tim Spicer to continue. Now... why you ask? Because the neocon liars, steal money by lying to cowardly American kids about what they mindlessly, without thought, give their souls for. Tim Spicer openly hires South African goons to commit hardships for American GIs to die without end for, in lawless tyranny. Peace sells less money for the neocon war profiteers to murder the innocent American as. (Iraqis,

along with the rest of Humanity's Men, WILL eventually learn this truth, or life for you will end.) As an Arab hating bushite, (like what you'd find as a publicly proud practiced hatred for all Humanity, by an Amerkan dumfuk soldier in Google's alt.religion.islam), they say nothing for Freedom by Justice, but root themselves to Spicer's monsters who like

killing black guys, as world renown mass murdering racist nazi filth. That's why zionist Israel loves them so much.

Look: Somebody stole four trillion dollars out of the Pentagon.

Look: corporate magic TV people couldn't care less for US if they tried. Ahmad funded Atta. bin Laden claimed he played no part in 911. And video of iron running like water moments before the first tower fell is freely available for download all over the place.

Look: Barbra Bodine did the Cole bombing. [the Cole whose crew has been completely overhauled. Where are the many who served there NOW eh?]

Look: America has kidnapped countless thousands without evidence to be held against OUR will indefinitely. [Like the NOT Jewish Israel]

Look: innocent people are being tortured to death by those who hide OPENLY in America's uniform. [let US hunt them down for GOD, despite what demon lies they argue give them as Satanic to avoid "The Law".]

Look: the bushmob war profiteers STOLE the Iraqi Development fund

Look: the more than 10,000 security contractors for Bush are officially deemed lawlessly unaccountable to anyone - THINK ABOUT IT

Look: Negroponte PERSONALLY stole the Iraqi emergency water provision money

Look: Sattler OPENLY committed the worst war crimes of all Humanity's history

No bushite was found gloriously killed for country, yet, they,
the godless bushite enemy, continued to shoot innocent People
indiscriminately for a distance of six miles, while likely,
secretly masturbating each other as bushite liars do always.

The pro-bush irrational military said only eight innocent
un-armed Afghans were counted as murdered deliberately, by
those who believe our Mankind, can not ever find themselves

Corporate News America's Terror Expert, Gaffney, who publicly advocates the rape and murder of the innocent in Iraq to thieve from for the 'escaping' neocons, (as the truly UNGODLY,) stated these words about why American Soldiers continue to lawlessly DIE sacrificed for no better good or reason understood, as total willing dumfuks under deep hypnosis:

Don't let these neocon zionist bastards doe this to US.

REPENT. [from the Greek, meaning to think.]

The TRUE Son of Man Johnny Wizard Exists Born to this Eternal World to end permanently demonic bushite enemies of Creation. Help Life out by destroying cowardly America's greatest threat to the Species, the greatest threat against Humanity's Freedom to be Loved by God. Corporate nazi zionist bushlores at CBC, CNN, and criminal thieving from the desperately poor in Winnipeg CJOBers forbid open communications, and I can't 'take over', because then I'd be defeating my own, power to the

Peoples argument. So, it really is up to YOU, yes you there... reader. Who.. really..? YOU, here, now. Life begs, takes a stand for your fellow man, and demand our voices heard for the defense of the entire human race. And be quick about it. Repuglicons don't want freedom from endless war where they kill your forsaken kids, for we all know, bushites would be publicly tried, then spend the rest of their treasonous lives behind bars broke, or dead from lethal injections made popular in America. Again, officer Bowman is responsible for letting 'escape' those from Fort Detrick, who attempted to murder the American Congressmen who thought going into lawless tyranny, !makes no sense! Where is corporate America on our issues when OUR free speech is ruled by the irrational evil minds of Limbaugh, Bell, and Norry?!?!! Back to Bowman: Bowman, also is responsible for sabotaging the Moussaoui warrant. And, how much you wanna bet, he's probably the same bushite who found Atta's passport, and likely had all 19 names of the high-jackers to give CNN, CBC, and FoxNews just like the neocon's "bin Laden" would have too. Take the publicly prancing bushite enemy out for questions by yourself, if he doesn't plead his defense publicly on Coast to Coast by tomorrow. Remember, there ain't an "Intelligence" group worth their salt on the face of our Earth, that doesn't know exactly what I'm doing here honorably for a real Justice made through careful thought. So, support Johnny Wizard speaking for public challenges internationally, and with the 23 plus co-operating for life 'Intel' agencies, along with, anyone else who can join in on the call. as a growing number of Patriot Soldiers, who trust yourself to see, this wanting of Justice isn't complicated. A person accused of a terrorist event without any evidence, has our accuser a bushite, who should be watched carefully until verifiable conclusions are done by the understanding of fact. Not faith. With George W. Bush making real decisions in faith, expecting us to believe as corporately broadcasted unabashedly unbiased, that he is not a deliberate incompetent monster war criminal of unfathomable evil?, who is just too 'stupid' to understand why we are innocent until proven otherwise?, is really something we all need to scream about to save our dying lives.

"[..] just like the neocon's "bin Laden" would have too."

However, the real Laden, on video taped confession, claimed he played no part whatsoever in 911, then later, offered himself for arrest, confident he would be acquitted. Not corporately newsworthy though, so, few even know why their American child was later died in the terrorists act of corporate contempt for US living Freedom with something greater as real Justice wills

*** Welcome to rec.radio.info! ***

Welcome to rec.radio.info, a group that aims to provide a noise-free
source of information and news for the entire rec.radio hierarchy.

Two introductory articles about rec.radio.info are posted to the group
every month. You are now reading the first article, which explains what
rec.radio.info is, and answers some Frequently Asked Questions. The
second article is titled Posting Guidelines, and you only need to read
it if you want to submit an article to rec.radio.info.

You can skip to the next section of this article by searching for the
next
" -- " string. The sections available are:
- What is the purpose of rec.radio.info?
- Why are messages almost always cross posted to rec.radio.info?
- What is a 'follow-up', and what does 'moderated' mean?
- OK, so now I know what 'moderated' means. Tell me more.
- What type of material is considered inappropriate?
- I do not have access to news, how can I get the information posted to
rec.radio.info?
- Will the material appearing in rec.radio.info be archived somewhere?
- I have a regular posting with timely information, is there a way to
speed up it's delivery, or automate for more convenience?

-- What is the purpose of rec.radio.info?

The purpose or charter of rec.radio.info is to provide the Usenet
community with a resource for information, news, and facts about any and
all things radio.

All the other rec.radio groups are intended for discussions and general
chit chat about radio. Rec.radio.info will contain informational,
factual articles only. Follow-ups are redirected to an appropriate other
group, and further discussion (if any) will not take place in
rec.radio.info.
```

In order to ensure that rec.radio.info contains only appropriate articles, it was decided to create the group as a moderated newsgroup.

-- Why are messages almost always cross posted to rec.radio.info?

It provides a "tag" for each article to be assembled into a filtered presentation in rec.radio.info (even with cross-posting, only one message, with a unique Message-ID, is propagated across the net). This tag also facilitates a pre-existing method of dropping or canceling the articles locally within the discussion groups if you don't want to see them. This accommodates individuals who want to separate the bulletins from the discussions, discussions from the bulletins, as well as those who are adamant about not reading another newsgroup and wanted to see everything all in one basket.

With the total size of Usenet (in number of newsgroups and total traffic) doubling every year or so, this is no insignificant contribution to reducing information noise and chaos. Making the discussion groups a catch-all, and making extra newsgroups filters on that catch-all, is also the most realistic way to implement such a scheme (It's not intuitively obvious what the charter, contents, and general appropriate topics for each and every newsgroup are. Seeing FAQ's and charter/intro postings in the home newsgroup is beneficial for new readers).

By cross-posting one only is adding a few tens of bytes to each bulletin (to specify the extra group on the Newsgroups line), but are adding the capability for very powerful filtering features available on most news servers, listservers and readers. Your local news guru could probably explain these features in more detail.

In rn, for example, according to Leanne Phillips in her rn kill-file FAQ, add a line of the form:

/Newsgroups:.*[,]rec\.radio\.info/h:j

either in ~/News/KILL (if you don't want to see rec.radio.info articles anywhere) or ~/News/rec/radio/amateur/misc/KILL (if you don't want to see them just in rec.radio.amateur.misc). The latter method means your kill file will only be consulted during rec.radio.amateur.misc (and hence runs more efficiently), and will probably work for most people.

In nn, according to Bill Wohler in his nn FAQ, add a line of the form:

rec.radio.info:!s/:^

in ~/.nn/kill (if you don't want to see rec.radio.info articles anywhere), or put the following lines:

sequence
rec.radio.info
rec.radio.

at the end of ~/.nn/init in order to see all the rec.radio.info bulletins first, then read the remaining rec.radio.* without the

bulletins.

More information about kill files may be obtained from Dave Fawthrop's Killfile FAQ at:

http://www.hyphenologist.co.uk/killfile/

-- What is a 'follow-up', and what does 'moderated' mean?

If you are new to Usenet and are not familiar with the terminology, you might want to read the general introductory articles found in the newsgroup news.announce.newusers. Doing so will make your life on the net much easier, and will probably save you from making silly beginner's mistakes.

If you think that at this moment you are reading an echo, a conference, or a bulletin board, I'd also strongly suggest a trip over to news.announce.newusers.

For the rest of this article, we will assume you have a basic knowledge of Usenet terminology and mechanics.

A moderated group means that any article that needs to be posted to the group has to be accepted by the moderator of the group. Since we need to ensure that followups to an article (discussion) do not show up in the rec.radio.info newsgroup, the `Followup-To:' header line contains a newsgroup that is appropriate for discussions about the specific article.

-- OK, so now I know what 'moderated' means. Tell me more.

Rec.radio.info is a moderated newsgroup, which means that all articles submitted to the group will have to be approved by the moderator first.

The current moderator of the group is the rec.radio.amateur.moderated Moderation Team. Submissions to rec.radio.info can be posted, or e-mailed to:

rec-radio-info@panix.com

Comments, criticisms, suggestions or questions about the group can be e-mailed to:

rec-radio-info-request@panix.com

But before you do so, please be sure to check out the "Posting Guidelines" article.

The influence of the moderator should be minimal and of an administrative nature, consisting chiefly of weeding out obviously inappropriate articles, while making sure correct headers etc. are used for the appropriate ones.

-- What type of material is considered inappropriate?

There are three broad categories of articles which will be rejected by the moderator:

1) Requests for information: rec.radio.info is strictly a one-way street. We receive information in our mailbox; we then post it to rec.radio.info. Requests for specific information belong in the normal discussion newsgroups. If your request gets answered, you might consider passing the answer on to rec.radio.info, though. Especially if you can edit it into a informational, rather than a discussion, format.

2) Obvious discussion articles, or articles that appear unsubstantiated.

3) Commercial stuff: a relatively unbiased test of a radio product would be accepted, but any hint of for-profit might be reason for rejection. For three reasons: This is not the purpose of the list, for-profit is a controversial topic, and this list may be passed onto Amateur Packet Radio (where for-profit is prohibited except under certain provisos).

rec.radio.swap may be more deserving of the posting in any matter.

Similarly, copyrighted material generally cannot be used. If it's TRULY worthwhile to the net, We would recommend obtaining permission from the copyright holder. Please note the source, and if permission was given. We reserve the right to make the final decision concerning appropriateness in all situations. In most cases, a brief summary of, or pointer to, the copyrighted information may be all we can allow.

-- I do not have access to news, how can I get the information posted to rec.radio.info?

Google has an excellent web interface to Usenet newsgroups. It is available at:

http://groups.google.com

It supports both reading and posting.

Another excellent web interface to at least the radio-related Usenet |
newsgroups is the RadioBanter site: |

http://www.radiobanter.com |

sponsored by the NewsgroupBanter project: |

http://www.newsgroupbanter.com |

It, too, supports both reading and posting. |

-- Will the material appearing in rec.radio.info be archived somewhere? |

Yes. See Google Groups and RadioBanter above. |

Effectively this means that anything you post to rec.radio.info will be permanently stored, so your work will not be lost.

-- I have a regular posting with timely information, is there a way to speed up it's delivery, or automate for more convenience?

Yes, there is! It may take a bit of chatter with the moderator, but we are willing to take responsible people and provide them the means of posting the articles directly from their site. We will try everything we can as we fully realize that DX (distant signal) and astronomical data can be somewhat transitory. We are also willing to allow regular posters of information the same courtesy, even if the information is not as time critical.

We refer to this as self-moderation, which is partly based on the model for rec.answers/news.answers. This requires co-operation and goodwill to be beneficial to the community in the rec.radio hierarchy.

Please direct any comments, questions, or criticisms about this article to rec-radio-info-request@panix.com.

*** rec.radio.info - Posting Guidelines and Etiquette ***

Two introductory articles about rec.radio.info are posted to this group
and to rec.answers/news.answers every month. You are now reading the
second article, which explains how to submit something to
rec.radio.info, and which answers some Frequently Asked Questions about
the submission process. The first article is titled "Welcome to
rec.radio.info", and it might be a good idea to check it out as well.

-- How do I submit something to rec.radio.info?

Two possibilities. You can use your newsreading software to just post
the article to rec.radio.info, as you would do with any other
newsgroup. The difference is that the software recognizes the special
status of rec.radio.info as a moderated group, and will e-mail your
article to us, the moderation team, instead of posting it to the group.

Alternatively, you can mail your article directly to us at the following
address:

rec-radio-info@panix.com

Mailing us directly is probably (a wee bit) faster, but using the
transparency offered by the newsreading software is probably more
convenient.

If you have any questions, or wish to deal with some administrivia with
the moderation team, we suggest mailing to the following address:

rec-radio-info-request@panix.com

-- How soon will I see my article appear?

It depends on how busy we are. Your article reaches us as mail, we have
to read it first, give it the stamp of approval, and finally send it on
to the group. We will attempt to read and decide on all submissions
within 72 hours at the very least, though we will probably be able to
process submissions much faster in actual practice.
```

The site from which we moderate this newsgroup, "Public Access Internet and Unix, NYC" (Panix), is directly connected to the Internet, and articles posted at that site should appear at most major news sites, including Google Groups, the same day. The principal delay, therefore, will be the wait in the moderator's submission queue.

If you post a periodic article, and have shown to be trustworthy, we may allow you to post directly if the article is of a timely nature. See the section below on direct posting.

-- Should my article be in a specific format?

No. If it is not totally illegible, we will accept it, and if it does not have a correct subject-line we will correct it with your permission -- that's what a moderator is for.

However.

You could do us a big favor by making sure your article conforms to these simple requirements:

1) The article must present information, not discussion or requests, We will reject the article or require you to change the wording if it is worth it.
2) A good, descriptive Subject line.
3) Always mention what source you got the information from.
4) Don't forget to include a Followup-To header, at least if you don't want further discussion to automatically be forwarded to you, the poster, which is the default if the article is only posted to rec.radio.info.

As we said: if your article is appropriate we will post it even if you don't follow these guidelines, but then don't blame us for not processing it immediately. 'Perfect' articles we can send on with a couple of keystrokes. Stuff that needs minor editing is going to have to wait until we have time to do so.

Please do not waste both our and your time by posting requests, as this is an information only news group.

-- What about crossposting?

If you send something to rec.radio.info, just name any group you'd like to cross-post to in the Newsgroups field. Then, when we approve the article for rec.radio.info it will get automatically cross-posted to any other groups mentioned. This will also override the default Followup-To: poster, replacing it with the groups you cross posted to.

We would prefer if the group be cross-posted to the various discussion groups in the rec.radio.* hierarchy that are appropriate:

rec.radio.amateur.misc Amateur (ham) radio and related matters
rec.radio.amateur.packet Amateur Packet Radio discussions
rec.radio.amateur.policy Amateur Radio practices, rules, etc.
rec.radio.noncomm Non commercial radio discussions

rec.radio.shortwave International broadcasting on the 'HF' bands
rec.radio.cb Citizens Band (27 MHz) discussion
rec.radio.scanner Scanner discussions (unsupported group)

or in one of the moderated groups:

rec.radio.amateur.moderated Amateur radio practices, rules, etc.
rec.radio.broadcasting Discussion of *domestic* radio broadcasting

We will leave it up to the poster to decide which group(s) are appropriate, but reserve the right to add groups if we feel it has broader interest. We will consult with the poster first.

Notes on crossposting:

- rec.radio.broadcasting is also a moderated group. The rec.radio.broadcasting moderator prefers to review all articles himself before posting. Placing rec.radio.broadcasting before rec.radio.info on the Newsgroups line should accomplish this. We will typically abide by the rec.radio.broadcasting moderator's decision whether the article is appropriate for rec.radio.info.

- rec.radio.amateur.moderated is also a moderated group. As the rec.radio.amateur.moderated Moderation Team manages both rec.radio.amateur.moderated and rec.radio.info, we can manage crossposting and approvals for both newsgroups. The rec.radio.amateur.moderated group does not allow crossposting to other discussion newsgroups, whether moderated or unmoderated. However, we would like to manage rec.radio.info as consistently as possible with how it was done by previous moderators, including the grandfathering of existing regular postings. Therefore, the submitter can choose rec.radio.amateur.moderated or the other unmoderated rec.radio.amateur.* discussion newsgroups for crossposting, but not both.

- Any FAQ or informational posting approved by the rec.answers/news.answers moderation team that is also crossposted to any rec.radio.* newsgroup (besides just rec.radio.info) is also automatically pre-approved for rec.radio.info. See below for more information.

If you post to another moderated group, it may be better to make special arrangements with both moderators before posting by contacting us at our administrivia addresses.

In addition, cross-posts do not take up extra space; modern newsreaders can be configured to show you cross-posted articles only once anyway; not everybody reads rec.radio.info; and rec.radio.info was never meant to reduce the volume of the regular discussion newsgroups. But keep in mind that some of the mail gateways may filter out the informational postings (at request of the subscribers) to keep the load down.

You decide.

-- I have a regular posting with timely information, can I make arrangements to help speed up delivery by posting directly from my site?

Yes, there is! It may take a bit of chatter with the moderator, but we are willing to take responsible people and provide them the means of posting the articles directly from their site. We will try everything we can as we fully realize that DX (distant signal) and astronomical data can be somewhat transitory. We are also willing to allow regular posters of information the same courtesy, even if the information is not as timely.

We refer to this as self-moderation, which is partly based on the model for rec.answers/news.answers. This requires cooperation and good will to be beneficial to the community in the rec.radio.* hierarchy.

If you are currently maintaining (or plan to maintain) a radio-related periodic information posting, you may wish to consider crossposting it to rec.answers/news.answers. Postings that are approved by the rec.answers/news.answers moderators for this treatment are automatically pre-approved for crossposting to rec.radio.info (as the news.answers requirements are far more rigorous than the requirements this newsgroup ever plans to use). For more information about this option, consult the appropriate information articles and posting guidelines in rec.answers/news.answers.

Realize also, that even if your post is not approved for rec.answers/news.answers, it can still be approved for rec.radio.info. The intention is not so much to get every last bit of radio-related information on rec.answers/news.answers, but rather to provide an alternative avenue of approval (as well as grandfather existing maintainers of radio-related information and spare them additional bureaucratic hurdles). Again, crossposting to either rec.radio.info or rec.answers/news.answers, both, or neither, is at the discretion of the poster (subject to the approval of the moderators). You decide what is most appropriate for your article.

Please remember that as an information maintainer, you are not alone. There are many others on the net who maintain and post periodic information postings, using various intermediate-to-advanced features of Usenet (usually via automated tools). Various degrees of technical support and general hand-holding are available from many Usenet veterans. Send us some E-mail describing your needs to our administrative address below, and we'll try to help, or at least refer you to the right knowledgeable individual(s).

-- And Follow-ups?

If the only newsgroup you have specified is rec.radio.info, then the Followup-To: field will always be set to poster. If you do not want this, you must supply a Followup-To line of your own, and we will honor that one, as long as it is a subset of the original Newsgroups line.

If you specify newsgroups to cross-post to, then the Followup-To field will be set to include all the cross-posted groups, excepting rec.radio.info itself. Again, if you do not wish this behavior, supply your own Followup-To line.

We maintain other standards on the various RFC-1036 (news transport) header lines. For example, if the article is appropriate for passing into the Packet Radio Information Network, we encapsulate the Packet Bulletin Identifier (BID) in the Message-ID: news header line indicating the machine of origin as the ampr.org domain:

Message-ID: <$opa.55.1994@ampr.org> |

where the Packet Radio BID, in this example, is `$OPA.55', and it was posted in the year 1994, because some of the Bid numbers are cycled yearly. Hopefully, this can be used as a key to re-introduce the articles for the Packet Radio network. Also, if the article is a repost of an already existing information article in the rec.radio heirarchy, we ensure that the References: header line is linked to that previously posted article. This also helps to tag articles, and may be used for additional filtering if needed.

Since the articles are archived, please use the Summary and Keywords header lines to help one search for your article.

-- Why have I received no reply from you?

We never reject anything in silence, and we make a point of it to answer all our mail. However, E-mail, like a brain cell, can and does get lost, every now and again.

So, if you send us something, and you don't see it appear it rec.radio.info, and you still have not heard from us in reply after say, five days, you can be pretty sure that either your mail never reached us, or that our answer has never reached you. In that case, please try again (We will filter out duplicates).

Please direct any comments, questions, or criticisms about this article to rec-radio-info-request@panix.com.

Maybe so, I suppose the same thing can be said of just about everything.
Its about the only game in town if you want to listen to digital systems,
so the price is likely to remain unchanged until there is some competition.
Even then, the competition is likely to have similarly priced units, so I
wouldn't look for the price to drop any further any time soon.

I just went out and got one last night, I live in the suburbs of Detroit
and DPD went digital months ago.
I was at a mall and noticed it on sale, I was thinking about getting one,
but decided to think it over further and left ... Went to another RS closer
to my house, and this $$$ was just burning a hole in my pocket so I said I
wanted one.
Didn't see the sale sign here so I told them I was just at another RS store
5 miles away and it was on sale, they said oh no, it certainly is not. I
said look, I wasn't imagining this, it was priced at $379 and it was the
digital pro 2096, on sale clear as day.
They said I must be mistaken, there is no way an item could be on sale at
one store and not another so I said fine, I'll go back to the other store.
I did, the manager there said the other guys must have missed the memo to
put it on sale, and thus anyone who bought one at the other store that week
over paid by more than $100.
To rub it in a bit, I drove back to the other store, receipt in hand and
showed them, which finally made believers out of them.

Listened to it for about 2 hours, pretty much programmed out of the box, I don't plan on doing much manual programming but rather will get that win96 software, or whatever thats called.

The LCD mysteriously went blank after 2 hours. Scanner locked up on a data channel, I pushed the lock out button, and the LCD went blank, is still lit but no numbers, letters anything.
[Does anyone know if there is a way you can actually do this if you wanted to] ?
Tried reset multiple times, still blank. Still scans and recieves, but apparently the LCD is defective, so I'll have to take it back for a new one this weekend after the holiday rush.

Color of Law?

Look, families are threatened with arrest for not agreeing to cause neurological damage to their children. The cause for why their children are not in school, is not the parents fault, but the unlawful decision by the health authority to not allow the children in school. So, arresting the parents is irrational, for, it is the school authority that has disallowed the children an education. So, arrest those that refused children Justice, or, go blinded with Alex Jones.

This ain't right

Look, the guy who murdered the two thieves, is guilty for
such. He acted to intentionally murder. MURDER. Do cops kill
kids who steal bubble gums?, or if they did, would an American
then think justice lacking? Cops were near the scene, and the
murderer held no pause to kill thieves with their hands full.
How about, 'drop to the ground' before pulling the trigger? No,
the murderer told US he wanted to murder. Would spitting on
the ground in America blindly call for executions because who knows
what the spitter would have then done later? The thieves were of
no alleged personal threat to life by the murderer, and would
have likely been caught by smarter cops who were in waiting.

What unspeakable evil is this, that CNN, FOXNEWS, and CBC

The Whole Truth - Christ Claims Torture Illegal

Torture IS illegal, yet, the TV threat is trying to teach America that We, The People, haven't spoken on this issue since Law came to be. Please, I beg, please fight back for Humanity by not excepting a zionist's betrayal to G-D on this subject. TV celebs are programming that waterboarding, head slapping, and the burning of innocent people to death for a treasonous bushite's satanic pleasure, is arguably in support of defending my dying America, through assisting in the neocon's escape for 911. Death to the torturers of innocent people, death to the enemies of Christ in America.

ect..

Look, torture is criminal. Do you physically slap your neighbors, to find out if they did the criminal's crime? Should we slap Rivkin to ask him if he plans to commit crimes against the innocent, and if he then says no, again repeat till he's rightly dead from hearing a liar's denial?

Torture is a crime warranting a life term sentence or death in America by LAW - firmly established already by the "War Crimes Act" of 1986. Demand Justice to save the lives of our innocent selves forsaken by the for cash profit, private news parrots. Believe in US demanding open debate for a positive change why don't you.. Nazi Germans were a happy happy bunch too over the growing threats of torture and enslavement through blanket annihilation... initially. Don't let Bush further hurt my dying America through his personal self contempt for our shared values.

http://www.whitehouse.gov/news/releases/2007/11/20071107-5.html

Look, November 7th, the demon antichrist stated he and the neocons ordered the murder of more than a million innocent Iraqis indiscriminately because, he was simply enforcing UN resolution 1441. HE LIED. [how else could the UN officially declare bushites as war criminal? NO CAUSE!!] And multi-million dollar salaried, "American" reporters, who full time, claim to represent American interests while you slog double full-time for corrupt private bankers, refused to call him on it to defend ourselves from his easily provable demonic tirades against God as the innocent. On the scene, and still today... YOU, as American are TRULY dying for George Walker Bush's continuing LIES. Johnny Wizard is Forever King of this moment being. If you can't believe it is important for you to raise your cries for justice likewise, we're all going to be done for lost to indifference. / / commanders may give orders to "shoot first and ask questions later." \ \ KING RULES: Aim to and kill innocent people, your guilty of murder. Order such conduct, like amerika's George Norry would boastfully crow, your guilty of nazi war crimes.

Bill a bushite to defend Humanity, to return a freedom for believing. Every thieving bushite dumfuk grunt of the Air Force is a demonic LIAR, accessory to mass murder. And even though, CNN, CBC, and MSNBC suggest TORTURING innocent people to death isn't illegal warranting the death sentence, it still is, and will remain so for as long as we live to die a bushite

war criminal for defense in America and God, so says the Son of God, as Man of men. Die bushite die.

The bushite has murdered many thousands in Afghanistan to push dope, more than a million in Iraq to steal life as lawlessly demonic, all the while actively thieving to destroy Johnny's America for the praised by TV 'neocon who?' news peelers.

Bush closed 911 investigations immediately after the terrorist offense of no questions! no questions!

AMERICA RISE FOR AMERICA

Support the arrest of Bush, Cheney, Rumsfeld, and Condi with Myers for the TREASONS of 911 to save Your freedoms to be so, or don't, and see if we care truly ever.

Again, evil bushite THIEVES claim they are justified when indiscriminately bombing populated cities to MURDER US People. All to help 'escape' the neocon ENEMIES of America - they also support "officially" destroying Our public infrastructure, thieving humanitarian aid, while incarcerating innocent people to collectively be punished by the TRULY Satanic enemies of man. THE GREAT KING OF AMERICA

PBS et al.. The bushmob is thieving billions from America as we speak, to further terrorize a dying America lost to the indifference broadcasted daily on almost every radio and TV network as our silenced voices.

Mr. Bush, the terrorist, doesn't care to war for your stolen billions, instead wants to kill even more innocent others as neoconner traitor. In your name as "American." Johnny America begs to disagree with criminals actually, and has taken a stand against these 911 war mongers escaping our authority for proper Public acknowledgment. If you, my reader, would only support yourself.

Please, my friends, fight for our dying America. The TV and radio celebs deliberately refuse to allow US to know: Ahmad funded Atta, and, of the videos of steel flowing like water from the WTC towers - all to KILL ourselves for the enemy liar neocon. To KILL. OUR innocent families are being robbed and murdered. CJOB, in Winnipeg, like FOXNEWS, lies daily to dumber than average teen soldiers, not to defend freedom, or Canada, but to die for dope pushing Islamic fundamentalism in assisting the truly evil neocons escape for the crimes of 911. How can anyone be so truly evil to Humanity you may hide in fear of confronting directly? CJOB relentlessly THIEVES from Manitobans, with our seriously corrupt lotteries they pocket millions in criminal gains stolen from our most poor and desperate, they work to CRIMINALLY give away our public resources to their self described Zionist, 'kill the Jews, kill the Jews' anti-humans. These nazi pigs celebrate their public hatred for innocent humans with LIES about 911, Israel, and anything else that threatens Justice to win through free open communications. Bush, as does every neocon, needs to be tried publicly then executed for the crimes of 911 with his partner, General Ahmad, according to every honorable Police agency that uses evidence to form OUR conclusions. Please fight for Justice, please fight for Life, please fight for yourself by picking up YOUR phone and calling for a Humanity that would care if you tried to do what was right. Do you expect yourself to fail trying? Just try for your life's sake I beg, just try. Or.. die you will, die YOU will. Christ kills a bushite with a Love for GOD that will never die, but I AM ONLY ONE MAN. WE HATE bushite to death I do, see?, wouldn't you as anywho too? Think about it. Dying as a slave to the demon antichrist, or live for a better future by demanding Justice IS Freedom. We want to be Just for ourselves to be believed in. We, The people, want true accountability. Don't be cowardly stupider than stupid allots.

It is not just a Muslim who sees the bushite as an enemy to Humanity. These lawless savages have been acting without accountability to anyone, because they are largely enemies of every American, who cowardly run from responsibility in

America to defend their own brothers and sisters from the LIAR neocon, and die instead as/with rapists, torturers, and Art Bell liking THIEVES. An Oath to God means nothing to a busite grunting savaged criminal, claiming to be lawless as an enemy to EVERY HUMAN BEING. Remember: these thieves have stolen from all still paying Americans dying from true self contempt. No evidence against an accused is US being truly abused.

http://www.crooksandliars.com/Media/Download/22786/1/rice_iran_sanctions_102507.wmv

Listen to this demon nazi witch, the zionist bitch who personally FORBADE a plead to stop indiscriminate killing in Lebanon, assisted in dropping seven million land mines on Lebanon, and was CENTRAL to the invasion of Afghanistan for Enron's master plan, tells US with bushite lies that no, Iran was responsible for the terrorist crimes she fully acknowledges to be responsible for actually. I ASK: ARE THERE any soldiers from America who don't believe this 911 witch shouldn't be tried for high treason as a bonafide TERRORIST? Listen to the end where she says America supports Iran's pursuit of nuclear energy... so why does she want to murder millions of innocent people with fall out then.. EH>? WORLD: threaten to liberate nazi America, if they indiscriminately murder millions more of innocent souls without cause, but for the demon antichrist thieves who speak nothing to defend Humanity. Much like happy happy who cares Germans were under "liberator" Hitler. Except however, in our defense, we at that time, didn't have our internets, or so many, 'you have no power, you have no power' corporate news channels for Americans to quietly sleep through. Americans who refuse to speak outrage in the defense of the Human Race, are Americans not worthy the title of fellow Human beings. All they as bushmob amerika have done, is thieve, destroy and murder from everyone of US since 911. I am growing wearily concerned over whether Americans even can still express real anger over their continuing sacrifice.

Twisted demon nazi LIAR, America's TV "preacher", Jack Van Impe

"He wants to wipe every Jew off the face of the earth, and he's said it many times!" referring to Iran's elected President, a nation with a large living 'hidden' Jewish

community Impe would MURDER to not let YOU truly know of.

"We love you so very much.."

What love lies to murder the innocent to feed the greed of the selfish EVIL Jack Van Impe family? Every show the demon does, is filled with LIES that are made to murder more as Satanic, and it ain't no accident to continually lie like that, each

and every time to support lawless tyranny to enslave the human race for more ungodly neocon plunders as their personal richly growing treasures.

ZIONIST NAZIS LIKE IMPE LIE TO QUOTE US SAYING everyday 'Kill the Jews, kill the Jews' No, bill the escaping un-arrested zionist god betrayers who rape, murder and steal from Humanity as LIARS - all done by US to DEFEND Jews, to Defend G-D, To defend Christ. Christ - Born King of the Jews, as true King of Kings - I am by no accident in every word, truly great

True Tyranny - to continue as an American refusing to publicly demand torture, theft, and murder as unacceptable when battlin' evil for your dying freedoms.. Evidence we must pursue on 911 to know really what the heavens Johnny 'The Law Man' is talking about still. Justice to the bushwhacker neocon soldier, a foreigner who apparently speaks no defense for innocent Americans dying sacrificed as conned for the ill stolen gains of the 911 trifecta. Justice to the lying enemies of freedom for America in Christ. Justice for YOU.

Justice to the bushite, Justice to the enemies of America, so called out the Son to God as King of men:

BELIEVE!

Like, so in walks this, out of work time Lord who thinks to converse to the masses about the most basic of reasons to save the lives of innocent others, leaving him convinced, he really needed an audience for this fable to rise as profitable venture. So, it was followed to make it out there in this real world, is to care for Justice measured. All done so to bring greater hope for a better future as all would follow, boy, were they surprised!

CJOB STEALS millions from poor Winnipeggers through their fraud of lotteries, and as a consequence, they'll cheer our sons and daughters to die cowardly instead, for lawless Bush rule, where evidenced findings of Our police agencies are forbidden topic material, like mathematics, and instead, bin Laden did "it", now die for the demon antichrist LIAR ENEMY OF GOD. Al-Qaida = General Mahmoud Ahmad

/ / "I grabbed her little sister and put her in front of me . . as the bullets began to fly, the blood sprayed from between her eyes, and then I laughed maniacally." [, then were heard the cheers of godless bushite dumfuk traitors obscening to God and Man as the unholy enemy.]

What ever happened to butterfly kisses after evening prayers?

Are you telling me, an American Father, wouldn't gloriously kill this lawless bushite enemy and his demonic ilk, for our

love of girls everywhere? Or, how about the UNARRESTED soldiers we witnessed on video beat shoeless children practically to death while laughing and cheering? Or like those that speak zero defenses for Haditha's confessed MASS MURDERING irrational women and child killers? The REAL demons CONFESS to going into a house, WITHOUT reasoned approach, and slaughtering an entire INNOCENT family.. for nothing but their lifeless SATANIC pleasures. The 'cause'? "The [mass murdered unarmed innocent neighbor's] back door was open.." To, for God, gloriously, with love, kill these unarrested murderous continuing ungodly bushite nazis, is to war the TRUE enemies of Humanity to save the lives of our precious loved ones.

Oath to God

The bushite took an Oath to God and country to defend America from war criminals, and instead, as cowardly neocon bush bitches, commit war crimes of theft and mass murder against the great Iraqi People. A soldier in the air force, is a dishonorable nazi savage, worthy the death sentence for assisting in bombing Humanity indiscriminately as zionist enemies of Christ, attempting to destroy Johnny's America with their provable DEMONIC LIES. Death to the bushite enemies of Life, who lawlessly war Creation with torture and slavery to 'escape' the neocons for 911. Your magic TV exec excuses don't mean squat when the facts are so readily available. But a bushite don't read, or write, or think freedom. Zionist enemies of ALL Our humanity, murder to believe US won't ever hunt them down by Law to defend ourselves over. Hammurabi LAWS to bill the false capital accusers first, and everything else will fall into place. [note: Hammurabi founded Civilization.]

Look, do you want to defeat the bad guys, or not? Bush gave US zero evidence to form our free thoughts on the 911 Justice issue. Treason. Simple.

I have the plan. Return all the stolen monies, and hunt those who rape torture, or murder. And.. get the neocons for

treason on 911 most especially. So, here we go..

/ / Putin recently declared that Iran does not possess nuclear weapons, is not pursuing a nuclear weapons program and poses "no threat" to any nation, least of all the United States. [...] If Putin is evil, surely Bush is worse than Satan himself. \ \

Bush is the most evil anyone through space-time can 'be'. He uses hypnosis over the too weak as blindly supporting the murder of innocent others. Hitler wasn't even so openly naively evil as Our Mr. bush Jr is truly. Our. What are YOU going to do about it... PnK.! Answered silent the God of Hosts echoed: Support our rise to find ANY soldier who honors the American flag, who doesn't agree Bush, Cheney, and Rumsfeld must be publicly arrested immediately for the continuing war crime trials of 911. (And Condi with Myers too as just getting started then.) Otherwise, we WILL find ourselves in secret agreement, even without Coast to Coast Inc., network 'group think' programming. Justice for America is Our Cause. And you America.. love LIFE by fighting to win against the traitor neocon thieving terrorists, who will the death of innocent families to escape themselves our accountability. False accusers who deny respect for yourself as a New Yorker included in forming our conclusions with facts as understood actual. Military heads generally do not have the skills to communicate such clarity, for they are not swinging guitarists, as too cowardly to speak a care for Freedom through Justice in Johnny's America. Babble babble..

Bombs Kill People

Nazi Israel, the ungodly nation that murders Christians in G-D's name AS THIEVES, deserves to die as proven war criminals, to bring about a living nation that respects the Jew by Law, to be just me or You living freely for happiness. Israel is a nation who's nazi government HATES GOD, because they are known BY ALL as a criminal in nature, a unjust first degree murdering zionist demonic thieving enemy non-entity of dying life. I would ask Syria to consider hiring me on as defensive minister, or yous in Iraq, Iran, Canada, or Europe. WOW! 'BIG LOVE' China!! Moscow! Hey buddies... MAKE OATH AND SAY

Christ, The Son of Man, begs the godly men of Earth, to
judicially bill on sight, any neocon soldier who supports the
carnage waged in Afghanistan as cop killing dope pushers. CNN
must, and WILL be tried for high treason for their demon lies
broadcasting the northern alliance don't push dope, while the

Taliban did, and do. CNN execs will be put to death for such demonic claims that stand no ground in the light of all evidence. Plus, the Taliban were honorable in defending America by demanding facts to form our conclusions on how bin Laden is in anyway connected to the crimes of 911. Example: how did bin Laden sneak the explosives into building seven with his bulky dialisis machine dumfuks? I HATE bushite to death I DO. Death to the bushite, death to the enemies of Mankind.

I, Johnny Wizard, in the city of Winnipeg, Province of Manitoba MAKE OATH AND SAY:

1.

Pakistani ISI Director General Ahmad orders an aide to wire transfer about $100,000 to hijacker Atta. Ahmad later resigns after the transfer is disclosed in India and confirmed by the FBI. [Dawn, 10/8/01, Times of India, 10/9/01, Wall Street Journal, 10/10/01, AFP, 10/10/01]

2.

On March 3, 2002, MSNBC's Jim Miklaszewski reported that he had received anonymously, top secret presidential war strategy documents dated September 9th, 2001, originating from Condolezza's office, outlining a strategy to invade Afghanistan premised on blaming bin Laden a terrorist, but providing no evidence to back up the allegation, thereby, securing criminal invasion.

Protestor's sign: "killing innocent people is the problem not the solution."

Christ, The Son of Man, begs the godly men of Earth, to judicially bill on sight, any neocon soldier who supports the carnage waged in Afghanistan as cop killing dope pushers. They shoot innocent women and children dead in the streets for humor, and bushite pirates at CBC and CNN, state bushite in Afghanistan are doing a good thing helping the bushmob escape the crimes of 911 by warring for Muslim fundamentalism, persecuting INNOCENT women and Christians, while for entertainment, bomb innocent families running for their lives from a Holy Church. Soulless child killing soldiers who CBC execs would tell are our DEMONIC heroes. Lawless dope pushing cop killers have got to go down dead screaming, instead of the innocent - YOU and me they target for MURDER. Death to the dishonorable bushite THIEVES, death to the enemy neocon LIARS of GOD and man.

We can really be something greater, while a murderous bushite thief, a LIAR, can hardly read or write Liberty without flinching from self contempt.

Kill a bushite LIAR, why don't you my brothers and sisters of the faith in something greater than bushite godless tyranny?

Soldiers of fortune: kill the lawless bushite nazi savages to defend MY dying America.

-

Sir Ken, head of the Crown Prosecution Service

"The fight against terrorism on the streets of [..] is not a war. It is the prevention of crime, the enforcement of our laws and the winning of justice for those damaged by their infringement."

You got that right. So, join US in demanding the quick trials, and public executions of known bushite enemies who murdered Americans on 911 with general Ahmad, and who with Peter Power, murdered the innocent in Britain for more stolen goods against God. And anyone in the air force as bushite bombers should be a great joy for US all to hunt for prosecuting too. The bushite dumfuk is an enemy to our lives, with it's blatant naked contempt for the innocent, who like the demon liar THEIVES at CJOB, George Norry, or Hannity, will forbid ANY human defenses of the lawless dictate of the IRRATIONAL tyrannical demon antichrist, all so to victimize more of You as the censored forsaken.

/ / It is strange that the 'Secret Organization of Al Qaeda in Europe,' the group that is allegedly responsible, would have escaped notice (to say nothing of their odd, 'double secret probation' type of name). \ \

Bushite are EVIL to all, as enemies to Human kind. During Katrina, the bushites responsible for protecting America, slaughtered everyone's confiscated pets for joy and happiness. Three schools filled with hundreds of dogs, cats, snakes and bats. There was no need to kill everyone's beloved pet, but as the bushite will FREELY tell YOU, it was fun to serve demonically as the antichrist enemies of God and love. demand Justice for God, demand Justice for Johnny.

/ / The mere fact that one can deduce a motive for a person or a group does not mean that they perpetrated the act...and it hardly suffices as proof of anything.\ \

Just try telling that to 'why work to make life better' CBC, CNN, or FOXNEWS censors. Look at me!! They refuse to acknowledge my documented info as REALLY important to your continued ACTUAL survival.

Who fuking cares right? Certainly not the enemies of America at the Coast to Coast radio network, who would kill Americans for the rich neocons without question. It's JUST American kids getting conned to die as bad guys.

God is Great

Again, George W. bush did 911 with General Ahmad, but CBC zionists, actual treasonous LIARS, actually smile to dying Canadian soldiers with only true contempt. CBC kills Canadian kids, with their intentional demon lies, trying to subvert Justice for God and Johnny. In fact, yesterday, they did a special, all on how "God is NOT Great", giving that bush bitch demon LIAR, all the space to pontificate it's hatred for Wisdom, Science, and GOD, with only nods and smiles from the 'illiterate' hord. Remember: A zionist KNOWS it's an enemy of Humanity when it supports dropping seven million land minds to murder indiscriminately OUR CHILDREN for decades, or stealing a Christians Home because they say God says Jews would do such ungodly acts. Blame innocent Jews the holocaust denying zionist shout, of which not one, is a Jew. Like me.

REMBERANCE DAY

So Remember: Bushite grunts told the world they wouldn't let anyone out of the city, because [enemy Sattler LIED]

pro-bushite Zarqawi was there present, so the innocent families who believed they had nothing to fear from the liar disciples of the ungodly enemy of ALL HUMAN LIVES, remained in the tiny city to be indiscriminately 'protected' with more than nine two thousand pound bombs, or made dead instead by heinous pro-bush escaping war criminals who used white phosphorous on civilization. All to die our Humanity for the thieved loss of evidence to demand ourselves of some official freedom time to deal with our terrorized as suffering reality.

Senior Military analyst, Rob Riggle "In the field John, the soldiers are out there, every day, risking their lives, for a common Ideal: that none of the President's decisions be questioned."

This is more true than a bushite would admit before murdering a honorable father to rape his young child, like Lcpl Boudreaux freely confesses. Boudreaux will tell you, openly, you have to murder the Arab father of the Arab child your planning to rape, because if you don't, that Father will spend the rest of this life, hunting you down in the streets to rip you limb from limb for it.

Let US, me and the few, proud, and the brave, bring that Father's intent to bare on lancing Boudreaux, and any other who would sing in it's ungodly defense.

Zionist american media news celebs do tell, everyday, soldiers for the neocon are all Heroes.

Please, my brothers, join me in hunting each and every bushite present in this video down for death. For a Love of God that will never end, until we have seen each and every responsible child killing bushite present brought to true Justice extreme.

Goldsmith... yes, Goldsmith

Goldsmith has revealed the bushmob, specifically Cheney,
consults with neocon authority in Egypt, and anti-Jew Saudi
Arabia, on how to best torture innocent people to death as
TRUE enemies of Man. Has anyone read the fiction 1984? 'Why
is it so crazy'?, you might ask an un-responsive big sky of
Love? Well, the Bush administration committed 911 with
General Ahmad that's why.. and threatening Humanity with
torture, is how the neocons plan to fear YOU into speaking
nothing for the defense of innocent others.. As a
consequence, more than half the monies spent each month on
this war against civilized Life, isn't accounted for by
anyone. Except those at the Pentagon STEALING from a deafened
America. In fact, Moyers at PBS reported none! of the
billions flowing out of American pocket books EVERY MONTH for
the bushmob war monger shysters is actually audited for the
taxing payers.

Mr. Bush, the terrorist, doesn't care to war for your stolen
billions, instead wants to kill even more innocent others as
neoconner traitor. In your name as "American."

Support my rise against Living's enemy George Norry, by making
an effort to demand real Justice for dying American values.

.I guess a soldier's word doesn't count for much in bushville.

The bushmob did 911 as traitors to God and Country, don't you
know anything worth living for? my dying unjustly brothers
and sisters? My friends, please fear not wisdom communicated
by a REAL Man, for, we explain ourselves to the best of YOUR
ability to listen simply. G. W. Bush used no evidence to
form America's "conclusion" on who did US wrong on 911. So,
Please, stop forsaking yourself, for, we're going nowhere.
Support Johnny's call to demand open debate without censorship
from the magic radio and TV execs, who hide in darkness,
pretending to be our friends, while refusing intelligent
dialog to answer any of our big troubles easily. Why?

because largely, they're powerless without beating us down as giving 'Christ like' VICTIM so much - with their irrational ignorance for our survivals by the fittest. The fittest Ideas that rule this Universe, are the simplest, most easy to understand, but I digress about GOD'S greatness, for we know,. the corporate media elites as our voice, "Couldn't Care Less".

CBC just did a report about all the great heroin coming in from Afghanistan, that will still cause crime, and be illegal, (and maybe give you life in prison as an American,) but brought in with the help of the demonically evil bushite thieving murderous military, by the likely ton full to attack our direct family left un-protected, BY YOU PERSONALLY. And guess what? THEY, our media masters, couldn't care less if

they actually tried to be our good guys. Reminder: the god guys is good, the demon liar antichrist evil enemies who thieve from Life with censorship is bad. If they hide ourselves too far, they loose all around, up and down. So get to it. Or don't. Your choice. Life lived Now, or damnable death by cowardly design brought forthwith under your own power to do nothing under such terrible costs against our suffering natures.

Typical tyranny for media control over all of Life for the beginners is this treasonous betrayal against our Nature, by refusing to be honest about our potential to be far greater than first considered. If they'd only allow US to have open communications, all our worlds would be better living for it.

Demand Coast to Coast hosts allow America to defend America.

I want air time with the one and only real man in these here parts, Mr. Johnny America, our glorious make believe creator of all we perceive religiously, self realized. He's a genius!

God Damn America

You f-cks, because Bush told congressmen secretly about truly torturing innocent people to death in YOUR name, doesn't make the crime any less satanic. True Christians will execute bushite torturers with glee. America will pay millions a head for each bush bitch nazi traitor to children as family. The neocons will all be tried to death for treasons like 911, and for supporting a slaughter against Iran. For Petraeus has giving US no evidence to form our conclusions on the validity of his therefore, TREASONOUS statements. Bushite are murderous thieves of Iraq and deserve by the measurements of any civilized man, a action worthy of death as demonic, before allowed to further steal from our Humanity. SAUDI Bush bitch Buford Blount gave out 170 tons of explosives to KILL marines with, and Petraeus doesn't call for his rightful death, nor for death to be brought to bushite soldiers who kidnapped bare footed children to be beaten to death on video tape. ¿KILL THE LAWLESS BUSHITE DEMONS HUMANITY SCREAMS IN AGONY] hundreds of thousand of guns were 'lost' in Iraq through bushite management skills, and liar Petraeus speaks no outrage. Private death squad goons are committing crimes against GOD, and Petraeus blames no one. MORE than half the monthly bill for these bushite bleeding atrocities to Humanity, are not even accounted for by ANYONE, but for the thieves at the Pentagon who are ROBBING america with Petraeus' silence on the life and death issue of America. Again, Petraeus knows the bushmob did 911, and would rather kill your stupid american teen, than stand for freedom in America by holding evidence a pre-requisite in determining OUR capital allegations. Death to the false accusing bushite, death to the enemies of America,

Jon Stewart, the twisted nazi clucker, claims now to be a "Big Jew". The demon zionist, who claims he can commit no crime against GOD with silence on the issue of innocent Humans being robbed and murdered by zionist 'buddy' Kristol, and as such, spews nothing on 911's demon witch Condi dropping seven million land mines on Lebanon, to murder Jewish children indiscriminately for decades, no, he just laughs at G-D'S true suffering like traitor enemy happy happy George Norry. Laughs at torture being actually allowed, while laughing in contempt at politicians who wisely will to re-distribute the nation's wealth to it's worthy Citizens. Instead of some nationless nazi "jew" like Jon Stewart, a free loading foreigner who came to religion to take away life from hard working American sufferers who want truly in Justice as Freedom. al-Qaida =

General Mahmoud Ahmad. Torture IS against the law, and deserves the death sentence. Bushite Cofer Black MUST be put to death for being a Satanic demon enemy of Human life, who freely admits he tortures innocent people to help escape the neocons for 911. Bill a bushite for America, bill a bushite for God. What do Texans own guns for, if not to bill a bushite child killer like those in the evil enemy pro-bush air force. Bushite repeatedly have been found killing innocent people without apology, in fact, it was only months ago where amerikan soldiers in Afghanistan shot people indiscriminately for more than six miles in residential districts,

/ / 'Why are you taking pictures? You don't have permission."' [...] the [bush whore] American, speaking through a translator, warned him that he did not want to see any AP photos published anywhere.\ \ALL REAL MEN - kill the bushite why don't you save some innocent lives for God in America? Kill it man, for, bushite bombers aren't even human.

and now, as reported, the narco-gov has put to death at least twenty Afghans, who were claimed, without trialed evidence, to be guilty of such actions. The narco-gov refuses to call for the execution of known bushite who torture INNOCENT PEOPLE, or rape them, or thieve the 80% of charitable aid given from Canadians. Despite CBC refusing to report on the facts to let US decide for ourselves. Fight back for Christ, fight back for love, fight back for freedom, fight back for God.

I AM THE TRULY FAILING SON OF MAN, born at the inception of creation, timelessly to promote the wisdom of love through mutual understanding.. I was once well respected by all as worth listening to, and loved by a great many, can you imagine that godless amerikan zionist nazi pigs? I suppose not.

MY World is actually dying.. Dying. Don't let the love for GOD be destroyed by bushite amerka who couldn't care less for my crying, or their very own children poisoned to die for liar neocon, neocons like Giuliani that they simply refuse to hunt down for defense. The demon publicly supports the 'rise' of neocons, considering all they've done so far; and the TV doesn't teach to raise your American votes for extreme anger against the wicked zionist enemy. No, Giuliani is vying for Presidential favorite, of private for cash profit TV snoozer hurlers! America is actually dying, and Americans aren't screaming for real Justice..

Please, I beg you again, help me speak freely on coast to coast to accept all challenges.. Please help US. George Norry is a blatant naked traitor to freedom for America. Again, George told Alex Jones he would not allow Americans hear the calls for liberty, unless Alex agreed to not inform the public on who personally was responsible for 911. Jones

agreed. I often fear, Jones wants to be loved as Hero, over the wiser words of ourselves on who is who here. CFR, NWO, whatever, Bush closed investigations immediately after the 911 terrorist event of no questions!, no question!

/ / [...] the [New York Times] piece details the torture of [Innocent People] Sunni prisoners at one of the new American-Iraqi "security stations" \ \

Torture is a crime against God and Humanity. So, likewise, joyously, with pride, destroy the neocon traitors of Justice - for the true Love you have as Freedom willed - is as granted. Don't buy their demon lies by blind blanket false assertions, against YOUR Humanity's Innocence in tyrannical bondage, all done in to fool you believing, we have no rights to be heard in our presence - here existing freely. Therefore, to survive US all for something better, halt the 'escaping' murderous bushite thieves for God and America. SOLDIERS: Instead of dying for nothing, my wannabe Patriot Brothers, try joining Liberty's cause, which is our cause truly. Is it because corporate TV zionist money whores, are cowardly and ignorant, as evil hypno muggers, in MY dying for real America, that YOU refuse to speak Now in your Humanity's begging further defense?, on evidence being the only requirement to establish a person's guilt or innocence? for ungodly terrorist activities committed in our name by bushite bombers from the neo-conned AIR FORCE, who, as rotted juveniles, cheeringly bomb us People indiscriminately leaving a Church as something TRULY SATANIC? To dare, in our presence, continue threatening harm against an innocent child of wonder, not yet even born to God's suffering world? Bushites war LIFE itself. So then pleads I again the Son to God, as Man to Men: war to kill the enemy bushite nazi savage thieves, for real Freedom is waged truly by Just causes. The mute, pro-censorship/tyranny THIEVING bushite savaged nation, has NO EXCUSE for the crimes they have committed in our dying names. I demand our voices heard internationally for Justice as Freedom is Godly.

Dan Marvin, an actual CIA assassin, talks about how those in the secret CRIMINAL command structure of defense for America, side to order the murder of Patriotic American Soldiers who threaten real Justice succeeding against the neocon God betrayers, neocons, who just simply lie
'zionist equals Jews' no we don't take your pleading calls, international Bush rules news broadcasters.

See? bushites are cowardly, or ignorantly evil - as thieving dumfuk grunts for the enemy liar neocons. Look, they refuse to kill on sight, soldiers who kidnapped Iraqi children to be beaten to death on video tape, or any Aegis employees for actually murdering INNOCENT Iraqi men, women, or children for stolen cash profit, over the loss of LIFE the bushite TRULY pays in collateral. DIES! And, as such, the cowardly American enemies, refuse by willful silence to speak bravely for the up coming war crime trials of every neocon traitor - all for the sinister evil actions of mass murder in America on 9/11. Death to the bushite, death to the enemies of Man.

The Lawless thieves of Blackwater hire known war criminals from the most brutal of tyrannical regimes to carry out the neocon agenda of 'freedom' for 'Iraqis'. American tax payers pay $1,222.00 per death squad goon, per day, while billing their sacrificing kids, tens of thousands for up and coming medical costs not covered. Did you know they, the incompetent bush regime, still haven't fixed Walter Reed? Who really cares right?

Again, national bushite broadcaster,

ABCNEWS.com : FBI Called off Terror Investigations

A question Johnny Wizard has for America: Tell me, is this not a treasonous act - for Bush to close criminal investigations, immediately after the terrorist crimes of 911? Shouldn't the demon enemy be put to arrest for that godless act alone in this forsaken dying world? A world left instead suffering further the tyrannies of the war criminal ENEMY of all Human Life?

A refresher: the neocon will tell you openly, they live to lie to the Public for cheating and stealing by murder of US as proxied, innocent peoples purposefully enslaved by a made ignorantly entranced TV audience that is repeatedly reminded, we have no power worth respecting.

CNN, CBC, and FOXNEWS aren't taking are calls presently, but just lie and tell US they do. Look to see, almost all political internet traffic condemns Bush straight to hell well he rightly belongs, but the polls still say no - WE, seeking for Just cause, are the minority.. just roll over and die for the neocon betrayers to god and country, life and loving.

Lying Enemy Traitor to America, Glenn Beck

"Media Matters didn't have a word to say when congressman John Murtha accused American Marines of being guilty of murdering innocent Iraqi civilians, service men who actually turned out to be innocent heroes."

I propose we try CNN's Glenn Beck for nazi treason, and upon easily successful conviction, we put the demon liar to death along with bushite Tatum who confesses freely to slaughtering innocent Iraqi civilians for satanic pleasures all to serve the neocon agenda of swindling America TO DEATH for cash profit through neocon censorship. Mattis, the woman hating documented child killer, was made into a 'Judge' for the bushite's version of a war crimes 'trial', that hasn't even yet truly transpired, for the evidence was not brought to light through the proceeding, such as Tatum's full confession. But, of course, Glenn Beck, the treasonous liar, doesn't want America, the dying by contempt, to truly know that. For, he'd be likely dead as sworn enemy.

True Enemy of Liberty

I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really set ourselves free with..

"Al-Qaida" = "General Mahmoud Ahmad"

A neocon bushite soldier is a true enemy of Liberty for America. They as DEMONIC LIARS, are dishonorable THIEVING nazi savages that bomb our innocent families with criminal intent to MURDER. Enemies of Life and Love, a dead bushite is an enemy of GOD halted from victimizing further our loved brothers and sisters, mothers and fathers. Death to the neoconner bushite dumfuk grunting liars who bomb our families, death to the enemies of Christ who war for the escape of the true culprits responsible for 911. TRAITORS.

See my friends, this is why I, as the Son of Man beg and plead for all able bodied men, to kill treasonous bushite on sight, for every time you love God by defending the innocent from murder, (the innocent whom any pro-bush corporate professional hold in total self contempt,) you save REAL peoples lives, and you defend God's good name to love God as ourselves committed to true Liberty. Bushites are enemies of freedom, enemies of God, and worthy of death, before allowed to further bomb people indiscriminately like the commanders of NATO order day after day without risking instant frag because, bushites are blind cowardly thieving nazi fascist savages, brain damaged, who believe as satanic demon whores of Molech, they can con all of US including me forever, just like dare dubya. American soldier: Your enemy is TRULY LIAR happy George Norry. CHRIST RETURNS

I again, beg Humanity to speak in opposition to Amerika in the defense of our innocent forsaken dying lives. CBC producers know the bushmob did 911 but lie with propaganda to kill our families for the ungodly as thieving neocon enemies. They refuse to inform ourselves that Al-Qaida is General Mahmoud Ahmad, as according to the FBI. Or that video of iron flowing like water from the WTC towers exists indicating without doubt, the bushmob enemies did 911 as TRAITORS.

Today, there is nothing more i wish, than to hear bushite nazi savage thieves for the neocon die rightly, before the innocent they target for murder. All in an attempt to 'escape' those truly responsible for the crimes of 911 a bushite whore practices, as an enemy to Christ and America.

Evidence is required to convince ourselves on who is good or evil. Period. Don't like it? Too bad. We are on charged!!

Who cares about yourself if you won't listen as reason to? What can you lose when you have granted to be blindly stolen from?

Zionist nazi Israelis, do tell as LIARS, that Israel, the nation that openly thieves, tortures, and murders daily thoses THEY ADMIT are commpletely innocent, are enemies of every religious person denied access to honestly speak the facts as firmly established since the dawn of Man.

I AM AMERICA

Sattler ordered the murder of more than 200,000 innocent people in Fallujah, and they speak nothing but lies on how such demonic behaviors are godly as just ignored. Our Lives forsaken, as they hold their very own to die sacrificed for the unelected traitor neocon. I AM AMERICA.

America MUST demand war crime trials for the propaganda CNN broadcast "Anvil of God" regarding the demonic actions of Bravo company. They forgot to tell America importantly, nazi forces forbade the population from leaving, gunning originally for everyone between 15 to 55, but sided instead to murder infants and the elderly too, when beginning the Zarqawi campaign by bombing hospitals as first strike targets. As such, the bushite murdered many good doctors and nurses - so all to send bushite snipers on hospital near rooftops gunning for every seriously injured woman and child who tried to get help from the Humans. While driving down residential streets, grenading every home of humans being. Remember that when you

hear these dishonorable bushite thieves die rightly for god and country.

[Sideline: It's been thought the reason why rescue efforts in New Orleans were provably sabotaged by Rove, was an attempt to make the blue state, commi red.]

See?.. women and children, who the enemy bushite forbade to leave the city with their innocent families, who, as were all living in the entire city of mosques conveniently found labeled therefore by bushite, "Insurgents" (or did leave earlier, and had our innocent families reportedly indiscriminately murdered two miles or so down the road by the most evil war crime act of recorded history.)

Importantly, there was no evidence made awared of, that legitimately offered PUBLICLY, from the UN or the U.S. to indicate a refugee camp anywhere, but for maybe a small group photographed - then some belligerent bushite bogus pocus - all headed up by a blatant traitor to America named Sattler. Reminder: after the indiscriminate carnage, they couldn't find near anyone for weeks who would take money offered to any citizen freely who survived for their satanic benefactor. So insanely disturbing as ungodly evil doing, war criminal Sattler called a halt to giving out charitable considerations from Americans to the unseen surviving victims - all in an 'escape' attempt to make it look better for US, the paying audience. So, where did our stolen values go to then eh? (Sattler's pocket no doubt.)

[BUSHITE LIAR] US preparing 'massive' military attack against
[innocent] Iran

Tatum, who freely confesses he's a proud child killer without
apology, is being made a free man in evil bushite amerika.
The TRAITOR prosecutor has ridiculously stated to our world -

/ / Lt. Col. Paul J. Ware wrote in a 29-page report that
there is insufficient evidence to show that Lance Cpl.
Stephen B. Tatum did anything other than follow Marine Corps
rules when he killed [for no reason, innocent] women and children \ \

TATUM ADMITS he enjoyed slaughtering the defenseless families
deliberately!! In fact, he wrote a card to a dead marine's
family, testifying that he murdered the innocent young girls
for the tyrannies of the antichrist. Evidence that TRAITOR
Paul Ware and Mattis hides from the Christian American Family.
Will YOU, as an American man, allow these two bush bitch nazi
punks to survive as furthering the commitment of more war
crimes against the INNOCENT? as a zionist neocon's "Hero"?
Will You defend our girls? Peoples of Earth! Help Me save our
children.. please.. please..please

TRAITOR Paul Ware "Tatum shot and killed people in houses 1
and 2, but the reason he did so was because of his training
and the circumstances he was placed in, not to exact revenge
and commit murder."

TATUM STATED DIRECTLY IT WAS TO EXACT REVENGE AND COMMIT
MURDER!! HE WROTE SO TO THE FAMILY OF THE MARINE WHO DIED! A
FAMILY WHO WOULD MOST CERTAINLY SUPPORT TATUM'S EXECUTION AS
DEMONIC TRAITOR TO FREEDOM IN AMERICA!! ASK THEM!!

See?, Tatum is a zionist, but not Jewish!!! While neocons
suggest our reality impossible without corporate challenge
for exploitation of our 'unrepresented' lives.

/ / Ware has recommended to [demonic nazi enemy of Life
'judge'] Lt. Gen. James N. Mattis, that charges be
dismissed, \ \

"Mad Dog Mattis,"

MATTIS!! The guy who murdered countless women and children at
a wedding party, while after getting caught PROPAGANDIZING to
forsaken America the innocent victims as al-Qaida!! CAUGHT!
Mattis called innocent six year old girls "al-Qaida"! CAUGHT!

BUSHITE ENEMY OF AMERICAN FREEDOM Lt. Gen. James N. Mattis has been made into a "JUDGE"!! THE WOMEN HATING NAZI FUK! A JUDGE of Men by 'law' in bushville!!!

the [anyone's] CHILD KILLER Lt. Gen. James N. Mattis QUOTE: "It's fun to shoot some people" - defenseless innocent WOMEN HE SHOT!! INNOCENT CHILDREN HE SHOT!!!! YOUR CHILD!! FIGHT BACK FOR CHRIST! FIGHT BACK

Prosecutor Lt. Col. Paul Atterbury "Lance Corporal Tatum entered a home and participated in the killing of Iraqis who were not legitimate targets, then entered a second home and participated in the murder of [more innocent] women and children,"

/ / One of the Marines charged with murdering civilians in Haditha, Iraq, in 2005 knew that only women and children were huddled in a back bedroom in a house there, but he [TATUM] opened the door and shot them anyway, a squadmate testified Tuesday. \ \

TRAITOR Mattis "The Marines have landed, and we now [as ENRON] own a piece of Afghanistan." [thieving from all for 911's neocon, especially undefended American pensioners... hail satan - 666.]

CHILD KILLING NAZI TRAITOR GETS PROMOTED!

/ / Secretary of Defense Robert M. Gates announced Sept. 11 that the President has nominated Lt. Gen. James N. Mattis for appointment to the rank of general. \ \

TWO OF THE PROTECTED 911 HIGHJACKERS WERE WORKING WITH SAUDI INTEL!

Murder for stolen money in America's America!, and CBC, CNN, FOXNEWS report no cause to care! Treasonous George Norry CONS Americans to murder for the evil neocons with threat of his going "ballistic" against any or all Americans who try to stand up as a Just peoples for what is righT, for Life and/or God by SPEAKING FREELY. Will You try?, or go silent to die as unworthy? Your call bud...

What Freedom do bushite war the innocent for to rape, pillage, and murder as blind neocon followers of the 'lawless' demon antichrist? Eh?

"Al-Qaida" = "General Mahmoud Ahmad"

CBC, CNN, FOXNEWS, the Zionists, purposefully work to LIE to the dying American Marine, that the ungodly bushite wars to

escape the 911 perpetrators hold some hidden benefit, as the TREASONOUS neocon thieves freely rob from both undefended American and Iraqi citizens, The neoconner, Mr. Bush closed criminal investigations on 911 immediately after the event occurring, while Billions are stolen through 'ear marks' and TVed Americans have no care known to speak of.

Done with American tax paid for rapists, torturers, and terrorists like Aegis who dress up as al-Qaida to murder godly lovers of Justice. CNN, CBC, and FOXNEWS would rather kill the Marine, than teach them where to aim their weaponry of liberation.

CNN, CBC, and FOXNEWS speaks NOTHING to demand the execution of hiding as 'British' soldiers who on prized video tape, beat to death young barefoot children for erotic fun, nor on mercury vaccines not banned minus "The President" in name. BANNED if God were Loved by America, or that the man or woman on the street would financially support my rise by popular command. Would you leave me to know, I will be left without a home to rest, or food to feed my hunger? Would an American?, I ask all Peoples of Earth to witness the American's contempt for Our worthy lives. Sattler ordered the murder of more than 200,000 innocent people in Fallujah, and they speak nothing but lies on how such demonic behaviors are godly as just ignored. Our Lives forsaken, as they hold their very own to die sacrificed for the unelected neocon. I AM AMERICA.

Johnny America Speaks Out

"what's this freedom war against Life for again"?

Hannity is a perfect example of what a neocon is. It's a one way communications system. He tells us what we think, and he'll never takes our calls, they won't read our emails, and they'll continue to pretend WE don't exist. AND... when WE die, they'll be richer for it. AND you'll be dead, your innocent brother will be dead, your innocent child will be dead. No evidence against an accused is US being truly abused. George Walker Bush is Guilty for 911, while every irrational bushite is a traitor to the American Family.

ABCNEWS.com : FBI Called off Terror Investigations

THERE ARE certain principles that we would all agree to publicly speaking. There are criminals who don't like these ideas, but they ain't going to speak out against us. Example 'I don't want to be held accountable to the American public, cause I want to steal that 16 billion dollars for myself. That's my public opinion.' What are we going to do but defend ourselves of deathly lawless tyranny, eventually. Or, you won't by DECIDING not to decide. Support our rise as the top

cop of Humanity, coming down for diplomatic talks to engage
the flagrant wanton stupidity of the bushite grunters. All on
hopes you'll consider also, these Kingly texts worth a couple
hedge funder salaries, a sixty cent barrel of oil marked up to
74 dollars, or a thousandth of the money America would save in
a year, if you adopted Canadian Health care systems overnight
for yourself to immediately provide all People the respect for
life we deserve. Or don't, and needlessly continue to pay
twice as much, while dying broke as self made losers without a
cause worth preserving. A free market open to waste for profit

Mike Huckabee Publicly Questioned on 911's ISI General!!!
http://prisonplanet.com/articles/august2007/230807_b_huckabee.htm

/ / ISI Lieutenant General, who ordered the wire transfer of $100,000

UN's Admission: Lebanon Was Right All Along
http://www.globalresearch.ca/index.php?context=viewArticle&code=COO20070816&articleId=6568

/ / Last month its cartographers quietly admitted that Lebanon
is right in claiming sovereignty [..] \ \

Nazi zionists gave US Jews a bad rap again I see. They're
despicable criminal savages the neocon.. who steal the rights
and privileges of US peopled folks, all to fall victimized
with their self confessed contempt for love and justice.
Condi's crew dropped seven million land mines to murder
ourselves for generations, and, shouldn't she and the neocons
responsible be put to death for such conducts?? If not then,
when? discuss.. They openly target innocent human beings
indiscriminately without apology, but excuses that don't hold
water. Not that corporate news professionals are even
pouring! It's most definitely the re-occurring true story of
a censored mankind with You as it's innocent victim. For,
what human would support victimizing others for the tyranny of
blind terror? Only bushite amerika would fall silent under
such self contempt for our constitutions.

/ / [..]Israeli "Defense" Force (IDF) has announced that it
will discontinue its practice of "capturing" populated
Palestinian villages during military training exercises. The
IDF states it will "reexamine their policy" of conducting
such raids on uninformed, panic-stricken Palestinian villages. \ \

Tell me, is this the godly people the neocon boast of for
defense in? Or, just again examples of standing terrorism
against life ourselves - committed by the censored as will
giving, sacrificing American payer? Justice is Freedom.

Do you care to buy the bushite lies, when they commit openly the very same terrorist acts they say we should all be outraged against? Somalia is a case to point. They murder helpless people as bushite, then say they'll remain dying to thieve further as enemies to Humans being. It doesn't fool me, but perhaps it does you. A neocon soldier murders innocent Iraqis, while selling you they are all there risking their lives to bring freedom. So, they die. For lies. Die. Again, KNOWN Aegis goons openly commit crimes against Iraq done officially to get killed! the supposed to be Patriot Marine. P2OG. Soldiers under bushite command would rather die cowardly, than to honorably demand the bushmob's arrest for public trials as defeating ungodly fascist war criminal savages.

Why suffer otherwise this way under the tyrannies of naked neocon plunder to deny our lives for measured justice I ask YOU again, please believe: truth will set us free.

Al-Qaida = General Mahmoud Ahmad = ungodly bushite liars

I can't understand why you can't help get this party up as starting by supporting our rise to highest acclaim with my

authority free willed to anyone. Let's face it, we're great because Your great. However, for greed, corporate america aren't taking our concerns nightly. We want Justice, and WE will get it if we reflect together with impeccable credentials as standing with measured reason for proper assessment on rights making might. Who is who here, a freeing peoples I tell you, arriving to bring a true patriotism to Life for US. Are you with yourself as respected an equal under the law devised fairly for all concerned parties?.. well then... let's g o ! ! !

be Great!,
for here comes the mighty,

Johnny America - make way! make way!

How so can all of Iranian Military Officers be "terrorists", while lawless bushite bomb defenseless innocent peoples indiscriminately routinely, with praises from the actual demon antichrist responsible personally for 911 I want to know. Peoples of Earth? A bushite kills bushite for stolen

Al-Qaida = General Mahmoud Ahmad = ungodly bushite liars

Pro-mass murderer war criminal Kristol once again, speaking
freely to Jon Stewart unchallenged internationally on Our TVs
as "Two Jews" stated..

"We don't believe in original sin."

I believe, Jon Stewart suffers from
the ignorance of Celebrity more so, than a genuine hatred for
Humanity.. as that is the fault of most TVed Americans.
Nothing more greater than getting on the boob tube, to really
make your mark on this fleeting world as they sell their life
away for nothing but the privilege to be recognized at a gala
swarray.. fed on the victimized innocent of Humanity left
robbed as worthless their grand stage. His show is often
quite bright however, and leastly, reminds people, that CNN,

You, George Norry are a demon because you purposefully
broadcast to my America the need for neoconned soldiers to die
for the lawless demon antichrist, knowing full well, you work
'happy' to escape the 911 perpetrators of American
Wrath, like General Ahmad, with your truly evil demonism about

Elected Governments All Over The World

British MP Galloway and Richard Perle on TV together!!
http://youtube.com/watch?v=nu4GBnxi3wc

Galloway "These are the people who have overthrown elected
governments all over the world. and he [Richard Perle] comes
on your program to prattle about democracy. These people
don't want democracy, they want slave governments. If it's a
slave dictatorship - that's fine. If it's a slave elected
government - that's also fine. The only thing that matters is
that the government is a slave government. That is why they
will never invade Egypt. They will never invade Saudi Arabia.
They only invade countries, or threaten to invade countries,
who stand against them and who refuse to be slaves to them.
That is why they hated Iraq, that's why they hate Iran. That

is why they hate Syria. Of all the faults of all the three regimes in these three countries - they were never slaves to the United States, and that's why they were attacked. [...^] In Iran, 17 million people voted for the president, Ahmadinejad, and 10 million voted for his opponent Rafsanjani. Those 27 million are determined to exercise their right to nuclear power. The response of Bush and Perle is to threaten them with invasion. These are the people who murdered Salvador Allende, the elected president of Chile. These are the people who have overthrown elected governments all over the world."

911 Leaders Saying They Are Jesus
http://rss.nfowars.net/20070802_Thu_Alex.mp3

Jason Bermas "I just want to let people know, that if this is a hit piece that involves, you know, saying that we're all blaming the Jews, or the Zionists, or something ridiculous, where we go after an ethnic group, [Jason Bermas suggests "Jews" = "Zionists"?] 'we' can not be associated with ANTI-SEMITISM, space beams, utter kookery.

Alex Jones "Or Jesus! they have 911 leaders saying they are Jesus now. They have people saying it's space beams from Pluto. And folks, I've tracked these people, they all were formally in intelligence, or connected to the Bushes, the space beam thing came from a almost cabinet member level Bush member, and folks this is a setup to poison our movement."

Now??

I've given my phone number several times to Alex Jones, of which he's not as of yet, invited me on as official guest, for fears he can find no arguments against US I presume. 911 financier Ahmad = al Qaida, and we have molten iron on video flowing like water. Demon Bush Jr. gave US zero, while closing criminal investigations immediately after the terrorist offense of no questions!, no questions! Case closed. But no, the American media rarely if never mention these facts, while insisting Bush's deathly war criminalling is as only a puppet, look away! look away!, leaving without challenge on the, teen like naivety of wearechange.org's consistence that "we", who demand justice for 911, who might also hold the opinion that zionist behavior does not blindly equal being Jewish, should not be allowed to speak Justly for our public challenge, because bushite Amerika has no defense for censorship against ANY of our judicial wanting, as documented positions on behalf of the suffering to death victimized public. Why? Because we are Just. Well, I try to be anyway. (I've spoken as written for YEARS, with NO ONE WORLD WIDE countering in the public realm, but for the strangely odd insult. Bushite do exist, don't get god wrong, but dumb evil bushite brood in darkness with censorship like all zionists do, selling to be 'godly' honorable men, when in truth, they'd murder anyone of US for a stolen nickel given to a neocon. I, as open line talk radio producer, win every time, always, forever, never fail. [er.. yet..] Why? Because I treat YOU fairly. America should do the same. We are all in this together. Zionists like robbing then killing defenseless innocent Christians, and Jews, while just lying that they don't without scened factual TV perception. Demon 911 WITCH, zionist Condi 'okayed' the dropping of more than SEVEN MILLION land-mines on Lebanon, purposefully done to indiscriminately murder ourselves for generations. Jason might foolishly call you an "anti-Semite" in fear for speaking such not understood truths. And importantly, not because they can publicly disagree so in open debate, so sides to not allow US to rise in acknowledgement to bring about Justice as demanded, for ALL as ANY. (Gee, who's the neocon now eh? (we're all sinners.))

If Americans really want 911 Justice:

Help US out by putting the video of molten iron flowing like water out there in the minds of any who have doubts, tell them hypno mugger Bush, gave US zero to substantiate his public falsehoods, and tell US about Ahmad as more than a passing fact that means little of nothing, then, WE, The People, will believe this has more to do with Justice for Humanity, than the American suffering movie goer ego being, "leading the free world", by voicing no public concerns on the criminality of the bushmob shysters. Left happying in the George Norry, as a TRAITOR to a dying America not hearing. An enemy of Liberty to the, tried to be free soldier, who is led TO DIE still un-wittingly by lie for the misfortuned neocon bounty of

global tyranny through coast to coast story lining. Look, the peenackers will tell you freakishly, that they work to lie to us all, to take advantage of a plain to view weakness. I swear. The neocon wants to con your kid to die for a war lied into with as our stolen goods. We lose as crime victims, while they win free accountability because, (well... I'll just let you finish that one liner sucker punch..)

www.newamericancentury.org

Jason Bermas "I just want to point out that we're going to encourage the people to look at the evidence for themselves."

Do Republicans mean to bring health care suffering out of control with no market values, because truly they have little of no skills when it comes to fixing their own buffoonery? Hmm... unless they count to hide the bean all together, fixing the game intentionally to have US lose by remote controlling stupidity! 300 channels, and nobody's taking our call from the space cased file of, "what's this freedom war against Life for again"? Look, is mercury as a medicine good or bad do you think?, let's ask someone for Christ's sake. Or for Deb, Henry, Bill, Beth, Mark, Carol or Tony. Johnny Wizard, our everyday normal magic man of folklore, opens up the stage to ask all the people together, "Are we Man or machine to take this all lying down quietly"? We need to talk about what a King like me, is doing in a place like this, under appreciated, and left alone without my home, dying for a break in radio programming, as President of the company that started the sands running, Shareware Earth Co., a god-like production of miracle and wonder!! You just participate, and you won't even believe how good we could have it, Rejoice, for Johnny Jesus has come down for diplomatic talks. Give away! Give away!

Again, CNN, CBC, and FOXNEWS, (who advertise their listening) suggest G.W. Bush and Co. have publicly acted nothing warranting immediate arrest, or have openly supported the

great Kucinich's plan for Impeachment, and consequently, are leveraging America into this mess 'because' we were portrayed as sold to the U.N. for freedom as Iraqi's Grand Strategy. BOGUS! Nothing about the PLANNING of killing people indiscriminately for financial criminal gains as bonafide terrorists, for we had unrestricted access prior to dropping bombs for mangy LIAR neocons. ORHA. I have yet heard FOXNEWS complain in pains of liar BUSH personally being the al-Qaida cause responsible, (like Alex Jones sells foolishly falsely also) More than a million INNOCENT people have been murdered directly by the criminal action of the broken Bush Rule, UN-CONSTITUTIONAL! Don't they know of what You speak? Now???

Make it so,

President and CEO of Shareware Earth Co.
King Johnny Wizard

Christ is Person ! ! !

It is important to also realize, this intecenter terror bringer does nothing to sell the arrest of the actual perpetrators of 911 by supporting our Policed requirement to form actual evidenced conclusions in our the land of the make believe. Now, who personally are these pro-bushite anti-American terror scripters, and what is it going to take to find an informed citizenry out in these here parts, to make the proper conclusions by phone calling for furthering our infos around to channels of command of the big ringers in the sky. I'm sure we's a be furious over these facts of high treason in America if we were allowed to freely say as much on our radios and TV networks. Al-Qaida = General Mahmoud Ahmad

That's what I'm talking about.

MY DEMANDS

I, as the Son of Man, DEMAND, America order millions of gallons of clean drinking water to be shipped immediately to Iraq to save the lives of US, the Human species. Please, help US make this a reality. Today. Please.

PLEASE HELP US

Again, evil bushite THIEVES claim they are justified when indiscriminately bombing populated cities to MURDER US People.

General Johnny would teach MY soldiers to immediately arrest to kill for such criminality. In fact, I'd likely even throw in some bonus cash, an a Freedom medal from all lovers of Liberty. Did you know, many bushite sing a song about killing innocent young girls for pleasure? Did you know that also, an "American" radio host likes playing that same song as recorded on "American" airwaves? Fight back for God, or die from self contempt my friends, fight back for life and love.

Ten "CIA" bushite enemies have been found to have kidnapped near one thousand innocent Americans to be tortured to death, in tyrannical nations friendly under American funding by Bush unquestioningly. Fight back for your neighbor, fight back for America, fight back for YOURSELF. Or, don't.

See the bushite, you bill it for Christ, You bill it for America, You bill it for them, you bill it for US.

Murdering bushite gang rapists try escaping true accountability

See? in Johnny's world, that "the Army" person would have been the FIRST questioned, then likely arrested. But look, it hasn't even been acknowledged as evil doing in progress. (Every time you read, "The Army says..", become aware.)

It should be noted, ungodly bushite enemy commanders call every car bomb in Iraq, al-Qaida, without even pretending to do freedom operations for YOUR protections, as just another dead body in the rubble. (Likely caused by Aegis for cash profit.) So then, look my friends, Amerka refuses to demand justice to save the lives of their very own sons and daughters. And when, WE, Humanity, beg them to answer our

calls for accountability, they refuse but for to LIE, stating publicly, "God" would grant robbing from innocent others, to enrich their great unholy tyrannical demon liar. They know easily that the bushmob did 911, and they like it. No, they crave it. The chance of murdering their own "loves" to

enslave the human race for the antichrist, sounds great, just as long as they can get themselves in on the take.

/ / Idiot General Says Dead U.S. Troops Best Reason To Keep War Going And Kill More U.S. Troops

Today, there is nothing more i wish, than to hear bushite nazi savage thieves for the neocon die rightly, before the innocent they target for murder. Right. The demonic lawless actions of Aegis posing as al-Qaida killing police officers undermine freedom for Iraqis and Americans, alone with ALL the rest of US. All criminally

gotten assets of lawless mercenaries will be hunted by every police service; those that complain as traitors to Freedom as Justice, WE, the real Patriot warriors, committed to defensive measures, will be rewarded to bill for. IF! Johnny is recognized a Mythical King with money to spend better than a neocon saboteur. Your call... Reminder: The neocons in YOUR power, were never elected, nor, was Bush the demon enemy of all Human Life. A demon that says if you disagree with his blind blanket statements against innocent Life, YOUR a terrorist. / / TheSpyWhoBilledMe.com regularly breaks news on the clandestine world of private contractors and US intelligence, recently established that Washington spends $42bn (#21bn) annually on private intelligence contractors \ \

do the math - do the math - do the math - do the math

42 billion. 42 thousand million. Or, hiring maybe twenty or thirty bushite LIAR enemies, who blindly giving Americans pay not only billion dollar saleries, but also with their forsaken lives as unworthy of real protections. CNN, CBC, and FOXNEWS knows the bushmob did 911.

So, million dollar saleries? I doubt. Likely a neocon enemy or two robbing from an undefended America. Remember, Peter Power wants US to believe ALL of Scotland Yard would murder Brits for stolen bucks. Frankly chaps, I just refuse to believe such bullocks.

The Ground Truth

The part where pro-bush "American" soldiers drive over children to kill them for fun, all because they say our Humanity let's those responsible escape retribution for being Satanically evil as enemies to Christ, left me angered beyond words. While CNN, CBC, and FOXNEWS couldn't care less for those children, but will tell us, these 9 accident victims must rule, so far, two full days of wall to wall coverage. "Pro-Western" Allawi blowing up school buses for "CIA" money? Who cares? Really who cares in TV America for

defending OUR children's lives I'm saying? Get me in the
news my brothers and sisters, and I'll make the best of it.
Just do it. Fear not for my life loves, fear for your
life left to silently die in contempt for Humans being.

Thanx much.

Al-Qaida Kagan "Al-Qaida, their whole strategy revolves around generating sectarian violence, because that is how they embed themselves within local communities "

What?? For friendship?

What is the demon TRAITOR to HUMANITY in America saying about the reasons he embeds an Iraqi under 50 odd divergent NEOCON labels? Wouldnt most Al-Qaida take great joy in killing a bushite nazi grunt like any real Family man would also? These LIAR dumfuk grunts who cheer "whore yeah", routinely, can barely read or write, so, how possibly does this FOXNEWS expert, expect such ungodly antichrist forces to delineate Al-Qaida from the local communities they PROVABLY indiscriminately bomb as Satanic?

Kristol and Kagan: Put Everything Behind Escalation So We Can Bomb Iran and Syria

Kristol and Kagan MUST be put to death for treason against America, treason against Life, treason against GOD. They both have continued to Publicly advocate murdering more innocent peoples indiscriminately they call, "Al-Qaida", all to rob further monies from an undefended America. It is easily learned by any as all, the victims of bushite tyranny are

exclusively, US, The People, guilty of nothing but our shared love of GOD. Remember forever: there was NO JUSIFIED REASON for bombing PEACEFUL Samara, NONE! that bombers confess was done as ordered by Allawi INDISCRIMINATELY, all for getting killed Marines sent in later for more stolen cash from America. P2OG. [hundreds of bushited Marines died rightly almost immediately - (wow eh?)] A Satanic action, Kistol and Kagan, both blame without thought to question on "Al-Qaida".

The action of Satanic bushite bombers targeting Samara as war criminals is FULLY documented.

Death to the bushite neocon LIARS, death to the enemies of Freedom for Humanity. Allawi, the truly insane mad man, confesses to having ordered the murder of doctors and nurses that treated wounded god loving women and children from Fallujah. It was these DOCUMENTED acts that had him thrown out of 'the CBC, CNN, and FOXNEWS TV expert scene as workable', all for fears that US humans might actually wake the fuk up on WHO is Our True Enemies here. All three, pro-private-bank zionist news stations are well aware that the bushmob did 911, but lie to YOU as forsakenly dying for their growing riches and world wide broadcast fame.

So it was as I thought too: the direct co-operation of the joint chiefs of staff assisting General Ahmad, in committing the murder of thousands in America on 911 for the neocon TRAITORS, as the same 'escaping' enemies today, responsible for 'secretly' ordering these indiscriminate terror attack bombings against YOUR Humanity for their continuing stolen pleasures as Satanic.

Bushite War LIFE Itself - and - They Couldn't Care Less

'Alpha company patrols the poppy fields.'
20070420_taliban28.mp3 (pbs broadcast)

"About the poppy harvest, currently gathering pace all around them, they couldn't care less." Instead they kill unarmed innocent people indiscriminately as enemies to ALL HUMAN LIFE.

They Couldn't Care Less

The 82 Airborne, in assisting in defending the world wide distribution and production of heroin, tells of murdering innocent farmers, that would never raise a gun in anger, are those they openly confess to target for first degree murder as labeled the, second tier Taliban. That's when not defending American Pension thiever ENRON'S pipeline managed under their extremist Muslim fundamentalist regime of intolerance for public communications, as the continuing thieving of 80 percent the Humanitarian Aid given by Canada to feed the STARVING, and school our children of the impoverished Afghanistan, as so reported. Eighty percent. 80. 80 percent stolen. I'm telling YOU: CBC couldn't care less about what Canadian soldiers are actually dying as COWARDS for: "Al-Qaida" = "General Mahmoud Ahmad" = "bush's ungodly partners in crime" CBC national radio management needs to be arrested in Canada for high TREASON. Please, be a Patriot, and demand these zionists allow open communication with the facts to save the lives of Canadians soldiers they hold in contempt to die as the bad guys committed to no better good.

The Pentagon's Power to Jail Americans Indefinitely
http://www.jonesreport.com/articles/270307_pentagon_power_jail.html

Look, demon enemies of Christ torture innocent people for fun,
paid for by the silent American tax payer. Americans refuses
to bother making a simple phone call to Coast to Coast to
raise some concern. THEY don't. They refuse to hunt bushite
down in their streets for death to defend the innocent held
indefinitely against GOD'S will. Death to the bushite, death
to Johnny's godless, lawless, fascist enemies of FREEDOM.

Look, CNN, CBC, and FOx News know the bushmob did 911, but
will smile while watching your son or daughter sent out to die

CONNED by their demonic hatred for US freely communicated. How do I know this? I made the effort of making the phone calls.

"Al-Qaida" = "General Mahmoud Ahmad"

Defend freedom, and the FBI, by demanding Coast to Coast radio hosts allow free communications, absent their personal contempt for preserving freedom to be our America. George Norry WILL kill Your American child for the contempt he truly holds for our lives here. He says he only supports murdering Arab children for the neocon, but when your not looking in his 'shadows', he'll kill your child too, don't doubt it for a second.

-

Allah is all, and negotiating for freedom from naked bushite tyranny is won EASILY through communicating understanding. Omar the Just knew this to say so, as do I. And this is why corporate news professionals forbid me to speak openly without nazi censorship, ON OUR AIR-WAVES, because I am honorable, right, and true as believable. While America's fun guy,

zionist George Norry, states to support PUBLICLY, the ungodly murder of innocent Arabic children for nothing but his personal contempt of YOUR DYING LIFE, while further wanting to invite thoughtlessly nuking places on Earth all for his secret hatred of US freely commutating. Typical bushite. Ending with to tell US again 'convincingly', that bin Laden did do 911 as a terror-ist bad guy in G's World!!?! How so? EH? How so? he don't care man, he don't care. He and his family have millions of dollars to sell you out, so why care for your struggle to survive in bushville soldiering?

Alex Jones and me aren't on the best of speaking terms, but I will state, a desire to address every same challenge he has adroitly addressed as publicly lacking. And when I am addressed 'officially', I will campaign to put US in the space to realize, we are the government, we are the people. We don't need to run to the hills and encamp ourselves away to defend ourselves to the max from the man, we are the man. I'm telling yeh, I know this to be so as the sea is we magically. Equal rights for all in God's name is self evident. Self evident to ME anyway... but well.. who am i?, right - I'll tell you as I have for more than a decade as a living fiction forsaken for lack of anybody anywhere understanding in totality what I am here on Earth as true Son to Man - a 'understandable' timeless stand in for G to gain recognition through as honest broker. [I've been everywhere around forever, and.. blahblah.. I know people really don't care to know of ancient wisdoms, truths that guide the order to the

Universe, cause often they think I'm beyond their comprehension as a 'better than', when all power is in equal respect for others as our hurting brothers and sisters suffering with tyranny by our collective willful ignorance on Justice.[God's bestest is Just for every reason being thus]] I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really defend ourselves with.

Please my American friend, help US speak out freely Coast to Coast. So we together can start, on demanding Justice for all, as innocence in serious jeopardy. Dadullah is most likely an individual who holds at least some control over official military functions of NATO in the region. So, we're going to seed loyalties of the rare Patriots in the force to recognize our need to isolate who supports, not talking FREELY for peace easily in Afghanistan without question. No evidence was brought against Laden, therefore, the Taliban were True Patriots, and bushite traitors are pure racist nazi filth ridden, toxic, as being cowardly dishonorable as despicably evil, enemies to us all. Put US in Command.

Question the bushite, question to anyone who mumbles disagreement in the godly fact, that WE, as Humanity, will spend the better part of this next generation, hunting every last war profiteering nazi war criminal down for our real Freedom from their, so errorred "endless" tyranny of big money terror. Lawlessness with be outlawed, and ANY corporate american who mumbles otherwise, as an enemy totalitarianist, the clear ungodly, (as should be criminal,) will be put to challenge by their very own children, or parents, or bleeding dead brothers. Hannity must be tried for death as lying that the holocaust never happened from Iran. DEATH to the demon liar nazi fu-ker I say, DEATH to the demon liar nazi fu-ker.

Al-Qaida = General Mahmoud Ahmad

Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

/ / "Those who negotiate in the name of the Taliban will be killed," he said. He did not elaborate. \ \ He's either with the proven cowards of JTF2, or the two or three "CIA" guys

secretly hunting bin Laden in caves out there with tens of billions of dollars. SPENT EACH YEAR 'unknowingly'. (No reason why, but, they just can't tell You, as the paying for it really while DYING) Put US in Command.

/ / The Mujahideen aren't students of power and don't compete for power like others do. We are students of truth and work for establishing this truth and for this cause we sacrifice our power \ \

kill all of them

/ / In his testimony on Wednesday, Pfc. Bradley Mason of Company C said that on May 8, the night before the raid, Colonel Steele told soldiers to ``kill all of them.'' Three other soldiers gave similar testimony. \ \

I would offer rewards for more soldiers to come forward. Why? because there truly is, no honor among thieves. Every bushite soldier in Iraq for the liar neocon is minimum, a purposeless dumfuked cowardly thief. See? if you offer a reward, and they don't take it, their 'fellow' bushite, kill'em for it, right? why take the risk it'll cash in over your worthless life? For, who can trust a lying bushite nazi savage? certainly not a lying bushite nazi savage. In other words: speak against committing war criminal acts of lawless aggression in Iraq for Bush, as CLEARLY un-American, and I'll try to forgive you as human. Or, I guess you'll kill yourselves in mutually muted total contempt for this universal life as actually worth something.

When you see and hear on video, sexually dysfunctional, as sadistically satanic grunt puke pro-bush soldiers moaning, while deliberately killing innocent defenseless Family People running for our dying lives from a holy church, or as just simply anyone standing near the side of the road, then, my friend, you'll begin to understand what evil actually is. And, what needs to be done to seriously save ourselves. Seriously. Justice must be won sooner than later.

Five Star American General Johnny Wizard will train American Soldiers to recognize such demonic behaviors in combat as worthy of immediate frag to defend the lives of truly fellow honorable soldiers. Soldiers ACTually, committed to freedom from godless satanic dumfuk tyranny of the antichrist demon, Mr. evil personified, the UN-ELECTED 911 TERRORIST, George Walker Bush and CO..

that sexual assault is illegal [...] \ \

Let's save some lives, what do you say guys?

Or, are we going to go further with this: George W. Bush:
"If the absence of violence is victory, no one will ever win."

YOU

"If the absence of violence is victory, no one will ever win."
http://cleveland.indymedia.org/news/2007/03/24652.php

I know, it's seems odd that I am, at the same time, offering
answers to any question on the science of God as is pertains
to Justice measured, but this is just who I am to be conscious
man. So, if we can get over the shock of me being so
especially normal, maybe we can then realize, I have some
simple good old ideas that transcend through time by rational
understanding communicable between any two people. I am not a
"miracle worker" to all those I advise to not eat Aspartame
because it's a poison that also makes your body crave
un-needed carbs, that will likely convert to more unless fat.
So, it slowly kills you, while making you fatter than you need
be along the dead end journey faithing in "the system". So,
why do some do it religiously? Who cares (for now) but to
say, our governments are failing US miserably. I spoke
personally with one of the head scientists in Canada at
"Health Food and Safety", and he told me the scientific
analysis done by reputable scientists I found freely available
repeatedly on the internet years ago, was completely true.
(It breaks down to formaldehyde, and methanol (a slow lethal

poison), among other shockers. Poison. P-o-i-s-o-n-s in our food stuffs. Poisons.) However, he could take no action to defend Canadians "officially" because we, Canadians, have our corporate interest news departments completely refusing to defend ourselves from corporate exploitation anywhere, and as natural consequence, we, as the dying world, would together unrepresented, probably lose a law suit from mutant Monsanto through the self inflicted bounds of OUR censored WTO program. - instituted through the top secretly mastered puppet people persons of the 'unseen' NWO I guess.

I'm telling you, we need me as King.

Look: Aegis's workforce, for American PAYING profit, has been publicly disclosed through CNN to be shooting people in Iraq indiscriminately for your money, and when the Pentagon was contacted by Nick Roberts about what would be done, they responded, nothing would be done by Johnny's America but to increase the multi-hundred-million dollar contract with demon enemy Tim Spicer to continue. Now... why you ask? Because the neocon liars, steal money by lying to cowardly American kids about what they mindlessly, without thought, give their souls for. Tim Spicer openly hires South African goons to commit hardships for American GIs to die without end for, in lawless tyranny. Peace sells less money for the neocon war profiteers to murder the innocent American as. (Iraqis, along with the rest of Humanity's Men, WILL eventually learn this truth, or life for you will end.) As an Arab hating bushite, (like what you'd find as a publicly proud practiced hatred for all Humanity, by an Amerkan dumfuk soldier in Google's alt.religion.islam), they say nothing for Freedom by Justice, but root themselves to Spicer's monsters who like

killing black guys, as world renown mass murdering racist nazi filth. That's why zionist Israel loves them so much.

Look: Somebody stole four trillion dollars out of the Pentagon.

Look: corporate magic TV people couldn't care less for US if they tried. Ahmad funded Atta. bin Laden claimed he played no part in 911. And video of iron running like water moments before the first tower fell is freely available for download all over the place.

Look: Barbra Bodine did the Cole bombing. [the Cole whose crew has been completely overhauled. Where are the many who served there NOW eh?]

Look: America has kidnapped countless thousands without evidence to be held against OUR will indefinitely. [Like the NOT Jewish Israel]

Look: innocent people are being tortured to death by those who hide OPENLY in America's uniform. [let US hunt them down for GOD, despite

what demon lies they argue give them as Satanic to avoid "The Law".]

Look: the bushmob war profiteers STOLE the Iraqi Development fund

Look: the more than 10,000 security contractors for
Bush are officially deemed lawlessly unaccountable to
anyone - THINK ABOUT IT

Look: Negroponte PERSONALLY stole the Iraqi emergency
water provision money

Look: Sattler OPENLY committed the worst war crimes of
all Humanity's history

Telling US what?, that it is a crime to not commit a crime?

No bushite was found gloriously killed for country, yet, they,
the godless bushite enemy, continued to shoot innocent People
indiscriminately for a distance of six miles, while likely,
secretly masturbating each other as bushite liars do always.

The pro-bush irrational military said only eight innocent
un-armed Afghans were counted as murdered deliberately, by
those who believe our Mankind, can not ever find themselves
accountable, without zionist controlled, corporate news
permission. See? The military counts mankind as zionist, but
I am a man of real men, committed to defend our world from all
enemies, foreign, or domestic. Unlike a bushite traitor to God

/ / KBR's Tiger Team stayed at the five-star Kuwait Kempinski Hotel, where its members ran up a bill of more than $1 million. This outraged the army, whose troops were sleeping in tents at a cost of $1.39 a day. The army asked the Tiger Team to move into tents. It refused. \ \

Death to our Enemies

My friends, People are dying because the, Israel=Jew, magic radio and TV crews, wont broadcast THE TRUTHS of our publicly available findings. Police findings. Corporate News America's Terror Expert, Gaffney, who publicly advocates the rape and murder of the innocent in Iraq to thieve from for the 'escaping' neocons, (as the truly UNGODLY,) stated these words about why American Soldiers continue to lawlessly DIE sacrificed for no better good or reason understood, as total willing dumfuks under deep hypnosis:

REPENT. [from the Greek, meaning to think.]

The TRUE Son of Man Johnny Wizard Exists Born to this Eternal World to end permanently demonic bushite enemies of Creation. Help Life out by destroying cowardly America's greatest threat to the Species, the greatest threat against Humanity's Freedom to be Loved by God. Corporate nazi zionist bushlores at CBC, CNN, and criminal thieving from the desperately poor in Winnipeg CJOBers forbid open communications, and I can't 'take over', because then I'd be defeating my own, power to the Peoples argument. So, it really is up to YOU, yes you there... reader. Who.. really..? YOU, here, now. Life begs, takes a stand for your fellow man, and demand our voices heard for the defense of the entire human race. And be quick about it. Repuglicons don't want freedom from endless war where they kill your forsaken kids, for we all know, bushites would be publicly tried, then spend the rest of their treasonous lives behind bars broke, or dead from lethal injections made popular in America. Again, officer Bowman is responsible for letting 'escape' those from Fort Detrick, who attempted to murder the American Congressmen who thought going into lawless tyranny, !makes no sense! Where is corporate America on our issues when OUR free speech is ruled by the irrational evil minds of Limbaugh, Bell, and Norry?!?!! Back to Bowman: Bowman, also is responsible for sabotaging the Moussaoui warrant. And, how much you wanna bet, he's probably the same bushite who found Atta's passport, and likely had all 19 names of the high-jackers to give CNN, CBC, and FoxNews just like the neocon's "bin Laden" would have too. Take the publicly prancing bushite enemy out for questions by yourself, if he doesn't plead his defense publicly on Coast to Coast by tomorrow. Remember, there ain't an "Intelligence" group worth their salt on the face of our Earth, that doesn't know exactly what I'm doing here honorably for a real Justice made through

careful thought. So, support Johnny Wizard speaking for public challenges internationally, and with the 23 plus co-operating for life 'Intel' agencies, along with, anyone else who can join in on the call. as a growing number of Patriot Soldiers, who trust yourself to see, this wanting of Justice isn't complicated. A person accused of a terrorist event without any evidence, has our accuser a bushite, who should be watched carefully until verifiable conclusions are done by the understanding of fact. Not faith. With George W. Bush making real decisions in faith, expecting us to believe as corporately broadcasted unabashedly unbiased, that he is not a deliberate incompetent monster war criminal of unfathomable evil?, who is just too 'stupid' to understand why we are innocent until proven otherwise?, is really something we all need to scream about to save our dying lives.

"[..] just like the neocon's "bin Laden" would have too."

However, the real Laden, on video taped confession, claimed he played no part whatsoever in 911, then later, offered himself for arrest, confident he would be acquitted. Not corporately newsworthy though, so, few even know why their American child was later died in the terrorists act of corporate contempt for US living Freedom with something greater as real Justice wills

Anyone in the Air Force deserves to be justly put down, for, I've NEVER seen any legitimate bombing campaign, but for to kill People indiscriminately like NATO regularly does with radio-active toxic waste, while then sending in the dumfuk Marines, or the 'from the coast' Canadians, who of course, rightly get killed on the ground in retaliation for such blind evil stupidity. Please, I beg, help Iraqis, and kill the bushite thieves to defend our forsaken God. American children, help me my loves. Please don't allow the bushmob to escape for the treasons against America on 911, for, bushites are OPENLY traitors, as the TRUE enemies of evidenced Justice, as the Freedom to do our own things loving God on our own. Bushites need to be hunted down for destruction - by the Loyal Christian American Patriot Soldier, the ones who war to win against those who torture US innocent to death as the ungodly Satanic LIAR enemies. War bushite LIAR zionist repuglicons who did God wrong on 911

War bushite who LIE to American Sons and Daughters to not hunt those who stole billions with ear-marks, Social Security, no-bid contracts, Iraqi oil, ect.

War those who stole the Iraq Development Fund, and the emergency monies left to save the lives of our dying children

War bushite who feed soldiers radio-active toxic waste as harmless

War bushite who support torturing the innocent to death

War bushite who sing about the joys of murdering Iraqi children

War bushite who beat to death barefoot Iraqi children

War bushite who jokingly beat lamed dogs for fun

War bushite who claim they are lawlessly un-accountable as liars.

War bushite in the air force who target bombing innocent People like in Fallujah or Somalia with land mines and mini nukes

I've been playing with my AR8200(2) scanner again and I have it
connected to an SA7000 antenna
http://www.aoruk.com/direct/sa7000.htm
mounted outside the house. It's not as high as should be but I can't
do anything about that at the moment.
I've been thinking of getting either a high-end discone or a scantenna
aerial to go in the same location but I don't know if the change will
be worth the money. I'm very much a newbie at scanning so I'm not sure
what to do. The SA7000 was pricey and I'm assuming it might be hard to
improve on. Any opinions?

Faxes Sent to British Parliament logs

During the 1998-2000 period my records indicate that I sent at least 14,480 faxes to the British Parliament
in Westminster, of which 9,138 went via TPC's email-to-fax service and 5,342 were sent via fax-modem direct from
my computer. The actual figure is obviously much higher since, for most of this period, whenever a recipient asked to
be deleted from my mailing list, I totally wiped all entries including that from the logfile.

In the records "Y" indicates successful transmission from fax-modem, "N" indicates failed transmission from fax-modem.
"E" indicates an error occurred while transmitting via fax-modem and a fax may have been only partly transmitted.
"y" and "n" indicate success or failure via TPC.

In April 2000 I changed the method of operation by recording "R" when a recipient requested removal, rather than
wiping their details from my mailing list and records; and keeping "B" records for when TPC actioned a ban on a
recipient's fax-number, but the recipient did not write to ask me to cease faxing. The purpose of these changes
was to keep more accurate and complete records, but the intention was thwarted by the police complaint.

MI5 Persecution: How Could It Be True?

If you have the patience to read these articles you will be struck by how apparently fantastic the claims being put forward are. You may ask yourself why such seemingly nonsensical assertions are made. This matter has been discussed on the Internets UK-local newsgroups for three years now, and the denizens of the uk.misc newsgroup (the so-called "miscreants") have come up with a number of theories to explain these posts; it has been variously suggested that they are a troll (an artificial creation for the amusement of its author), that they are made by MI5 themselves with the purpose of discrediting other conspiracy theories, and that the poster is mentally ill and the articles are symptomatic of the illness (the view held by most miscreants).

Are these claims the product of mental illness, or is that just a cover?

The most obvious explanation, that the claims made result from the admitted mental illness of the author, is the one which the persecutors intend be the one accepted without consideration being given to the possibility of the claims being true. The persecutors have actually been very clever about this, both in selecting as their target someone who was known from school or university as being borderline schizophrenic, and in ensuring the nature of their persecution corresponds to what often features in the delusions of a schizophrenic.

The very first incident of the persecution occurred in June 1990, when I was still a student at university in London. It consisted of a reaction (giggling) from the newsreader, Sue Carpenter of ITN, to what she saw happening in my living-room at my parents home where I was living. Before your imagination gets the better of you I should make clear that what the newsreader was reacting to was not too embarrassing in nature; my mother had brought an apple for me into the the room, and Sue Carpenter found this amusing.

I recognized that Carpenter had reacted to what she had seen in my living-room, yet this idea still seemed completely fantastic to me. My reaction was to continue watching television, particularly the news, to see if this incident would be repeated. It was, many times, both on BBC and ITV. An intelligent person would have thought to obtain a video recorder and capture some of these incidents in order to try to explain to an observer what he saw in these broadcasts. Unfortunately, I failed this test of intelligence, since I did not record these programmes. I have recently attempted to obtain from ITN tapes of their news programmes dating back to summer 1990, but, unhappily, they have advised me that they do not have complete programmes including newsreaders comments dating back

to that period.

From the outset, the persecutors structured their actions to ensure that any complaint would be met with disbelief, and dismissed as delusional. This is why they chose as their target someone who was known at school and university to be borderline mentally ill; and it is why they fired the first shots of their campaign through the broadcast media. Schizophrenics commonly believe the media harass them; it would be exceptional for "full-duplex television" to exist in reality. Those with schizophrenia also commonly believe people are talking about them; again, the persecutors have shown themselves very rarely, but act through intermediaries, both in the workplace, and in public and during travel.

Mental illness is not the cause of these claims, but the simulation of its symptoms is a cover used by the persecutors to deny their victim the ability to have his compaints believed.

What evidence exists to support these claims of "interactive television/radio";?

Quite frankly, I have very little evidence to support my claims. You may examine the "Evidence" area of my website to see such evidence as I have been able to gather. None of it is remotely conclusive. The "smoking guns" all date back to 1990/91, and it is really rather late now to start trying to look for material dating back seven or eight years. In 1997 I started tape-recording every programme I watched or listened to. I also started carrying with me a high-fidelity minidisc-recorder with good quality microphone to catch incidents of public harassment, but this also has not been as successful or conclusive as I had hoped.

Perhaps the best item in the "Evidence" section is the audio file "Life is so hard" (it is labelled with Garfield the cartoon character on the site), which I have given a certainty level of 100%. This item relates to harassment at my workplace in Canada in 1996. A co-worker called Mark was coming up with phrases and expressions which were repeating things being said at my Canadian residence, consequently leading me to believe that my apartment and home phone were bugged, and that the persecutors were passing their gathered information on to Mark. On one particular evening I said in my apartment, "life is so hard, and then you die". The following day I was able to record Mark saying exactly the same phrase at work.

Unfortunately when "they" know you are recording them, they simply dont say things which would unambiguously show harassment. When Mark the co-worker knew he was being recorded, he only made his remarks out of range of the recorder, for example outside the building. When the TV newscasters or radio disc jockeys know they are being taped, they limit themselves to saying things which are ambiguous, which even in my mind may or may not be personally directed against me.

Who knows about this persecution?

Surprisingly many people know. People in the media, such as BBC and ITN newscasters including Martyn Lewis and Michael Buerk, and radio disc

jockeys such as Chris Tarrant of Capital Radio, know what is going on, and take part in it. Some co-workers at my former workplaces in England and Canada have known about the harassment. Quite a few people in the general public are also included. I believe the police are aware of the persecution, but, unfortunately, have chosen not to take any action to stop it. I have complained at my local police station in London several years ago, and I have stated on the internet newsgroups that I have done so, hence the police will be well aware of my wish to see the matter resolved. I believe their inaction denotes a dereliction of duty, but without good evidence, I am powerless to compel them to take steps to prevent further harassment, or deal with what has already taken place.

What is the purpose of sending these faxes?

These faxes are being sent to three distinct groups of people, namely Members of Parliament, the media, and diplomats & legal people. As you will have observed I am making use of the email-to-fax gateway at Demon Internet to send these faxes. I am forced to use this gateway since I currently live in North America, and cannot afford the high cost of direct phone calls to the UK.

My purpose in publicising my claims is firstly to discourage the persecutors from continuing their campaign, and also to attempt to bring their campaign out into the open, and thus perhaps identify the persecutors. Neither aim has been achieved yet, but I hope that with sufficient stimulation these aims may yet be accomplished.

The problem with the second aim is that those who read this article will fall into two groups, those who dont know anything about the persecution and consequently will disbelieve my claims as delusional, and those who do know about the harassment and may have some idea of who is behind it, but realise that if the harassers are exposed and the truth brought out into the open, then powerful British institutions will substantially lose prestige, and be exposed to ridicule.

It would give me hope to believe that these faxes will create a third group of people, those who find out that I am telling the truth, and who follow their consciences in standing up and seeing justice done. Only time will tell if this hope will be realized.

1423. MI5 Persecution: Why do you think MI5 are responsible? (8256)

Why do you think MI5 are responsible?

The question of who is ultimately responsible for this eight-year harassment is one which is very difficult to answer, as the persecutors have never clearly made their identities known to the persecutee. However, I believe I am correct in attributing the continuing victimisation to elements of the British Security Service MI5, and in this article, I will try to explain the reasons for this belief.

The British internet magazine ".net" featured my website on page 17 of their March 1998 issue (number 42). Their review kindly describes it as an "excellent site" and gives some details of what the net surfer will find there. Should you wish to reply to this article you can do so;

"When did you first suspect MI5 were responsible?"

Over Easter 1995 I went to see a local solicitor in London with a view to talking to the police about the harassment. Soon afterwards I did go to my local police station in Clapham and spoke to an officer there. The solicitor made a comment which suggested to me that the persecution I had been experiencing may have been organised by an intelligence service.

Up to this point, I did not have any clear idea as to who was behind the harassment. Only their agents were visible, in the media, on television news programmes, and on the radio; in the workplace, where things said at my home were repeated verbatim; and in some cases abuse in public and during travel, for example on the trip to Poland in June 1992 which I have already described.

Both from the fact that widely disparate individuals and organisations were employed as agents in the campaign against me, and from the fact that an entity would be required to marshal their resources in the areas of spying on my home and giving gathered information to their agents, it was clear to me that a single entity was responsible for carrying out the campaign. Yet from June 1990 until Easter 1995 I did not have a clear idea of who might be responsible. I guessed that perhaps some private individual or group of persons who saw themselves as my enemies had perhaps paid private detectives to organise the harassment. Alternatively, since the campaign had started in the media, I made a far-fetched supposition that perhaps it was an ad-hoc group of media people who had set themselves up in opposition to me. After Easter 1995 I saw that these guesses were wrong, and I made an I believe much more accurate estimate as to who my enemies really are.

"Why couldn't a private group be behind the persecution?"

There are several reasons why a private individual or group would not be behind this campaign.

Quantity of resources / Money. Here is what one Usenet (internet newsgroup) participant had to say (several years ago) on the topic of how much money it would cost just to keep the surveillance going.

PM: >But why? And why you? Do you realize how much it would cost to keep
PM: >one person under continuous surveillance for five years? Think about
PM: >all the man/hours. Say they _just_ allocated a two man team and a
PM: >supervisor. OK., Supervisor's salary, say, #30,000 a year. Two men,
PM: >#20,000 a year each. But they'd need to work in shifts -- so it would
PM: >be six men at #20,000 (which with on-costs would work out at more
like
PM: >#30,000 to the employer.)
PM: >
PM: >So, we're talking #30,000 x 6. #180,000. plus say, #40,000 for the
PM: >supervisor. #220,000. Then you've got the hardware involved. And
PM: >any transcription that needs doing. You don't think the 'Big Boss'
PM: >would listen to hours and hours of tapes, do you.
PM: >
PM: >So, all in all, you couldn't actually do the job for much less than
PM: >a quarter million a year. Over five years. What are you doing that
makes
PM: >it worth the while of the state to spend over one and a quarter
million
PM: >on you?

A private individual or group would not spend over a million pounds to verbally torture a victim without some financial motive or gain. Private industry is driven by the profit motive, and there is no financial profit to be had from carrying out a campaign in this way. If a private enterprise were behind it then they would have taken direct physical action a long time ago.

State enterprises, on the other hand, can afford to be wasteful, since they are funded by the taxpayer. They do not have to show a money profit. The employees or contractors employed by a state organisation such as MI5 are driven by their own personal profit motives, to make the most money out of their employers for the longest period of time. MI5 is funded to the tune of #150M p.a.; even a few hundred thousand a year would to them be affordable if their managers could convince themselves of the necessity of what they were doing.

Quality of resources / Technical resources - electronic and other surveillance. In summer 1994 a reputable and competent private detective agency was employed to conduct a counter-surveillance sweep of my home in London. They charged us over #400 for this, conducted a thorough search for radio transmitting devices, hard-wired "probe" microphones and also tested the telephone line. They found nothing. This was not altogether surprising, since it had been made very clear to me that there were bugs in my home; the "buggers" would not have made this clear unless they had felt their bugs were of sufficient sophistication as to be safe from

detection.

But there is another lesson to be gained from the failure of the private detectives to find anything. The agency employed was one of the most reputable in London. They were employed on the principle of "setting a thief to catch a thief", for if the harassment were being carried out by private detectives, as I then believed, then surely another set of private detectives would be able to find the bugs that they had planted. That these "private eyes" were unable to find anything, and that the harassers were confident that they would not be able to find any bugs, points to the harassers being an order of sophistication above a private agency, and leads me again to believe that a state intelligence service is responsible for the surveillance and harassment.

Quality of resources / Technical resources - Interception of Postal service. In summer 1994 when I emigrated to Canada to try to escape the harassment, I wrote letters home to my family and friends in London. Quite soon after my arrival in Canada, the harassers were able to find precisely where I was staying. The only way I can see of "their" being able to find out my new address was by interception of my letters to the UK.

Later in 1994, I conducted an experiment to see if my letters home were indeed being read. In a letter home I wrote of being depressed and talked in vague terms of suicide. I deliberately chose this topic, since I believed it was the outcome my harassers were trying to achieve, and that if they read the letter, they would "echo" its contents. Sure enough, soon afterwards there were two incidents of people shouting "suicide" at me in public places in Canada.

It is inconceivable for a private agency to have the ability to intercept postal mail. The state security service on the other hand is well known to engage in these activities.

Quality of resources / Access to Media. One of the strangest aspects of this case is the access "they" have to the broadcast and print media. I still do not understand what could persuade newscasters such as Martyn Lewis and Michael Buerk, who consider themselves "gentlemen", to behave in an almost voyeuristic way by "peeking" into the living room of one of their viewers. A year ago I wrote to the BBC asking if these newscasters would confirm or deny the accusations made against them. The BBC replied that their newscasters had denied the accusations, but refused to do so in writing.

It is well known that MI5 have the ability to plant stories in certain newspapers, but convincing television newscasters to "watch" a viewer while they read the news would surely be very difficult for them to accomplish, unless they presented themselves to these journalists as being, for example, a group in the media who were seeing to it that I got my "deserved" treatment. MI5 has a history of manipulating the media, so it might not be too difficult for them to accomplish such a trick, whereas a private group would not have this ability.

"Have they ever denied that they are the Security Service?"

No. Never. This is in fact the main reason why I believe "they" are MI5 and not a privately funded group. If my guess had been wrong then I am sure that "they" would have crowed over my mistake, but they have never admitted nor denied that they are employees of MI5.

In early January 1996 I flew on a British Airways jet from London to Montreal; also present on the plane, about three or four rows behind me, were two young men, one of them fat and voluble, the other silent. It was quite clear that these two had been planted on the aircraft to "wind me up". The fat youth described the town in Poland where I had spent Christmas, and made some unpleasant personal slurs against me. Most interestingly, he said the words, "he doesnt know who we are".

Now I find this particular form of words very interesting, because while it is not a clear admission, it is only a half-hearted attempt at denial of my guess that "they" = "MI5". Had my guess been wrong, the fat youth would surely have said so more clearly.

"If MI5 were behind it, why would they wish to mask their involvement?"

I have heard a number of times a belief from people in the media that it is they, the media people, who are behind the abuse. In spring 1994 Chris Tarrant the Capital Radio D.J. said sarcastically on his breakfast show, "You know this bloke? he says were trying to kill him. We should be done for attempted manslaughter". We, we, we. Tarrant thought it was a media conspiracy.

Returning to the question of "interactive watching" by television newscasters, it would again be much easier for them to take part in that sort of activity if they convinced themselves that the surveillance and abuse were organised by "their own", by media people. It must be second nature to MI5 to mask their involvement in the matters they deal with; in this case, they pretend the campaign is organised by a group in the media, and any journalists who suspect otherwise keep their silence.

Conclusion

Over the last three years I have stated with some force my belief that MI5 are responsible for my misfortunes. I have done so on Internet newsgroups, in letters and faxes to people in politics and the media in the UK, and in 1997 I made a formal complaint to MI5 regarding their activities; the Security Service Tribunal replied in June 1997 that "no determination in your favour has been made on your complaint". (I believe the statement by the Security Service Tribunal can be disregarded, as they have never, ever made a ruling in favour of a complainant.) In three years of naming MI5 as my oppressor "they" have never denied the charge. To me, their silence on this point indicates that my guess was accurate. I believe my persecutors stand identified. The question of why they should carry out this campaign is one I will try to answer in a future article.

MI5 Persecution Update: Friday 15 May, 1998

The persecution has been quite severe for the last week. It appears that my enemies are reacting to the steady stream of faxes making their way over the Atlantic to the fax machines of Westminster politicians and the media. Here is whats happened in the last few days;

The week started off with an incident in the cafeteria at a local shopping centre where I habitually drink my morning coffee. My enemies have concentrated since winter 1995/96 on throwing a particularly horrible sexual slander against me. They "put people up" to repeat this slander against me, and this is what happened again here.

On Thursday morning (yesterday), instead of going to the usual cafeteria I went to a nearby convenience store for coffee. The same horrible sexual slander was shouted at me very loudly by a member of staff as I walked into the store. This was the first time I had ever bought morning coffee in that shop. The other staff obviously knew what was going on, one of them said, "they screwed up my life".

The fax gateway I use to send these faxes to the UK has been working hard these last few days to shut down my access by barring the accounts I use to send these faxes.

I have received an anonymous threat from fax number 0171-219-6101 (the machine gave its name as "ETRA-HoC") which said, "Stop sending to this fax no 0171-219-6101 or else" (the consequences of continued transmission were unspecified). I invited the sender to apologise for his threat, but received no response.

This all adds up to quite a severe reaction to my faxes of the last few weeks. I actually find this quite heartening since it shows that my faxes are finding the mark and there may yet be a breakthrough in my efforts to expose the Security Service conpiracy of abuse against me which has now been going on for eight years.

MI5 Persecution: "Why would they be doing this to you, sir?"

This article will concentrate on the difficult question of "Why". The question which forms the title of this piece was asked of me by the police officer I spoke to in Easter 1995, when I went to make my complaint.

There are really two sides to this question. Firstly, why should MI5 be harassing anybody in this fashion? Secondly, if they choose to behave in this way, why should they have selected me in particular, and not somebody else? Alternatively, why did the persecution start, and why is it

continuing?

I do not have definite answers to either side of this question, since my persecutors have usually kept themselves hidden and only acted through other parties. To know "why", one would have to know who the persecutors are, and something of their personalities, since their abuse is almost certainly symptomatic of a personality disorder of the abusers. Certain things however can be deduced about the abusers from the nature of their behaviour, and I will talk about this later in the article.

Why did it start?

It is clear that the persecution must have been initiated by someone who knew me personally, either at school, or at university, or socially, and knew that I was borderline mentally ill, since this is what makes me a target for the persecutors. Unfortunately, the originators have never been identified, and there are several possible candidates. Neither has the link from the originators of the persecution, to the persecutors themselves, ever been made clear. So who are the originators?

University Staff

The identity of the originators may lie in the timing of the persecution. It started in June 1990, while I was finishing a course at Imperial College in London, and a year after I graduated from Cambridge, where I received a degree in computer science. At Cambridge I had achieved some notoriety in the computer lab from various nefarious exploits. Roger Needham attacked me by saying that "there were great hopes for it, but it failed terribly". When I started at Imperial I found that my reputation had preceded me; Cambridge computer lab had spoken to I.C. lecturers about me. I.C. lecturer Frank McCabe summed up commenting about "setting up a straw man so you can tear him down". (Despite being "torn down" by the Cambridge computer labs lecturers, I still achieved a good first degree and a Masters degree at Imperial.)

Other students at university

So, the originators may have been university staff who knew me from my student days. But there are other possibilities. I had other enemies at university, including some fellow students. At my Cambridge college it was common knowledge that my mental health was dubious, and it was known that I talked to myself in my sleep - the floor and walls were quite permeable to noise, so other students heard. I was given the nickname "gibber" because of this habit. Sometime later, I managed to catch myself talking in my sleep when I woke up in the middle of the night.

Here is a quote from a participant in the internet newsgroup where I have been posting for the last three years;

>One thing which has been missing from this discussion is this simple
>prognosis: that maybe he is right and that, despite his admitted
>mental condition, there really is a campaign against him organised by
>now-influential ex-students of his university.

People I knew socially

I had yet other enemies in 1990 (I am a man of many enemies!). In January 1990 I broke up with some people I had been going out with socially. One of them, by the name of Andy Turner, wrote a letter to Alan Freeman, who at the time was a Radio 1 DJ. Freeman read part of the letter out on his Rock Show, about the "one who wore out his welcome with random precision", saying "thats a hell of a letter you wrote there Andy", and "with a schizophrenic youre never alone".

It is my belief that Andy Turner and his friends were trying to make trouble for me, and Turner wrote to Freeman with this in mind. Freeman may have discussed the letter with others, and things may have snowballed from there. This is, of course, pure supposition. The fact is that I do not know who the originators are, and can only guess.

Once it started, why is it continuing?

The answer to this question is obvious. It is unacceptable to the "powers that be" in the UK to have somebody running around who knows he has been targeted by the Security Service and media organizations, and who is in a position to embarrass British institutions. This has become particularly evident in the last week; as I send more faxes to UK politicians and media, so the pressure on me grows, and the volume of abuse increases.

Part of the reason the persecution continues is in the personalities of the abusers, and it is this subject to which I will turn to next, since the key to understanding the persecution lies in understanding those who carry it out, as much as we can.

The Security Service operatives, the persecutors, are they psychopaths?

Let us first examine the definition of the term "psychopath". DSM-IV defines "anti-social personality disorder" as a "pattern of disregard for and violation of the rights of others ... deceitfulness, irritability and aggressiveness ... consistent irresponsibility and lack of remorse". The Harvard Mental Health Letter of Sept 1995 describes these people as using "charm, manipulation, intimidation and violence to control others and satisfy their own needs. Lacking in conscience and in feelings for others, they cold-bloodedly take what they want and do as they please", having "no guilt or regret".

I must say, reading this description of the condition, that it fits the persecutors perfectly. The persecutors have never shown the slightest remorse or guilt. Even when I was severely ill, they continued to abuse me. They have repeatedly blamed their actions on me, which is another trait common amongst psychopaths. They have no respect for my legal or personal rights, and they use intimidation and verbal violence.

If the MI5 operatives are psychopaths then it would explain both why the persecution started, and the degree of verbal violence. Psychopaths by definition damage other people; here, the MI5 operatives find an outlet for their personality disorder, through "cripple-kicking".

Xenophobia on the basis of mental illness, and race

My enemies have made clear many times that one of the reasons they are persecuting me is because of my admitted mental illness. However, it is my belief that they are also persecuting me because I am not of ethnic English origin, and the fact that there have been several incidents of an overtly racist nature reinforces this view.

In one case, two youths on a tube train in London made openly racist references to me as a "soft toy, not up to British Standards". Another person near my home made remarks about "Polish people". In yet another incident in Croydon, a youth made comments about "foreigners".

But the main thrust of their xenophobia is because of my mental illness. I should make clear that I do not look ill; if you met me, you would not know that I had the illness. I take a relatively low dose of medication, and feel quite well. But the persecutors have repeatedly harped on about my supposed serious mental illness; they have called me a "nutter", a "schizophrenic", etc. They have also persuaded other people to use these terms of abuse. They are able to get away with this because abusing the mentally ill is still something which is mostly acceptable in Britain; the media do it, "nutter" is not taboo in the way that "nigger" is.

Conclusion

There are several groups of people who might have wished to cause me trouble, and I still do not know who originated the persecution. Nor do I know how the originators came to be in contact with the (presumed) Security Service operatives who have been carrying out the campaign. To know conclusively why it started, we would have to know who started it, and this information is not available.

However, we can infer some things about the personalities of the persecutors from their methods, and from the degree of verbal violence they employ. It is clear that a main reason for the continuing harassment is the psychopathic disorder of the MI5 agents who carry it out. That they have never been "brought to book" for their misdeeds reinforces their belief that they do no wrong; and, unhappily, until they are brought to book, their persecution campaign looks set to continue.

if you really need good hf then a discone might not be as good
but if you want better allround i'd get a royal discone every time.

now, if you are looking to maybe become a ham later or you solely listen to
vhf/uhf stuff
then i'd go for a 5/8 on 5/8 dualband vertical.
they come in varying sizes [the bigger the better of course!]
but will always out perform a discone.

now ok, a royal will allow you to tx as well where the dualband does

so its upto you

Most scanners can't handle big antennas. You'll do best with a modest antenna up in the clear (mind the power lines). I get excellent results with a lowly Hustler discone. It works all the way through HF on my AR8200MKIII.

It may very well be a trunk. When the City Services here in Calgary AB Canada, used the GE/Ericcson trunk, there was a jingle right after each transmission, then the conversation hopped to the next frequency. It was totally annoying, and hard to scan. Curious to know what frequencies you are monitoring. Here in Calgary, we have now, trunks in 400, 800, and 900 mhz bands.

My QTH is currently Kathmandu and the frequency in question is
454.0000 MHz. I can hear both parties chatter just fine (with no
hopping to other frequency). However the parties do mention about
moving to different channel apparently to clear the channel. I still
need to discover that new frequency though.

My question regarding trunk is pretty basic though. From what I have
read trunking simply allows the efficient usage of frequency similar
like a PABX phone system. If the conversation doesn't hop to other
frequency like you have mentioned, there is really no need to worry
too much, isn't it?

Maybe I will provide .mp3 of the jingle one of these days.

Thanks.

It still may be a trunk, on some systems, the conversation can still
go on, for a considerable lenth of time, before hopping. I would
still do a search, for other frequencies, to see if it is a trunk.

Hi Fred...

I'm guessing the OP intended to type selcal. If so, that stands for
Selective Calling, a scheme where two audio tones sent before a conversation
starts "unlock" the receiver's squelch so the conversation can be heard.
Other radios on the frequency which receive those tones (the SelCal "code")
don't unlock and the conversation is unheard. I've heard SelCal used when
aircraft control stations are calling trans-Pacific commercial aircraft.
http://en.wikipedia.org/wiki/Selective_calling provides a pretty good

explanation.

1454. MI5 Persecution: How to Identify the Persecutors (2713)

MI5 Persecution Update: Friday 19 March, 1999

If You Intend To Reply, Please Read This

Please.... keep your response to one page if you can! I have had several people faxing my article back to me, including one MP faxing back twenty pages. Faxes over a page or two will be deleted without being read.

Theyve started again. Why? I have no idea.

Unhappily, the persecutors, whoever they might be, have started their activities again over the last two weeks. Usually they try to blame their activities on their victim, but this time they have stopped even pretending that the persecution is my fault. Their verbal abuse appears as gratuitous as it is vicious.

Last Sunday 14 March, I went for a meal in Londons Chinatown with some friends. As we were walking down Gerrard St, a man shouted loudly, twice, the obscenity which has been directed at me for some three years now. This followed previous incidents where the same words had been used. It is very upsetting to be verbally abused in this way and to know that the cowardly abusers are guaranteed to "get away with it" because if you report it then it will be assumed to be part of your illness.

Keith Hill MP (Labour - Streatham), my elected representative, as ever refuses to help.

MI5 Persecution : How to Identify the Persecutors

Usually delusional thinking does not allow the perpetrators to be identified, or the alleged persecution to be proved. My so-called "delusions" are different, because I have several times over a period of some nine years seen the same people, in widely varying places. Most importantly, their names have been recorded, on aircraft passenger lists and hospital register; and if only the police would do their job conscientiously then the persecutors could be identified and this unhappy story brought to a final conclusion.

BA93 Heathrow->Toronto, 10 June 1993

In 1993 I flew to Toronto for a holiday. On disembarking from the aircraft, a group of four men who travelled together looked in my direction, and one of them said, laughing, "If he tries to run away well find him".

I was absolutely stunned when I heard this. I wasnt surprised that they had followed me to Canada, but it shocked me that they had been on the

same flight, and that one of them had foolishly given their group away. Unfortunately I was so stunned that I made no attempt to stop them as they got off the flight and proceeded into the terminal. I did not see these people again during my visit to Toronto. I do not know whether they followed me, or whether they were only part of a larger group, some of whom may have already been on the ground and awaiting my arrival.

Over the next few years I made a number of attempts, all unsuccessful, to obtain the passenger list for this flight. British Airways keeps passenger flight coupons for each flight; so if only the police would do the job that is being asked if them, then these four persecutors could be identified, and thus their employing organisation, which is very likely to be the Security Service, determined.

These four men were, apart from the joker who looked the odd man out in the pack, very serious individuals. They appeared to be in their forties or fifties, and my impression on seeing them was that they might have been former soldiers. Their campaign against me concentrates on how "funny" their abuse is; but in this they are plainly lying, because they realise how awful will be the damage to the establishment of which they form part, if the truth about the persecution ever sees the light of day.

The riddle of "Alan Holdsworth"

During Oct/Nov 1996 I saw a doctor several times about an infection, and on 2 Nov 1996 I went to Emergency at the Ottawa Civic Hospital and saw Dr Worthington, who was then Chief of Emergency Medicine. I had to wait several hours before being seen, and several people jumped ahead of me in the queue. One of these was a grey-haired man in his forties or fifties. This may have been one of the men on the BA flight in 1993; I cannot be sure. When Dr Worthington asked his name, he loudly said, "Tad", which is the common abbreviation of my name. Dr Worthington looked puzzled, glanced at the sheet in front of him, and said, "but your name is Alan Holdsworth isnt it?". (I am pretty sure his Christian name was Alan; I cannot be sure of the surname). The man looked put out, and said quietly, "yes".

Unfortunately, I did not follow up this incident immediately. Some time later, I wrote to Dr Worthington to ask the name of this patient, but he refused to give the name out.

I saw this person again two and a half years later, at Ottawa Airport, just as I was about to leave for England. In the warm weather, he was wearing a coat and woolly cap, and pacing up and down in a menacing and aggressive manner. Presumably he thought he was pretending to be a "nutter" and in this way was getting at me; my impression is that he doesnt need to pretend, Holdsworth or whatever his name is is clearly a psychopath and in a healthy society such a person would be locked up, instead of being paid public money to exercise his psychopathic instincts. But todays Britain, a country where the MI5 secret police are given free rein and nobody dares raise a voice in protest, is not a healthy society.

"He doesnt know who we are"

For some reason, whenever I take a British Airways flight, I get hassled by the "persecutors who wont admit theyre MI5". Since this business started, I have travelled BA three times; once in June 1993 BA93 (see above), once to/from Europe during Dec 95/Jan 96, and once in June 1998 with my mother to visit her family. The last journey, I was abused by two "plants" who kept repeating, loudly, "paranoid" (I have this recorded on minidisc). Presumably British Airways gives MI5 the seating plans for their flights, which allows MI5 to position their agents of abuse three rows behind me, so I cant face them, and they are throwing abuse at the back of my head. I have travelled BA as infrequently as possible; to Canada, I usually travel Air Canada.

Anyway, lets return to the second of the three BA trips, and in particular to the flight on 2 January 1996 from Berlin Tegel, to Heathrow, and onwards to Montreal Mirabel. Id waited all night at Tegel for the flight, and was very tired on reaching Heathrow. On the plane to Montreal, two youths sat about three/four rows behind me and to the right, in the window seats. One of them, a rather fat "asshole" to use the Americanism (it fits), kept on going on about "this bloke", saying among many other things, "he doesnt know who we are".

Now that form of words is particularly interesting, because from May 1995, some 8 months previously, I had been vigorously denouncing the "MI5 Persecution" on Usenet. So if Id guessed wrong, then you might expect the harassers to crow about it; which they have not done. If I had guessed right, and the persecutors have been silent before and since this flight, then they could either admit they were MI5, which would be a very serious thing for them to own up to, or they could brazenly lie, in which case I would report their lie, and since many people must surely know who they are, they would lose all credibility. So they have remained silent; apart from this one phrase on the BA flight, where one of their agents said, "he doesnt know who we are". Note carefully that this phrase is NOT a denial, it only appears to be a denial; since it does not say that my guess was wrong; it only states the objective fact that I do not know the identity of the persecutors, without giving any information as to the validity of my guess. Which leads me to posit that my guess was correct.

Al,
That must be it then. Thanks for your input. There must be a tone
that my radio didn't pick up and instead picked only the ones at the
end of the conversation. My only question is how a user would know
the frequency is in use? Could there be some kind of indication
(maybe visual?) so he won't cause interference? Thanks again.

He is looking for the scanner to PC interface cable. The software on the RS site is only usable on a few models of scanners, one he may or may not have.

I'm not sure how the tone frequencies are assigned but I'd guess it's done much like assigning "squawk" codes for a RADAR transponder. In that case some FAA system assigns the code and marks the aircraft (in the computer) with that code. Then the Ground Control person radios the code to the pilot along with taxi instructions they provide. And it's likely that in the case of airlines the pilot already has the four-digit code based on some sort of flight instructions he receives from his company computer system.

That's my guess - anyone who knows more is please encouraged to post some enlightening facts for us!

Dear Colleagues,

We would like to promote you the email below (from Prof. Demiralp)
which will be very important for you, because
many of you had sent papers to his conferences in Istanbul

Only papers that were received acceptance for 3 over 3
reviewers plus the positive opinion of Professor Demiralp]
were promoted after review on the extended and enhanced version
(more than 40% new material than the conference version)
(Algorithm: 2 positive opinions and 1 negative opinion implies
rejection, 2 positive opinions means that we must wait for the 3rd

For more details, contact Prof. Demiralp
demiralp@be.itu.edu.tr , see also below
Acceptance Rate = 6/200 = 0.03

In the next days, all the WSEAS Editor-in-Chiefs will give us the
acceptance ratio for 2007
that will be approximately similar to that of Prof. Demiralp
Their emails and telephones can be given to you if you doubt of
course.

PDF files. Last evening I urged all referees by phone and I re-
ceived their opinions. As I said on the phone,zimedecisions
were sent to me and now it is complete. I also get together
Review Committee members (I, Baki, Alper and three more
scientists. After that I prepared the following lines.

There were 33 submitted manuscripts (selected after the
conference out of 200 papers from the WSEAS Conference in Istanbul),
only 6 of them have been accepted. You can see the recent status in

the following lines. They are marked by stars.

I will send PDF files of the manuscripts in separate mails
becuase of their sizes.

This afternoon or evening I will write more e-mail. Please
do inform me if you need something to be done by me.

Best Regards.

OUR EMAIL YESTERDAY is repeated:

We would like to thank you very much for your opinion, ideas
etc...regarding our association and our activities.
Please, note also that due to increase of subscriptions
in the WSEAS Journals (it means less cost per unit)
and due to the stricter selection of the
papers (smaller Journals) the WSEAS Transactions will be given
in a very small price (from january 2008).
For example, the cost of each journal will be 10-15 EUR plus mailing
expenses, while the annual subscription will be less or equal of 100
EUR.

At this moment, the current issues of 2007 are being printed out.
Unfortunately, several authors have enforced to send their papers
for 2nd and 3rd time, to the Reviewers and this has increased the
delay.

The new issues of the WSEAS journals will be on the Web in a few days
and will contain about 5 papers / issue.
Please, visit in a few days:
http://www.worldses.org/journals/index.html

You are also encouraged to send your papers directly to WSEAS journals
directly (not necessarily through the conference, because
only the best papers from a conference are promoted to a WSEAS
Journal).

In 2007, the WSEAS entities received approximately double number
of papers in relation with 2006.
So, there journals (mainly those that are related with Electrical
Engineering / Computer Science where we have 5% accepted, 95%
rejected.
This was decision of a discussion among the Editors-in-Chief 9via
internet). You can contact them, if you like, visiting the Web pages
of the various WSEAS Journals.

The highest Rejection Rate is in the WSEAS Trans. on ADVANCES in
ENGINEERING EDUCATION (Editor-in-Chief Professor Jose Carlos
Quadrado, where only one paper from a conference has been accepted for
additional journal publication until now)

We are also waiting news from the conferences in Istanbul (May 2007),
Hangzhou (April 2008) and from all the other conferences of
June-July-August-September etc....

Up to now and after several rounds of review, the WSEAS has not
received any accepted paper. You see, it is difficut, to find 3
Positive Opinions from 3 independent international experts.
Several times the authors are asked to re-write again their paper
and re-submit and as you understand this makes things more difficults.

Please, check
http://www.worldses.org/journals/index.html

Our aim is to add the WSEAS transactions in the ISI Index
and this policy is necessary.
On the other hand, several journals will be issued 4 times
per year (and not 12) starting from January of 2008.

In fact, the effort had already started in 2007, but in 2007
many Libraries and Individuals had already paid their subscription
and it was impossible to make the Journals quarterly within 2007.

New!
WSEAS has arranged the publication of the best papers of other various
conferences (outside WSEAS) within 2008.
There is none cost for the organizers and none cost for the authors.
If you have your own conference, contact us. The Society opens the
gates of its journals, not only to the authors of the WSEAS
Conferences, but for other authors from various conferences (not
necessarily organized, co-organized, sponsored or co-sponsored by the
WSEAS). If you are interested in collaboration, contact us.

Only one thing is our target:

The Indexing of WSEAS journals from ISI Index
(We have achived for the books - hard copy of the proceedings and if
we
work hard will achieved it also for the journals)

Well, a criminal willed the murder of another, and now it thinks
it can't be arrested because it says for US to do so, would be
anti-Jew. And no, I'm sure Johnny would word it in today's climate,
arresting a murderer for murder. See? A true "Jewish State" would
be one where all people were treated fairly, as the actions of a
peoples who believed in God as holy an' righteous. Not thieving

CNN with George Norry destroys American children by forbidding US

Look, families are threatened with arrest for not agreeing to
cause neurological damage to their children. The cause for
why their children are not in school, is not the parents
fault, but the unlawful decision by the health authority to

is irrational, for, it is the school authority that has
disallowed the children an education. So, arrest those that

Israeli Child Killers: Documentary Proof
http://www.revisionisthistory.org/palestine46.html

This ain't right

Look, the guy who murdered the two thieves, is guilty for
such. He acted to intentionally murder. MURDER. Do cops
kill kids who steal bubble gums?, or if they did, would an
American then think justice lacking? Cops were near the
scene, and the murderer held no pause to kill thieves with
their hands full. How about, 'drop to the ground' before
pulling the trigger? No, the murderer told US he wanted to
murder. Would spitting on the ground in America blindly call
for executions because who knows what the spitter would have
then done later? The thieves were of no alleged personal
threat to life by the murderer, and would have likely been
caught by smarter cops who were in waiting.

What unspeakable evil is this, that CNN, FOXNEWS, and CBC
doesn't believe YOU deserve to know the science of?

To Kill a Bushite, is to be Heroic

To further murder as these ungodly bushite liars do today as
our suffering Mankind, is to blindly swear public allegiance
to the for real DEMONIC antichrist THIEVES. Bushite enemies
are evil nazi dumfuk scum, liars who cowardly watch America in
her weakness be high jacked, and squeak nothing for Just words
in our REAL defense for dying. Play pretending their actually
real men, because to really be so, requires real strength.
Not bush bitch Marines "WHORES YEAH!" strength, where they
cowardly can't figure to defend America from ungodly war
criminals. War criminals who deliberately set them up with
Satanic 'black magic' to be killed in criminal actions. P2OG.
But see?, the bushite fodder, can't care enough for Life to

this will out work for evil doers in the long run without

The Whole Truth - Christ Claims Torture Illegal

Torture IS illegal, yet, the TV threat is trying to teach America that We, The People, haven't spoken on this issue since Law came to be. Please, I beg, please fight back for Humanity by not excepting a zionist's betrayal to G-D on this subject. ect..

Look, torture is criminal. Do you physically slap your neighbors, to find out if they did the criminal's crime? Should we slap Rivkin to ask him if he plans to commit crimes against the innocent, and if he then says no, again repeat till he's rightly dead from hearing a liar's denial?

Torture is a crime warranting a life term sentence or death in America by LAW - firmly established already by the "War Crimes Act" of 1986. Demand Justice to save the lives of our innocent selves forsaken by the for cash profit, private news parrots. Believe in US demanding open debate for a positive change why don't you.. Nazi Germans were a happy happy bunch too over the growing threats of torture and enslavement through blanket annihilation... initially. Don't let Bush further hurt my dying America through his personal self contempt for our shared values.

http://www.whitehouse.gov/news/releases/2007/11/20071107-5.html

Look, November 7th, the demon antichrist stated he and the neocons ordered the murder of more than a million innocent Iraqis indiscriminately because, he was simply enforcing UN resolution 1441. HE LIED. [how else could the UN officially declare bushites as war criminal? NO CAUSE!!] And multi-million dollar salaried, "American" reporters, who full time, claim to represent American interests while you slog double full-time for corrupt private bankers, refused to call him on it to defend ourselves from his easily provable demonic tirades against God as the innocent. On the scene, and still today... YOU, as American are TRULY dying for George Walker Bush's continuing LIES. Johnny Wizard is Forever King of this moment being. If you can't believe it is important for you to raise your cries for justice likewise, we're all going to be done for lost to indifference. Defeating the neocon is serious business my brothers, serious business.

/ / commanders may give orders to "shoot first and ask questions later." \ \ KING RULES: Aim to and kill innocent people, your guilty of murder. Order such conduct, like amerika's George Norry would boastfully crow, your guilty of nazi war crimes.

Bill a bushite to defend Humanity, to return a freedom for believing. Every thieving bushite dumfuk grunt of the Air Force is a demonic LIAR, accessory to mass murder. And even though, CNN, CBC, and MSNBC suggest TORTURING innocent people to death isn't illegal warranting the death sentence, it still is, and will remain so for as long as we live to die a bushite war criminal for defense in America and God, so says the Son

of God, as Man of men. Die bushite die.

The bushite has murdered many thousands in Afghanistan to push dope, more than a million in Iraq to steal life as lawlessly demonic, all the while actively thieving to destroy Johnny's America for the praised by TV 'neocon who?' news peelers.

Bush closed 911 investigations immediately after the terrorist offense of no questions! no questions!

AMERICA RISE FOR AMERICA

Support the arrest of Bush, Cheney, Rumsfeld, and Condi with Myers for the TREASONS of 911 to save Your freedoms to be so, or don't, and see if we care truly ever.

Again, evil bushite THIEVES claim they are justified when indiscriminately bombing populated cities to MURDER US People. All to help 'escape' the neocon ENEMIES of America - they also support "officially" destroying Our public infrastructure, thieving humanitarian aid, while incarcerating innocent people to collectively be punished by the TRULY Satanic enemies of man. All truth will be disclosed by the revealing hand of God.

THE GREAT KING OF AMERICA

PBS et al.. The bushmob is thieving billions from America as we speak, to further terrorize a dying America lost to the

indifference broadcasted daily on almost every radio and TV network as our silenced voices.

Mr. Bush, the terrorist, doesn't care to war for your stolen billions, instead wants to kill even more innocent others as neoconner traitor. In your name as "American." Johnny America begs to disagree with criminals actually, and has taken a stand against these 911 war mongers escaping our authority for proper Public acknowledgment. If you, my reader, would only support yourself.

Please, my friends, fight for our dying America. The TV and radio celebs deliberately refuse to allow US to know: Ahmad funded Atta, and, of the videos of steel flowing like water from the WTC towers - all to KILL ourselves for the enemy liar neocon. To KILL. OUR innocent families are being robbed and murdered. CJOB, in Winnipeg, like FOXNEWS, lies daily to dumber than average teen soldiers, not to defend freedom, or Canada, but to die for dope pushing Islamic fundamentalism in assisting the truly evil neocons escape for the crimes of 911. How can anyone be so truly evil to Humanity you may hide in fear of confronting directly? CJOB relentlessly THIEVES from Manitobans, with our seriously corrupt lotteries they pocket millions in criminal gains stolen from our most poor and desperate, they work to CRIMINALLY give away our public resources to their self described Zionist, 'kill the Jews, kill the Jews' anti-humans. These nazi pigs celebrate their public hatred for innocent humans with LIES about 911, Israel, and anything else that threatens Justice to win through free open communications. Bush, as does every neocon, needs to be tried publicly then executed for the crimes of 911 with his partner, General Ahmad, according to every honorable Police agency that uses evidence to form OUR conclusions. Please fight for Justice, please fight for Life, please fight for yourself by picking up YOUR phone and calling for a Humanity that would care if you tried to do what was right. Do you expect yourself to fail trying? Just try for your life's sake I beg, just try. Or.. die you will, die YOU will. Christ kills a bushite with a Love for GOD that will never die, but I AM ONLY ONE MAN. WE HATE bushite to death I do, see?, wouldn't you as anywho too? Think about it. Dying as a slave to the demon antichrist, or live for a better future by demanding Justice IS Freedom. We want to be Just for ourselves to be believed in. We, The people, want true accountability. Don't be cowardly stupider than stupid allots.

It is not just a Muslim who sees the bushite as an enemy to Humanity. These lawless savages have been acting without accountability to anyone, because they are largely enemies of every American, who cowardly run from responsibility in America to defend their own brothers and sisters from the LIAR

neocon, and die instead as/with rapists, torturers, and Art Bell liking THIEVES. An Oath to God means nothing to a busite grunting savaged criminal, claiming to be lawless as an enemy to EVERY HUMAN BEING. Remember: these thieves have stolen from all still paying Americans dying from true self contempt. No evidence against an accused is US being truly abused.

Listen to this demon nazi witch, the zionist bitch who personally FORBADE a plead to stop indiscriminate killing in Lebanon, assisted in dropping seven million land mines on Lebanon, and was CENTRAL to the invasion of Afghanistan for Enron's master plan, tells US with bushite lies that no, Iran was responsible for the terrorist crimes she fully acknowledges to be responsible for actually. I ASK: ARE THERE any soldiers from America who don't believe this 911 witch shouldn't be tried for high treason as a bonafide TERRORIST? Listen to the end where she says America supports Iran's pursuit of nuclear energy... so why does she want to murder millions of innocent people with fall out then.. EH>? WORLD: threaten to liberate nazi America, if they indiscriminately murder millions more of innocent souls without cause, but for the demon antichrist thieves who speak nothing to defend Humanity. Much like happy happy who cares Germans were under "liberator" Hitler. Except however, in our defense, we at that time, didn't have our internets, or so many, 'you have no power, you have no power' corporate news channels for Americans to quietly sleep through. Americans who refuse to speak outrage in the defense of the Human Race, are Americans not worthy the title of fellow Human beings. All they as bushmob amerika have done, is thieve, destroy and murder from everyone of US since 911. I am growing wearily concerned over whether Americans even can still express real anger over their continuing sacrifice.

ZIONIST NAZIS QUOTE US SAYING everyday 'Kill the Jews, kill the Jews' No, bill the escaping un-arrested zionist god betrayers who rape, murder and steal from Humanity as LIARS - all done by US to DEFEND Jews, to Defend G-D, To defend Christ.
Christ - Born King of the Jews, as true King of Kings - I am by no accident in every word, truly greater than 'great'.

And video of iron running like water moments before the first tower fell is freely available for download all over the place. CBC, CNN, FOXnews et al. know the Bushmob did 911 in other words. True Tyranny - to continue as an American refusing to publicly demand torture, theft, and murder as unacceptable when battlin' evil for your dying freedoms.. Evidence we must pursue on 911 to know really what the heavens Johnny 'The Law Man' is talking about still. Justice to the bushwhacker neocon soldier, a foreigner who apparently speaks no defense for innocent Americans dying sacrificed as conned for the ill stolen gains of the 911 trifecta. Justice to the lying enemies of freedom for America in Christ. Justice for YOU.

Justice to the bushite, Justice to the enemies of America, so called out the Son to God as King of men:

BELIEVE!

Like, so in walks this, out of work time Lord who thinks to converse to the masses about the most basic of reasons to save the lives of innocent others, leaving him convinced, he really needed an audience for this fable to rise as profitable venture. So, it was followed to make it out there in this real world, is to care for Justice measured. All done so to bring greater hope for a better future as all would follow, boy, were they surprised!

Johnny Wizard has arrived..

Spare me some money won't you please for this art of wondrous tragedy?, Jeeze.. I seriously need money to feed myself.

P.S. I'm still hoping that Coast to Coast will bill me godman co-host, all to openly address these freedom for all operations, with Justice ruling our way over the irrational tyrannies practiced by others happily blinded. Evidence is required to convince ourselves on who is good or evil. Period. Don't like it? Too bad. We are on charged!!

http://groups.google.com/group/talk.politics.guns/msg/92b29b55b50f7779

/ / REAL Soldiers: try calling the pro-bush radio station, CJOB, and ask them to stop thieving from our community, and demand they allow open, honest, intelligent discussions on their contempt for the Canadian flag. Thanks. P.S. You may have to wade through 45 minutes of their for profit commercials. Fuk, on weekends, when People are home from work, they run continuous commi crap to take even further more silenced. \ \

CJOB STEALS millions from poor Winnipeggers through their fraud of lotteries, and as a consequence, they'll cheer our sons and daughters to die cowardly instead, for lawless Bush rule, where evidenced findings of Our police agencies are forbidden topic material, like mathematics, and instead, bin Laden did "it", now die for the demon antichrist LIAR ENEMY OF GOD. Al-Qaida = General Mahmoud Ahmad

/ / "I grabbed her little sister and put her in front of me . . as the bullets began to fly, the blood sprayed from between her eyes, and then I laughed maniacally." [, then were heard the cheers of godless bushite dumfuk traitors obscening to God and Man as the unholy enemy.]

What ever happened to butterfly kisses after evening prayers?

Are you telling me, an American Father, wouldn't gloriously kill this lawless bushite enemy and his demonic ilk, for our love of girls everywhere? Or, how about the UNARRESTED soldiers we witnessed on video beat shoeless children practically to death while laughing and cheering? Or like those that speak zero defenses for Haditha's confessed MASS MURDERING irrational women and child killers? The REAL demons CONFESS to going into a house, WITHOUT reasoned approach, and slaughtering an entire INNOCENT family.. for nothing but their lifeless SATANIC pleasures. The 'cause'? "The [mass murdered unarmed innocent neighbor's] back door was open.." To, for God, gloriously, with love, kill these unarrested murderous continuing ungodly bushite nazis, is to war the TRUE enemies of Humanity to save the lives of our precious loved ones.

Oath to God

The bushite took an Oath to God and country to defend America
from war criminals, and instead, as cowardly neocon bush
bitches, commit war crimes of theft and mass murder against
the great Iraqi People. A soldier in the air force, is a
dishonorable nazi savage, worthy the death sentence for
assisting in bombing Humanity indiscriminately as zionist
enemies of Christ, attempting to destroy Johnny's America with
their provable DEMONIC LIES. Death to the bushite enemies of
Life, who lawlessly war Creation with torture and slavery to
'escape' the neocons for 911. Your magic TV exec excuses
don't mean squat when the facts are so readily available. But
a bushite don't read, or write, or think freedom. Zionist
enemies of ALL Our humanity, murder to believe US won't ever
hunt them down by Law to defend ourselves over. Hammurabi
LAWS to bill the false capital accusers first, and everything
else will fall into place. [note: Hammurabi founded
Civilization.]

Look, do you want to defeat the bad guys, or not? Bush gave
US zero evidence to form our free thoughts on the 911 Justice
issue. Treason. Simple.

I have the plan. Return all the stolen monies, and hunt those
who rape torture, or murder. And.. get the neocons for
treason on 911 most especially. So, here we go..

/ / Putin recently declared that Iran does not possess nuclear
weapons, is not pursuing a nuclear weapons program and poses
"no threat" to any nation, least of all the United States.
[...] If Putin is evil, surely Bush is worse than Satan himself. \ \

Bush is the most evil anyone through space-time can 'be'. He
uses hypnosis over the too weak as blindly supporting the
murder of innocent others. Hitler wasn't even so openly
naively evil as Our Mr. bush Jr is truly. Our. What are YOU
going to do about it... PnK.! Answered silent the God of
Hosts echoed: Support our rise to find ANY soldier who honors
the American flag, who doesn't agree Bush, Cheney, and
Rumsfeld must be publicly arrested immediately for the
continuing war crime trials of 911. (And Condi with Myers too
as just getting started then.) Otherwise, we WILL find
ourselves in secret agreement, even without Coast to Coast
Inc., network 'group think' programming. Justice for America
is Our Cause. And you America.. love LIFE by fighting to win

against the traitor neocon thieving terrorists, who will the death of innocent families to escape themselves our accountability. False accusers who deny respect for yourself as a New Yorker included in forming our conclusions with facts as understood actual. Military heads generally do not have the skills to communicate such clarity, for they are not swinging guitarists, as too cowardly to speak a care for Freedom through Justice in Johnny's America. Babble babble..

Bombs Kill People

Nazi Israel, the ungodly nation that murders Christians in G-D's name AS THIEVES, deserves to die as proven war criminals, to bring about a living nation that respects the Jew by Law, to be just me or You living freely for happiness. Israel is a nation who's nazi government HATES GOD, because they are known BY ALL as a criminal in nature, a unjust first degree murdering zionist demonic thieving enemy non-entity of dying life. / / By simply deciding that something is a "state secret," the Bush government has avoided answering for its brutal treatment of innocent [TORTURE] victims in the war on terror. This is a perversion of the principle of American justice. \ \ Realize: Mr. Bush, the demon enemy of all humanity, out of the same mouth, states torturing [innocent victims as satanic liars] would be ungodly, and isn't done. "...advanced forms of biological warfare that can target specific

USEFUL! Tell me, wouldn't YOU have publicly tried, then executed neocon traitors for mass murder if you were dying as Johnny's America?

AIDS as a weapon used by those of "Project Paperclip", zionist neocons who war as enemies of humankind? What evidence does a bushite need, when it thoughtlessly murders America for demon bush as it's "G-D"?, the thing that does all it's opinioning for it?, on who is guilty of evil doing in complete blind faith puppeting LIES? If anything, bush would be Puppeteer, before "he's only a puppet, he's only a puppet, look away! look away!" of the Old World Order of illiterate nazi savages who murder innocent people to thieve from as our enemies. To kill a bushite, is to be truly heroic. Ask anyone. What WE want is public accountability.

http://www.newdawnmagazine.com/Article/The_Secret_Origins_of_AIDS.html

I'm telling you America, George Norry is a blatant naked traitor talking the love of your innocent dying sons and daughters as too stupid and cowardly to defend our dying America from the actual 'escaping' neocon 911 perpetrators.

MAKE OATH AND SAY

Christ, The Son of Man, begs the godly men of Earth, to judicially bill on sight, any neocon soldier who supports the carnage waged in Afghanistan as cop killing dope pushers. CNN must, and WILL be tried for high treason for their demon lies broadcasting the northern alliance don't push dope, while the Taliban did, and do. CNN execs will be put to death for such demonic claims that stand no ground in the light of all evidence. Plus, the Taliban were honorable in defending America by demanding facts to form our conclusions on how bin Laden is in anyway connected to the crimes of 911. Example: how did bin Laden sneak the explosives into building seven with his bulky dialisis machine dumfuks? I HATE bushite to death I DO. Death to the bushite, death to the enemies of Mankind.

AMERICA HATES BUSHITE

/ / The [BUSHITE ENEMY] US has said it would refuse any request by Italy to extradite the accused [satanic bushite torturers of completely INNOCENT PEOPLE]. \ \

Protestor's sign: "killing innocent people is the problem not the solution."

Christ, The Son of Man, begs the godly men of Earth, to judicially bill on sight, any neocon soldier who supports the carnage waged in Afghanistan as cop killing dope pushers. They shoot innocent women and children dead in the streets for

humor, and bushite pirates at CBC and CNN, state bushite in Afghanistan are doing a good thing helping the bushmob escape the crimes of 911 by warring for Muslim fundamentalism, persecuting INNOCENT women and Christians, while for entertainment, bomb innocent families running for their lives from a Holy Church. Soulless child killing soldiers who CBC execs would tell are our DEMONIC heroes. Lawless dope pushing cop killers have got to go down dead screaming, instead of the innocent - YOU and me they target for MURDER. Death to the dishonorable bushite THIEVES, death to the enemy neocon LIARS of GOD and man.

We can really be something greater, while a murderous bushite thief, a LIAR, can hardly read or write Liberty without flinching from self contempt.

Kill a bushite LIAR, why don't you my brothers and sisters of the faith in something greater than bushite godless tyranny?

Soldiers of fortune: kill the lawless bushite nazi savages to defend MY dying America.

-

Sir Ken, head of the Crown Prosecution Service

"The fight against terrorism on the streets of [..] is not a war. It is the prevention of crime, the enforcement of our laws and the winning of justice for those damaged by their infringement."

You got that right. So, join US in demanding the quick trials, and public executions of known bushite enemies who murdered Americans on 911 with general Ahmad, and who with Peter Power, murdered the innocent in Britain for more stolen goods against God. And anyone in the air force as bushite bombers should be a great joy for US all to hunt for prosecuting too. The bushite dumfuk is an enemy to our lives, with it's blatant naked contempt for the innocent, who like the demon liar THEIVES at CJOB, George Norry, or Hannity, will forbid ANY human defenses of the lawless dictate of the IRRATIONAL tyrannical demon antichrist, all so to victimize more of You as the censored forsaken.

-

/ / It is strange that the 'Secret Organization of Al Qaeda in Europe,' the group that is allegedly responsible, would have escaped notice (to say nothing of their odd, 'double secret probation' type of name). \ \

Bushite are EVIL to all, as enemies to Human kind. During Katrina, the bushites responsible for protecting

America, slaughtered everyone's confiscated pets for joy and happiness. Three schools filled with hundreds of dogs, cats, snakes and bats. There was no need to kill everyone's beloved pet, but as the bushite will FREELY tell YOU, it was fun to serve demonically as the antichrist enemies of God and love. demand Justice for God, demand Justice for Johnny.

/ / The mere fact that one can deduce a motive for a person or a group does not mean that they perpetrated the act...and it hardly suffices as proof of anything.\ \

Just try telling that to 'why work to make life better' CBC, CNN, or FOXNEWS censors. Look at me!! They refuse to acknowledge my documented info as REALLY important to your continued ACTUAL survival.

Who fuking cares right? Certainly not the enemies of America at the Coast to Coast radio network, who would kill Americans for the rich neocons without question. It's JUST American kids getting conned to die as bad guys.

God is Great

Again, George W. bush did 911 with General Ahmad, but CBC zionists, actual treasonous LIARS, actually smile to dying Canadian soldiers with only true contempt. CBC kills Canadian kids, with their intentional demon lies, trying to subvert Justice for God and Johnny. In fact, yesterday, they did a special, all on how "God is NOT Great", giving that bush bitch demon LIAR, all the space to pontificate it's hatred for Wisdom, Science, and GOD, with only nods and smiles from the 'illiterate' hord. Remember: A zionist KNOWS it's an enemy of Humanity when it supports dropping seven million land minds to murder indiscriminately OUR CHILDREN for decades, or stealing a Christians Home because they say God says Jews would do such ungodly acts. Blame innocent Jews the holocaust denying zionist shout, of which not one, is a Jew. Like me.

REMBERANCE DAY

So Remember: Bushite grunts told the world they wouldn't let anyone out of the city, because [enemy Sattler LIED] pro-bushite Zarqawi was there present, so the innocent families who believed they had nothing to fear from the liar disciples of the ungodly enemy of ALL HUMAN LIVES, remained in the tiny city to be indiscriminately 'protected' with more than nine two thousand pound bombs, or made dead instead by heinous pro-bush escaping war criminals who used white phosphorous on civilization. All to die our Humanity for the thieved loss of evidence to demand ourselves of some official

freedom time to deal with our terrorized as suffering reality.

Senior Military analyst, Rob Riggle "In the field John, the

This is more true than a bushite would admit before murdering

you have to murder the Arab father of the Arab child your

Goldsmith... yes, Goldsmith

Goldsmith has revealed the bushmob, specifically Cheney, consults with neocon authority in Egypt, and anti-Jew Saudi Arabia, on how to best torture innocent people to death as TRUE enemies of Man. Has anyone read the fiction 1984? 'Why is it so crazy'?, you might ask an un-responsive big sky of Love? Well, the Bush administration committed 911 with General Ahmad that's why.. and threatening Humanity with torture, is how the neocons plan to fear YOU into speaking nothing for the defense of innocent others.. As a consequence, more than half the monies spent each month on this war against civilized Life, isn't accounted for by anyone. Except those at the Pentagon STEALING from a deafened America. In fact, Moyers at PBS reported none! of the billions flowing out of American pocket books EVERY MONTH for the bushmob war monger shysters is actually audited for the taxing payers.

Mr. Bush, the terrorist, doesn't care to war for your stolen billions, instead wants to kill even more innocent others as neoconner traitor. In your name as "American."

Support my rise against Living's enemy George Norry, by making an effort to demand real Justice for dying American values.

.I guess a soldier's word doesn't count for much in bushville.

The bushmob did 911 as traitors to God and Country, don't you know anything worth living for? my dying unjustly brothers and sisters? My friends, please fear not wisdom communicated by a REAL Man, for, we explain ourselves to the best of YOUR ability to listen simply. G. W. Bush used no evidence to form America's "conclusion" on who did US wrong on 911. So, Please, stop forsaking yourself, for, we're going nowhere. Support Johnny's call to demand open debate without censorship from the magic radio and TV execs, who hide in darkness, pretending to be our friends, while refusing intelligent dialog to answer any of our big troubles easily. Why? because largely, they're powerless without beating us down as giving 'Christ like' VICTIM so much - with their irrational ignorance for our survivals by the fittest. The fittest Ideas that rule this Universe, are the simplest, most easy to understand, but I digress about GOD'S greatness, for we know,. the corporate media elites as our voice, "Couldn't Care Less".

CBC just did a report about all the great heroin coming in from Afghanistan, that will still cause crime, and be illegal,

(and maybe give you life in prison as an American,) but
brought in with the help of the demonically evil bushite
thieving murderous military, by the likely ton full to attack
our direct family left un-protected, BY YOU PERSONALLY. And
guess what? THEY, our media masters, couldn't care less if

they actually tried to be our good guys. Reminder: the god
guys is good, the demon liar antichrist evil enemies who
thieve from Life with censorship is bad. If they hide
ourselves too far, they loose all around, up and down. So get
to it. Or don't. Your choice. Life lived Now, or damnable
death by cowardly design brought forthwith under your own
power to do nothing under such terrible costs against our
suffering natures.

Typical tyranny for media control over all of Life for the
beginners is this treasonous betrayal against our Nature, by
refusing to be honest about our potential to be far greater
than first considered. If they'd only allow US to have open
communications, all our worlds would be better living for it.

Demand Coast to Coast hosts allow America to defend America.

I want air time with the one and only real man in these here
parts, Mr. Johnny America, our glorious make believe creator
of all we perceive religiously, self realized. He's a genius!

No evidence against an accused is US being truly abused

of a great bunch of People persons with rights God damn them.

God Damn America

You f-cks, because Bush told congressmen secretly about truly
torturing innocent people to death in YOUR name, doesn't make
the crime any less satanic. True Christians will execute
bushite torturers with glee. America will pay millions a head

for each bush bitch nazi traitor to children as family. The neocons will all be tried to death for treasons like 911, and for supporting a slaughter against Iran. For Petraeus has giving US no evidence to form our conclusions on the validity of his therefore, TREASONOUS statements. Bushite are murderous thieves of Iraq and deserve by the measurements of any civilized man, a action worthy of death as demonic, before allowed to further steal from our Humanity. SAUDI Bush bitch Buford Blount gave out 170 tons of explosives to KILL marines with, and Petraeus doesn't call for his rightful death, nor for death to be brought to bushite soldiers who kidnapped bare footed children to be beaten to death on video tape. ‡KILL THE LAWLESS BUSHITE DEMONS HUMANITY SCREAMS IN AGONY] hundreds of thousand of guns were 'lost' in Iraq through bushite management skills, and liar Petraeus speaks no outrage. Private death squad goons are committing crimes against GOD, and Petraeus blames no one. MORE than half the monthly bill for these bushite bleeding atrocities to Humanity, are not even accounted for by ANYONE, but for the thieves at the Pentagon who are ROBBING america with Petraeus' silence on the life and death issue of America. Again, Petraeus knows the bushmob did 911, and would rather kill your stupid american teen, than stand for freedom in America by holding evidence a pre-requisite in determining OUR capital allegations. Death to the false accusing bushite, death to the enemies of America,

Jon Stewart, the twisted nazi clucker, claims now to be a "Big Jew". The demon zionist, who claims he can commit no crime against GOD with silence on the issue of innocent Humans being robbed and murdered by zionist 'buddy' Kristol, and as such, spews nothing on 911's demon witch Condi dropping seven million land mines on Lebanon, to murder Jewish children indiscriminately for decades, no, he just laughs at G-D'S true suffering like traitor enemy happy happy George Norry. Laughs at torture being actually allowed, while laughing in contempt at politicians who wisely will to re-distribute the nation's wealth to it's worthy Citizens. Instead of some nationless nazi "jew" like Jon Stewart, a free loading foreigner who came to religion to take away life from hard working American sufferers who want truly in Justice as Freedom. al-Qaida = General Mahmoud Ahmad. Torture IS against the law, and deserves the death sentence. Bushite Cofer Black MUST be put to death for being a Satanic demon enemy of Human life, who freely admits he tortures innocent people to help escape the neocons for 911. Bill a bushite for America, bill a bushite for God. What do Texans own guns for, if not to bill a bushite child killer like those in the evil enemy pro-bush air force. Bushite repeatedly have been found killing innocent people without apology, in fact, it was only months ago where

amerikan soldiers in Afghanistan shot people indiscriminately for more than six miles in residential districts,

/ / 'Why are you taking pictures? You don't have permission."' [...] the [bush whore] American, speaking through a translator, warned him that he did not want to see any AP photos published anywhere.\ \ALL REAL MEN - kill the bushite why don't you save some innocent lives for God in America? Kill it man, for, bushite bombers aren't even human.

and now, as reported, the narco-gov has put to death at least twenty Afghans, who were claimed, without trialed evidence, to be guilty of such actions. The narco-gov refuses to call for the execution of known bushite who torture INNOCENT PEOPLE, or rape them, or thieve the 80% of charitable aid given from Canadians. Despite CBC refusing to report on the facts to let US decide for ourselves. Fight back for Christ, fight back for love, fight back for freedom, fight back for God.

I AM THE TRULY FAILING SON OF MAN, born at the inception of creation, timelessly to promote the wisdom of love through mutual understanding.. I was once well respected by all as worth listening to, and loved by a great many, can you imagine that godless amerikan zionist nazi pigs? I suppose not.

MY World is actually dying.. Dying. Don't let the love for GOD be destroyed by bushite amerka who couldn't care less for my crying, or their very own children poisoned to die for liar neocon, neocons like Giuliani that they simply refuse to hunt down for defense. The demon publicly supports the 'rise' of neocons, considering all they've done so far; and the TV doesn't teach to raise your American votes for extreme anger against the wicked zionist enemy. No, Giuliani is vying for Presidential favorite, of private for cash profit TV snoozer hurlers! America is actually dying, and Americans aren't screaming for real Justice..

Please, I beg you again, help me speak freely on coast to coast to accept all challenges.. Please help US. George Norry is a blatant naked traitor to freedom for America. Again, George told Alex Jones he would not allow Americans hear the calls for liberty, unless Alex agreed to not inform the public on who personally was responsible for 911. Jones agreed. I often fear, Jones wants to be loved as Hero, over the wiser words of ourselves on who is who here. CFR, NWO, whatever, Bush closed investigations immediately after the 911 terrorist event of no questions!, no question!

Investigating the Investigation
http://www.alternet.org/story.html?StoryID=17816

/ / After playing a tape of Cheney's statement, Russert asked Daschle, "Did the vice president call you and urge you not to investigate the events of Sept. 11?" \ \

George Walker Bush, "The Puppet" is GUILTY of TREASON a thousand and one times over already. We all love Alex Jones, but this nwo bullshit doesn't apply to the lawless demon enemies who inflict harm on our humanity because they confusingly tell US, they enjoy it. Murder, rape and pillage for the sake of murdering, raping, and pillaging. Look, I'm sure we'd be able to easily work out our differences, if George Norry's amerka would take our calls for clarity, on Justice ruling our ways to a fool's paradise where those accused of a crime without any evidence would be US, as the INNOCENT forsaken in God's good name.

Our Mr. Bush Jnr. "Torture is not a part of our soul."

/ / [...] the [New York Times] piece details the torture of [Innocent People] Sunni prisoners at one of the new American-Iraqi "security stations" \ \

Torture is a crime against God and Humanity. So, likewise, joyously, with pride, destroy the neocon traitors of Justice - for the true Love you have as Freedom willed - is as granted. Don't buy their demon lies by blind blanket false assertions, against YOUR Humanity's Innocence in tyrannical bondage, all done in to fool you believing, we have no rights to be heard in our presence - here existing freely. Therefore, to survive US all for something better, halt the 'escaping' murderous bushite thieves for God and America. SOLDIERS: Instead of

dying for nothing, my wannabe Patriot Brothers, try joining Liberty's cause, which is our cause truly. Is it because corporate TV zionist money whores, are cowardly and ignorant, as evil hypno muggers, in MY dying for real America, that YOU refuse to speak Now in your Humanity's begging further defense?, on evidence being the only requirement to establish a person's guilt or innocence? for ungodly terrorist activities committed in our name by bushite bombers from the neo-conned AIR FORCE, who, as rotted juveniles, cheeringly bomb us People indiscriminately leaving a Church as something TRULY SATANIC? To dare, in our presence, continue threatening harm against an innocent child of wonder, not yet even born to God's suffering world? Bushites war LIFE itself. So then pleads I again the Son to God, as Man to Men: war to kill the enemy bushite nazi savage thieves, for real Freedom is waged truly by Just causes. The mute, pro-censorship/tyranny THIEVING bushite savaged nation, has NO EXCUSE for the crimes they have committed in our dying names. I demand our voices heard internationally for Justice as Freedom is Godly.

Dan Marvin, an actual CIA assassin, talks about how those in the secret CRIMINAL command structure of defense for America, side to order the murder of Patriotic American Soldiers who threaten real Justice succeeding against the neocon God betrayers, neocons, who just simply lie
'zionist equals Jews' no we don't take your pleading calls, international Bush rules news broadcasters.

See? bushites are cowardly, or ignorantly evil - as thieving dumfuk grunts for the enemy liar neocons. Look, they refuse to kill on sight, soldiers who kidnapped Iraqi children to be beaten to death on video tape, or any Aegis employees for actually murdering INNOCENT Iraqi men, women, or children for stolen cash profit, over the loss of LIFE the bushite TRULY pays in collateral. DIES! And, as such, the cowardly American enemies, refuse by willful silence to speak bravely for the up coming war crime trials of every neocon traitor - all for the sinister evil actions of mass murder in America on 9/11. Death to the bushite, death to the enemies of Man.

The Lawless thieves of Blackwater hire known war criminals from the most brutal of tyrannical regimes to carry out the neocon agenda of 'freedom' for 'Iraqis'. American tax payers pay $1,222.00 per death squad goon, per day, while billing their sacrificing kids, tens of thousands for up and coming medical costs not covered. Did you know they, the incompetent

bush regime, still haven't fixed Walter Reed? Who really
cares right?

Again, national bushite broadcaster,

ABCNEWS.com : FBI Called off Terror Investigations

A question Johnny Wizard has for America: Tell me, is this
not a treasonous act - for Bush to close criminal
investigations, immediately after the terrorist crimes of 911?
Shouldn't the demon enemy be put to arrest for that godless
act alone in this forsaken dying world? A world left instead
suffering further the tyrannies of the war criminal ENEMY of
all Human Life?

A refresher: the neocon will tell you openly, they live to
lie to the Public for cheating and stealing by murder of US as
proxied, innocent peoples purposefully enslaved by a made
ignorantly entranced TV audience that is repeatedly reminded,
we have no power worth respecting.

CNN, CBC, and FOXNEWS aren't taking are calls presently, but
just lie and tell US they do. Look to see, almost all
political internet traffic condemns Bush straight to hell well
he rightly belongs, but the polls still say no - WE, seeking

the neocon betrayers to god and country, life and loving.

Lying Enemy Traitor to America, Glenn Beck

"Media Matters didn't have a word to say when congressman John Murtha accused American Marines of being guilty of murdering innocent Iraqi civilians, service men who actually turned out to be innocent heroes."

I propose we try CNN's Glenn Beck for nazi treason, and upon easily successful conviction, we put the demon liar to death along with bushite Tatum who confesses freely to slaughtering innocent Iraqi civilians for satanic pleasures all to serve the neocon agenda of swindling America TO DEATH for cash profit through neocon censorship. Mattis, the woman hating documented child killer, was made into a 'Judge' for the bushite's version of a war crimes 'trial', that hasn't even yet truly transpired, for the evidence was not brought to light through the proceeding, such as Tatum's full confession. But, of course, Glenn Beck, the treasonous liar, doesn't want America, the dying by contempt, to truly know that. For, he'd be likely dead as sworn enemy.

True Enemy of Liberty

I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really set ourselves free with..

"Al-Qaida" = "General Mahmoud Ahmad"

A neocon bushite soldier is a true enemy of Liberty for America. They as DEMONIC LIARS, are dishonorable THIEVING nazi savages that bomb our innocent families with criminal intent to MURDER. Enemies of Life and Love, a dead bushite is an enemy of GOD halted from victimizing further our loved brothers and sisters, mothers and fathers. Death to the neoconner bushite dumfuk grunting liars who bomb our families, death to the enemies of Christ who war for the escape of the true culprits responsible for 911. TRAITORS.

See my friends, this is why I, as the Son of Man beg and plead for all able bodied men, to kill treasonous bushite on sight, for every time you love God by defending the innocent from murder, (the innocent whom any pro-bush corporate professional hold in total self contempt,) you save REAL peoples lives, and you defend God's good name to love God as ourselves committed to true Liberty. Bushites are enemies of freedom, enemies of God, and worthy of death, before allowed to further bomb people indiscriminately like the commanders of NATO order day after day without risking instant frag because, bushites are blind cowardly thieving nazi fascist savages, brain damaged, who believe as satanic demon whores of Molech, they can con all of US including me forever, just like dare dubya. Dumfuks

To Kill a Bushite, is to be Heroic

CHRIST RETURNS

I again, beg Humanity to speak in opposition to Amerika in the
defense of our innocent forsaken dying lives. CBC producers
know the bushmob did 911 but lie with propaganda to kill our

families for the ungodly as thieving neocon enemies. They refuse to inform ourselves that Al-Qaida is General Mahmoud Ahmad, as according to the FBI. Or that video of iron flowing like water from the WTC towers exists indicating without doubt, the bushmob enemies did 911 as TRAITORS.

Today, there is nothing more i wish, than to hear bushite nazi savage thieves for the neocon die rightly, before the innocent they target for murder. All in an attempt to 'escape' those truly responsible for the crimes of 911 a bushite whore practices, as an enemy to Christ and America.

Evidence is required to convince ourselves on who is good or evil. Period. Don't like it? Too bad. We are on charged!!

Who cares about yourself if you won't listen as reason to? What can you lose when you have granted to be blindly stolen from?

Zionist nazi Israelis, do tell as LIARS, that Israel, the nation that openly thieves, tortures, and murders daily thoses THEY ADMIT are commpletely innocent, are enemies of every religious person denied access to honestly speak the facts as firmly established since the dawn of Man.

$4.50 for Every Pop Can?

Did you hear? A DOJ manager charges American tax payers $4.50 for every can drink he, and the rest of his cadre can swallow. Buying bulk, the pop cans likely truly cost 35 or so cents. So... who's pocketing the stolen loot? Cause, you know that would be FRAUD. CNN reported that your 'meatball' story would cause no demands for the returns of stolen funs, no bushite would lose it's high costing position, as no one would be tried for treason and gloriously put to death publicly for the defense of God and country. ..They were actually laughing.. This seems as good a reason as any to take back our TV world from the bushite neocon enemies of freedom through openly communicating. wadyahsay??!!? I want to address America, on how to return a reason for believing.

Make it so.

I AM AMERICA

Sattler ordered the murder of more than 200,000 innocent people in Fallujah, and they speak nothing but lies on how such demonic behaviors are godly as just ignored. Our Lives forsaken, as they hold their very own to die sacrificed for the unelected traitor neocon. I AM AMERICA.

America MUST demand war crime trials for the propaganda CNN broadcast "Anvil of God" regarding the demonic actions of Bravo company. They forgot to tell America importantly, nazi forces forbade the population from leaving, gunning originally for everyone between 15 to 55, but sided instead to murder infants and the elderly too, when beginning the Zarqawi campaign by bombing hospitals as first strike targets. As such, the bushite murdered many good doctors and nurses - so all to send bushite snipers on hospital near rooftops gunning for every seriously injured woman and child who tried to get help from the Humans. While driving down residential streets, grenading every home of humans being. Remember that when you hear these dishonorable bushite thieves die rightly for god and country.

[Sideline: It's been thought the reason why rescue efforts in New Orleans were provably sabotaged by Rove, was an attempt to make the blue state, commi red.]

See?.. women and children, who the enemy bushite forbade to leave the city with their innocent families, who, as were all living in the entire city of mosques conveniently found labeled therefore by bushite, "Insurgents" (or did leave earlier, and had our innocent families reportedly indiscriminately murdered two miles or so down the road by the most evil war crime act of recorded history.)

Importantly, there was no evidence made awared of, that legitimately offered PUBLICLY, from the UN or the U.S. to indicate a refugee camp anywhere, but for maybe a small group photographed - then some belligerent bushite bogus pocus - all headed up by a blatant traitor to America named Sattler.

Reminder: after the indiscriminate carnage, they couldn't find near anyone for weeks who would take money offered to any citizen freely who survived for their satanic benefactor. So insanely disturbing as ungodly evil doing, war criminal Sattler called a halt to giving out charitable considerations from Americans to the unseen surviving victims - all in an 'escape' attempt to make it look better for US, the paying audience. So, where did our stolen values go to then eh? (Sattler's pocket no doubt.)

Tatum, who freely confesses he's a proud child killer without

The TRAITOR prosecutor has ridiculously stated to our world -

/ / Lt. Col. Paul J. Ware wrote in a 29-page report that
there is insufficient evidence to show that Lance Cpl.
Stephen B. Tatum did anything other than follow Marine Corps
rules when he killed [for no reason, innocent] women and children \ \

TATUM ADMITS he enjoyed slaughtering the defenseless families
deliberately!! In fact, he wrote a card to a dead marine's
family, testifying that he murdered the innocent young girls
for the tyrannies of the antichrist. Evidence that TRAITOR

Paul Ware and Mattis hides from the Christian American Family. Will YOU, as an American man, allow these two bush bitch nazi punks to survive as furthering the commitment of more war crimes against the INNOCENT? as a zionist neocon's "Hero"? Will You defend our girls? Peoples of Earth! Help Me save our children.. please.. please..please

TRAITOR Paul Ware "Tatum shot and killed people in houses 1 and 2, but the reason he did so was because of his training and the circumstances he was placed in, not to exact revenge and commit murder."

TATUM STATED DIRECTLY IT WAS TO EXACT REVENGE AND COMMIT MURDER!! HE WROTE SO TO THE FAMILY OF THE MARINE WHO DIED! A FAMILY WHO WOULD MOST CERTAINLY SUPPORT TATUM'S EXECUTION AS DEMONIC TRAITOR TO FREEDOM IN AMERICA!! ASK THEM!!

See?, Tatum is a zionist, but not Jewish!!! While neocons suggest our reality impossible without corporate challenge for exploitation of our 'unrepresented' lives.

Will You try?, or go silent to die as unworthy? Your call bud...

What Freedom do bushite war the innocent for to rape, pillage, and murder as blind neocon followers of the 'lawless' demon antichrist? Eh?

"Al-Qaida" = "General Mahmoud Ahmad"

CBC, CNN, FOXNEWS, the Zionists, purposefully work to LIE to the dying American Marine, that the ungodly bushite wars to escape the 911 perpetrators hold some hidden benefit, as the TREASONOUS neocon thieves freely rob from both undefended American and Iraqi citizens, The neoconner, Mr. Bush closed criminal investigations on 911 immediately after the event occurring, while Billions are stolen through 'ear marks' and TVed Americans have no care known to speak of.

Done with American tax paid for rapists, torturers, and terrorists like Aegis who dress up as al-Qaida to murder godly lovers of Justice. CNN, CBC, and FOXNEWS would rather kill the Marine, than teach them where to aim their weaponry of liberation.

CNN, CBC, and FOXNEWS speaks NOTHING to demand the execution of hiding as 'British' soldiers who on prized video tape, beat to death young barefoot children for erotic fun, nor on mercury vaccines not banned minus "The President" in name. BANNED if God were Loved by America, or that the man or woman on the street would financially support my rise by popular command. Would you leave me to know, I will be left without a home to rest, or food to feed my hunger? Would an American?, I ask all Peoples of Earth to witness the American's contempt

for Our worthy lives. Sattler ordered the murder of more than 200,000 innocent people in Fallujah, and they speak nothing but lies on how such demonic behaviors are godly as just ignored. Our Lives forsaken, as they hold their very own to die sacrificed for the unelected neocon. I AM AMERICA.

UN's Admission: Lebanon Was Right All Along

/ / Last month its cartographers quietly admitted that Lebanon is right in claiming sovereignty [..] \ \

Nazi zionists gave US Jews a bad rap again I see. They're despicable criminal savages the neocon.. who steal the rights and privileges of US peopled folks, all to fall victimized with their self confessed contempt for love and justice. Condi's crew dropped seven million land mines to murder ourselves for generations, and, shouldn't she and the neocons responsible be put to death for such conducts?? If not then, when? discuss.. They openly target innocent human beings indiscriminately without apology, but excuses that don't hold water. Not that corporate news professionals are even pouring! It's most definitely the re-occurring true story of a censored mankind with You as it's innocent victim. For, what human would support victimizing others for the tyranny of

blind terror? Only bushite amerika would fall silent under such self contempt for our constitutions.

/ / [..]Israeli "Defense" Force (IDF) has announced that it will discontinue its practice of "capturing" populated Palestinian villages during military training exercises. \ \

Tell me, is this the godly people the neocon boast of for defense in? Or, just again examples of standing terrorism against life ourselves - committed by the censored as will giving, sacrificing American payer? Justice is Freedom.

Do you care to buy the bushite lies, when they commit openly the very same terrorist acts they say we should all be outraged against? Somalia is a case to point. They murder helpless people as bushite, then say they'll remain dying to thieve further as enemies to Humans being. It doesn't fool me, but perhaps it does you. A neocon soldier murders innocent Iraqis, while selling you they are all there risking their lives to bring freedom. So, they die. For lies. Die. Again, KNOWN Aegis goons openly commit crimes against Iraq done officially to get killed! the supposed to be Patriot Marine. P2OG. Soldiers under bushite command would rather die cowardly, than to honorably demand the bushmob's arrest for public trials as defeating ungodly fascist war criminal savages.

Why suffer otherwise this way under the tyrannies of naked neocon plunder to deny our lives for measured justice I ask YOU again, please believe: truth will set us free.

Al-Qaida = General Mahmoud Ahmad = ungodly bushite liars

911 Leaders Saying They Are Jesus
http://rss.nfowars.net/20070802_Thu_Alex.mp3

I've given my phone number several times to Alex Jones, of which he's not as of yet, invited me on as official guest, for fears he can find no arguments against US I presume. 911 financier Ahmad = al Qaida, and we have molten iron on video flowing like water. Demon Bush Jr. gave US zero, while closing criminal investigations immediately after the terrorist offense of no questions!, no questions! Case closed. But no, the American media rarely if never mention these facts, while insisting Bush's deathly war criminalling is as only a puppet, look away! look away!, leaving without challenge on the, teen like naivety of wearechange.org's consistence that "we", who demand justice for 911, who might also hold the opinion that zionist behavior does not blindly equal being Jewish, should not be allowed to speak Justly for our public challenge, because bushite Amerika has no defense for censorship against ANY of our judicial wanting, as

documented positions on behalf of the suffering to death victimized public. Why? Because we are Just. Well, I try to be anyway. (I've spoken as written for YEARS, with NO ONE WORLD WIDE countering in the public realm, but for the strangely odd insult. Bushite do exist, don't get god wrong, but dumb evil bushite brood in darkness with censorship like all zionists do, selling to be 'godly' honorable men, when in truth, they'd murder anyone of US for a stolen nickel given to a neocon. I, as open line talk radio producer, win every time, always, forever, never fail. [er.. yet..] Why? Because I treat YOU fairly. America should do the same. We are all in this together. Zionists like robbing then killing defenseless innocent Christians, and Jews, while just lying that they don't without scened factual TV perception. Demon 911 WITCH, zionist Condi 'okayed' the dropping of more than SEVEN MILLION land-mines on Lebanon, purposefully done to indiscriminately murder ourselves for generations. Jason might foolishly call you an "anti-Semite" in fear for speaking such not understood truths. And importantly, not because they can publicly disagree so in open debate, so sides to not allow US to rise in acknowledgement to bring about Justice as demanded, for ALL as ANY. (Gee, who's the neocon now eh? (we're all sinners.))

If Americans really want 911 Justice:

Help US out by putting the video of molten iron flowing like water out there in the minds of any who have doubts, tell them hypno mugger Bush, gave US zero to substantiate his public falsehoods, and tell US about Ahmad as more than a passing fact that means little of nothing, then, WE, The People, will believe this has more to do with Justice for Humanity, than the American suffering movie goer ego being, "leading the free world", by voicing no public concerns on the criminality of the bushmob shysters. Left happying in the George Norry, as a TRAITOR to a dying America not hearing. An enemy of Liberty to the, tried to be free soldier, who is led TO DIE still un-wittingly by lie for the misfortuned neocon bounty of global tyranny through coast to coast story lining. Look, the peenackers will tell you freakishly, that they work to lie to us all, to take advantage of a plain to view weakness. I swear. The neocon wants to con your kid to die for a war lied into with as our stolen goods. We lose as crime victims, while they win free accountability because, (well... Look, is mercury as a medicine good or bad do you think?, let's ask someone for Christ's sake. Or for Deb, Henry, Bill, Beth, Mark, Carol or Tony. Johnny Wizard, our everyday normal magic man of folklore, opens up the stage to ask all the people together, "Are we Man or machine to take this all lying down quietly"? We need to talk about what a King like me, is doing in a place like this, under appreciated, and left alone without my home, dying for a break in radio programming, as President of the company that started the sands running, Shareware Earth Co., a god-like production of miracle and wonder!! You just participate, and you won't even believe how good we could have it, Rejoice, for Johnny Jesus has come down for diplomatic talks. Give away! Give away!

Again, CNN, CBC, and FOXNEWS, (who advertise their listening) suggest G.W. Bush and Co. have publicly acted nothing warranting immediate arrest, or have openly supported the great Kucinich's plan for Impeachment, and consequently, are leveraging America into this mess 'because' we were portrayed as sold to the U.N. for freedom as Iraqi's Grand Strategy. BOGUS! Nothing about the PLANNING of killing people indiscriminately for financial criminal gains as bonafide terrorists, for we had unrestricted access prior to dropping bombs for mangy LIAR neocons. ORHA. I have yet heard FOXNEWS complain in pains of liar BUSH personally being the al-Qaida cause responsible, (like Alex Jones sells foolishly falsely also) More than a million INNOCENT people have been murdered directly by the criminal action of the broken Bush Rule, UN-CONSTITUTIONAL! Don't they know of what You speak? Now???

It is important to also realize, this intecenter terror bringer does nothing to sell the arrest of the actual perpetrators of 911 by supporting our Policed requirement to form actual evidenced conclusions in our the land of the make believe. Now, who personally are these pro-bushite anti-American terror scripters, and what is it going to take

to find an informed citizenry out in these here parts, to make the proper conclusions by phone calling for furthering our infos around to channels of command of the big ringers in the sky. I'm sure we's a be furious over these facts of high treason in America if we were allowed to freely say as much on our radios and TV networks. Al-Qaida = General Mahmoud Ahmad

General Johnny would teach MY soldiers to immediately arrest to kill for such criminality. In fact, I'd likely even throw in some bonus cash, an a Freedom medal from all lovers of Liberty. Did you know, many bushite sing a song about killing innocent young girls for pleasure? It should be noted, ungodly bushite enemy commanders call every car bomb in Iraq, al-Qaida, without even pretending to do freedom operations for YOUR protections, as just another dead body in the rubble. (Likely caused by Aegis for cash profit.) So then, look my friends, Amerka refuses to demand justice to save the lives of their very own sons and daughters. Kristol and Kagan MUST be put to death for treason against America, treason against Life, treason against GOD. Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

Demon bush told us Saddam wouldn't let inspectors in, and that's why he irrationally started this war against God conflict. Impeach him, then have him PUNISHED for high treason against a further dying as truly unheard from America - for that lie alone - we ALL could/should stand together as equals demanding re-dress for the innocent murder victims who've suffered for such contempt, and belligerence for the basic precepts of freedom as Justice, or G-D as Johnny.

People of Earth, know, these bushite soldiers war Creation
proudly with repeatedly committing aggravated felons, and
South African death squad goons, all to war Love for the
neocon god haters. Who, as peenacking atheists, as their very
own documents stress, would murder anyone of US for a stolen
nickel.

Our Mr. Bush Jnr. "The war is for you or for us [neoCONS] to

The Pentagon's Power to Jail Americans Indefinitely
http://www.jonesreport.com/articles/270307_pentagon_power_jail.html

Look, demon enemies of Christ torture innocent people for fun, paid for by the silent American tax payer. Americans refuses to bother making a simple phone call to Coast to Coast to raise some concern. THEY don't. They refuse to hunt bushite down in their streets for death to defend the innocent held indefinitely against GOD'S will. Death to the bushite, death to Johnny's godless, lawless, fascist enemies of FREEDOM.

Look, CNN, CBC, and FOx News know the bushmob did 911, but will smile while watching your son or daughter sent out to die CONNED by their demonic hatred for US freely communicated. How do I know this? I made the effort of making the phone calls.

"Al-Qaida" = "General Mahmoud Ahmad"

Defend freedom, and the FBI, by demanding Coast to Coast radio hosts allow free communications, absent their personal contempt for preserving freedom to be our America. George Norry WILL kill Your American child for the contempt he truly holds for our lives here. He says he only supports murdering Arab children for the neocon, but when your not looking in his 'shadows', he'll kill your child too, don't doubt it for a second.

-

Allah is all, and negotiating for freedom from naked bushite tyranny is won EASILY through communicating understanding. Omar the Just knew this to say so, as do I. And this is why corporate news professionals forbid me to speak openly without nazi censorship, ON OUR AIR-WAVES, because I am honorable, right, and true as believable. While America's fun guy, zionist George Norry, states to support PUBLICLY, the ungodly murder of innocent Arabic children for nothing but his personal contempt of YOUR DYING LIFE, while further wanting to

invite thoughtlessly nuking places on Earth all for his secret hatred of US freely commutating. Typical bushite. Ending with to tell US again 'convincingly', that bin Laden did do 911 as a terror-ist bad guy in G's World!!?! How so? EH? How so? he don't care man, he don't care. He and his family have millions of dollars to sell you out, so why care for your struggle to survive in bushville soldiering?

Alex Jones and me aren't on the best of speaking terms, but I will state, a desire to address every same challenge he has adroitly addressed as publicly lacking. And when I am addressed 'officially', I will campaign to put US in the space to realize, we are the government, we are the people. We don't need to run to the hills and encamp ourselves away to defend ourselves to the max from the man, we are the man. I'm telling yeh, I know this to be so as the sea is we magically. Equal rights for all in God's name is self evident. Self evident to ME anyway... but well.. who am i?, right - I'll tell you as I have for more than a decade as a living fiction forsaken for lack of anybody anywhere understanding in totality what I am here on Earth as true Son to Man - a 'understandable' timeless stand in for G to gain recognition through as honest broker. [I've been everywhere around forever, and.. blahblah.. I know people really don't care to know of ancient wisdoms, truths that guide the order to the Universe, cause often they think I'm beyond their comprehension as a 'better than', when all power is in equal respect for others as our hurting brothers and sisters suffering with tyranny by our collective willful ignorance on Justice.[God's bestest is Just for every reason being thus]] I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really defend ourselves with.

Please my American friend, help US speak out freely Coast to Coast. So we together can start, on demanding Justice for all, as innocence in serious jeopardy. Dadullah is most likely an individual who holds at least some control over official military functions of NATO in the region. So, we're going to seed loyalties of the rare Patriots in the force to recognize our need to isolate who supports, not talking FREELY for peace easily in Afghanistan without question. No evidence was brought against Laden, therefore, the Taliban were True Patriots, and bushite traitors are pure racist nazi filth ridden, toxic, as being cowardly dishonorable as despicably evil, enemies to us all. Put US in Command.

Question the bushite, question to anyone who mumbles disagreement in the godly fact, that WE, as Humanity, will spend the better part of this next generation, hunting every last war profiteering nazi war criminal down for our real

Freedom from their, so errorred "endless" tyranny of big money terror. Lawlessness with be outlawed, and ANY corporate american who mumbles otherwise, as an enemy totalitarianist, the clear ungodly, (as should be criminal,) will be put to challenge by their very own children, or parents, or bleeding dead brothers. Hannity must be tried for death as lying that the holocaust never happened from Iran. DEATH to the demon liar nazi fu-ker I say, DEATH to the demon liar nazi fu-ker.

Al-Qaida = General Mahmoud Ahmad

kill all of them

/ / In his testimony on Wednesday, Pfc. Bradley Mason of Company C said that on May 8, the night before the raid, Colonel Steele told soldiers to ``kill all of them.'' Three other soldiers gave similar testimony. \ \

I would offer rewards for more soldiers to come forward. Why? because there truly is, no honor among thieves. Every bushite soldier in Iraq for the liar neocon is minimum, a purposeless dumfuked cowardly thief. See? if you offer a reward, and

they don't take it, their 'fellow' bushite, kill'em for it, right? why take the risk it'll cash in over your worthless life? For, who can trust a lying bushite nazi savage? certainly not a lying bushite nazi savage. In other words: speak against committing war criminal acts of lawless aggression in Iraq for Bush, as CLEARLY un-American, and I'll try to forgive you as human. Or, I guess you'll kill yourselves in mutually muted total contempt for this universal life as actually worth something.

When you see and hear on video, sexually dysfunctional, as sadistically satanic grunt puke pro-bush soldiers moaning, while deliberately killing innocent defenseless Family People running for our dying lives from a holy church, or as just simply anyone standing near the side of the road, then, my friend, you'll begin to understand what evil actually is. And, what needs to be done to seriously save ourselves. Seriously. Justice must be won sooner than later.

Five Star American General Johnny Wizard will train American Soldiers to recognize such demonic behaviors in combat as worthy of immediate frag to defend the lives of truly fellow honorable soldiers. Soldiers ACTually, committed to freedom from godless satanic dumfuk tyranny of the antichrist demon, Mr. evil personified, the UN-ELECTED 911 TERRORIST, George Walker Bush and CO..

Like Coast to Coast's fun guy, he ain't taking our screams, George "pro Arab child Killer" Norry??

Rapists and torturers must not be allowed to rule our pirated authority through defending the further 'escape' of the bushmob for 911.

/ / As a result, the Defense Department put up a Web site in 2005 designed to clarify [to the dumfuk bushite demon liars] that sexual assault is illegal [...] \ \

Let's save some lives, what do you say guys?

Or, are we going to go further with this: George W. Bush:
"If the absence of violence is victory, no one will ever win."

YOU

"If the absence of violence is victory, no one will ever win."
http://cleveland.indymedia.org/news/2007/03/24652.php

I know, it's seems odd that I am, at the same time, offering answers to any question on the science of God as is pertains to Justice measured, but this is just who I am to be conscious man. So, if we can get over the shock of me being so especially normal, maybe we can then realize, I have some simple good old ideas that transcend through time by rational understanding communicable between any two people. I am not a "miracle worker" to all those I advise to not eat Aspartame because it's a poison that also makes your body crave un-needed carbs, that will likely convert to more unless fat. So, it slowly kills you, while making you fatter than you need be along the dead end journey faithing in "the system". So, why do some do it religiously? Who cares (for now) but to say, our governments are failing US miserably. I spoke personally with one of the head scientists in Canada at "Health Food and Safety", and he told me the scientific analysis done by reputable scientists I found freely available repeatedly on the internet years ago, was completely true. (It breaks down to formaldehyde, and methanol (a slow lethal poison), among other shockers. Poison. P-o-i-s-o-n-s in our food stuffs. Poisons.) However, he could take no action to defend Canadians "officially" because we, Canadians, have our corporate interest news departments completely refusing to defend ourselves from corporate exploitation anywhere, and as natural consequence, we, as the dying world, would together unrepresented, probably lose a law suit from mutant Monsanto through the self inflicted bounds of OUR censored WTO program. - instituted through the top secretly mastered puppet people persons of the 'unseen' NWO I guess.

I'm telling you, we need me as King.

Look: Aegis's workforce, for American PAYING profit, has been publicly disclosed through CNN to be shooting people in Iraq indiscriminately for your money, and when the Pentagon was contacted by Nick Roberts about what would be done, they responded, nothing would be done by Johnny's America but to increase the multi-hundred-million dollar contract with demon enemy Tim Spicer to continue. Now... why you ask? Because the neocon liars, steal money by lying to cowardly American kids about what they mindlessly, without thought, give their souls for. Tim Spicer openly hires South African goons to commit hardships for American GIs to die without end for, in lawless tyranny. Peace sells less money for the neocon war profiteers to murder the innocent American as. (Iraqis,

along with the rest of Humanity's Men, WILL eventually learn this truth, or life for you will end.) As an Arab hating bushite, (like what you'd find as a publicly proud practiced hatred for all Humanity, by an Amerkan dumfuk soldier in Google's alt.religion.islam), they say nothing for Freedom by Justice, but root themselves to Spicer's monsters who like killing black guys, as world renown mass murdering racist nazi filth. That's why zionist Israel loves them so much.

Look: Somebody stole four trillion dollars out of the Pentagon.

Look: corporate magic TV people couldn't care less for US if they tried. Ahmad funded Atta. bin Laden claimed he played no part in 911. And video of iron running like water moments before the first tower fell is freely available for download all over the place.

Look: Barbra Bodine did the Cole bombing. [the Cole whose crew has been completely overhauled. Where are the many who served there NOW eh?]

Look: America has kidnapped countless thousands without evidence to be held against OUR will indefinitely. [Like the NOT Jewish Israel]

Look: innocent people are being tortured to death by those who hide OPENLY in America's uniform. [let US hunt them down for GOD, despite what demon lies they argue give them as Satanic to avoid "The Law".]

Look: the bushmob war profiteers STOLE the Iraqi Development fund

Look: the more than 10,000 security contractors for Bush are officially deemed lawlessly unaccountable to anyone - THINK ABOUT IT

Look: Negroponte PERSONALLY stole the Iraqi emergency water provision money

Look: Sattler OPENLY committed the worst war crimes of all Humanity's history

REPENT. [from the Greek, meaning to think.]

The TRUE Son of Man Johnny Wizard Exists Born to this Eternal World to end permanently demonic bushite enemies of Creation. Help Life out by destroying cowardly America's greatest threat to the Species, the greatest threat against Humanity's Freedom to be Loved by God. Corporate nazi zionist bushlores at CBC, CNN, and criminal thieving from the desperately poor in Winnipeg CJOBers forbid open communications, and I can't 'take over', because then I'd be defeating my own, power to the

Repuglicons don't want freedom from endless war where they kill your forsaken kids, for we all know, bushites would be publicly tried, then spend the rest of their treasonous lives behind bars broke, or dead from lethal injections made popular in America. Again, officer Bowman is responsible for letting 'escape' those from Fort Detrick, who attempted to murder the American Congressmen who thought going into lawless tyranny, !makes no sense! Where is corporate America on our issues when OUR free speech is ruled by the irrational evil minds of Limbaugh, Bell, and Norry?!?!! Back to Bowman: Bowman, also is responsible for sabotaging the Moussaoui warrant. And, how much you wanna bet, he's probably the same bushite who found Atta's passport, and likely had all 19 names of the high-jackers to give CNN, CBC, and FoxNews just like the neocon's "bin Laden" would have too. Take the publicly prancing bushite enemy out for questions by yourself, if he doesn't plead his defense publicly on Coast to Coast by tomorrow. Remember, there ain't an "Intelligence" group worth their salt on the face of our Earth, that doesn't know exactly what I'm doing here honorably for a real Justice made through careful thought. So, support Johnny Wizard speaking for public challenges internationally, and with the 23 plus co-operating for life 'Intel' agencies, along with, anyone else who can join in on the call. as a growing number of Patriot Soldiers, who trust yourself to see, this wanting of Justice isn't complicated. A person accused of a terrorist event without any evidence, has our accuser a bushite, who should be watched carefully until verifiable conclusions are done by the understanding of fact. Not faith. With George W. Bush making real decisions in faith, expecting us to believe as corporately broadcasted unabashedly unbiased, that he is not a deliberate incompetent monster war criminal of unfathomable evil?, who is just too 'stupid' to understand why we are innocent until proven otherwise?, is really something we all need to scream about to save our dying lives.

"[..] just like the neocon's "bin Laden" would have too."

However, the real Laden, on video taped confession, claimed he played no part whatsoever in 911, then later, offered himself for arrest, confident he would be acquitted. Not corporately newsworthy though, so, few even know why their American child was later died in the terrorists act of corporate contempt for US living Freedom with something greater as real Justice wills

In the area I am in--on frequency 151.1900 (CDF/Cal Fire dispatch, Monte Vista), sometimes a radio transmission will be preceded by several DTMF tones (touch-tone phone button tones). On other occasions, a radio transmission will be preceded by two musical tones, about 1 second each, with the first tone being higher than the second tone, almost sounds like high pitched fog-horn type tones.

Is there any significance to this?

Sure!!! The DTMF tones are probably used to access parts of the system on
an as neede basis eg a normally off repeater that has dialup access The
othere tones are used for Fire Pagers These a usually carried by Volunteer
Firemen in rural areas. The dispatcher can pager the firemen by sending a
unique tine pattern that unlcoks the squelch in a specific fire department
Those tone are usually followed by an announcement eg "Attention Podunk
fire department, please respond to a fire alarm at civic address xxxyyyyy
please acknowledge receipt of this page Operator qq K.

At least thats what they are used for here :)

Hope it helps

I don't know this radio, but all the antenna is is a hunk of metal.
It's probably designed to telescope to make it more portable, but it's
functionally equivilent to a wire of the same length.

So at worst, you could open the radio up, remove what's left of the
broken antenna, and replace it with a wire that's as long as the
original antenna and whammo, it's fixed.

Does anyone have any experience with the Midland Full Band T 734 antenna or similar? The question is, is it necessary to tune its SWR for receiving only, or that doesn't matter? When I had typical 5/8 antenna, it was extremely important to cut it to the correct size, it had a huge influence on receiving. But I don't know if it's the same for Discone antennas, so that's why I'm asking.

Please don't reply to "Mike Corley" ("MI5 Victim")'s paranoid spams
and especially please don't quote the whole goddamned shpiel. He's
been spamming this for at least 12 years.

If it's within a day or two of posting, complain to the Usenet
provider. None of them want him as a customer.

His spamming has become a pain for legitimate posters on at least one
usenet provider - all the filters intended to stop spams and
especially these spams interfere with legitimate postings by their
customers.

He never morphs his "from" line so he's simple to killfile with most
reasonable news client programs including many that are freeware.

If you get him kicked off Newsguy or Teranews or whomever he used
yesterday he'll be with some other service tommorrow. You can buy
prepaid Visa's or Master Card's at chain drug stores around here so
it's hard for the Usenet providers to stop serial spammers from
signing up or to recover all their costs.

If his messages go down the killfile hole and ain't responded to -
well, I doubt it but maybe, just maybe he'll get tired of this game.

The Great Johnny

Look, do you want to defeat the bad guys, or not? Bush gave US zero evidence to form our free thoughts on the 911 Justice issue. Treason. Simple.

TV Lieutenant General Tom Mc Inerney ~ "We must be ruthless, especially in the area of collateral damage," in a city where the population of near 300,000 has been forbidden to leave. WE'LL then lie to the Grunts, that we are there to get Zarqawi to defend Iraqis, but instead, we'll murder all the Peoples indiscriminately by bushite bombers, and like magic, more GIs will die lawlessly for war criminals to profit the zionist neocons forever. This ain't right

Look, the guy who murdered the two thieves, is guilty for such. He acted to intentionally murder. MURDER. Do cops kill kids who steal bubble gums?, or if they did, would an American then think justice lacking? Cops were near the scene, and the murderer held no pause to kill thieves with their hands full. How about, 'drop to the ground' before pulling the trigger? No, the murderer told US he wanted to murder. Would spitting on the ground in America blindly call for executions because who knows what the spitter would have then done later? The thieves were of no alleged personal threat to life by the murderer, and would have likely been caught by smarter cops who were in waiting.

What unspeakable evil is this, that CNN, FOXNEWS, and CBC doesn't believe YOU deserve to know the science of?

Torture IS illegal, yet, the TV threat is trying to teach America that We, The People, haven't spoken on this issue since Law came to be. Please, I beg, please fight back for Humanity by not excepting a zionist's betrayal to G-D on this subject. TV celebs are programming that waterboarding, head slapping, and the burning of innocent people to death for a treasonous bushite's satanic pleasure, is arguably in support of defending my dying America, through assisting in the neocon's escape for 911. Death to the torturers of innocent people, death to the enemies of Christ in America.

/ / Welcome to the world of the reality in which a Jewish American Zionist man can cite Nazis in defence of torture tactics. \ \

The demon isn't Jewish my friend, isn't Jewish. I'm the King of Jews, who would advocate the death sentence for such criminal tactics to defend our innocent selves from the ungodly. Wouldn't you too?, cheer to hear the arrests of the satanic enemies of Man deprived our wills, instead of ourselves as the innocent they victimize to thieve from for Zionist Nazi fascist enemies? A person accused of a criminal offense without any evidence is innocent. Demand open communications on our, happy happy demonized to suffer dumber than dumb coast to coast air wave specialists.

Look, torture is criminal. Do you physically slap your
neighbors, to find out if they did the criminal's crime?
Should we slap Rivkin to ask him if he plans to commit crimes
against the innocent, and if he then says no, again repeat
till he's rightly dead from hearing a liar's denial?

Torture is a crime warranting a life term sentence or death in
America by LAW - firmly established already by the "War Crimes
Act" of 1986. Demand Justice to save the lives of our
innocent selves forsaken by the for cash profit, private news
parrots. Believe in US demanding open debate for a positive
change why don't you.. Nazi Germans were a happy happy bunch
too over the growing threats of torture and enslavement
through blanket annihilation... initially. Don't let Bush
further hurt my dying America through his personal self
contempt for our shared values.

http://www.whitehouse.gov/news/releases/2007/11/20071107-5.html

Look, November 7th, the demon antichrist stated he and the
neocons ordered the murder of more than a million innocent
Iraqis indiscriminately because, he was simply enforcing UN
resolution 1441. HE LIED. [how else could the UN officially
declare bushites as war criminal? NO CAUSE!!] And
multi-million dollar salaried, "American" reporters, who full
time, claim to represent American interests while you slog
double full-time for corrupt private bankers, refused to call
him on it to defend ourselves from his easily provable demonic
tirades against God as the innocent. On the scene, and still
today... YOU, as American are TRULY dying for George Walker
Bush's continuing LIES. Johnny Wizard is Forever King of

you to raise your cries for justice likewise, we're all going

serious business my brothers, serious business.

And even though, CNN, CBC, and MSNBC suggest TORTURING innocent people to death isn't illegal warranting the death sentence, it still is, and will remain so for as long as we live to die a bushite war criminal for defense in America and God, so says the Son of God, as Man of men. Die bushite die.

The bushite has murdered many thousands in Afghanistan to push dope, more than a million in Iraq to steal life as lawlessly demonic, all the while actively thieving to destroy Johnny's America for the praised by TV 'neocon who?' news peelers.

Bush closed 911 investigations immediately after the terrorist offense of no questions! no questions!

Again, evil bushite THIEVES claim they are justified when indiscriminately bombing populated cities to MURDER US People. All to help 'escape' the neocon ENEMIES of America - they also support "officially" destroying Our public infrastructure, thieving humanitarian aid, while incarcerating innocent people to collectively be punished by the TRULY Satanic enemies of man. THE GREAT KING OF AMERICA

PBS et al.. The bushmob is thieving billions from America as we speak, to further terrorize a dying America lost to the indifference broadcasted daily on almost every radio and TV network as our silenced voices.

Mr. Bush, the terrorist, doesn't care to war for your stolen billions, instead wants to kill even more innocent others as neoconner traitor. In your name as "American." Johnny America begs to disagree with criminals actually, and has taken a stand against these 911 war mongers escaping our authority for proper Public acknowledgment. If you, my reader, would only support yourself.

Please, my friends, fight for our dying America. The TV and radio celebs deliberately refuse to allow US to know: Ahmad funded Atta, and, of the videos of iron flowing like water from the WTC towers - all to KILL ourselves for the enemy liar neocon. To KILL. OUR innocent families are being robbed and murdered. CJOB, in Winnipeg, like FOXNEWS, lies daily to dumber than average teen soldiers, not to defend freedom, or Canada, but to die for dope pushing Islamic fundamentalism in assisting the truly evil neocons escape for the crimes of 911. How can anyone be so truly evil to Humanity you may hide in fear of confronting directly? CJOB relentlessly THIEVES from Manitobans, with our seriously corrupt lotteries they pocket millions in criminal gains stolen from our most poor and desperate, they work to CRIMINALLY give away our public resources to their self described Zionist, 'kill the Jews, kill the Jews' anti-humans. These nazi pigs celebrate their public hatred for innocent humans with LIES about 911, Israel, and anything else that threatens Justice to win through free open communications. Bush, as does every neocon, needs to be tried publicly then executed for the crimes of 911 with his partner, General Ahmad, according to every honorable Police agency that uses evidence to form OUR conclusions. Please fight for Justice, please fight for Life, please fight for yourself by picking up YOUR phone and calling for a Humanity that would care if you tried to do what was right. Do you expect yourself to fail trying? Just try for your life's sake I beg, just try. Or.. die you will, die YOU will. Christ kills a bushite with a Love for GOD that will never die, but I AM ONLY ONE MAN. WE HATE bushite to death I do, see?, wouldn't you as anywho too? Think about it. Dying as a slave to the demon antichrist, or live for a better future by demanding Justice IS Freedom. We want to be Just for ourselves to be believed in. We, The people, want true accountability. Don't be cowardly stupider than stupid allots.

It is not just a Muslim who sees the bushite as an enemy to Humanity. These lawless savages have been acting without accountability to anyone, because they are largely enemies of every American, who cowardly run from responsibility in America to defend their own brothers and sisters from the LIAR neocon, and die instead as/with rapists, torturers, and Art Bell liking THIEVES. An Oath to God means nothing to a busite grunting savaged criminal, claiming to be lawless as an enemy to EVERY HUMAN BEING. Remember: these thieves have stolen from all still paying Americans dying from true self contempt. No evidence against an accused is US being truly abused.

Listen to this demon nazi witch, the zionist bitch who personally FORBADE a plead to stop indiscriminate killing in Lebanon, assisted in dropping seven million land mines on Lebanon, and was CENTRAL to the invasion of Afghanistan for Enron's master plan, tells US with bushite lies that no, Iran was responsible for the terrorist crimes she fully acknowledges to be responsible for actually. I ASK: ARE THERE any soldiers from America who don't believe this 911 witch shouldn't be tried for high treason as a bonafide TERRORIST? Listen to the end where she says America supports Iran's pursuit of nuclear energy... so why does she want to murder millions of innocent people with fall out then.. EH>? WORLD: threaten to liberate nazi America, if they indiscriminately murder millions more of innocent souls without cause, but for the demon antichrist thieves who speak nothing to defend Humanity. Much like happy happy who cares Germans were under "liberator" Hitler. Except however, in our defense, we at that time, didn't have our internets, or so many, 'you have no power, you have no power' corporate news channels for Americans to quietly sleep through. Americans who refuse to speak outrage in the defense of the Human Race, are Americans not worthy the title of fellow Human beings. All they as bushmob amerika have done, is thieve, destroy and murder from everyone of US since 911. I am growing wearily concerned over whether Americans even can still express real anger over their continuing sacrifice.

ZIONIST NAZIS QUOTE US SAYING everyday 'Kill the Jews, kill the Jews' No, bill the escaping un-arrested zionist god betrayers who rape, murder and steal from Humanity as LIARS - all done by US to DEFEND Jews, to Defend G-D, To defend Christ.
Christ - Born King of the Jews, as true King of Kings - I am by no accident in every word, truly greater than 'great'.

True Tyranny - to continue as an American refusing to publicly demand torture, theft, and murder as unacceptable when battlin' evil for your dying freedoms.. Evidence we must pursue on 911 to know really what the heavens Johnny 'The Law Man' is talking about still. Justice to the bushwhacker neocon soldier, a foreigner who apparently speaks no defense for innocent Americans dying sacrificed as conned for the ill stolen gains of the 911 trifecta. Justice to the lying enemies of freedom for America in Christ. Justice for YOU.

Justice to the bushite, Justice to the enemies of America, so called out the Son to God as King of men:

BELIEVE!

Like, so in walks this, out of work time Lord who thinks to converse to the masses about the most basic of reasons to save the lives of innocent others, leaving him convinced, he really needed an audience for this fable to rise as profitable venture. So, it was followed to make it out there in this real world, is to care for Justice measured. All done so to bring greater hope for a better future as all would follow, boy, were they surprised!

Johnny Wizard has arrived..

Spare me some money won't you please for this art of wondrous tragedy?, Jeeze.. I seriously need money to feed myself.

P.S. I'm still hoping that Coast to Coast will bill me godman co-host, all to openly address these freedom for all operations, with Justice ruling our way over the irrational tyrannies practiced by others happily blinded. Evidence is required to convince ourselves on who is good or evil. Period. Don't like it? Too bad. We are on charged!!

CJOB STEALS millions from poor Winnipeggers through their fraud of lotteries, and as a consequence, they'll cheer our sons and daughters to die cowardly instead, for lawless Bush rule, where evidenced findings of Our police agencies are forbidden topic material, like mathematics, and instead, bin Laden did "it", now die for the demon antichrist LIAR ENEMY OF GOD. Al-Qaida = General Mahmoud Ahmad

/ / "I grabbed her little sister and put her in front of me . . as the bullets began to fly, the blood sprayed from between her eyes, and then I laughed maniacally." [, then were heard the cheers of godless bushite dumfuk traitors obscening to God and Man as the unholy enemy.]

What ever happened to butterfly kisses after evening prayers?

Are you telling me, an American Father, wouldn't gloriously kill this lawless bushite enemy and his demonic ilk, for our love of girls everywhere? Or, how about the UNARRESTED soldiers we witnessed on video beat shoeless children practically to death while laughing and cheering? Or like those that speak zero defenses for Haditha's confessed MASS MURDERING irrational women and child killers? The REAL demons CONFESS to going into a house, WITHOUT reasoned approach, and slaughtering an entire INNOCENT family.. for nothing but their lifeless SATANIC pleasures. The 'cause'? "The [mass murdered unarmed innocent neighbor's] back door was open.." To, for God, gloriously, with love, kill these unarrested murderous continuing ungodly bushite nazis, is to war the TRUE enemies of Humanity to save the lives of our precious loved ones.

Oath to God

The bushite took an Oath to God and country to defend America from war criminals, and instead, as cowardly neocon bush bitches, commit war crimes of theft and mass murder against the great Iraqi People. A soldier in the air force, is a dishonorable nazi savage, worthy the death sentence for assisting in bombing Humanity indiscriminately as zionist enemies of Christ, attempting to destroy Johnny's America with their provable DEMONIC LIES. Death to the bushite enemies of Life, who lawlessly war Creation with torture and slavery to 'escape' the neocons for 911. Your magic TV exec excuses don't mean squat when the facts are so readily available. But a bushite don't read, or write, or think freedom. Zionist enemies of ALL Our humanity, murder to believe US won't ever hunt them down by Law to defend ourselves over. Hammurabi LAWS to bill the false capital accusers first, and everything else will fall into place. [note: Hammurabi founded Civilization.]

Look, do you want to defeat the bad guys, or not? Bush gave US zero evidence to form our free thoughts on the 911 Justice issue. Treason. Simple.

I have the plan. Return all the stolen monies, and hunt those who rape torture, or murder. And.. get the neocons for treason on 911 most especially. So, here we go..

MAKE OATH AND SAY

Christ, The Son of Man, begs the godly men of Earth, to
judicially bill on sight, any neocon soldier who supports the
carnage waged in Afghanistan as cop killing dope pushers. CNN

must, and WILL be tried for high treason for their demon lies broadcasting the northern alliance don't push dope, while the Taliban did, and do. CNN execs will be put to death for such demonic claims that stand no ground in the light of all evidence. Plus, the Taliban were honorable in defending America by demanding facts to form our conclusions on how bin Laden is in anyway connected to the crimes of 911. Example: how did bin Laden sneak the explosives into building seven with his bulky dialisis machine dumfuks? I HATE bushite to death I DO. Death to the bushite, death to the enemies of Mankind.

AMERICA HATES BUSHITE

/ / The [BUSHITE ENEMY] US has said it would refuse any request by Italy to extradite the accused [satanic bushite torturers of completely INNOCENT PEOPLE]. \ \

Protestor's sign: "killing innocent people is the problem not the solution."

Christ, The Son of Man, begs the godly men of Earth, to judicially bill on sight, any neocon soldier who supports the carnage waged in Afghanistan as cop killing dope pushers. They shoot innocent women and children dead in the streets for humor, and bushite pirates at CBC and CNN, state bushite in Afghanistan are doing a good thing helping the bushmob escape the crimes of 911 by warring for Muslim fundamentalism, persecuting INNOCENT women and Christians, while for entertainment, bomb innocent families running for their lives from a Holy Church. Soulless child killing soldiers who CBC execs would tell are our DEMONIC heroes. Lawless dope pushing cop killers have got to go down dead screaming, instead of the innocent - YOU and me they target for MURDER. Death to the dishonorable bushite THIEVES, death to the enemy neocon LIARS of GOD and man.

We can really be something greater, while a murderous bushite thief, a LIAR, can hardly read or write Liberty without flinching from self contempt.

Kill a bushite LIAR, why don't you my brothers and sisters of the faith in something greater than bushite godless tyranny?

Soldiers of fortune: kill the lawless bushite nazi savages to defend MY dying America.

Sir Ken, head of the Crown Prosecution Service

"The fight against terrorism on the streets of [..] is not a war. It is the prevention of crime, the enforcement of our laws and the winning of justice for those damaged by their infringement."

You got that right. So, join US in demanding the quick trials, and public executions of known bushite enemies who murdered Americans on 911 with general Ahmad, and who with Peter Power, murdered the innocent in Britain for more stolen goods against God. And anyone in the air force as bushite bombers should be a great joy for US all to hunt for prosecuting too. The bushite dumfuk is an enemy to our lives, with it's blatant naked contempt for the innocent, who like the demon liar THEIVES at CJOB, George Norry, or Hannity, will forbid ANY human defenses of the lawless dictate of the IRRATIONAL tyrannical demon antichrist, all so to victimize more of You as the censored forsaken.

-

/ / The mere fact that one can deduce a motive for a person or a group does not mean that they perpetrated the act...and it hardly suffices as proof of anything.\ \

Just try telling that to 'why work to make life better' CBC, CNN, or FOXNEWS censors. Look at me!! They refuse to acknowledge my documented info as REALLY important to your continued ACTUAL survival.

Who fuking cares right? Certainly not the enemies of America at the Coast to Coast radio network, who would kill Americans for the rich neocons without question. It's JUST American kids getting conned to die as bad guys.

God is Great

Again, George W. bush did 911 with General Ahmad, but CBC zionists, actual treasonous LIARS, actually smile to dying Canadian soldiers with only true contempt. CBC kills Canadian kids, with their intentional demon lies, trying to subvert Justice for God and Johnny. In fact, yesterday, they did a special, all on how "God is NOT Great", giving that bush bitch demon LIAR, all the space to pontificate it's hatred for Wisdom, Science, and GOD, with only nods and smiles from the 'illiterate' hord. Remember: A zionist KNOWS it's an enemy of Humanity when it supports dropping seven million land minds to murder indiscriminately OUR CHILDREN for decades, or stealing a Christians Home because they say God says Jews would do such ungodly acts. Blame innocent Jews the holocaust denying zionist shout, of which not one, is a Jew. Like me.

disciples of the ungodly enemy of ALL HUMAN LIVES, remained in the tiny city to be indiscriminately 'protected' with more than nine two thousand pound bombs, or made dead instead by heinous pro-bush escaping war criminals who used white phosphorous on civilization. Senior Military analyst, Rob Riggle "In the field John, the soldiers are out there, every day, risking their lives, for a common Ideal: that none of the President's decisions be questioned."

This is more true than a bushite would admit before murdering a honorable father to rape his young child, like Lcpl Boudreaux freely confesses. Boudreaux will tell you, openly, you have to murder the Arab father of the Arab child your planning to rape, because if you don't, that Father will spend the rest of this life, hunting you down in the streets to rip you limb from limb for it.

Let US, me and the few, proud, and the brave, bring that Father's intent to bare on lancing Boudreaux, and any other who would sing in it's ungodly defense.

Zionist american media news celebs do tell, everyday, soldiers for the neocon are all Heroes.

Goldsmith... yes, Goldsmith

Goldsmith has revealed the bushmob, specifically Cheney,
consults with neocon authority in Egypt, and anti-Jew Saudi

TRUE enemies of Man. Has anyone read the fiction 1984? 'Why
is it so crazy'?, you might ask an un-responsive big sky of
Love? Well, the Bush administration committed 911 with
General Ahmad that's why.. and threatening Humanity with
torture, is how the neocons plan to fear YOU into speaking
nothing for the defense of innocent others.. As a
consequence, more than half the monies spent each month on
this war against civilized Life, isn't accounted for by
anyone. Except those at the Pentagon STEALING from a deafened
America. In fact, Moyers at PBS reported none! of the
billions flowing out of American pocket books EVERY MONTH for
the bushmob war monger shysters is actually audited for the
taxing payers.

Mr. Bush, the terrorist, doesn't care to war for your stolen
billions, instead wants to kill even more innocent others as
neoconner traitor. In your name as "American."

Support my rise against Living's enemy George Norry, by making
an effort to demand real Justice for dying American values.

.I guess a soldier's word doesn't count for much in bushville.

The bushmob did 911 as traitors to God and Country, don't you
know anything worth living for? my dying unjustly brothers
and sisters? My friends, please fear not wisdom communicated
by a REAL Man, for, we explain ourselves to the best of YOUR
ability to listen simply. G. W. Bush used no evidence to
form America's "conclusion" on who did US wrong on 911. So,
Please, stop forsaking yourself, for, we're going nowhere.
Support Johnny's call to demand open debate without censorship
from the magic radio and TV execs, who hide in darkness,
pretending to be our friends, while refusing intelligent
dialog to answer any of our big troubles easily. Why?

because largely, they're powerless without beating us down as giving 'Christ like' VICTIM so much - with their irrational ignorance for our survivals by the fittest. The fittest Ideas that rule this Universe, are the simplest, most easy to understand, but I digress about GOD'S greatness, for we know,. the corporate media elites as our voice, "Couldn't Care Less".

CBC just did a report about all the great heroin coming in from Afghanistan, that will still cause crime, and be illegal, (and maybe give you life in prison as an American,) but brought in with the help of the demonically evil bushite thieving murderous military, by the likely ton full to attack our direct family left un-protected, BY YOU PERSONALLY. And guess what? THEY, our media masters, couldn't care less if they actually tried to be our good guys. Reminder: the god guys is good, the demon liar antichrist evil enemies who thieve from Life with censorship is bad. If they hide ourselves too far, they loose all around, up and down. So get to it. Or don't. Your choice. Life lived Now, or damnable death by cowardly design brought forthwith under your own power to do nothing under such terrible costs against our suffering natures.

Typical tyranny for media control over all of Life for the beginners is this treasonous betrayal against our Nature, by refusing to be honest about our potential to be far greater than first considered. If they'd only allow US to have open communications, all our worlds would be better living for it.

Demand Coast to Coast hosts allow America to defend America.

I want air time with the one and only real man in these here parts, Mr. Johnny America, our glorious make believe creator of all we perceive religiously, self realized. He's a genius!

No evidence against an accused is US being truly abused

Help me gain access to speak freely for open challenge against Hannity, and of America's Coast to Coast Radio network hosts, who deliberately deny you to contend, we're really, one hell of a great bunch of People persons with rights God damn them.

God Damn America

You f-cks, because Bush told congressmen secretly about truly torturing innocent people to death in YOUR name, doesn't make the crime any less satanic. True Christians will execute bushite torturers with glee. America will pay millions a head for each bush bitch nazi traitor to children as family. The neocons will all be tried to death for treasons like 911, and for supporting a slaughter against Iran. For Petraeus has giving US no evidence to form our conclusions on the validity of his therefore, TREASONOUS statements. Bushite are murderous thieves of Iraq and deserve by the measurements of any civilized man, a action worthy of death as demonic, before allowed to further steal from our Humanity. SAUDI Bush bitch Buford Blount gave out 170 tons of explosives to KILL marines with, and Petraeus doesn't call for his rightful death, nor for death to be brought to bushite soldiers who kidnapped bare footed children to be beaten to death on video tape. {KILL THE LAWLESS BUSHITE DEMONS HUMANITY SCREAMS IN AGONY] hundreds of thousand of guns were 'lost' in Iraq through bushite management skills, and liar Petraeus speaks no outrage. Private death squad goons are committing crimes against GOD, and Petraeus blames no one. MORE than half the monthly bill for these bushite bleeding atrocities to Humanity, are not even accounted for by ANYONE, but for the thieves at the Pentagon who are ROBBING america with Petraeus' silence on the life and death issue of America. Again, Petraeus knows the bushmob did 911, and would rather kill your stupid american teen, than stand for freedom in America by holding evidence a pre-requisite in determining OUR capital allegations. Death to the false accusing bushite, death to the enemies of America,

Jon Stewart, the twisted nazi clucker, claims now to be a "Big Jew". The demon zionist, who claims he can commit no crime against GOD with silence on the issue of innocent Humans being robbed and murdered by zionist 'buddy' Kristol, and as such, spews nothing on 911's demon witch Condi dropping seven million land mines on Lebanon, to murder Jewish children indiscriminately for decades, no, he just laughs at G-D'S true suffering like traitor enemy happy happy George Norry. Laughs at torture being actually allowed, while laughing in contempt at politicians who wisely will to re-distribute the nation's wealth to it's worthy Citizens. Instead of some nationless nazi "jew" like Jon Stewart, a free loading foreigner who came to religion to take away life from hard working American sufferers who want truly in Justice as Freedom. al-Qaida = General Mahmoud Ahmad. Torture IS against the law, and deserves the death sentence. Bushite Cofer Black MUST be put to death for being a Satanic demon enemy of Human life, who freely admits he tortures innocent people to help escape the neocons for 911. Bill a bushite for America, bill a bushite

for God. What do Texans own guns for, if not to bill a bushite child killer like those in the evil enemy pro-bush air force. Bushite repeatedly have been found killing innocent people without apology, in fact, it was only months ago where amerikan soldiers in Afghanistan shot people indiscriminately for more than six miles in residential districts,

/ / 'Why are you taking pictures? You don't have permission."' [...] the [bush whore] American, speaking through a translator, warned him that he did not want to see any AP photos published anywhere.\ \ALL REAL MEN - kill the bushite why don't you save some innocent lives for God in America? Kill it man, for, bushite bombers aren't even human.

and now, as reported, the narco-gov has put to death at least twenty Afghans, who were claimed, without trialed evidence, to be guilty of such actions. The narco-gov refuses to call for the execution of known bushite who torture INNOCENT PEOPLE, or rape them, or thieve the 80% of charitable aid given from Canadians. Despite CBC refusing to report on the facts to let US decide for ourselves. Fight back for Christ, fight back for love, fight back for freedom, fight back for God.

I AM THE TRULY FAILING SON OF MAN, born at the inception of creation, timelessly to promote the wisdom of love through mutual understanding.. I was once well respected by all as worth listening to, and loved by a great many, can you imagine that godless amerikan zionist nazi pigs? I suppose not.

MY World is actually dying.. Dying. Don't let the love for GOD be destroyed by bushite amerka who couldn't care less for my crying, or their very own children poisoned to die for liar neocon, neocons like Giuliani that they simply refuse to hunt down for defense. The demon publicly supports the 'rise' of neocons, considering all they've done so far; and the TV doesn't teach to raise your American votes for extreme anger against the wicked zionist enemy. No, Giuliani is vying for Presidential favorite, of private for cash profit TV snoozer hurlers! America is actually dying, and Americans aren't screaming for real Justice..

Please, I beg you again, help me speak freely on coast to coast to accept all challenges.. Please help US. George Norry is a blatant naked traitor to freedom for America. Again, George told Alex Jones he would not allow Americans hear the calls for liberty, unless Alex agreed to not inform the public on who personally was responsible for 911. Jones agreed. I often fear, Jones wants to be loved as Hero, over the wiser words of ourselves on who is who here. CFR, NWO, whatever, Bush closed investigations immediately after the 911 terrorist event of no questions!, no question!

Investigating the Investigation

/ / After playing a tape of Cheney's statement, Russert asked Daschle, "Did the vice president call you and urge you not to investigate the events of Sept. 11?" \ \

George Walker Bush, "The Puppet" is GUILTY of TREASON a thousand and one times over already. We all love Alex Jones, but this nwo bullshit doesn't apply to the lawless demon enemies who inflict harm on our humanity because they confusingly tell US, they enjoy it. Murder, rape and pillage for the sake of murdering, raping, and pillaging. Look, I'm sure we'd be able to easily work out our differences, if George Norry's amerka would take our calls for clarity, on Justice ruling our ways to a fool's paradise where those accused of a crime without any evidence would be US, as the INNOCENT forsaken in God's good name.

Our Mr. Bush Jnr. "Torture is not a part of our soul."

Torture is a crime against God and Humanity. So, likewise, joyously, with pride, destroy the neocon traitors of Justice - for the true Love you have as Freedom willed - is as granted. Don't buy their demon lies by blind blanket false assertions, against YOUR Humanity's Innocence in tyrannical bondage, all done in to fool you believing, we have no rights to be heard in our presence - here existing freely. Therefore, to survive

US all for something better, halt the 'escaping' murderous bushite thieves for God and America. SOLDIERS: Instead of dying for nothing, my wannabe Patriot Brothers, try joining Liberty's cause, which is our cause truly. Is it because corporate TV zionist money whores, are cowardly and ignorant, as evil hypno muggers, in MY dying for real America, that YOU refuse to speak Now in your Humanity's begging further defense?, on evidence being the only requirement to establish a person's guilt or innocence? for ungodly terrorist activities committed in our name by bushite bombers from the neo-conned AIR FORCE, who, as rotted juveniles, cheeringly bomb us People indiscriminately leaving a Church as something TRULY SATANIC? To dare, in our presence, continue threatening harm against an innocent child of wonder, not yet even born to God's suffering world? Bushites war LIFE itself. So then pleads I again the Son to God, as Man to Men: war to kill the enemy bushite nazi savage thieves, for real Freedom is waged truly by Just causes. The mute, pro-censorship/tyranny THIEVING bushite savaged nation, has NO EXCUSE for the crimes they have committed in our dying names. I demand our voices heard internationally for Justice as Freedom is Godly.

DIES! And, as such, the cowardly American enemies, refuse by willful silence to speak bravely for the up coming war crime trials of every neocon traitor - all for the sinister evil actions of mass murder in America on 9/11. ABCNEWS.com : FBI Called off Terror Investigations

A question Johnny Wizard has for America: Tell me, is this not a treasonous act - for Bush to close criminal investigations, immediately after the terrorist crimes of 911? Shouldn't the demon enemy be put to arrest for that godless act alone in this forsaken dying world? A world left instead suffering further the tyrannies of the war criminal ENEMY of all Human Life?

A refresher: the neocon will tell you openly, they live to lie to the Public for cheating and stealing by murder of US as proxied, innocent peoples purposefully enslaved by a made ignorantly entranced TV audience that is repeatedly reminded, we have no power worth respecting.

CNN, CBC, and FOXNEWS aren't taking are calls presently, but just lie and tell US they do. Look to see, almost all political internet traffic condemns Bush straight to hell well he rightly belongs, but the polls still say no - WE, seeking for Just cause, are the minority.. just roll over and die for the neocon betrayers to god and country, life and loving.

I propose we try CNN's Glenn Beck for nazi treason, and upon
easily successful conviction, we put the demon liar to death
along with bushite Tatum who confesses freely to slaughtering
innocent Iraqi civilians for satanic pleasures all to serve
the neocon agenda of swindling America TO DEATH for cash
profit through neocon censorship. Mattis, the woman hating
documented child killer, was made into a 'Judge' for the
bushite's version of a war crimes 'trial', that hasn't even
yet truly transpired, for the evidence was not brought to
light through the proceeding, such as Tatum's full confession.
But, of course, Glenn Beck, the treasonous liar, doesn't want
America, the dying by contempt, to truly know that. For, he'd
be likely dead as sworn enemy.

CHRIST RETURNS

I again, beg Humanity to speak in opposition to Amerika in the defense of our innocent forsaken dying lives. CBC producers know the bushmob did 911 but lie with propaganda to kill our families for the ungodly as thieving neocon enemies. They refuse to inform ourselves that Al-Qaida is General Mahmoud Ahmad, as according to the FBI. Or that video of iron flowing like water from the WTC towers exists indicating without doubt, the bushmob enemies did 911 as TRAITORS.

Today, there is nothing more i wish, than to hear bushite nazi savage thieves for the neocon die rightly, before the innocent they target for murder. All in an attempt to 'escape' those truly responsible for the crimes of 911 a bushite whore practices, as an enemy to Christ and America.

Evidence is required to convince ourselves on who is good or evil. Period. Don't like it? Too bad. We are on charged!!

Who cares about yourself if you won't listen as reason to? What can you lose when you have granted to be blindly stolen from?

Zionist nazi Israelis, do tell as LIARS, that Israel, the nation that openly thieves, tortures, and murders daily thoses THEY ADMIT are commpletely innocent, are enemies of every religious person denied access to honestly speak the facts as firmly established since the dawn of Man.

$4.50 for Every Pop Can?

Did you hear? A DOJ manager charges American tax payers $4.50 for every can drink he, and the rest of his cadre can swallow. Buying bulk, the pop cans likely truly cost 35 or so cents. So... who's pocketing the stolen loot? Cause, you know that would be FRAUD. CNN reported that your 'meatball' story would cause no demands for the returns of stolen funs, no bushite would lose it's high costing position, as no one would be tried for treason and gloriously put to death publicly for the defense of God and country. ..They were actually laughing.. This seems as good a reason as any to take back our TV world from the bushite neocon enemies of freedom through openly communicating. wadyahsay??!!? I want to address America, on how to return a reason for believing.

Make it so.

I AM AMERICA

Sattler ordered the murder of more than 200,000 innocent people in Fallujah, and they speak nothing but lies on how such demonic behaviors are godly as just ignored. Our Lives forsaken, as they hold their very own to die sacrificed for the unelected traitor neocon. I AM AMERICA.

America MUST demand war crime trials for the propaganda CNN broadcast "Anvil of God" regarding the demonic actions of Bravo company. They forgot to tell America importantly, nazi forces forbade the population from leaving, gunning originally for everyone between 15 to 55, but sided instead to murder infants and the elderly too, when beginning the Zarqawi campaign by bombing hospitals as first strike targets. As such, the bushite murdered many good doctors and nurses - so all to send bushite snipers on hospital near rooftops gunning for every seriously injured woman and child who tried to get help from the Humans. While driving down residential streets, grenading every home of humans being. Remember that when you hear these dishonorable bushite thieves die rightly for god and country.

[Sideline: It's been thought the reason why rescue efforts in New Orleans were provably sabotaged by Rove, was an attempt to make the blue state, commi red.]

See?.. women and children, who the enemy bushite forbade to leave the city with their innocent families, who, as were all living in the entire city of mosques conveniently found labeled therefore by bushite, "Insurgents" (or did leave earlier, and had our innocent families reportedly indiscriminately murdered two miles or so down the road by the most evil war crime act of recorded history.)

Importantly, there was no evidence made awared of, that legitimately offered PUBLICLY, from the UN or the U.S. to indicate a refugee camp anywhere, but for maybe a small group photographed - then some belligerent bushite bogus pocus - all

headed up by a blatant traitor to America named Sattler.
Reminder: after the indiscriminate carnage, they couldn't
find near anyone for weeks who would take money offered to any
citizen freely who survived for their satanic benefactor. So
insanely disturbing as ungodly evil doing, war criminal
Sattler called a halt to giving out charitable considerations
from Americans to the unseen surviving victims - all in an
'escape' attempt to make it look better for US, the paying
audience. So, where did our stolen values go to then eh?

Tatum, who freely confesses he's a proud child killer without
apology, is being made a free man in evil bushite amerika.
The TRAITOR prosecutor has ridiculously stated to our world -

/ / Lt. Col. Paul J. Ware wrote in a 29-page report that
there is insufficient evidence to show that Lance Cpl.
Stephen B. Tatum did anything other than follow Marine Corps
rules when he killed [for no reason, innocent] women and children \ \

TATUM ADMITS he enjoyed slaughtering the defenseless families
deliberately!! In fact, he wrote a card to a dead marine's
family, testifying that he murdered the innocent young girls
for the tyrannies of the antichrist. Evidence that TRAITOR

Paul Ware and Mattis hides from the Christian American Family. Will YOU, as an American man, allow these two bush bitch nazi punks to survive as furthering the commitment of more war crimes against the INNOCENT? as a zionist neocon's "Hero"? Will You defend our girls? Peoples of Earth! Help Me save our children.. please.. please..please

TRAITOR Paul Ware "Tatum shot and killed people in houses 1 and 2, but the reason he did so was because of his training and the circumstances he was placed in, not to exact revenge and commit murder."

TATUM STATED DIRECTLY IT WAS TO EXACT REVENGE AND COMMIT MURDER!! HE WROTE SO TO THE FAMILY OF THE MARINE WHO DIED! A FAMILY WHO WOULD MOST CERTAINLY SUPPORT TATUM'S EXECUTION AS DEMONIC TRAITOR TO FREEDOM IN AMERICA!! ASK THEM!!

See?, Tatum is a zionist, but not Jewish!!! While neocons suggest our reality impossible without corporate challenge for exploitation of our 'unrepresented' lives.

Prosecutor Lt. Col. Paul Atterbury "Lance Corporal Tatum entered a home and participated in the killing of Iraqis who were not legitimate targets, then entered a second home and participated in the murder of [more innocent] women and children,"

/ / One of the Marines charged with murdering civilians in Haditha, Iraq, in 2005 knew that only women and children were huddled in a back bedroom in a house there, but he [TATUM] opened the door and shot them anyway, a squadmate testified Tuesday. \ \

Will You try?, or go silent to die as unworthy? Your call bud...

What Freedom do bushite war the innocent for to rape, pillage, and murder as blind neocon followers of the 'lawless' demon antichrist? Eh?

"Al-Qaida" = "General Mahmoud Ahmad"

CBC, CNN, FOXNEWS, the Zionists, purposefully work to LIE to the dying American Marine, that the ungodly bushite wars to escape the 911 perpetrators hold some hidden benefit, as the TREASONOUS neocon thieves freely rob from both undefended American and Iraqi citizens, The neoconner, Mr. Bush closed criminal investigations on 911 immediately after the event occurring, while Billions are stolen through 'ear marks' and TVed Americans have no care known to speak of.

Done with American tax paid for rapists, torturers, and terrorists like Aegis who dress up as al-Qaida to murder godly lovers of Justice. CNN, CBC, and FOXNEWS would rather kill the Marine, than teach them where to aim their weaponry of liberation.

CNN, CBC, and FOXNEWS speaks NOTHING to demand the execution of hiding as 'British' soldiers who on prized video tape, beat to death young barefoot children for erotic fun, nor on mercury vaccines not banned minus "The President" in name. BANNED if God were Loved by America, or that the man or woman on the street would financially support my rise by popular command. Would you leave me to know, I will be left without a home to rest, or food to feed my hunger? Would an American?, I ask all Peoples of Earth to witness the American's contempt

for Our worthy lives. Sattler ordered the murder of more than 200,000 innocent people in Fallujah, and they speak nothing but lies on how such demonic behaviors are godly as just ignored. Our Lives forsaken, as they hold their very own to die sacrificed for the unelected neocon. I AM AMERICA.

UN's Admission: Lebanon Was Right All Along
http://www.globalresearch.ca/index.php?context=viewArticle&code=COO20070816&articleId=6568

/ / Last month its cartographers quietly admitted that Lebanon is right in claiming sovereignty [..] \ \

Nazi zionists gave US Jews a bad rap again I see. They're despicable criminal savages the neocon.. who steal the rights and privileges of US peopled folks, all to fall victimized with their self confessed contempt for love and justice. Condi's crew dropped seven million land mines to murder ourselves for generations, and, shouldn't she and the neocons responsible be put to death for such conducts?? If not then, when? discuss.. They openly target innocent human beings indiscriminately without apology, but excuses that don't hold water. Not that corporate news professionals are even pouring! It's most definitely the re-occurring true story of a censored mankind with You as it's innocent victim. For, what human would support victimizing others for the tyranny of

blind terror? Only bushite amerika would fall silent under such self contempt for our constitutions.

/ / [..]Israeli "Defense" Force (IDF) has announced that it will discontinue its practice of "capturing" populated Palestinian villages during military training exercises. \ \

Tell me, is this the godly people the neocon boast of for defense in? Or, just again examples of standing terrorism against life ourselves - committed by the censored as will giving, sacrificing American payer? Justice is Freedom.

Do you care to buy the bushite lies, when they commit openly the very same terrorist acts they say we should all be outraged against? Somalia is a case to point. They murder helpless people as bushite, then say they'll remain dying to thieve further as enemies to Humans being. It doesn't fool me, but perhaps it does you. A neocon soldier murders innocent Iraqis, while selling you they are all there risking their lives to bring freedom. So, they die. For lies. Die. Again, KNOWN Aegis goons openly commit crimes against Iraq done officially to get killed! the supposed to be Patriot Marine. P2OG. Soldiers under bushite command would rather die cowardly, than to honorably demand the bushmob's arrest for public trials as defeating ungodly fascist war criminal savages.

Why suffer otherwise this way under the tyrannies of naked neocon plunder to deny our lives for measured justice I ask YOU again, please believe: truth will set us free.

Al-Qaida = General Mahmoud Ahmad = ungodly bushite liars

911 Leaders Saying They Are Jesus
http://rss.nfowars.net/20070802_Thu_Alex.mp3

I've given my phone number several times to Alex Jones, of which he's not as of yet, invited me on as official guest, for fears he can find no arguments against US I presume. 911 financier Ahmad = al Qaida, and we have molten iron on video flowing like water. Demon Bush Jr. gave US zero, while closing criminal investigations immediately after the terrorist offense of no questions!, no questions! Case closed. But no, the American media rarely if never mention these facts, while insisting Bush's deathly war criminalling is as only a puppet, look away! look away!, leaving without challenge on the, teen like naivety of wearechange.org's consistence that "we", who demand justice for 911, who might also hold the opinion that zionist behavior does not blindly equal being Jewish, should not be allowed to speak Justly for our public challenge, because bushite Amerika has no defense for censorship against ANY of our judicial wanting, as

documented positions on behalf of the suffering to death victimized public. Why? Because we are Just. Well, I try to be anyway. (I've spoken as written for YEARS, with NO ONE WORLD WIDE countering in the public realm, but for the strangely odd insult. Bushite do exist, don't get god wrong, but dumb evil bushite brood in darkness with censorship like all zionists do, selling to be 'godly' honorable men, when in truth, they'd murder anyone of US for a stolen nickel given to a neocon. I, as open line talk radio producer, win every time, always, forever, never fail. [er.. yet..] Why? Because I treat YOU fairly. America should do the same. We are all in this together. Zionists like robbing then killing defenseless innocent Christians, and Jews, while just lying that they don't without scened factual TV perception. Demon 911 WITCH, zionist Condi 'okayed' the dropping of more than SEVEN MILLION land-mines on Lebanon, purposefully done to indiscriminately murder ourselves for generations. Jason might foolishly call you an "anti-Semite" in fear for speaking such not understood truths. And importantly, not because they can publicly disagree so in open debate, so sides to not allow US to rise in acknowledgement to bring about Justice as demanded, for ALL as ANY. (Gee, who's the neocon now eh? (we're all sinners.))

If Americans really want 911 Justice:

Help US out by putting the video of molten iron flowing like water out there in the minds of any who have doubts, tell them hypno mugger Bush, gave US zero to substantiate his public falsehoods, and tell US about Ahmad as more than a passing fact that means little of nothing, then, WE, The People, will believe this has more to do with Justice for Humanity, than the American suffering movie goer ego being, "leading the free world", by voicing no public concerns on the criminality of the bushmob shysters. Left happying in the George Norry, as a TRAITOR to a dying America not hearing. An enemy of Liberty to the, tried to be free soldier, who is led TO DIE still un-wittingly by lie for the misfortuned neocon bounty of global tyranny through coast to coast story lining. Look, the peenackers will tell you freakishly, that they work to lie to us all, to take advantage of a plain to view weakness. I swear. The neocon wants to con your kid to die for a war lied into with as our stolen goods. We lose as crime victims, while they win free accountability because, (well... I'll just let you finish that one liner sucker punch..)

Do Republicans mean to bring health care suffering out of control with no market values, because truly they have little of no skills when it comes to fixing their own buffoonery? Hmm... unless they count to hide the bean all together, fixing the game intentionally to have US lose by remote controlling stupidity! 300 channels, and nobody's taking our call from the space cased file of, "what's this freedom war against Life for again"? Look, is mercury as a medicine good or bad do you think?, let's ask someone for Christ's sake. Or for Deb, Henry, Bill, Beth, Mark, Carol or Tony. Johnny Wizard, our everyday normal magic man of folklore, opens up the stage to ask all the people together, "Are we Man or machine to take this all lying down quietly"? We need to talk about what a King like me, is doing in a place like this, under appreciated, and left alone without my home, dying for a break in radio programming, as President of the company that started the sands running, Shareware Earth Co., a god-like production of miracle and wonder!! You just participate, and you won't even believe how good we could have it, Rejoice, for Johnny Jesus has come down for diplomatic talks. Give away! Give away!

Again, CNN, CBC, and FOXNEWS, (who advertise their listening) suggest G.W. Bush and Co. have publicly acted nothing warranting immediate arrest, or have openly supported the great Kucinich's plan for Impeachment, and consequently, are leveraging America into this mess 'because' we were portrayed as sold to the U.N. for freedom as Iraqi's Grand Strategy. BOGUS! Nothing about the PLANNING of killing people indiscriminately for financial criminal gains as bonafide terrorists, for we had unrestricted access prior to dropping bombs for mangy LIAR neocons. ORHA. I have yet heard FOXNEWS complain in pains of liar BUSH personally being the al-Qaida cause responsible, (like Alex Jones sells foolishly falsely also) More than a million INNOCENT people have been murdered directly by the criminal action of the broken Bush Rule, UN-CONSTITUTIONAL! General Johnny would teach MY soldiers to immediately arrest to kill for such criminality. In fact, I'd likely even throw in some bonus cash, an a Freedom medal from all lovers of Liberty. Did you know, many bushite sing a song about killing innocent young girls for pleasure? Did you know that also, an "American" radio host likes playing that same song as recorded on "American" airwaves? It should be noted, ungodly bushite enemy commanders call every car bomb in Iraq, al-Qaida, without even pretending to do freedom operations for YOUR protections, as just another dead body in the rubble. (Likely caused by Aegis for cash profit.) So then, look my friends, Amerka refuses to demand justice to save the lives of their very own sons and daughters. And when, WE, Humanity, beg them to answer our calls for accountability, they refuse but for to LIE, stating publicly, "God" would grant robbing from innocent others, to enrich their great unholy tyrannical demon liar. They know easily that the bushmob did 911, and they like it. No, they crave it. Wouldnt most Al-Qaida take great joy in killing a bushite nazi grunt like any real Family man would also? These LIAR dumfuk grunts who cheer "whore yeah", routinely, can barely read or write, so, how possibly does this FOXNEWS expert, expect such ungodly antichrist forces to delineate Al-Qaida from the local communities they PROVABLY indiscriminately bomb as Satanic?

Kristol and Kagan: Put Everything Behind Escalation So We Can Bomb Iran and Syria

Kristol and Kagan MUST be put to death for treason against America, treason against Life, treason against GOD. It is easily learned by any as all, the victims of bushite tyranny are exclusively, US, The People, guilty of nothing but our shared love of GOD. Remember forever: there was NO JUSIFIED REASON for bombing PEACEFUL Samara, NONE! that bombers confess was done as ordered by Allawi INDISCRIMINATELY, all for getting killed Marines sent in later for more stolen cash from America. MSNBC Poll: Over 400,000 (88%) Say Bush Should Be Impeached

Bush Successful at Permanent Legalization of Torture
http://www.prisonplanet.com/articles/march2006/070306Torture.htm

/ / The truth is that the Bush Administration has used the McCain
anti-torture bill to codify a policy of torture that is now
embedded in our legal system for perpetuity. \ \

WE'D be hunting down those bushite liars who
torture innocent people to death for their satanic pleasures.
For, you know it does warrant the Death Sentence in America,
right? (You can thank Reagan for that...)

/ / In a move that hardly indicates that he was a terrorist
plotting to attack a US government installation Tatar then
went to the Philadelphia police department to complain that he
was being pressured by someone into getting a map of Fort Dix
and that he thought this had something to do with a terrorist
plot. \ \

Didn't see this on our TV news either did You?

-

/ / On CBS' "Face the Nation," she claimed that intelligence
errors before the war were "worldwide" even though the
International Atomic Energy Agency's Mohamed ElBaradei
publicly stated there was "no evidence" of an Iraqi nuclear
program \ \

That from the 911 witch, who forbade a stop to hostilities IN
AMERICA'S NAME against the innocent in Lebanon. Nazi Israel
ADMITS to the targeting MURDER of any innocent persons who
drive in a truck. Perhaps Americans. Who cares? Not CBC or
CNN they'll tell you consistently absent from the crimes
scene.

Death to the zionist bushite enemy forces

/ / After it was revealed by the Plaid Cymru MP Adam Price
that British trained policemen had tortured prisoners to death
with drills, we discovered, through the New York Times (!!),
that American intelligence officers had been working alongside
them at the Jamiyat police station \ \

BASELESS?

/ / Prime Minister Stephen Harper "We will conclude a formal
agreement so that we never again face these baseless
allegations," he said. Thirty Afghan detainees have claimed
they were beaten, whipped, given electric shocks and denied
food once they were transferred to Afghan security forces by
the Canadian military \ \

These demons who war for ZIONIST censorship are a bunch a dope
pushing cop killers, who murder innocent people they call
'Taliban' better known as in Arabic - students.

-

Proudly kill the bushite who would drop from the sky, SEVEN
MILLION landmines on our cities to kill our children for
decades indiscriminately, while offering our Humanity to God no
apologies. Proudly kill the bushite savages all to
desperately survive ourselves creating a better world through
fair, free market communications. To warring for Liberty as
true Freedom wills, is for Justice understood as measured, not
just made up out of nowhere for the pleasures of those truly
Satanic. So spoke the King of being the wisdom we here
revealed by statement of timeless fact. Good will triumph
over evil. That's that.

Tenent "Lets everybody tell the truth."

It seems Tenent wants to inform us he actually meant when

Bushite War LIFE Itself - and - They Couldn't Care Less

'Alpha company patrols the poppy fields.'

"About the poppy harvest, currently gathering pace all around them, they couldn't care less." Instead they kill unarmed innocent people indiscriminately as enemies to ALL HUMAN LIFE.

They Couldn't Care Less

The 82 Airborne, in assisting in defending the world wide distribution and production of heroin, tells of murdering innocent farmers, that would never raise a gun in anger, are those they openly confess to target for first degree murder as labeled the, second tier Taliban. That's when not defending American Pension thiever ENRON'S pipeline managed under their extremist Muslim fundamentalist regime of intolerance for public communications, as the continuing thieving of 80 percent the Humanitarian Aid given by Canada to feed the STARVING, and school our children of the impoverished Afghanistan, as so reported. Eighty percent. 80. 80 percent stolen. I'm telling YOU: CBC couldn't care less about what Canadian soldiers are actually dying as COWARDS for: "Al-Qaida" = "General Mahmoud Ahmad" = "bush's ungodly partners in crime" CBC national radio management needs to be arrested in Canada for high TREASON. Please, be a Patriot, and demand these zionists allow open communication with the facts to save the lives of Canadians soldiers they hold in contempt to die as the bad guys committed to no better good.

The Pentagon's Power to Jail Americans Indefinitely
http://www.jonesreport.com/articles/270307_pentagon_power_jail.html

Look, demon enemies of Christ torture innocent people for fun, paid for by the silent American tax payer. Americans refuses to bother making a simple phone call to Coast to Coast to raise some concern. THEY don't. They refuse to hunt bushite down in their streets for death to defend the innocent held indefinitely against GOD'S will. Death to the bushite, death to Johnny's godless, lawless, fascist enemies of FREEDOM.

Look, CNN, CBC, and FOx News know the bushmob did 911, but will smile while watching your son or daughter sent out to die CONNED by their demonic hatred for US freely communicated. How do I know this? I made the effort of making the phone calls.

Allah is all, and negotiating for freedom from naked bushite tyranny is won EASILY through communicating understanding. Omar the Just knew this to say so, as do I. And this is why corporate news professionals forbid me to speak openly without nazi censorship, ON OUR AIR-WAVES, because I am honorable, right, and true as believable. While America's fun guy,

zionist George Norry, states to support PUBLICLY, the ungodly murder of innocent Arabic children for nothing but his personal contempt of YOUR DYING LIFE, while further wanting to invite thoughtlessly nuking places on Earth all for his secret hatred of US freely commutating. Typical bushite. Ending with to tell US again 'convincingly', that bin Laden did do 911 as a terror-ist bad guy in G's World!!?! How so? EH? How so? he don't care man, he don't care. He and his family have millions of dollars to sell you out, so why care for your struggle to survive in bushville soldiering?

Alex Jones and me aren't on the best of speaking terms, but I will state, a desire to address every same challenge he has adroitly addressed as publicly lacking. And when I am addressed 'officially', I will campaign to put US in the space to realize, we are the government, we are the people. We don't need to run to the hills and encamp ourselves away to defend ourselves to the max from the man, we are the man. I'm telling yeh, I know this to be so as the sea is we magically. Equal rights for all in God's name is self evident. Self evident to ME anyway... but well.. who am i?, right - I'll tell you as I have for more than a decade as a living fiction forsaken for lack of anybody anywhere understanding in totality what I am here on Earth as true Son to Man - a 'understandable' timeless stand in for G to gain recognition through as honest broker. [I've been everywhere around forever, and.. blahblah.. I know people really don't care to know of ancient wisdoms, truths that guide the order to the Universe, cause often they think I'm beyond their comprehension as a 'better than', when all power is in equal respect for others as our hurting brothers and sisters suffering with tyranny by our collective willful ignorance on Justice.[God's bestest is Just for every reason being thus]] I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really defend ourselves with.

Please my American friend, help US speak out freely Coast to Coast. So we together can start, on demanding Justice for all, as innocence in serious jeopardy. Dadullah is most likely an individual who holds at least some control over official military functions of NATO in the region. So, we're going to seed loyalties of the rare Patriots in the force to recognize our need to isolate who supports, not talking FREELY for peace easily in Afghanistan without question. No evidence was brought against Laden, therefore, the Taliban were True Patriots, and bushite traitors are pure racist nazi filth ridden, toxic, as being cowardly dishonorable as despicably evil, enemies to us all. Put US in Command.

Question the bushite, question to anyone who mumbles disagreement in the godly fact, that WE, as Humanity, will spend the better part of this next generation, hunting every last war profiteering nazi war criminal down for our real Freedom from their, so errorred "endless" tyranny of big money terror. Lawlessness with be outlawed, and ANY corporate american who mumbles otherwise, as an enemy totalitarianist, the clear ungodly, (as should be criminal,) will be put to challenge by their very own children, or parents, or bleeding dead brothers. Hannity must be tried for death as lying that the holocaust never happened from Iran. DEATH to the demon liar nazi fu-ker I say, DEATH to the demon liar nazi fu-ker.

Al-Qaida = General Mahmoud Ahmad

Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

/ / "Those who negotiate in the name of the Taliban will be killed," he said. He did not elaborate. \ \ He's either with the proven cowards of JTF2, or the two or three "CIA" guys

secretly hunting bin Laden in caves out there with tens of billions of dollars. SPENT EACH YEAR 'unknowingly'. (No reason why, but, they just can't tell You, as the paying for it really while DYING) Put US in Command.

/ / The Mujahideen aren't students of power and don't compete for power like others do. We are students of truth and work for establishing this truth and for this cause we sacrifice our power \ \

kill all of them

/ / In his testimony on Wednesday, Pfc. Bradley Mason of Company C said that on May 8, the night before the raid, Colonel Steele told soldiers to ``kill all of them.'' Three other soldiers gave similar testimony. \ \

I would offer rewards for more soldiers to come forward. Why? because there truly is, no honor among thieves. Every bushite soldier in Iraq for the liar neocon is minimum, a purposeless dumfuked cowardly thief. See? if you offer a reward, and they don't take it, their 'fellow' bushite, kill'em for it, right? why take the risk it'll cash in over your worthless life? For, who can trust a lying bushite nazi savage? certainly not a lying bushite nazi savage. In other words: speak against committing war criminal acts of lawless aggression in Iraq for Bush, as CLEARLY un-American, and I'll try to forgive you as human. Or, I guess you'll kill yourselves in mutually muted total contempt for this universal life as actually worth something.

When you see and hear on video, sexually dysfunctional, as sadistically satanic grunt puke pro-bush soldiers moaning, while deliberately killing innocent defenseless Family People running for our dying lives from a holy church, or as just simply anyone standing near the side of the road, then, my friend, you'll begin to understand what evil actually is. And, what needs to be done to seriously save ourselves. Seriously. Justice must be won sooner than later.

Five Star American General Johnny Wizard will train American Soldiers to recognize such demonic behaviors in combat as worthy of immediate frag to defend the lives of truly fellow honorable soldiers. Soldiers ACTually, committed to freedom from godless satanic dumfuk tyranny of the antichrist demon, Mr. evil personified, the UN-ELECTED 911 TERRORIST, George Walker Bush and CO..

Come on now, who wouldn't take great joy in destroying any and all such ungodly bushite hatred for Humanity in this light of day, eh? In fact,why don't American Congessmen, who believe in defending Liberty, campaign JUST that? Why not??? Is it because they're LIARS?

Like Coast to Coast's fun guy, he ain't taking our screams, George "pro Arab child Killer" Norry??

Rapists and torturers must not be allowed to rule our pirated authority through defending the further 'escape' of the bushmob for 911.

/ / As a result, the Defense Department put up a Web site in 2005 designed to clarify [to the dumfuk bushite demon liars] that sexual assault is illegal [...] \ \

Let's save some lives, what do you say guys?

Or, are we going to go further with this: George W. Bush: "If the absence of violence is victory, no one will ever win."

YOU

"If the absence of violence is victory, no one will ever win." http://cleveland.indymedia.org/news/2007/03/24652.php

I know, it's seems odd that I am, at the same time, offering answers to any question on the science of God as is pertains to Justice measured, but this is just who I am to be conscious man. So, if we can get over the shock of me being so especially normal, maybe we can then realize, I have some simple good old ideas that transcend through time by rational understanding communicable between any two people. I am not a "miracle worker" to all those I advise to not eat Aspartame because it's a poison that also makes your body crave un-needed carbs, that will likely convert to more unless fat. So, it slowly kills you, while making you fatter than you need be along the dead end journey faithing in "the system". So, why do some do it religiously? Who cares (for now) but to say, our governments are failing US miserably. I spoke personally with one of the head scientists in Canada at "Health Food and Safety", and he told me the scientific analysis done by reputable scientists I found freely available repeatedly on the internet years ago, was completely true. (It breaks down to formaldehyde, and methanol (a slow lethal poison), among other shockers. Poison. P-o-i-s-o-n-s in our food stuffs. Poisons.) However, he could take no action to defend Canadians "officially" because we, Canadians, have our corporate interest news departments completely refusing to defend ourselves from corporate exploitation anywhere, and as natural consequence, we, as the dying world, would together unrepresented, probably lose a law suit from mutant Monsanto through the self inflicted bounds of OUR censored WTO program. - instituted through the top secretly mastered puppet people persons of the 'unseen' NWO I guess.

I'm telling you, we need me as King.

Look: Aegis's workforce, for American PAYING profit, has been publicly disclosed through CNN to be shooting people in Iraq indiscriminately for your money, and when the Pentagon was contacted by Nick Roberts about what would be done, they responded, nothing would be done by Johnny's America but to increase the multi-hundred-million dollar contract with demon enemy Tim Spicer to continue. Now... why you ask? Because

the neocon liars, steal money by lying to cowardly American kids about what they mindlessly, without thought, give their souls for. Tim Spicer openly hires South African goons to commit hardships for American GIs to die without end for, in lawless tyranny. Peace sells less money for the neocon war profiteers to murder the innocent American as. (Iraqis, along with the rest of Humanity's Men, WILL eventually learn this truth, or life for you will end.) As an Arab hating bushite, (like what you'd find as a publicly proud practiced hatred for all Humanity, by an Amerkan dumfuk soldier in Google's alt.religion.islam), they say nothing for Freedom by Justice, but root themselves to Spicer's monsters who like killing black guys, as world renown mass murdering racist nazi filth. That's why zionist Israel loves them so much.

Look: Somebody stole four trillion dollars out of the Pentagon.

Look: corporate magic TV people couldn't care less for US if they tried. Ahmad funded Atta. bin Laden claimed he played no part in 911. And video of iron running like water moments before the first tower fell is freely available for download all over the place.

Look: Barbra Bodine did the Cole bombing. [the Cole whose crew has been completely overhauled. Where are the many who served there NOW eh?]

Look: America has kidnapped countless thousands without evidence to be held against OUR will indefinitely. [Like the NOT Jewish Israel]

Look: innocent people are being tortured to death by those who hide OPENLY in America's uniform. [let US hunt them down for GOD, despite what demon lies they argue give them as Satanic to avoid "The Law".]

Look: the bushmob war profiteers STOLE the Iraqi Development fund

Look: the more than 10,000 security contractors for Bush are officially deemed lawlessly unaccountable to anyone - THINK ABOUT IT

Look: Negroponte PERSONALLY stole the Iraqi emergency water provision money

Look: Sattler OPENLY committed the worst war crimes of all Humanity's history

REPENT. [from the Greek, meaning to think.]

The TRUE Son of Man Johnny Wizard Exists Born to this Eternal World to end permanently demonic bushite enemies of Creation. Help Life out by destroying cowardly America's greatest threat to the Species, the greatest threat against Humanity's Freedom to be Loved by God. Corporate nazi zionist bushlores at CBC, CNN, and criminal thieving from the desperately poor in Winnipeg CJOBers forbid open communications, and I can't 'take over', because then I'd be defeating my own, power to the Peoples argument. So, it really is up to YOU, yes you there... reader. Who.. really..? YOU, here, now. Life begs, takes a stand for your fellow man, and demand our voices heard for the defense of the entire human race. And be quick about it. Repuglicons don't want freedom from endless war where they kill your forsaken kids, for we all know, bushites would be publicly tried, then spend the rest of their treasonous lives behind bars broke, or dead from lethal injections made popular in America. Again, officer Bowman is responsible for letting 'escape' those from Fort Detrick, who attempted to murder the American Congressmen who thought going into lawless tyranny, !makes no sense! Where is corporate America on our issues when OUR free speech is ruled by the irrational evil minds of Limbaugh, Bell, and Norry?!?!! Back to Bowman: Bowman, also is responsible for sabotaging the Moussaoui warrant. And, how much you wanna bet, he's probably the same bushite who found Atta's passport, and likely had all 19 names of the high-jackers to give CNN, CBC, and FoxNews just like the neocon's "bin Laden" would have too. Take the publicly prancing bushite enemy out for questions by yourself, if he doesn't plead his defense publicly on Coast to Coast by tomorrow. Remember, there ain't an "Intelligence" group worth their salt on the face of our Earth, that doesn't know exactly what I'm doing here honorably for a real Justice made through careful thought. So, support Johnny Wizard speaking for public challenges internationally, and with the 23 plus co-operating for life 'Intel' agencies, along with, anyone else who can join in on the call. as a growing number of Patriot Soldiers, who trust yourself to see, this wanting of Justice isn't complicated. A person accused of a terrorist event without any evidence, has our accuser a bushite, who should be watched carefully until verifiable conclusions are done by the understanding of fact. Not faith. With George W. Bush making real decisions in faith, expecting us to believe as corporately broadcasted unabashedly unbiased, that he is not a deliberate incompetent monster war criminal of unfathomable evil?, who is just too 'stupid' to understand why we are innocent until proven otherwise?, is really something we all need to scream about to save our dying lives.

"[..] just like the neocon's "bin Laden" would have too."

However, the real Laden, on video taped confession, claimed he played no part whatsoever in 911, then later, offered himself

for arrest, confident he would be acquitted. Not corporately newsworthy though, so, few even know why their American child was later died in the terrorists act of corporate contempt for US living Freedom with something greater as real Justice wills

1. We, as the People, demand you allow US, the human species to openly discuss the public evidence on who funded the terrorist acts of 911 according to the FBI. And full disclosure on the science of building Seven.

2. That the Iraq war never had, nor ever will have a justification.

3. Also, that mercury tainted vaccines are deadly stupid. Mercury is scientifically understood, without question, (no doubt) to be a neural-toxin

You must wake up to life's demand for you to defend our dying lives my friend. Please? Make the call, be a man to defend our women. Be a man to protect our children.

Hey Andy; I am scanning a Motorola Analog Smartnet system using a Spectra mobile. I know that in just a few months the rebanding will render my Spectra obsolete. What model RS base station scanners will be capable of the new NPSPAC channel allotments either by software upgrade or newly compatible. Also, do the trunk trackers listen to the 3600 baud control channel or do they just scan the trunks looking at lowspeed data?

we have a lot of about 100 to 150 older crystal scanners from an ESTATE. these were cleaned up and bagged by the owner. there are many parts also available, new and used. MANY HAVE POWER CORDS AND ANTENNAS. makes are regency, realistic, robyn, uniden, bearcat, craig, sears, rca, mcdonald, fanon and others. if there is any interest, this stuff will be available cheap by the piece or as a defined lot. sorry we have not been able to test any of it, but most looks very good. also have bins of manuals and schematics for service. thanks for looking.

When I bought my first one a few years ago the city had just gone to a
trunked system here. I had a Pro-95 that I had figured out how to use. The
BC246T was like learning all over again. It's simple once you do it, but it
was a PITA at first. There used to be a Yahoo group for them, probably still
is. Was a LOT of help for me.

Well George Fetter is trying to make news again.

He is probably one of just a very few felons to work WAS (Worked All States) and DXCC (Work 100 DX Countries) on the Ham bands. The megalomaniac still cannot help bragging. He had to update his profile on one of the Ham interest Websites and tell the world how special he is.... my ass!!

Of course, he has done this on CW. If anyone hears him they would call him out. He has a voice that can easily be recognized. He sounds like Richard Simmons.

This is quite an accomplishment. George has done this all during daylight hours. I guess he hasn't been able to find a real job (or doesn't want to)..... or he is still out there scamming people on the Internet to pay for the hobby and that mortgage for that oceanside adobe he has. I wonder if he working all this DX in order to make aquaintances to foreign lands that don't have extradition agreements with the U.S.

Time will tell. George has 2 years and a month left on probation to screw up.
This hobby would be best without him.

Probably will depend on what you are trying to hear. On my 246T I use a
Radio Shack 800 antenna. I almost only listen to 800MHZ trunked and it does
improve these. When I use it to listen to the County which is in the 100
range it seems to do just as well in most parts of town.

We are at the very bottom of the solar sunspot cycle right now.
Long distance HF radio communications should improve steadily for the next
four years or so. You can check on the current solar conditions here:
http://www.swpc.noaa.gov/SolarCycle/
Keep in mind that most of the frequency bands found on a typical scanner are
too high to be greatly affected by the solar cycle.

Well George Fetter is trying to make More news.

George has finally updated (probably in violation of his probation order) milaircomms.CON and has recognized two un-named individuals as "2007 Assholes ot the Year." I was very disappointed that there are only two. I can think of about a dozen of us that deserved that title from him.

Sure is great to be an Asshole.

Hey there guys -

I have a BC796D and I have set up the trunk section, control channels...in order but it will not log a call
in the trunk mode and no IDs are shown..

I can only receive on each control channel, trunk off and I do NOT see any IDs.

The system I am trying to monitor says its EDACS standard which from what I read is EDACS-wide.
I have tried EDACS-narrow too..no luck with any ID information trunking.

I can send screen shots as an attachment if someone would be willing to look at the config.

Thanks
John

http://www.whodidit.org/cocon.html

Support our calls for open debate on our international channels of state. CBC, CNN, BBC and FOXNEWS specialists, are warring our lives by forbidding US speaking for freedom's stake. "A free man shall not be imprisoned" is not ideology, it is the freedom to be freely communicated. To except CNN and FOXNEWS is unbiased when it comes to kidnapping and torture, war criming and poisonings, is to except corporate news interests do not serve the interests of defending US, the dying forsaken public. The waves are ours. Let Johnny speak for public challenge on Coast to Coast.

http://revcom.us/a/111/iraq-en.html

/ / Aws Fahmi saw Marines going house to house, killing members of three families. He heard his neighbor plead in English for his life and the lives of his family. "But they killed him, and his wife and daughters," Fahmi said. The girls were ages 14, 10, 5, 3 and 1. \ \

Again, Lt. Gen. James N. Mattis, the women and child killer, is the American 'Judge' appointed by the bushmob to delineate good from evil on this matter of fully confessed indiscriminate murdering. Again, thieving bushite dope pushers, don't hunt the terror group Aegis, no instead, drop bombs on innocent families, to die in collateral as cowards to tyranny. As so planned by the Pentagon's P2OG. Defend America's America, by supporting the arrest for global public trials of the criminal Bush regime, the evil neocons for the crimes of 911. Please, bill a bushite like "mad dog" Mattis to save an America where innocents are defended from the enemies of Justice. The enemies of God.

CNN, CBC, and FOXNEWS is not doing our jobs by reporting blindly lawless bushite thieves for the antichrist are heroes. For starters: Al-Qaida = General Mahmoud Ahmad, and, bombs dropped as the air forces of NATO kill innocent people by criminal intention carried out by bushite demon liars waving our flag.

.I guess a soldier's word doesn't count for much in bushville.

The bushmob did 911 as traitors to God and Country, don't you
know anything worth living for? my dying unjustly brothers
and sisters? My friends, please fear not wisdom communicated
by a REAL Man, for, we explain ourselves to the best of YOUR
ability to listen simply. G. W. Bush used no evidence to
form America's "conclusion" on who did US wrong on 911. So,
Please, stop forsaking yourself, for, we're going nowhere.

Support Johnny's call to demand open debate without censorship
from the magic radio and TV execs, who hide in darkness,
pretending to be our friends, while refusing intelligent
dialog to answer any of our big troubles easily. Why?
because largely, they're powerless without beating us down as
giving 'Christ like' VICTIM so much - with their irrational
ignorance for our survivals by the fittest. The fittest Ideas
that rule this Universe, are the simplest, most easy to
understand, but I digress about GOD'S greatness, for we know,.

Well, a criminal willed the murder of another, and now it thinks it can't be arrested because it says for US to do so, would be anti-Jew. And no, I'm sure Johnny would word it in today's climate, arresting a murderer for murder. See? A true "Jewish State" would be one where all people were treated fairly, as the actions of a peoples who believed in God as holy an' righteous. CNN with George Norry destroys American children by forbidding US to knowing mercury causes neurological damage - instituted through threatening false arrest as irrational. CNN with George Norry destroys America by forbidding US to fight for just causes to defend our dying as robbed forsaken families. Like pensions, mortgages, and lotteries. Please support my demands for US to be heard. Please do it for yourself.
CNN, CBC, and FOXNEWS repeatedly report they take our calls, while clearly they refuse. Truth means they lose as the elite war mongering liar thieves, and we win as liberators who take our concerns seriously.
Will you try to save your soul when it's all over then? Why not make a call now for your dying self? Please do not leave God to die, as the love for yourself lost to personal indifference.

2.

On March 3, 2002, MSNBC's Jim Miklaszewski reported that he had received anonymously, top secret presidential war strategy documents dated September 9th, 2001, originating from Condolezza's office, outlining a strategy to invade Afghanistan premised on blaming bin Laden a terrorist, but providing no evidence to back up the allegation, thereby, securing criminal invasion.

Look, families are threatened with arrest for not agreeing to cause neurological damage to their children. The cause for why their children are not in school, is not the parents fault, but the unlawful decision by the health authority to not allow the children in school. Israeli Child Killers: Documentary Proof
http://www.revisionisthistory.org/palestine46.html

This ain't right

Look, the guy who murdered the two thieves, is guilty for such. He acted to intentionally murder. MURDER. Do cops kill kids who steal bubble gums?, or if they did, would an American then think justice lacking? Cops were near the scene, and the murderer held no pause to kill thieves with their hands full. How about, 'drop to the ground' before pulling the trigger? No, the murderer told US he wanted to murder. Would spitting on the ground in America blindly call for executions because who knows what the spitter would have then done later? The thieves were of no alleged personal threat to life by the murderer, and would have likely been caught by smarter cops who were in waiting.

What unspeakable evil is this, that CNN, FOXNEWS, and CBC doesn't believe YOU deserve to know the science of?

To Kill a Bushite, is to be Heroic

To further murder as these ungodly bushite liars do today as our suffering Mankind, is to blindly swear public allegiance to the for real DEMONIC antichrist THIEVES. Bushite enemies are evil nazi dumfuk scum, liars who cowardly watch America in her weakness be high jacked, and squeak nothing for Just words in our REAL defense for dying. Play pretending their actually real men, because to really be so, requires real strength. Not bush bitch Marines "WHORES YEAH!" strength, where they cowardly can't figure to defend America from ungodly war criminals. War criminals who deliberately set them up with Satanic 'black magic' to be killed in criminal actions. P2OG. But see?, the bushite fodder, can't care enough for Life to read, because it already knows like the zionist, it's an ungodly coward and a thief, as siding to lying and censorship, this will out work for evil doers in the long run without any consequences to themselves as Our sworn eternal enemy.

The Whole Truth - Christ Claims Torture Illegal

Torture IS illegal, yet, the TV threat is trying to teach America that We, The People, haven't spoken on this issue since Law came to be. Please, I beg, please fight back for Humanity by not excepting a zionist's betrayal to G-D on this subject. TV celebs are programming that waterboarding, head slapping, and the burning of innocent people to death for a treasonous bushite's satanic pleasure, is arguably in support of defending my dying America, through assisting in the neocon's escape for 911. Death to the torturers of innocent people, death to the enemies of Christ in America.

Torture is a crime warranting a life term sentence or death in America by LAW - firmly established already by the "War Crimes Act" of 1986. Demand Justice to save the lives of our innocent selves forsaken by the for cash profit, private news parrots. Believe in US demanding open debate for a positive change why don't you.. THE GREAT KING OF AMERICA

PBS et al.. The bushmob is thieving billions from America as we speak, to further terrorize a dying America lost to the indifference broadcasted daily on almost every radio and TV network as our silenced voices.

Mr. Bush, the terrorist, doesn't care to war for your stolen billions, instead wants to kill even more innocent others as neoconner traitor. In your name as "American." Johnny America begs to disagree with criminals actually, and has taken a stand against these 911 war mongers escaping our authority for proper Public acknowledgment. If you, my reader, would only support yourself.

Please, my friends, fight for our dying America. The TV and radio celebs deliberately refuse to allow US to know: Ahmad funded Atta, and, of the videos of iron flowing like water from the WTC towers - all to KILL ourselves for the enemy liar neocon. To KILL. OUR innocent families are being robbed and murdered. CJOB, in Winnipeg, like FOXNEWS, lies daily to dumber than average teen soldiers, not to defend freedom, or Canada, but to die for dope pushing Islamic fundamentalism in assisting the truly evil neocons escape for the crimes of 911. How can anyone be so truly evil to Humanity you may hide in fear of confronting directly? CJOB relentlessly THIEVES from Manitobans, with our seriously corrupt lotteries they pocket millions in criminal gains stolen from our most poor and desperate, they work to CRIMINALLY give away our public resources to their self described Zionist, 'kill the Jews, kill the Jews' anti-humans. These nazi pigs celebrate their public hatred for innocent humans with LIES about 911, Israel, and anything else that threatens Justice to win through free open communications. Bush, as does every neocon, needs to be tried publicly then executed for the crimes of 911 with his

partner, General Ahmad, according to every honorable Police agency that uses evidence to form OUR conclusions. Please fight for Justice, please fight for Life, please fight for yourself by picking up YOUR phone and calling for a Humanity that would care if you tried to do what was right. Do you expect yourself to fail trying? Just try for your life's sake I beg, just try. Or.. die you will, die YOU will. Christ kills a bushite with a Love for GOD that will never die, but I AM ONLY ONE MAN. WE HATE bushite to death I do, see?, wouldn't you as anywho too? Think about it. Dying as a slave to the demon antichrist, or live for a better future by demanding Justice IS Freedom. We want to be Just for ourselves to be believed in. We, The people, want true accountability. Don't be cowardly stupider than stupid allots.

It is not just a Muslim who sees the bushite as an enemy to Humanity. These lawless savages have been acting without accountability to anyone, because they are largely enemies of every American, who cowardly run from responsibility in America to defend their own brothers and sisters from the LIAR neocon, and die instead as/with rapists, torturers, and Art Bell liking THIEVES. An Oath to God means nothing to a busite grunting savaged criminal, claiming to be lawless as an enemy to EVERY HUMAN BEING. Remember: these thieves have stolen from all still paying Americans dying from true self contempt. No evidence against an accused is US being truly abused.

Listen to this demon nazi witch, the zionist bitch who personally FORBADE a plead to stop indiscriminate killing in Lebanon, assisted in dropping seven million land mines on Lebanon, and was CENTRAL to the invasion of Afghanistan for Enron's master plan, tells US with bushite lies that no, Iran was responsible for the terrorist crimes she fully acknowledges to be responsible for actually. I ASK: ARE THERE any soldiers from America who don't believe this 911 witch shouldn't be tried for high treason as a bonafide TERRORIST? Listen to the end where she says America supports Iran's pursuit of nuclear energy... so why does she want to murder millions of innocent people with fall out then.. EH>? WORLD: threaten to liberate nazi America, if they indiscriminately murder millions more of innocent souls without cause, but for the demon antichrist thieves who speak nothing to defend Humanity. Much like happy happy who cares Germans were under "liberator" Hitler. Except however, in our defense, we at that time, didn't have our internets, or so many, 'you have no power, you have no power' corporate news channels for Americans to quietly sleep through. Americans who refuse to speak outrage in the defense of the Human Race, are Americans not worthy the title of fellow

Human beings. All they as bushmob amerika have done, is thieve, destroy and murder from everyone of US since 911. I am growing wearily concerned over whether Americans even can still express real anger over their continuing sacrifice.

ZIONIST NAZIS QUOTE US SAYING everyday 'Kill the Jews, kill the Jews' No, bill the escaping un-arrested zionist god betrayers who rape, murder and steal from Humanity as LIARS - all done by US to DEFEND Jews, to Defend G-D, To defend Christ.

True Tyranny - to continue as an American refusing to publicly demand torture, theft, and murder as unacceptable when battlin' evil for your dying freedoms.. Evidence we must pursue on 911 to know really what the heavens Johnny 'The Law Man' is talking about still. Justice to the bushwhacker neocon soldier, a foreigner who apparently speaks no defense for innocent Americans dying sacrificed as conned for the ill

stolen gains of the 911 trifecta. Justice to the lying enemies of freedom for America in Christ. Justice for YOU.

Justice to the bushite, Justice to the enemies of America, so called out the Son to God as King of men:

BELIEVE!

Like, so in walks this, out of work time Lord who thinks to converse to the masses about the most basic of reasons to save the lives of innocent others, leaving him convinced, he really needed an audience for this fable to rise as profitable venture. So, it was followed to make it out there in this real world, is to care for Justice measured. All done so to bring greater hope for a better future as all would follow, boy, were they surprised!

Johnny Wizard has arrived..

Spare me some money won't you please for this art of wondrous tragedy?, Jeeze.. I seriously need money to feed myself.

P.S. I'm still hoping that Coast to Coast will bill me godman co-host, all to openly address these freedom for all operations, with Justice ruling our way over the irrational tyrannies practiced by others happily blinded. Evidence is required to convince ourselves on who is good or evil. Period. Don't like it? Too bad. We are on charged!!

CJOB STEALS millions from poor Winnipeggers through their fraud of lotteries, and as a consequence, they'll cheer our sons and daughters to die cowardly instead, for lawless Bush rule, where evidenced findings of Our police agencies are forbidden topic material, like mathematics, and instead, bin Laden did "it", now die for the demon antichrist LIAR ENEMY OF GOD. Al-Qaida = General Mahmoud Ahmad

/ / "I grabbed her little sister and put her in front of me . . as the bullets began to fly, the blood sprayed from between her eyes, and then I laughed maniacally." [, then were heard the cheers of godless bushite dumfuk traitors obscening to God and Man as the unholy enemy.]

What ever happened to butterfly kisses after evening prayers?

Are you telling me, an American Father, wouldn't gloriously kill this lawless bushite enemy and his demonic ilk, for our love of girls everywhere? Or, how about the UNARRESTED soldiers we witnessed on video beat shoeless children practically to death while laughing and cheering? Or like those that speak zero defenses for Haditha's confessed MASS MURDERING irrational women and child killers? The REAL demons CONFESS to going into a house, WITHOUT reasoned approach, and

slaughtering an entire INNOCENT family.. for nothing but
their lifeless SATANIC pleasures. The 'cause'? "The [mass
murdered unarmed innocent neighbor's] back door was open.."
To, for God, gloriously, with love, kill these unarrested
murderous continuing ungodly bushite nazis, is to war the TRUE

their provable DEMONIC LIES. Death to the bushite enemies of

'escape' the neocons for 911. Your magic TV exec excuses

Nazi Israel, the ungodly nation that murders Christians in
G-D's name AS THIEVES, deserves to die as proven war
criminals, to bring about a living nation that respects the
Jew by Law, to be just me or You living freely for happiness.
Israel is a nation who's nazi government HATES GOD, because

USEFUL! Tell me, wouldn't YOU have publicly tried, then
executed neocon traitors for mass murder if you were
dying as Johnny's America?

AIDS as a weapon used by those of "Project Paperclip",
zionist neocons who war as enemies of humankind? What
evidence does a bushite need, when it thoughtlessly murders
America for demon bush as it's "G-D"?, the thing that does

I'm telling you America, George Norry is a blatant naked traitor talking the love of your innocent dying sons and daughters as too stupid and cowardly to defend our dying America from the actual 'escaping' neocon 911 perpetrators.

MAKE OATH AND SAY

Christ, The Son of Man, begs the godly men of Earth, to judicially bill on sight, any neocon soldier who supports the carnage waged in Afghanistan as cop killing dope pushers. CNN must, and WILL be tried for high treason for their demon lies broadcasting the northern alliance don't push dope, while the Taliban did, and do. CNN execs will be put to death for such demonic claims that stand no ground in the light of all evidence. Plus, the Taliban were honorable in defending America by demanding facts to form our conclusions on how bin Laden is in anyway connected to the crimes of 911. Example: how did bin Laden sneak the explosives into building seven with his bulky dialisis machine dumfuks? I HATE bushite to death I DO. Death to the bushite, death to the enemies of Mankind.

AMERICA HATES BUSHITE

/ / The [BUSHITE ENEMY] US has said it would refuse any request by Italy to extradite the accused [satanic bushite torturers of completely INNOCENT PEOPLE]. \ \

Protestor's sign: "killing innocent people is the problem not the solution."

Christ, The Son of Man, begs the godly men of Earth, to judicially bill on sight, any neocon soldier who supports the carnage waged in Afghanistan as cop killing dope pushers. They shoot innocent women and children dead in the streets for humor, and bushite pirates at CBC and CNN, state bushite in Afghanistan are doing a good thing helping the bushmob escape the crimes of 911 by warring for Muslim fundamentalism, persecuting INNOCENT women and Christians, while for entertainment, bomb innocent families running for their lives from a Holy Church. Soulless child killing soldiers who CBC execs would tell are our DEMONIC heroes. Lawless dope pushing cop killers have got to go down dead screaming, instead of the innocent - YOU and me they target for MURDER. Death to the dishonorable bushite THIEVES, death to the enemy neocon LIARS

of GOD and man.

We can really be something greater, while a murderous bushite thief, a LIAR, can hardly read or write Liberty without flinching from self contempt.

Kill a bushite LIAR, why don't you my brothers and sisters of the faith in something greater than bushite godless tyranny?

Soldiers of fortune: kill the lawless bushite nazi savages to defend MY dying America.

Sir Ken, head of the Crown Prosecution Service

"The fight against terrorism on the streets of [..] is not a war. It is the prevention of crime, the enforcement of our laws and the winning of justice for those damaged by their infringement."

You got that right. So, join US in demanding the quick trials, and public executions of known bushite enemies who murdered Americans on 911 with general Ahmad, and who with Peter Power, murdered the innocent in Britain for more stolen goods against God. And anyone in the air force as bushite bombers should be a great joy for US all to hunt for prosecuting too. The bushite dumfuk is an enemy to our lives, with it's blatant naked contempt for the innocent, who like the demon liar THEIVES at CJOB, George Norry, or Hannity, will forbid ANY human defenses of the lawless dictate of the IRRATIONAL tyrannical demon antichrist, all so to victimize more of You as the censored forsaken.

-

/ / The mere fact that one can deduce a motive for a person or a group does not mean that they perpetrated the act...and it hardly suffices as proof of anything.\ \

Just try telling that to 'why work to make life better' CBC, CNN, or FOXNEWS censors. Look at me!! They refuse to acknowledge my documented info as REALLY important to your continued ACTUAL survival.

Who fuking cares right? Certainly not the enemies of America at the Coast to Coast radio network, who would kill Americans for the rich neocons without question. It's JUST American kids getting conned to die as bad guys.

God is Great

Again, George W. bush did 911 with General Ahmad, but CBC zionists, actual treasonous LIARS, actually smile to dying Canadian soldiers with only true contempt. CBC kills Canadian kids, with their intentional demon lies, trying to subvert

Justice for God and Johnny. In fact, yesterday, they did a special, all on how "God is NOT Great", giving that bush bitch demon LIAR, all the space to pontificate it's hatred for Wisdom, Science, and GOD, with only nods and smiles from the 'illiterate' hord. Remember: A zionist KNOWS it's an enemy of Humanity when it supports dropping seven million land minds to murder indiscriminately OUR CHILDREN for decades, or stealing a Christians Home because they say God says Jews would do such ungodly acts. Blame innocent Jews the holocaust denying zionist shout, of which not one, is a Jew. Like me.

REMBERANCE DAY

So Remember: Bushite grunts told the world they wouldn't let anyone out of the city, because [enemy Sattler LIED] pro-bushite Zarqawi was there present, so the innocent families who believed they had nothing to fear from the liar disciples of the ungodly enemy of ALL HUMAN LIVES, remained in the tiny city to be indiscriminately 'protected' with more than nine two thousand pound bombs, or made dead instead by heinous pro-bush escaping war criminals who used white phosphorous on civilization. All to die our Humanity for the thieved loss of evidence to demand ourselves of some official freedom time to deal with our terrorized as suffering reality.

Senior Military analyst, Rob Riggle "In the field John, the soldiers are out there, every day, risking their lives, for a common Ideal: that none of the President's decisions be questioned."

This is more true than a bushite would admit before murdering a honorable father to rape his young child, like Lcpl

Boudreaux freely confesses. Boudreaux will tell you, openly, you have to murder the Arab father of the Arab child your planning to rape, because if you don't, that Father will spend the rest of this life, hunting you down in the streets to rip you limb from limb for it.

Let US, me and the few, proud, and the brave, bring that Father's intent to bare on lancing Boudreaux, and any other who would sing in it's ungodly defense.

Zionist american media news celebs do tell, everyday, soldiers for the neocon are all Heroes.

Please, my brothers, join me in hunting each and every bushite present in this video down for death. For a Love of God that will never end, until we have seen each and every responsible child killing bushite present brought to true Justice extreme.

Goldsmith... yes, Goldsmith

Goldsmith has revealed the bushmob, specifically Cheney, consults with neocon authority in Egypt, and anti-Jew Saudi Arabia, on how to best torture innocent people to death as TRUE enemies of Man. Has anyone read the fiction 1984? 'Why is it so crazy'?, you might ask an un-responsive big sky of Love? Well, the Bush administration committed 911 with General Ahmad that's why.. and threatening Humanity with torture, is how the neocons plan to fear YOU into speaking nothing for the defense of innocent others.. As a consequence, more than half the monies spent each month on this war against civilized Life, isn't accounted for by anyone. Except those at the Pentagon STEALING from a deafened America. In fact, Moyers at PBS reported none! of the billions flowing out of American pocket books EVERY MONTH for the bushmob war monger shysters is actually audited for the taxing payers.

Mr. Bush, the terrorist, doesn't care to war for your stolen billions, instead wants to kill even more innocent others as

neoconner traitor. In your name as "American."

Support my rise against Living's enemy George Norry, by making an effort to demand real Justice for dying American values.

CBC just did a report about all the great heroin coming in from Afghanistan, that will still cause crime, and be illegal, (and maybe give you life in prison as an American,) but brought in with the help of the demonically evil bushite thieving murderous military, by the likely ton full to attack our direct family left un-protected, BY YOU PERSONALLY. And guess what? THEY, our media masters, couldn't care less if they actually tried to be our good guys. Reminder: the god guys is good, the demon liar antichrist evil enemies who thieve from Life with censorship is bad. If they hide ourselves too far, they loose all around, up and down. So get to it. Or don't. Your choice. Life lived Now, or damnable death by cowardly design brought forthwith under your own power to do nothing under such terrible costs against our suffering natures.

Typical tyranny for media control over all of Life for the beginners is this treasonous betrayal against our Nature, by refusing to be honest about our potential to be far greater than first considered. If they'd only allow US to have open communications, all our worlds would be better living for it.

Demand Coast to Coast hosts allow America to defend America.

Help me gain access to speak freely for open challenge against Hannity, and of America's Coast to Coast Radio network hosts, who deliberately deny you to contend, we're really, one hell of a great bunch of People persons with rights God damn them.

God Damn America

You f-cks, because Bush told congressmen secretly about truly torturing innocent people to death in YOUR name, doesn't make the crime any less satanic. True Christians will execute bushite torturers with glee. America will pay millions a head for each bush bitch nazi traitor to children as family. The neocons will all be tried to death for treasons like 911, and for supporting a slaughter against Iran. For Petraeus has giving US no evidence to form our conclusions on the validity of his therefore, TREASONOUS statements. Bushite are murderous thieves of Iraq and deserve by the measurements of any civilized man, a action worthy of death as demonic, before allowed to further steal from our Humanity. SAUDI Bush bitch Buford Blount gave out 170 tons of explosives to KILL marines with, and Petraeus doesn't call for his rightful death, nor for death to be brought to bushite soldiers who kidnapped bare footed children to be beaten to death on video tape. ¿KILL THE LAWLESS BUSHITE DEMONS HUMANITY SCREAMS IN AGONY] hundreds of thousand of guns were 'lost' in Iraq through bushite management skills, and liar Petraeus speaks no outrage. Private death squad goons are committing crimes against GOD, and Petraeus blames no one. MORE than half the monthly bill for these bushite bleeding atrocities to Humanity, are not even accounted for by ANYONE, but for the thieves at the Pentagon who are ROBBING america with Petraeus' silence on the life and death issue of America. Again, Petraeus knows the bushmob did 911, and would rather kill your stupid american teen, than stand for freedom in America by holding evidence a pre-requisite in determining OUR capital allegations. Death to the false accusing bushite, death to the enemies of America,

Jon Stewart, the twisted nazi clucker, claims now to be a "Big Jew". The demon zionist, who claims he can commit no crime against GOD with silence on the issue of innocent Humans being robbed and murdered by zionist 'buddy' Kristol, and as such, spews nothing on 911's demon witch Condi dropping seven million land mines on Lebanon, to murder Jewish children indiscriminately for decades, no, he just laughs at G-D'S true suffering like traitor enemy happy happy George Norry. Laughs at torture being actually allowed, while laughing in contempt at politicians who wisely will to re-distribute the nation's wealth to it's worthy Citizens. Instead of some nationless nazi "jew" like Jon Stewart, a free loading foreigner who came to religion to take away life from hard working American sufferers who want truly in Justice as Freedom. al-Qaida = General Mahmoud Ahmad. Torture IS against the law, and deserves the death sentence. Bushite Cofer Black MUST be put to death for being a Satanic demon enemy of Human life, who freely admits he tortures innocent people to help escape the neocons for 911. Bill a bushite for America, bill a bushite for God. What do Texans own guns for, if not to bill a

bushite child killer like those in the evil enemy pro-bush air force. Bushite repeatedly have been found killing innocent people without apology, in fact, it was only months ago where amerikan soldiers in Afghanistan shot people indiscriminately for more than six miles in residential districts,

/ / 'Why are you taking pictures? You don't have permission."' [...] the [bush whore] American, speaking through a translator, warned him that he did not want to see any AP photos published anywhere.\ \ALL REAL MEN - kill the bushite why don't you save some innocent lives for God in America? Kill it man, for, bushite bombers aren't even human.

and now, as reported, the narco-gov has put to death at least twenty Afghans, who were claimed, without trialed evidence, to be guilty of such actions. The narco-gov refuses to call for the execution of known bushite who torture INNOCENT PEOPLE, or rape them, or thieve the 80% of charitable aid given from Canadians. Despite CBC refusing to report on the facts to let US decide for ourselves. Fight back for Christ, fight back for love, fight back for freedom, fight back for God.

I AM THE TRULY FAILING SON OF MAN, born at the inception of creation, timelessly to promote the wisdom of love through mutual understanding.. I was once well respected by all as worth listening to, and loved by a great many, can you imagine that godless amerikan zionist nazi pigs? I suppose not.

MY World is actually dying.. Dying. Don't let the love for GOD be destroyed by bushite amerka who couldn't care less for my crying, or their very own children poisoned to die for liar neocon, neocons like Giuliani that they simply refuse to hunt down for defense. The demon publicly supports the 'rise' of neocons, considering all they've done so far; and the TV doesn't teach to raise your American votes for extreme anger against the wicked zionist enemy. No, Giuliani is vying for Presidential favorite, of private for cash profit TV snoozer hurlers! America is actually dying, and Americans aren't screaming for real Justice..

Please, I beg you again, help me speak freely on coast to coast to accept all challenges.. Please help US. George Norry is a blatant naked traitor to freedom for America. Again, George told Alex Jones he would not allow Americans hear the calls for liberty, unless Alex agreed to not inform the public on who personally was responsible for 911. Jones agreed. I often fear, Jones wants to be loved as Hero, over the wiser words of ourselves on who is who here. CFR, NWO, whatever, Bush closed investigations immediately after the 911 terrorist event of no questions!, no question!

Torture is a crime against God and Humanity. So, likewise, joyously, with pride, destroy the neocon traitors of Justice - for the true Love you have as Freedom willed - is as granted. Therefore, to survive

US all for something better, halt the 'escaping' murderous bushite thieves for God and America. SOLDIERS: Instead of dying for nothing, my wannabe Patriot Brothers, try joining Liberty's cause, which is our cause truly. Is it because corporate TV zionist money whores, are cowardly and ignorant, as evil hypno muggers, in MY dying for real America, that YOU refuse to speak Now in your Humanity's begging further defense?, on evidence being the only requirement to establish a person's guilt or innocence? for ungodly terrorist activities committed in our name by bushite bombers from the neo-conned AIR FORCE, who, as rotted juveniles, cheeringly bomb us People indiscriminately leaving a Church as something TRULY SATANIC? To dare, in our presence, continue threatening harm against an innocent child of wonder, not yet even born to God's suffering world? Bushites war LIFE itself. ABCNEWS.com : FBI Called off Terror Investigations

A question Johnny Wizard has for America: Tell me, is this not a treasonous act - for Bush to close criminal investigations, immediately after the terrorist crimes of 911? Shouldn't the demon enemy be put to arrest for that godless act alone in this forsaken dying world? A world left instead suffering further the tyrannies of the war criminal ENEMY of all Human Life?

A refresher: the neocon will tell you openly, they live to lie to the Public for cheating and stealing by murder of US as proxied, innocent peoples purposefully enslaved by a made ignorantly entranced TV audience that is repeatedly reminded, we have no power worth respecting.

CNN, CBC, and FOXNEWS aren't taking are calls presently, but just lie and tell US they do. Look to see, almost all political internet traffic condemns Bush straight to hell well he rightly belongs, but the polls still say no - WE, seeking for Just cause, are the minority.. just roll over and die for the neocon betrayers to god and country, life and loving.

Lying Enemy Traitor to America, Glenn Beck

"Media Matters didn't have a word to say when congressman John

innocent Iraqi civilians, service men who actually turned out
to be innocent heroes."

I propose we try CNN's Glenn Beck for nazi treason, and upon
easily successful conviction, we put the demon liar to death
along with bushite Tatum who confesses freely to slaughtering
innocent Iraqi civilians for satanic pleasures all to serve
the neocon agenda of swindling America TO DEATH for cash
profit through neocon censorship. Mattis, the woman hating
documented child killer, was made into a 'Judge' for the
bushite's version of a war crimes 'trial', that hasn't even
yet truly transpired, for the evidence was not brought to
light through the proceeding, such as Tatum's full confession.
But, of course, Glenn Beck, the treasonous liar, doesn't want
America, the dying by contempt, to truly know that. For, he'd
be likely dead as sworn enemy.

The "Judge" who publicly forbids to hear Watada's freedom defense, an Oath every Soldier swears to God with, is a "Judge" who needs to be privately arrested for treason against YOURSELF. Support my call to demand our voices heard for Just causes, or go die silently to the grave prisonized in a zionist neocon military dictatorship

True Enemy of Liberty

I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really set ourselves free with..

"Al-Qaida" = "General Mahmoud Ahmad"

A neocon bushite soldier is a true enemy of Liberty for America. They as DEMONIC LIARS, are dishonorable THIEVING nazi savages that bomb our innocent families with criminal intent to MURDER. Enemies of Life and Love, a dead bushite is an enemy of GOD halted from victimizing further our loved brothers and sisters, mothers and fathers. Death to the neoconner bushite dumfuk grunting liars who bomb our families, death to the enemies of Christ who war for the escape of the true culprits responsible for 911. TRAITORS.

See my friends, this is why I, as the Son of Man beg and plead for all able bodied men, to kill treasonous bushite on sight, for every time you love God by defending the innocent from murder, (the innocent whom any pro-bush corporate professional hold in total self contempt,) you save REAL peoples lives, and you defend God's good name to love God as ourselves committed to true Liberty. Bushites are enemies of freedom, enemies of God, and worthy of death, before allowed to further bomb people indiscriminately like the commanders of NATO order day after day without risking instant frag because, bushites are blind cowardly thieving nazi fascist savages, brain damaged,

who believe as satanic demon whores of Molech, they can con
all of US including me forever, just like dare dubya. Dumfuks
to their bitter end.

To Kill a Bushite, is to be Heroic

American soldier: Your enemy is TRULY LIAR happy George
Norry. The demon knows of Ahmad, and forbids any guest from
uttering such understandings in defense of the DYING dumfuk
grunt nazi - Good riddance? Do you care that your country men
are dying for the criminal zionist neocon as traitors?
Support my demand for US to be heard GOD DAMN YOU. ...or die
by the hands of Humanity.

All fighters, listen up. ANY bush bitch neocon biter who
pretends as a cowardly child killing traitor, it can't ever
hear my manly voice from here, YOU kill to defend ourselves
over, in the cage or otherwise. Kill any or all thieving
bushite ENEMIES of America responsible for 'escaping' the 911
perpetrators, why don't you help US out some my loves...?

Thanks

That's fighting words to a corporated "generation" of left iliterate non-speaking, hypocrite nazi savages, dying sacrificed, who auto figure by remote control, we can not be allotted the public defense for freedom's cause, Justice for all by International News Challenges. ! Justice for All is given through the power of the indivisible truths of our living existence, as concluding: evidence must be used to convince ourselves on who is good or evil. period. Bushites are as dumb as they are cowardly lifeless nazi trash, good for only to play the mute ungodly bad guys in evil wars for the demon antichrist enemy of all human lives - 911's George Walker Bush, The Traitor. See? CHRIST RETURNS

I again, beg Humanity to speak in opposition to Amerika in the defense of our innocent forsaken dying lives. CBC producers know the bushmob did 911 but lie with propaganda to kill our families for the ungodly as thieving neocon enemies. They refuse to inform ourselves that Al-Qaida is General Mahmoud Ahmad, as according to the FBI. Or that video of iron flowing like water from the WTC towers exists indicating without doubt, the bushmob enemies did 911 as TRAITORS.

Today, there is nothing more i wish, than to hear bushite nazi savage thieves for the neocon die rightly, before the innocent they target for murder. All in an attempt to 'escape' those truly responsible for the crimes of 911 a bushite whore practices, as an enemy to Christ and America.

Evidence is required to convince ourselves on who is good or evil. Period. Don't like it? Too bad. We are on charged!!

Who cares about yourself if you won't listen as reason to? What can you lose when you have granted to be blindly stolen from?

Zionist nazi Israelis, do tell as LIARS, that Israel, the nation that openly thieves, tortures, and murders daily thoses THEY ADMIT are commpletely innocent, are enemies of every religious person denied access to honestly speak the facts as firmly established since the dawn of Man.

$4.50 for Every Pop Can?

So... who's pocketing the stolen loot? Cause, you know that would be FRAUD. I AM AMERICA

Sattler ordered the murder of more than 200,000 innocent people in Fallujah, and they speak nothing but lies on how such demonic behaviors are godly as just ignored. Our Lives forsaken, as they hold their very own to die sacrificed for the unelected traitor neocon. I AM AMERICA.

America MUST demand war crime trials for the propaganda CNN broadcast "Anvil of God" regarding the demonic actions of Bravo company. They forgot to tell America importantly, nazi forces forbade the population from leaving, gunning originally for everyone between 15 to 55, but sided instead to murder infants and the elderly too, when beginning the Zarqawi campaign by bombing hospitals as first strike targets. As such, the bushite murdered many good doctors and nurses - so all to send bushite snipers on hospital near rooftops gunning for every seriously injured woman and child who tried to get help from the Humans. While driving down residential streets, grenading every home of humans being. Remember that when you hear these dishonorable bushite thieves die rightly for god and country.

[Sideline: It's been thought the reason why rescue efforts in New Orleans were provably sabotaged by Rove, was an attempt to make the blue state, commi red.]

See?.. women and children, who the enemy bushite forbade to leave the city with their innocent families, who, as were all living in the entire city of mosques conveniently found labeled therefore by bushite, "Insurgents" (or did leave earlier, and had our innocent families reportedly indiscriminately murdered two miles or so down the road by the most evil war crime act of recorded history.)

Importantly, there was no evidence made awared of, that legitimately offered PUBLICLY, from the UN or the U.S. to indicate a refugee camp anywhere, but for maybe a small group photographed - then some belligerent bushite bogus pocus - all

headed up by a blatant traitor to America named Sattler.
Reminder: after the indiscriminate carnage, they couldn't
find near anyone for weeks who would take money offered to any
citizen freely who survived for their satanic benefactor. So
insanely disturbing as ungodly evil doing, war criminal
Sattler called a halt to giving out charitable considerations
from Americans to the unseen surviving victims - all in an
'escape' attempt to make it look better for US, the paying
audience. So, where did our stolen values go to then eh?

deliberately!! In fact, he wrote a card to a dead marine's

CBC, CNN, FOXNEWS, the Zionists, purposefully work to LIE to the dying American Marine, that the ungodly bushite wars to escape the 911 perpetrators hold some hidden benefit, as the TREASONOUS neocon thieves freely rob from both undefended American and Iraqi citizens, The neoconner, Mr. Bush closed criminal investigations on 911 immediately after the event occurring, while Billions are stolen through 'ear marks' and TVed Americans have no care known to speak of.

Done with American tax paid for rapists, torturers, and terrorists like Aegis who dress up as al-Qaida to murder godly lovers of Justice. CNN, CBC, and FOXNEWS would rather kill the Marine, than teach them where to aim their weaponry of liberation.

Nazi zionists gave US Jews a bad rap again I see. They're despicable criminal savages the neocon.. who steal the rights and privileges of US peopled folks, all to fall victimized with their self confessed contempt for love and justice. Condi's crew dropped seven million land mines to murder ourselves for generations, and, shouldn't she and the neocons responsible be put to death for such conducts?? If not then, when? discuss.. They openly target innocent human beings indiscriminately without apology, but excuses that don't hold water. Not that corporate news professionals are even pouring! It's most definitely the re-occurring true story of a censored mankind with You as it's innocent victim. For, what human would support victimizing others for the tyranny of

blind terror? Only bushite amerika would fall silent under such self contempt for our constitutions.

/ / [..]Israeli "Defense" Force (IDF) has announced that it will discontinue its practice of "capturing" populated Palestinian villages during military training exercises. \ \

Tell me, is this the godly people the neocon boast of for defense in? Or, just again examples of standing terrorism against life ourselves - committed by the censored as will giving, sacrificing American payer? Justice is Freedom.

Do you care to buy the bushite lies, when they commit openly the very same terrorist acts they say we should all be outraged against? Somalia is a case to point. They murder helpless people as bushite, then say they'll remain dying to thieve further as enemies to Humans being. It doesn't fool me, but perhaps it does you. A neocon soldier murders innocent Iraqis, while selling you they are all there risking their lives to bring freedom. So, they die. For lies. Die. Again, KNOWN Aegis goons openly commit crimes against Iraq done officially to get killed! the supposed to be Patriot Marine. P2OG. Soldiers under bushite command would rather die cowardly, than to honorably demand the bushmob's arrest for public trials as defeating ungodly fascist war criminal savages.

Why suffer otherwise this way under the tyrannies of naked neocon plunder to deny our lives for measured justice I ask YOU again, please believe: truth will set us free.

Al-Qaida = General Mahmoud Ahmad = ungodly bushite liars

I can't understand why you can't help get this party up as starting by supporting our rise to highest acclaim with my authority free willed to anyone. Let's face it, we're great because Your great. However, for greed, corporate america aren't taking our concerns nightly. We want Justice, and WE will get it if we reflect together with impeccable credentials as standing with measured reason for proper assessment on rights making might. Who is who here, a freeing peoples I tell you, arriving to bring a true patriotism to Life for US. Are you with yourself as respected an equal under the law devised fairly for all concerned parties?.. well then... let's g o ! ! !

911 Leaders Saying They Are Jesus
http://rss.nfowars.net/20070802_Thu_Alex.mp3

I've given my phone number several times to Alex Jones, of which he's not as of yet, invited me on as official guest, for fears he can find no arguments against US I presume. 911 financier Ahmad = al Qaida, and we have molten iron on video flowing like water. Demon Bush Jr. gave US zero, while closing criminal investigations immediately after the terrorist offense of no questions!, no questions! Case closed. But no, the American media rarely if never mention these facts, while insisting Bush's deathly war criminalling is as only a puppet, look away! look away!, leaving without challenge on the, teen like naivety of wearechange.org's consistence that "we", who demand justice for 911, who might also hold the opinion that zionist behavior does not blindly equal being Jewish, should not be allowed to speak Justly for our public challenge, because bushite Amerika has no defense for censorship against ANY of our judicial wanting, as

documented positions on behalf of the suffering to death victimized public. Why? Because we are Just. Well, I try to be anyway. (I've spoken as written for YEARS, with NO ONE WORLD WIDE countering in the public realm, but for the strangely odd insult. Bushite do exist, don't get god wrong, but dumb evil bushite brood in darkness with censorship like all zionists do, selling to be 'godly' honorable men, when in truth, they'd murder anyone of US for a stolen nickel given to a neocon. I, as open line talk radio producer, win every time, always, forever, never fail. [er.. yet..] Why? Because I treat YOU fairly. America should do the same. We are all in this together. Zionists like robbing then killing defenseless innocent Christians, and Jews, while just lying that they don't without scened factual TV perception. Demon 911 WITCH, zionist Condi 'okayed' the dropping of more than SEVEN MILLION land-mines on Lebanon, purposefully done to indiscriminately murder ourselves for generations. Jason might foolishly call you an "anti-Semite" in fear for speaking such not understood truths. And importantly, not because they can publicly disagree so in open debate, so sides to not allow US to rise in acknowledgement to bring about Justice as demanded, for ALL as ANY. (Gee, who's the neocon now eh? (we're all sinners.))

If Americans really want 911 Justice:

Help US out by putting the video of molten iron flowing like water out there in the minds of any who have doubts, tell them hypno mugger Bush, gave US zero to substantiate his public falsehoods, and tell US about Ahmad as more than a passing fact that means little of nothing, then, WE, The People, will believe this has more to do with Justice for Humanity, than the American suffering movie goer ego being, "leading the free world", by voicing no public concerns on the criminality of the bushmob shysters. Left happying in the George Norry, as a TRAITOR to a dying America not hearing. An enemy of Liberty to the, tried to be free soldier, who is led TO DIE still un-wittingly by lie for the misfortuned neocon bounty of global tyranny through coast to coast story lining. Look, the peenackers will tell you freakishly, that they work to lie to us all, to take advantage of a plain to view weakness. I swear. The neocon wants to con your kid to die for a war lied into with as our stolen goods. We lose as crime victims, while they win free accountability because, (well... I'll just let you finish that one liner sucker punch..)

Do Republicans mean to bring health care suffering out of control with no market values, because truly they have little of no skills when it comes to fixing their own buffoonery? Hmm... unless they count to hide the bean all together, fixing the game intentionally to have US lose by remote controlling stupidity! 300 channels, and nobody's taking our call from the space cased file of, "what's this freedom war against Life for again"? Look, is mercury as a medicine good or bad do you think?, let's ask someone for Christ's sake. Or for Deb, Henry, Bill, Beth, Mark, Carol or Tony. Johnny Wizard, our everyday normal magic man of folklore, opens up the stage to ask all the people together, "Are we Man or machine to take this all lying down quietly"? We need to talk about what a King like me, is doing in a place like this, under appreciated, and left alone without my home, dying for a break in radio programming, as President of the company that started the sands running, Shareware Earth Co., a god-like production of miracle and wonder!! You just participate, and you won't even believe how good we could have it, Rejoice, for Johnny Jesus has come down for diplomatic talks. Give away! Give away!

Again, CNN, CBC, and FOXNEWS, (who advertise their listening) suggest G.W. Bush and Co. have publicly acted nothing warranting immediate arrest, or have openly supported the great Kucinich's plan for Impeachment, and consequently, are leveraging America into this mess 'because' we were portrayed as sold to the U.N. for freedom as Iraqi's Grand Strategy. BOGUS! Nothing about the PLANNING of killing people indiscriminately for financial criminal gains as bonafide terrorists, for we had unrestricted access prior to dropping bombs for mangy LIAR neocons. ORHA. I have yet heard FOXNEWS complain in pains of liar BUSH personally being the al-Qaida cause responsible, (like Alex Jones sells foolishly falsely also) More than a million INNOCENT people have been murdered directly by the criminal action of the broken Bush Rule, UN-CONSTITUTIONAL! General Johnny would teach MY soldiers to immediately arrest to kill for such criminality. In fact, I'd likely even throw in some bonus cash, an a Freedom medal from all lovers of Liberty. Did you know, many bushite sing a song about killing innocent young girls for pleasure? Did you know that also, an "American" radio host likes playing that same song as recorded on "American" airwaves? Fight back for God, or die from self contempt my friends, fight back for life and love.

It should be noted, ungodly bushite enemy commanders call every car bomb in Iraq, al-Qaida, without even pretending to do freedom operations for YOUR protections, as just another dead body in the rubble. Death to the bushite instead of the innocent loved in God

Time is Up

Al-Qaida Kagan "Al-Qaida, their whole strategy revolves around generating sectarian violence, because that is how they embed themselves within local communities "

What?? For friendship?

What is the demon TRAITOR to HUMANITY in America saying about the reasons he embeds an Iraqi under 50 odd divergent NEOCON labels? Wouldnt most Al-Qaida take great joy in killing a bushite nazi grunt like any real Family man would also? These LIAR dumfuk grunts who cheer "whore yeah", routinely, can barely read or write, so, how possibly does this FOXNEWS expert, expect such ungodly antichrist forces to delineate Al-Qaida from the local communities they PROVABLY indiscriminately bomb as Satanic?

Kristol and Kagan: Put Everything Behind Escalation So We Can Bomb Iran and Syria

Kristol and Kagan MUST be put to death for treason against America, treason against Life, treason against GOD. They both have continued to Publicly advocate murdering more innocent peoples indiscriminately they call, "Al-Qaida", all to rob further monies from an undefended America. It is easily learned by any as all, the victims of bushite tyranny are exclusively, US, The People, guilty of nothing but our shared love of GOD. Remember forever: there was NO JUSIFIED REASON for bombing PEACEFUL Samara, NONE! that bombers confess was done as ordered by Allawi INDISCRIMINATELY, all for getting killed Marines sent in later for more stolen cash from America. P2OG. [hundreds of bushited Marines died rightly almost immediately - (wow eh?)] A Satanic action, Kistol and Kagan, both blame without thought to question on "Al-Qaida".

The action of Satanic bushite bombers targeting Samara as war criminals is FULLY documented.

Death to the bushite neocon LIARS, death to the enemies of Freedom for Humanity. My beloved friends of GOD, please, when you see the mute bushite, kill it for Christ, kill it for Love, kill it to defend your loved family. (Any soldier who doesn't proudly talk of how it hunts those British soldiers who kidnapped barefoot children and victimized them on video, is a soldier worth destroying NOW to defend GOD and Life from needless death.) The Pentagon's Power to Jail Americans Indefinitely
http://www.jonesreport.com/articles/270307_pentagon_power_jail.html

Look, demon enemies of Christ torture innocent people for fun, paid for by the silent American tax payer. Americans refuses to bother making a simple phone call to Coast to Coast to raise some concern. THEY don't. They refuse to hunt bushite down in their streets for death to defend the innocent held indefinitely against GOD'S will. Death to the bushite, death to Johnny's godless, lawless, fascist enemies of FREEDOM.

Look, CNN, CBC, and FOx News know the bushmob did 911, but will smile while watching your son or daughter sent out to die CONNED by their demonic hatred for US freely communicated. How do I know this? I made the effort of making the phone calls.

Allah is all, and negotiating for freedom from naked bushite tyranny is won EASILY through communicating understanding. Omar the Just knew this to say so, as do I. And this is why corporate news professionals forbid me to speak openly without nazi censorship, ON OUR AIR-WAVES, because I am honorable, right, and true as believable. While America's fun guy, zionist George Norry, states to support PUBLICLY, the ungodly murder of innocent Arabic children for nothing but his personal contempt of YOUR DYING LIFE, while further wanting to invite thoughtlessly nuking places on Earth all for his secret hatred of US freely commutating. Typical bushite. Ending with to tell US again 'convincingly', that bin Laden did do 911 as a terror-ist bad guy in G's World!!?! How so? EH? How so? he don't care man, he don't care. He and his family have millions of dollars to sell you out, so why care for your struggle to survive in bushville soldiering?

Alex Jones and me aren't on the best of speaking terms, but I will state, a desire to address every same challenge he has adroitly addressed as publicly lacking. And when I am addressed 'officially', I will campaign to put US in the space to realize, we are the government, we are the people. We don't need to run to the hills and encamp ourselves away to defend ourselves to the max from the man, we are the man. I'm

telling yeh, I know this to be so as the sea is we magically. Equal rights for all in God's name is self evident. Self evident to ME anyway... but well.. who am i?, right - I'll tell you as I have for more than a decade as a living fiction forsaken for lack of anybody anywhere understanding in totality what I am here on Earth as true Son to Man - a 'understandable' timeless stand in for G to gain recognition through as honest broker. [I've been everywhere around forever, and.. blahblah.. I know people really don't care to know of ancient wisdoms, truths that guide the order to the Universe, cause often they think I'm beyond their comprehension as a 'better than', when all power is in equal respect for others as our hurting brothers and sisters suffering with tyranny by our collective willful ignorance on Justice.[God's bestest is Just for every reason being thus]] I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really defend ourselves with.

Please my American friend, help US speak out freely Coast to Coast. So we together can start, on demanding Justice for all, as innocence in serious jeopardy. Dadullah is most likely an individual who holds at least some control over official military functions of NATO in the region. So, we're going to seed loyalties of the rare Patriots in the force to recognize our need to isolate who supports, not talking FREELY for peace easily in Afghanistan without question. No evidence was brought against Laden, therefore, the Taliban were True Patriots, and bushite traitors are pure racist nazi filth ridden, toxic, as being cowardly dishonorable as despicably evil, enemies to us all. Put US in Command.

Question the bushite, question to anyone who mumbles disagreement in the godly fact, that WE, as Humanity, will spend the better part of this next generation, hunting every last war profiteering nazi war criminal down for our real Freedom from their, so errorred "endless" tyranny of big money terror. Lawlessness with be outlawed, and ANY corporate american who mumbles otherwise, as an enemy totalitarianist, the clear ungodly, (as should be criminal,) will be put to challenge by their very own children, or parents, or bleeding dead brothers. Hannity must be tried for death as lying that the holocaust never happened from Iran. DEATH to the demon liar nazi fu-ker I say, DEATH to the demon liar nazi fu-ker.

Al-Qaida = General Mahmoud Ahmad

I would offer rewards for more soldiers to come forward. Why? because there truly is, no honor among thieves. Every bushite soldier in Iraq for the liar neocon is minimum, a purposeless dumfuked cowardly thief. See? if you offer a reward, and they don't take it, their 'fellow' bushite, kill'em for it, right? why take the risk it'll cash in over your worthless life? For, who can trust a lying bushite nazi savage? certainly not a lying bushite nazi savage. In other words: speak against committing war criminal acts of lawless aggression in Iraq for Bush, as CLEARLY un-American, and I'll try to forgive you as human. Or, I guess you'll kill yourselves in mutually muted total contempt for this universal life as actually worth something.

When you see and hear on video, sexually dysfunctional, as sadistically satanic grunt puke pro-bush soldiers moaning, while deliberately killing innocent defenseless Family People running for our dying lives from a holy church, or as just

simply anyone standing near the side of the road, then, my friend, you'll begin to understand what evil actually is. And, what needs to be done to seriously save ourselves. Seriously. Justice must be won sooner than later.

Five Star American General Johnny Wizard will train American Soldiers to recognize such demonic behaviors in combat as worthy of immediate frag to defend the lives of truly fellow honorable soldiers. Soldiers ACTually, committed to freedom from godless satanic dumfuk tyranny of the antichrist demon, Mr. evil personified, the UN-ELECTED 911 TERRORIST, George Walker Bush and CO..

Let's save some lives, what do you say guys?

YOU

"If the absence of violence is victory, no one will ever win." http://cleveland.indymedia.org/news/2007/03/24652.php

I know, it's seems odd that I am, at the same time, offering answers to any question on the science of God as is pertains to Justice measured, but this is just who I am to be conscious man. So, if we can get over the shock of me being so especially normal, maybe we can then realize, I have some simple good old ideas that transcend through time by rational

understanding communicable between any two people. I am not a "miracle worker" to all those I advise to not eat Aspartame because it's a poison that also makes your body crave un-needed carbs, that will likely convert to more unless fat. So, it slowly kills you, while making you fatter than you need be along the dead end journey faithing in "the system". So, why do some do it religiously? Who cares (for now) but to say, our governments are failing US miserably. I spoke personally with one of the head scientists in Canada at "Health Food and Safety", and he told me the scientific analysis done by reputable scientists I found freely available repeatedly on the internet years ago, was completely true. (It breaks down to formaldehyde, and methanol (a slow lethal poison), among other shockers. Poison. P-o-i-s-o-n-s in our food stuffs. Poisons.) However, he could take no action to defend Canadians "officially" because we, Canadians, have our corporate interest news departments completely refusing to defend ourselves from corporate exploitation anywhere, and as natural consequence, we, as the dying world, would together unrepresented, probably lose a law suit from mutant Monsanto through the self inflicted bounds of OUR censored WTO program. - instituted through the top secretly mastered puppet people persons of the 'unseen' NWO I guess.

I'm telling you, we need me as King.

Look: Aegis's workforce, for American PAYING profit, has been publicly disclosed through CNN to be shooting people in Iraq indiscriminately for your money, and when the Pentagon was contacted by Nick Roberts about what would be done, they responded, nothing would be done by Johnny's America but to increase the multi-hundred-million dollar contract with demon enemy Tim Spicer to continue. Now... why you ask? Because the neocon liars, steal money by lying to cowardly American kids about what they mindlessly, without thought, give their souls for. Tim Spicer openly hires South African goons to commit hardships for American GIs to die without end for, in lawless tyranny. Peace sells less money for the neocon war profiteers to murder the innocent American as. (Iraqis, along with the rest of Humanity's Men, WILL eventually learn this truth, or life for you will end.) As an Arab hating bushite, (like what you'd find as a publicly proud practiced hatred for all Humanity, by an Amerkan dumfuk soldier in Google's alt.religion.islam), they say nothing for Freedom by Justice, but root themselves to Spicer's monsters who like killing black guys, as world renown mass murdering racist nazi filth. That's why zionist Israel loves them so much.

Look: Somebody stole four trillion dollars out of the Pentagon.

defense on the war's legality.'

Telling US what?, that it is a crime to not commit a crime?
It isn't only high treason against America the ungodly bushite
are guilty of, but of a madness held by those truly Satanic..

No bushite was found gloriously killed for country, yet, they,
the godless bushite enemy, continued to shoot innocent People
indiscriminately for a distance of six miles, while likely,
secretly masturbating each other as bushite liars do always.

The pro-bush irrational military said only eight innocent
un-armed Afghans were counted as murdered deliberately, by
those who believe our Mankind, can not ever find themselves

accountable, without zionist controlled, corporate news permission. See? The military counts mankind as zionist, but I am a man of real men, committed to defend our world from all enemies, foreign, or domestic. Unlike a bushite traitor to God and America, who's word, as Oath, means as much to them, as we do. Ungodly as they are loveless, the bushite, is Life's enemy.

REPENT. [from the Greek, meaning to think.]

The TRUE Son of Man Johnny Wizard Exists Born to this Eternal World to end permanently demonic bushite enemies of Creation. Help Life out by destroying cowardly America's greatest threat to the Species, the greatest threat against Humanity's Freedom to be Loved by God. Corporate nazi zionist bushlores at CBC, CNN, and criminal thieving from the desperately poor in Winnipeg CJOBers forbid open communications, and I can't 'take over', because then I'd be defeating my own, power to the Peoples argument. So, it really is up to YOU, yes you there... reader. Who.. really..? YOU, here, now. Life begs, takes a stand for your fellow man, and demand our voices heard for the defense of the entire human race. And be quick about it. Repuglicons don't want freedom from endless war where they kill your forsaken kids, for we all know, bushites would be publicly tried, then spend the rest of their treasonous lives behind bars broke, or dead from lethal injections made popular in America. Again, officer Bowman is responsible for letting 'escape' those from Fort Detrick, who

attempted to murder the American Congressmen who thought going into lawless tyranny, !makes no sense! Where is corporate America on our issues when OUR free speech is ruled by the irrational evil minds of Limbaugh, Bell, and Norry?!?!! Back to Bowman: Bowman, also is responsible for sabotaging the Moussaoui warrant. And, how much you wanna bet, he's probably the same bushite who found Atta's passport, and likely had all 19 names of the high-jackers to give CNN, CBC, and FoxNews just like the neocon's "bin Laden" would have too. Take the publicly prancing bushite enemy out for questions by yourself, if he doesn't plead his defense publicly on Coast to Coast by tomorrow. Remember, there ain't an "Intelligence" group worth their salt on the face of our Earth, that doesn't know exactly what I'm doing here honorably for a real Justice made through careful thought. So, support Johnny Wizard speaking for public challenges internationally, and with the 23 plus co-operating for life 'Intel' agencies, along with, anyone else who can join in on the call. as a growing number of Patriot Soldiers, who trust yourself to see, this wanting of Justice isn't complicated. A person accused of a terrorist event without any evidence, has our accuser a bushite, who should be watched carefully until verifiable conclusions are done by the understanding of fact. Not faith. With George W. Bush making real decisions in faith, expecting us to believe as corporately broadcasted unabashedly unbiased, that he is not a deliberate incompetent monster war criminal of unfathomable evil?, who is just too 'stupid' to understand why we are innocent until proven otherwise?, is really something we all need to scream about to save our dying lives.

"[..] just like the neocon's "bin Laden" would have too."

However, the real Laden, on video taped confession, claimed he played no part whatsoever in 911, then later, offered himself for arrest, confident he would be acquitted. Not corporately newsworthy though, so, few even know why their American child was later died in the terrorists act of corporate contempt for US living Freedom with something greater as real Justice wills

I was reading the statement below from the Butel software user guide:

When you program EDACS frequencies, it is critical that you store each
frequency
in the correct location. This often is not the frequency order, so youmust
be sure
you have the right sequence.
What location are they referring to how do you determine this location ?

What I have done if program them in the LCN as they are below.

If my lcn is:

001 Confirmed LCN01 453.22500* 02 453.80000 03 460.25000 04 460.35000 05
460.45000 06 460.20000*

I have them entered in the bank on bank 3 starting at ch 301.

What would I have to change, I thought this should be in order of LCN as the
type II system I have

working on the scanner ??

This is an EDACS standard which should be wide, I have the WFM setup on the
LCNs too.

I have tried narrow but nothing.

Suggestions ??

You need to tell people where you are, what you want to hear. Radio
Reference page may be able to help. It will depend on what kind of radio
system the agencies you want to hear have. Most Police that go digital only
do so to have encrypted. If your Police have done that you can't hear them.
If it's a Trunked 800 or standard analog the BC246T is a great little
scanner. Fits in a shirt pocket.

Look, there is no evidence.. .. ! So, they can not truly believe their therefor false allegations. But as demonic liars, they intend to murder the innocent as enemies to G-D to thieve further from our precious resources. All because Americans refuse to demand open challenge through international debate with Johnny. Again, no soldiers appose me publicly speaking. Look for yourself.

S.O.S. -- Save Our Spectrum
http://www.freepress.net/spectrum/

/ / The FCC is about to auction the exclusive "license" to this spectrum, called the 700 MHz band, to the highest bidder among the big telecommunications companies. \ \

Look, the FCC works to destroy a free America by repeatedly attempting to sell out the public's interest for greed. And we know, eventually they will thieve our remaining rights, because we can't be expected to repeatedly "we won" this fight, just to have them return to their same public office space to go at it again for private evil interests. The waves are ours. Again, in Manitoba Canada, a province population that exceeds one million, we have one serious c.r.a.p. radio news station, and one newspaper that propagandizes our views for criminality. Two private media entities that hold back saving our blinded City and nation being plundered. They're

pro-war, pro-killing, as pro-censorship when it comes to how they criminally benefit off the victimization of Canada's elderly being THIEVED from at the casino/lotteries. As a consequence they lie to our made dying Soldiers, that nobody can deny are our most weakest to speak humanely. Like blobbing drunk sport fanatics, who as terrified, chant they're winning! as paying losers. These mindless drones will pay 100 dollars to sit in a balcony that charges 5 dollars a draught as the hometown pied! The public pays for the chance to be taken as granted to anything without a voice for fairness. Just as the volunteer bushite soldiers are universally evil dumfuks who rape, thieve, and murder.

Fight back for Life to Win against the national broadcasters like George Norry, CNN, and FOXNEWS that willingly forbid US to know what we need to know to defend ourselves from deathly terrorism. Al-Qaida = General Mahmoud Ahmad, and pro-repuglicons want to see YOU die first as the innocent forsaken, before allowed the right to defend freedom to the last bushite breathing. Death to the bushite, death to the enemies of Freedom for Humanity.

http://www.whodidit.org/cocon.html

http://physics911.net/

Support our calls for open debate on our international channels of state. CBC, CNN, BBC and FOXNEWS specialists, are warring our lives by forbidding US speaking for freedom's stake. "A free man shall not be imprisoned" is not ideology, it is the freedom to be freely communicated. To except CNN and FOXNEWS is unbiased when it comes to kidnapping and torture, war criming and poisonings, is to except corporate news interests do not serve the interests of defending US, the dying forsaken public. The waves are ours. Let Johnny speak for public challenge on Coast to Coast.

http://revcom.us/a/111/iraq-en.html

/ / Aws Fahmi saw Marines going house to house, killing members of three families. He heard his neighbor plead in English for his life and the lives of his family. "But they killed him, and his wife and daughters," Fahmi said. The girls were ages 14, 10, 5, 3 and 1. \ \

Again, Lt. Gen. James N. Mattis, the women and child killer, is the American 'Judge' appointed by the bushmob to delineate good from evil on this matter of fully confessed indiscriminate murdering. Again, thieving bushite dope pushers, don't hunt the terror group Aegis, no instead, drop bombs on innocent families, to die in collateral as cowards to tyranny. As so planned by the

Pentagon's P2OG. Defend America's America, by supporting the arrest for global public trials of the criminal Bush regime, the evil neocons for the crimes of 911. Please, bill a bushite like "mad dog" Mattis to save an America where innocents are defended from the enemies of Justice. The enemies of God. CNN, CBC, and FOXNEWS is not doing our jobs by reporting blindly lawless bushite thieves for the antichrist are heroes. For starters: Al-Qaida = General Mahmoud Ahmad, and, bombs dropped as the air forces of NATO kill innocent people by criminal intention carried out by bushite demon liars waving our flag.

Color of Law?

Look, families are threatened with arrest for not agreeing to
cause neurological damage to their children. The cause for
why their children are not in school, is not the parents
fault, but the unlawful decision by the health authority to
not allow the children in school. So, arresting the parents
is irrational, for, it is the school authority that has
disallowed the children an education. So, arrest those that
refused children Justice. If anyone.

Israeli Child Killers: Documentary Proof
http://www.revisionisthistory.org/palestine46.html

This ain't right

Look, the guy who murdered the two thieves, is guilty for
such. He acted to intentionally murder. MURDER. Do cops
kill kids who steal bubble gums?, or if they did, would an
American then think justice lacking? Cops were near the
scene, and the murderer held no pause to kill thieves with
their hands full. How about, 'drop to the ground' before
pulling the trigger? No, the murderer told US he wanted to
murder. Would spitting on the ground in America blindly call
for executions because who knows what the spitter would have
then done later? The thieves were of no alleged personal
threat to life by the murderer, and would have likely been
caught by smarter cops who were in waiting.

What unspeakable evil is this, that CNN, FOXNEWS, and CBC
doesn't believe YOU deserve to know the science of?

To Kill a Bushite, is to be Heroic

To further murder as these ungodly bushite liars do today as
our suffering Mankind, is to blindly swear public allegiance
to the for real DEMONIC antichrist THIEVES. Bushite enemies
are evil nazi dumfuk scum, liars who cowardly watch America in
her weakness be high jacked, and squeak nothing for Just words
in our REAL defense for dying. Play pretending their actually
real men, because to really be so, requires real strength.
Not bush bitch Marines "WHORES YEAH!" strength, where they
cowardly can't figure to defend America from ungodly war
criminals. War criminals who deliberately set them up with
Satanic 'black magic' to be killed in criminal actions. P2OG.

But see?, the bushite fodder, can't care enough for Life to read, because it already knows like the zionist, it's an ungodly coward and a thief, as siding to lying and censorship, this will out work for evil doers in the long run without any consequences to themselves as Our sworn eternal enemy.

The Whole Truth - Christ Claims Torture Illegal

Torture IS illegal, yet, the TV threat is trying to teach America that We, The People, haven't spoken on this issue since Law came to be. Please, I beg, please fight back for Humanity by not excepting a zionist's betrayal to G-D on this subject. TV celebs are programming that waterboarding, head slapping, and the burning of innocent people to death for a treasonous bushite's satanic pleasure, is arguably in support of defending my dying America, through assisting in the neocon's escape for 911. Death to the torturers of innocent people, death to the enemies of Christ in America.

sabbah.biz/mt/archives/2007/11/12/nazis-were-right-said-alan-dershowitz

/ / Welcome to the world of the reality in which a Jewish American Zionist man can cite Nazis in defence of torture tactics. \ \

The demon isn't Jewish my friend, isn't Jewish. I'm the King of Jews, who would advocate the death sentence for such criminal tactics to defend our innocent selves from the ungodly. Wouldn't you too?, cheer to hear the arrests of the satanic enemies of Man deprived our wills, instead of ourselves as the innocent they victimize to thieve from for Zionist Nazi fascist enemies? A person accused of a criminal offense without any evidence is innocent. Demand open communications on our, happy happy demonized to suffer dumber than dumb coast to coast air wave specialists.

ect..

Look, torture is criminal. Do you physically slap your neighbors, to find out if they did the criminal's crime?

Should we slap Rivkin to ask him if he plans to commit crimes against the innocent, and if he then says no, again repeat till he's rightly dead from hearing a liar's denial?

Torture is a crime warranting a life term sentence or death in America by LAW - firmly established already by the "War Crimes Act" of 1986. Demand Justice to save the lives of our innocent selves forsaken by the for cash profit, private news parrots. Believe in US demanding open debate for a positive change why don't you.. Nazi Germans were a happy happy bunch too over the growing threats of torture and enslavement through blanket annihilation... initially. Don't let Bush further hurt my dying America through his personal self contempt for our shared values.

http://www.whitehouse.gov/news/releases/2007/11/20071107-5.html

Look, November 7th, the demon antichrist stated he and the neocons ordered the murder of more than a million innocent Iraqis indiscriminately because, he was simply enforcing UN resolution 1441. HE LIED. [how else could the UN officially declare bushites as war criminal? NO CAUSE!!] And multi-million dollar salaried, "American" reporters, who full time, claim to represent American interests while you slog double full-time for corrupt private bankers, refused to call him on it to defend ourselves from his easily provable demonic tirades against God as the innocent. On the scene, and still today... YOU, as American are TRULY dying for George Walker Bush's continuing LIES. Johnny Wizard is Forever King of this moment being. If you can't believe it is important for you to raise your cries for justice likewise, we're all going to be done for lost to indifference. Defeating the neocon is serious business my brothers, serious business.

Bill a bushite to defend Humanity, to return a freedom for believing. Every thieving bushite dumfuk grunt of the Air Force is a demonic LIAR, accessory to mass murder. And even though, CNN, CBC, and MSNBC suggest TORTURING innocent people to death isn't illegal warranting the death sentence, it still is, and will remain so for as long as we live to die a bushite war criminal for defense in America and God, so says the Son of God, as Man of men. Die bushite die.

The bushite has murdered many thousands in Afghanistan to push dope, more than a million in Iraq to steal life as lawlessly

demonic, all the while actively thieving to destroy Johnny's America for the praised by TV 'neocon who?' news peelers.

Bush closed 911 investigations immediately after the terrorist offense of no questions! no questions!

Again, evil bushite THIEVES claim they are justified when indiscriminately bombing populated cities to MURDER US People. All to help 'escape' the neocon ENEMIES of America - they also support "officially" destroying Our public infrastructure, thieving humanitarian aid, while incarcerating innocent people to collectively be punished by the TRULY Satanic enemies of man. THE GREAT KING OF AMERICA

PBS et al.. The bushmob is thieving billions from America as we speak, to further terrorize a dying America lost to the indifference broadcasted daily on almost every radio and TV network as our silenced voices.

Mr. Bush, the terrorist, doesn't care to war for your stolen billions, instead wants to kill even more innocent others as neoconner traitor. In your name as "American." Johnny America begs to disagree with criminals actually, and has taken a stand against these 911 war mongers escaping our authority for proper Public acknowledgment. If you, my reader, would only support yourself.

Please, my friends, fight for our dying America. The TV and radio celebs deliberately refuse to allow US to know: Ahmad funded Atta, and, of the videos of iron flowing like water from the WTC towers - all to KILL ourselves for the enemy liar neocon. To KILL. OUR innocent families are being robbed and murdered. CJOB, in Winnipeg, like FOXNEWS, lies daily to dumber than average teen soldiers, not to defend freedom, or Canada, but to die for dope pushing Islamic fundamentalism in assisting the truly evil neocons escape for the crimes of 911. How can anyone be so truly evil to Humanity you may hide in fear of confronting directly? CJOB relentlessly THIEVES from Manitobans, with our seriously corrupt lotteries they pocket millions in criminal gains stolen from our most poor and desperate, they work to CRIMINALLY give away our public resources to their self described Zionist, 'kill the Jews, kill the Jews' anti-humans. These nazi pigs celebrate their public hatred for innocent humans with LIES about 911, Israel, and anything else that threatens Justice to win through free open communications. Bush, as does every neocon, needs to be tried publicly then executed for the crimes of 911 with his partner, General Ahmad, according to every honorable Police agency that uses evidence to form OUR conclusions. Please fight for Justice, please fight for Life, please fight for yourself by picking up YOUR phone and calling for a Humanity that would care if you tried to do what was right. Do you expect yourself to fail trying? Just try for your life's sake I beg, just try. Or.. die you will, die YOU will. Christ kills a bushite with a Love for GOD that will never die, but I AM ONLY ONE MAN. WE HATE bushite to death I do, see?, wouldn't you as anywho too? Think about it. Dying as a slave to the demon antichrist, or live for a better future by demanding Justice IS Freedom. We want to be Just for ourselves to be believed in. We, The people, want true accountability. Don't be cowardly stupider than stupid allots.

It is not just a Muslim who sees the bushite as an enemy to Humanity. These lawless savages have been acting without accountability to anyone, because they are largely enemies of every American, who cowardly run from responsibility in America to defend their own brothers and sisters from the LIAR neocon, and die instead as/with rapists, torturers, and Art Bell liking THIEVES. An Oath to God means nothing to a busite grunting savaged criminal, claiming to be lawless as an enemy to EVERY HUMAN BEING. Remember: these thieves have stolen from

all still paying Americans dying from true self contempt. No evidence against an accused is US being truly abused.

Listen to this demon nazi witch, the zionist bitch who personally FORBADE a plead to stop indiscriminate killing in Lebanon, assisted in dropping seven million land mines on Lebanon, and was CENTRAL to the invasion of Afghanistan for Enron's master plan, tells US with bushite lies that no, Iran was responsible for the terrorist crimes she fully acknowledges to be responsible for actually. I ASK: ARE THERE any soldiers from America who don't believe this 911 witch shouldn't be tried for high treason as a bonafide TERRORIST? Listen to the end where she says America supports Iran's pursuit of nuclear energy... so why does she want to murder millions of innocent people with fall out then.. EH>? WORLD: threaten to liberate nazi America, if they indiscriminately murder millions more of innocent souls without cause, but for the demon antichrist thieves who speak nothing to defend Humanity. Much like happy happy who cares Germans were under "liberator" Hitler. Except however, in our defense, we at that time, didn't have our internets, or so many, 'you have no power, you have no power' corporate news channels for Americans to quietly sleep through. Americans who refuse to speak outrage in the defense of the Human Race, are Americans not worthy the title of fellow Human beings. All they as bushmob amerika have done, is thieve, destroy and murder from everyone of US since 911. I am growing wearily concerned over whether Americans even can still express real anger over their continuing sacrifice.

ZIONIST NAZIS QUOTE US SAYING everyday 'Kill the Jews, kill the Jews' No, bill the escaping un-arrested zionist god betrayers who rape, murder and steal from Humanity as LIARS - all done by US to DEFEND Jews, to Defend G-D, To defend Christ. Christ - Born King of the Jews, as true King of Kings - I am by no accident in every word, truly greater than 'great'.

True Tyranny - to continue as an American refusing to publicly demand torture, theft, and murder as unacceptable when battlin' evil for your dying freedoms.. Evidence we must pursue on 911 to know really what the heavens Johnny 'The Law Man' is talking about still. Justice to the bushwhacker neocon soldier, a foreigner who apparently speaks no defense for innocent Americans dying sacrificed as conned for the ill stolen gains of the 911 trifecta. Justice to the lying enemies of freedom for America in Christ. Justice for YOU.

Justice to the bushite, Justice to the enemies of America, so called out the Son to God as King of men:

BELIEVE!

Like, so in walks this, out of work time Lord who thinks to converse to the masses about the most basic of reasons to save the lives of innocent others, leaving him convinced, he really needed an audience for this fable to rise as profitable venture. So, it was followed to make it out there in this real world, is to care for Justice measured. All done so to bring greater hope for a better future as all would follow, boy, were they surprised!

Johnny Wizard has arrived..

Spare me some money won't you please for this art of wondrous tragedy?, Jeeze.. I seriously need money to feed myself.

P.S. I'm still hoping that Coast to Coast will bill me godman co-host, all to openly address these freedom for all operations, with Justice ruling our way over the irrational tyrannies practiced by others happily blinded. Evidence is

required to convince ourselves on who is good or evil.
Period. Don't like it? Too bad. We are on charged!!

CJOB STEALS millions from poor Winnipeggers through their
fraud of lotteries, and as a consequence, they'll cheer our
sons and daughters to die cowardly instead, for lawless Bush
rule, where evidenced findings of Our police agencies are
forbidden topic material, like mathematics, and instead, bin
Laden did "it", now die for the demon antichrist LIAR ENEMY OF
GOD. Al-Qaida = General Mahmoud Ahmad

/ / "I grabbed her little sister and put her in front of me .
. as the bullets began to fly, the blood sprayed from between
her eyes, and then I laughed maniacally." [, then were heard
the cheers of godless bushite dumfuk traitors obscening to God
and Man as the unholy enemy.]

What ever happened to butterfly kisses after evening prayers?

Are you telling me, an American Father, wouldn't gloriously
kill this lawless bushite enemy and his demonic ilk, for our
love of girls everywhere? Or, how about the UNARRESTED
soldiers we witnessed on video beat shoeless children
practically to death while laughing and cheering? Or like
those that speak zero defenses for Haditha's confessed MASS
MURDERING irrational women and child killers? The REAL demons
CONFESS to going into a house, WITHOUT reasoned approach, and
slaughtering an entire INNOCENT family.. for nothing but
their lifeless SATANIC pleasures. The 'cause'? "The [mass
murdered unarmed innocent neighbor's] back door was open.."
To, for God, gloriously, with love, kill these unarrested
murderous continuing ungodly bushite nazis, is to war the TRUE
enemies of Humanity to save the lives of our precious loved
ones.

Oath to God

The bushite took an Oath to God and country to defend America
from war criminals, and instead, as cowardly neocon bush
bitches, commit war crimes of theft and mass murder against
the great Iraqi People. A soldier in the air force, is a

dishonorable nazi savage, worthy the death sentence for assisting in bombing Humanity indiscriminately as zionist enemies of Christ, attempting to destroy Johnny's America with their provable DEMONIC LIES. Death to the bushite enemies of Life, who lawlessly war Creation with torture and slavery to 'escape' the neocons for 911. Your magic TV exec excuses don't mean squat when the facts are so readily available. But a bushite don't read, or write, or think freedom. Zionist enemies of ALL Our humanity, murder to believe US won't ever hunt them down by Law to defend ourselves over. Hammurabi LAWS to bill the false capital accusers first, and everything else will fall into place. [note: Hammurabi founded Civilization.]

Look, do you want to defeat the bad guys, or not? Bush gave US zero evidence to form our free thoughts on the 911 Justice issue. Treason. Simple.

I have the plan. Return all the stolen monies, and hunt those who rape torture, or murder. And.. get the neocons for treason on 911 most especially. So, here we go..

MAKE OATH AND SAY

Christ, The Son of Man, begs the godly men of Earth, to
judicially bill on sight, any neocon soldier who supports the
carnage waged in Afghanistan as cop killing dope pushers. CNN
must, and WILL be tried for high treason for their demon lies
broadcasting the northern alliance don't push dope, while the
Taliban did, and do. CNN execs will be put to death for such
demonic claims that stand no ground in the light of all evidence.
Plus, the Taliban were honorable in defending America by demanding
facts to form our conclusions on how bin Laden is in anyway

connected to the crimes of 911. Example: how did bin Laden sneak the explosives into building seven with his bulky dialisis machine dumfuks? I HATE bushite to death I DO. Death to the bushite, death to the enemies of Mankind.

AMERICA HATES BUSHITE

/ / The [BUSHITE ENEMY] US has said it would refuse any request by Italy to extradite the accused [satanic bushite torturers of completely INNOCENT PEOPLE]. \ \

Protestor's sign: "killing innocent people is the problem not the solution."

Christ, The Son of Man, begs the godly men of Earth, to judicially bill on sight, any neocon soldier who supports the carnage waged in Afghanistan as cop killing dope pushers. They shoot innocent women and children dead in the streets for humor, and bushite pirates at CBC and CNN, state bushite in Afghanistan are doing a good thing helping the bushmob escape the crimes of 911 by warring for Muslim fundamentalism, persecuting INNOCENT women and Christians, while for entertainment, bomb innocent families running for their lives from a Holy Church. Soulless child killing soldiers who CBC execs would tell are our DEMONIC heroes. Lawless dope pushing cop killers have got to go down dead screaming, instead of the innocent - YOU and me they target for MURDER. Death to the dishonorable bushite THIEVES, death to the enemy neocon LIARS of GOD and man.

We can really be something greater, while a murderous bushite thief, a LIAR, can hardly read or write Liberty without flinching from self contempt.

Kill a bushite LIAR, why don't you my brothers and sisters of the faith in something greater than bushite godless tyranny?

Soldiers of fortune: kill the lawless bushite nazi savages to defend MY dying America.

Sir Ken, head of the Crown Prosecution Service

"The fight against terrorism on the streets of [..] is not a war. It is the prevention of crime, the enforcement of our laws and the winning of justice for those damaged by their infringement."

You got that right. So, join US in demanding the quick trials, and public executions of known bushite enemies who murdered Americans on 911 with general Ahmad, and who with Peter Power, murdered the innocent in Britain for more stolen goods against God. And anyone in the air force as bushite bombers should be a great joy for US all to hunt for

prosecuting too. The bushite dumfuk is an enemy to our lives, with it's blatant naked contempt for the innocent, who like the demon liar THEIVES at CJOB, George Norry, or Hannity, will forbid ANY human defenses of the lawless dictate of the IRRATIONAL tyrannical demon antichrist, all so to victimize more of You as the censored forsaken.

/ / The mere fact that one can deduce a motive for a person or a group does not mean that they perpetrated the act...and it hardly suffices as proof of anything.\ \

Just try telling that to 'why work to make life better' CBC, CNN, or FOXNEWS censors. Look at me!! They refuse to acknowledge my documented info as REALLY important to your continued ACTUAL survival.

Who fuking cares right? Certainly not the enemies of America at the Coast to Coast radio network, who would kill Americans for the rich neocons without question. It's JUST American kids getting conned to die as bad guys.

God is Great

Again, George W. bush did 911 with General Ahmad, but CBC zionists, actual treasonous LIARS, actually smile to dying Canadian soldiers with only true contempt. CBC kills Canadian kids, with their intentional demon lies, trying to subvert Justice for God and Johnny. In fact, yesterday, they did a special, all on how "God is NOT Great", giving that bush bitch demon LIAR, all the space to pontificate it's hatred for Wisdom, Science, and GOD, with only nods and smiles from the 'illiterate' hord. Remember: A zionist KNOWS it's an enemy of Humanity when it supports dropping seven million land minds to murder indiscriminately OUR CHILDREN for decades, or stealing a Christians Home because they say God says Jews would do such ungodly acts. Blame innocent Jews the holocaust denying zionist shout, of which not one, is a Jew. Like me.

REMBERANCE DAY

So Remember: Bushite grunts told the world they wouldn't let anyone out of the city, because [enemy Sattler LIED] pro-bushite Zarqawi was there present, so the innocent families who believed they had nothing to fear from the liar disciples of the ungodly enemy of ALL HUMAN LIVES, remained in the tiny city to be indiscriminately 'protected' with more than nine two thousand pound bombs, or made dead instead by heinous pro-bush escaping war criminals who used white phosphorous on civilization. All to die our Humanity for the

thieved loss of evidence to demand ourselves of some official
freedom time to deal with our terrorized as suffering reality.

Senior Military analyst, Rob Riggle "In the field John, the

common Ideal: that none of the President's decisions be

This is more true than a bushite would admit before murdering
a honorable father to rape his young child, like Lcpl
Boudreaux freely confesses. Boudreaux will tell you, openly,
you have to murder the Arab father of the Arab child your
planning to rape, because if you don't, that Father will spend

you limb from limb for it.

Let US, me and the few, proud, and the brave, bring that

Goldsmith... yes, Goldsmith

Goldsmith has revealed the bushmob, specifically Cheney, consults with neocon authority in Egypt, and anti-Jew Saudi Arabia, on how to best torture innocent people to death as TRUE enemies of Man. Has anyone read the fiction 1984? 'Why is it so crazy'?, you might ask an un-responsive big sky of Love? Well, the Bush administration committed 911 with General Ahmad that's why.. and threatening Humanity with torture, is how the neocons plan to fear YOU into speaking nothing for the defense of innocent others.. As a consequence, more than half the monies spent each month on this war against civilized Life, isn't accounted for by anyone. Except those at the Pentagon STEALING from a deafened America. In fact, Moyers at PBS reported none! of the billions flowing out of American pocket books EVERY MONTH for the bushmob war monger shysters is actually audited for the taxing payers.

Mr. Bush, the terrorist, doesn't care to war for your stolen billions, instead wants to kill even more innocent others as neoconner traitor. In your name as "American."

Support my rise against Living's enemy George Norry, by making an effort to demand real Justice for dying American values.

CBC just did a report about all the great heroin coming in from Afghanistan, that will still cause crime, and be illegal, (and maybe give you life in prison as an American,) but brought in with the help of the demonically evil bushite thieving murderous military, by the likely ton full to attack our direct family left un-protected, BY YOU PERSONALLY. And guess what? THEY, our media masters, couldn't care less if they actually tried to be our good guys. Reminder: the god guys is good, the demon liar antichrist evil enemies who thieve from Life with censorship is bad. If they hide ourselves too far, they loose all around, up and down. So get to it. Or don't. Your choice. Life lived Now, or damnable death by cowardly design brought forthwith under your own power to do nothing under such terrible costs against our suffering natures.

Typical tyranny for media control over all of Life for the beginners is this treasonous betrayal against our Nature, by refusing to be honest about our potential to be far greater than first considered. If they'd only allow US to have open

communications, all our worlds would be better living for it.

Demand Coast to Coast hosts allow America to defend America.

Help me gain access to speak freely for open challenge against Hannity, and of America's Coast to Coast Radio network hosts, who deliberately deny you to contend, we're really, one hell of a great bunch of People persons with rights God damn them.

God Damn America

You f-cks, because Bush told congressmen secretly about truly torturing innocent people to death in YOUR name, doesn't make the crime any less satanic. True Christians will execute bushite torturers with glee. America will pay millions a head for each bush bitch nazi traitor to children as family. The neocons will all be tried to death for treasons like 911, and for supporting a slaughter against Iran. For Petraeus has giving US no evidence to form our conclusions on the validity of his therefore, TREASONOUS statements. Bushite are murderous thieves of Iraq and deserve by the measurements of any civilized man, a action worthy of death as demonic, before allowed to further steal from our Humanity. SAUDI Bush bitch Buford Blount gave out 170 tons of explosives to KILL marines with, and Petraeus doesn't call for his rightful death, nor for death to be brought to bushite soldiers who kidnapped bare footed children to be beaten to death on video tape. {KILL THE LAWLESS BUSHITE DEMONS HUMANITY SCREAMS IN AGONY] hundreds of thousand of guns were 'lost' in Iraq through bushite management skills, and liar Petraeus speaks no outrage. Private death squad goons are committing crimes against GOD, and Petraeus blames no one. MORE than half the monthly bill for these bushite bleeding atrocities to Humanity, are not even accounted for by ANYONE, but for the thieves at the Pentagon who are ROBBING america with Petraeus' silence on the

life and death issue of America. Again, Petraeus knows the bushmob did 911, and would rather kill your stupid american teen, than stand for freedom in America by holding evidence a pre-requisite in determining OUR capital allegations. Death to the false accusing bushite, death to the enemies of America,

Jon Stewart, the twisted nazi clucker, claims now to be a "Big Jew". The demon zionist, who claims he can commit no crime against GOD with silence on the issue of innocent Humans being robbed and murdered by zionist 'buddy' Kristol, and as such, spews nothing on 911's demon witch Condi dropping seven million land mines on Lebanon, to murder Jewish children indiscriminately for decades, no, he just laughs at G-D'S true suffering like traitor enemy happy happy George Norry. Laughs at torture being actually allowed, while laughing in contempt at politicians who wisely will to re-distribute the nation's wealth to it's worthy Citizens. Instead of some nationless nazi "jew" like Jon Stewart, a free loading foreigner who came to religion to take away life from hard working American sufferers who want truly in Justice as Freedom. al-Qaida = General Mahmoud Ahmad. Torture IS against the law, and deserves the death sentence. Bushite Cofer Black MUST be put to death for being a Satanic demon enemy of Human life, who freely admits he tortures innocent people to help escape the neocons for 911. Bill a bushite for America, bill a bushite for God. What do Texans own guns for, if not to bill a bushite child killer like those in the evil enemy pro-bush air force. Bushite repeatedly have been found killing innocent people without apology, in fact, it was only months ago where amerikan soldiers in Afghanistan shot people indiscriminately for more than six miles in residential districts,

/ / 'Why are you taking pictures? You don't have permission."' [...] the [bush whore] American, speaking through a translator, warned him that he did not want to see any AP photos published anywhere.\ \ALL REAL MEN - kill the bushite why don't you save some innocent lives for God in America? Kill it man, for, bushite bombers aren't even human.

and now, as reported, the narco-gov has put to death at least twenty Afghans, who were claimed, without trialed evidence, to be guilty of such actions. The narco-gov refuses to call for the execution of known bushite who torture INNOCENT PEOPLE, or rape them, or thieve the 80% of charitable aid given from Canadians. Despite CBC refusing to report on the facts to let US decide for ourselves. Fight back for Christ, fight back for love, fight back for freedom, fight back for God.

I AM THE TRULY FAILING SON OF MAN, born at the inception of creation, timelessly to promote the wisdom of love through

mutual understanding.. I was once well respected by all as worth listening to, and loved by a great many, can you imagine that godless amerikan zionist nazi pigs? I suppose not.

MY World is actually dying.. Dying. Don't let the love for GOD be destroyed by bushite amerka who couldn't care less for my crying, or their very own children poisoned to die for liar neocon, neocons like Giuliani that they simply refuse to hunt down for defense. The demon publicly supports the 'rise' of neocons, considering all they've done so far; and the TV doesn't teach to raise your American votes for extreme anger against the wicked zionist enemy. No, Giuliani is vying for Presidential favorite, of private for cash profit TV snoozer hurlers! America is actually dying, and Americans aren't screaming for real Justice..

Please, I beg you again, help me speak freely on coast to coast to accept all challenges.. Please help US. George Norry is a blatant naked traitor to freedom for America. Again, George told Alex Jones he would not allow Americans hear the calls for liberty, unless Alex agreed to not inform the public on who personally was responsible for 911. Jones agreed. I often fear, Jones wants to be loved as Hero, over the wiser words of ourselves on who is who here. CFR, NWO, whatever, Bush closed investigations immediately after the 911 terrorist event of no questions!, no question!

Look, I'm sure we'd be able to easily work out our differences, if George Norry's amerka would take our calls for clarity, on Justice ruling our ways to a fool's paradise where those accused of a crime without any evidence would be US, as the INNOCENT forsaken in God's good name.

Torture is a crime against God and Humanity. So, likewise, joyously, with pride, destroy the neocon traitors of Justice - for the true Love you have as Freedom willed - is as granted. Don't buy their demon lies by blind blanket false assertions, against YOUR Humanity's Innocence in tyrannical bondage, all done in to fool you believing, we have no rights to be heard in our presence - here existing freely. Therefore, to survive US all for something better, halt the 'escaping' murderous bushite thieves for God and America. SOLDIERS: Instead of dying for nothing, my wannabe Patriot Brothers, try joining Liberty's cause, which is our cause truly. Is it because corporate TV zionist money whores, are cowardly and ignorant, as evil hypno muggers, in MY dying for real America, that YOU refuse to speak Now in your Humanity's begging further defense?, on evidence being the only requirement to establish a person's guilt or innocence? for ungodly terrorist activities committed in our name by bushite bombers from the neo-conned AIR FORCE, who, as rotted juveniles, cheeringly bomb us People indiscriminately leaving a Church as something TRULY SATANIC? To dare, in our presence, continue threatening harm against an innocent child of wonder, not yet even born to God's suffering world? Bushites war LIFE itself. So then pleads I again the Son to God, as Man to Men: war to kill the enemy bushite nazi savage thieves, for real Freedom is waged truly by Just causes. The mute, pro-censorship/tyranny THIEVING bushite savaged nation, has NO EXCUSE for the crimes they have committed in our dying names. I demand our voices heard internationally for Justice as Freedom is Godly.

ABCNEWS.com : FBI Called off Terror Investigations

A question Johnny Wizard has for America: Tell me, is this not a treasonous act - for Bush to close criminal investigations, immediately after the terrorist crimes of 911? Shouldn't the demon enemy be put to arrest for that godless act alone in this forsaken dying world? A world left instead suffering further the tyrannies of the war criminal ENEMY of all Human Life?

A refresher: the neocon will tell you openly, they live to lie to the Public for cheating and stealing by murder of US as proxied, innocent peoples purposefully enslaved by a made ignorantly entranced TV audience that is repeatedly reminded, we have no power worth respecting.

CNN, CBC, and FOXNEWS aren't taking are calls presently, but just lie and tell US they do. I propose we try CNN's Glenn Beck for nazi treason, and upon easily successful conviction, we put the demon liar to death along with bushite Tatum who confesses freely to slaughtering innocent Iraqi civilians for satanic pleasures all to serve the neocon agenda of swindling America TO DEATH for cash profit through neocon censorship. Mattis, the woman hating documented child killer, was made into a 'Judge' for the bushite's version of a war crimes 'trial', that hasn't even yet truly transpired, for the evidence was not brought to light through the proceeding, such as Tatum's full confession. Enemies of Life and Love, a dead bushite is an enemy of GOD halted from victimizing further our loved brothers and sisters, mothers and fathers. Death to the neoconner bushite dumfuk grunting liars who bomb our families, death to the enemies of Christ who war for the escape of the true culprits responsible for 911. TRAITORS.

See my friends, this is why I, as the Son of Man beg and plead for all able bodied men, to kill treasonous bushite on sight, for every time you love God by defending the innocent from murder, (the innocent whom any pro-bush corporate professional hold in total self contempt,) you save REAL peoples lives, and you defend God's good name to love God as ourselves committed to true Liberty. CHRIST RETURNS

I again, beg Humanity to speak in opposition to Amerika in the
defense of our innocent forsaken dying lives. CBC producers
know the bushmob did 911 but lie with propaganda to kill our
families for the ungodly as thieving neocon enemies. They
refuse to inform ourselves that Al-Qaida is General Mahmoud
Ahmad, as according to the FBI. Or that video of iron flowing
like water from the WTC towers exists indicating without
doubt, the bushmob enemies did 911 as TRAITORS.

Today, there is nothing more i wish, than to hear bushite nazi
savage thieves for the neocon die rightly, before the innocent
they target for murder. All in an attempt to 'escape' those
truly responsible for the crimes of 911 a bushite whore
practices, as an enemy to Christ and America.

Evidence is required to convince ourselves on who is good or
evil. Period. Don't like it? Too bad. We are on charged!!

Who cares about yourself if you won't listen as reason to?
What can you lose when you have granted to be blindly stolen
from?

Zionist nazi Israelis, do tell as LIARS, that Israel, the
nation that openly thieves, tortures, and murders daily thoses
THEY ADMIT are commpletely innocent, are enemies of every
religious person denied access to honestly speak the facts as
firmly established since the dawn of Man.

$4.50 for Every Pop Can?

Did you hear? A DOJ manager charges American tax payers $4.50
for every can drink he, and the rest of his cadre can swallow.
Buying bulk, the pop cans likely truly cost 35 or so cents.
So... who's pocketing the stolen loot? Cause, you know that

cause no demands for the returns of stolen funs, no bushite
would lose it's high costing position, as no one would be

communicating. wadyahsay??!!? I want to address America, on
how to return a reason for believing.

Make it so.

I AM AMERICA

Sattler ordered the murder of more than 200,000 innocent
people in Fallujah, and they speak nothing but lies on how
such demonic behaviors are godly as just ignored. Our Lives
forsaken, as they hold their very own to die sacrificed for
the unelected traitor neocon. I AM AMERICA.

America MUST demand war crime trials for the propaganda CNN
broadcast "Anvil of God" regarding the demonic actions of
Bravo company. They forgot to tell America importantly, nazi
forces forbade the population from leaving, gunning originally
for everyone between 15 to 55, but sided instead to murder
infants and the elderly too, when beginning the Zarqawi

campaign by bombing hospitals as first strike targets. As such, the bushite murdered many good doctors and nurses - so all to send bushite snipers on hospital near rooftops gunning for every seriously injured woman and child who tried to get help from the Humans. While driving down residential streets, grenading every home of humans being. Remember that when you hear these dishonorable bushite thieves die rightly for god and country.

[Sideline: It's been thought the reason why rescue efforts in New Orleans were provably sabotaged by Rove, was an attempt to make the blue state, commi red.]

See?.. women and children, who the enemy bushite forbade to leave the city with their innocent families, who, as were all living in the entire city of mosques conveniently found labeled therefore by bushite, "Insurgents" (or did leave earlier, and had our innocent families reportedly indiscriminately murdered two miles or so down the road by the most evil war crime act of recorded history.)

Importantly, there was no evidence made awared of, that legitimately offered PUBLICLY, from the UN or the U.S. to indicate a refugee camp anywhere, but for maybe a small group photographed - then some belligerent bushite bogus pocus - all headed up by a blatant traitor to America named Sattler. Reminder: after the indiscriminate carnage, they couldn't find near anyone for weeks who would take money offered to any citizen freely who survived for their satanic benefactor. So insanely disturbing as ungodly evil doing, war criminal Sattler called a halt to giving out charitable considerations from Americans to the unseen surviving victims - all in an 'escape' attempt to make it look better for US, the paying audience. So, where did our stolen values go to then eh? (Sattler's pocket no doubt.)

Tatum, who freely confesses he's a proud child killer without apology, is being made a free man in evil bushite amerika. The TRAITOR prosecutor has ridiculously stated to our world -

/ / Lt. Col. Paul J. Ware wrote in a 29-page report that there is insufficient evidence to show that Lance Cpl. Stephen B. Tatum did anything other than follow Marine Corps rules when he killed [for no reason, innocent] women and children \ \

TATUM ADMITS he enjoyed slaughtering the defenseless families deliberately!! In fact, he wrote a card to a dead marine's family, testifying that he murdered the innocent young girls for the tyrannies of the antichrist. Evidence that TRAITOR Paul Ware and Mattis hides from the Christian American Family. Will YOU, as an American man, allow these two bush bitch nazi punks to survive as furthering the commitment of more war crimes against the INNOCENT? as a zionist neocon's "Hero"? Will You defend our girls? Peoples of Earth! Help Me save our children.. please.. please..please

TRAITOR Paul Ware "Tatum shot and killed people in houses 1 and 2, but the reason he did so was because of his training and the circumstances he was placed in, not to exact revenge and commit murder."

TATUM STATED DIRECTLY IT WAS TO EXACT REVENGE AND COMMIT MURDER!! HE WROTE SO TO THE FAMILY OF THE MARINE WHO DIED! A FAMILY WHO WOULD MOST CERTAINLY SUPPORT TATUM'S EXECUTION AS DEMONIC TRAITOR TO FREEDOM IN AMERICA!! ASK THEM!!

"Al-Qaida" = "General Mahmoud Ahmad"

CBC, CNN, FOXNEWS, the Zionists, purposefully work to LIE to
the dying American Marine, that the ungodly bushite wars to
escape the 911 perpetrators hold some hidden benefit, as the
TREASONOUS neocon thieves freely rob from both undefended

American and Iraqi citizens, The neoconner, Mr. Bush closed criminal investigations on 911 immediately after the event occurring, while Billions are stolen through 'ear marks' and TVed Americans have no care known to speak of.

Done with American tax paid for rapists, torturers, and terrorists like Aegis who dress up as al-Qaida to murder godly lovers of Justice. CNN, CBC, and FOXNEWS would rather kill the Marine, than teach them where to aim their weaponry of liberation.

CNN, CBC, and FOXNEWS speaks NOTHING to demand the execution of hiding as 'British' soldiers who on prized video tape, beat to death young barefoot children for erotic fun, nor on mercury vaccines not banned minus "The President" in name. BANNED if God were Loved by America, or that the man or woman on the street would financially support my rise by popular command. Would you leave me to know, I will be left without a home to rest, or food to feed my hunger? Would an American?, I ask all Peoples of Earth to witness the American's contempt for Our worthy lives. Sattler ordered the murder of more than 200,000 innocent people in Fallujah, and they speak nothing but lies on how such demonic behaviors are godly as just ignored. Our Lives forsaken, as they hold their very own to die sacrificed for the unelected neocon. I AM AMERICA.

ABCNEWS.com : FBI Called off Terror Investigations

THERE ARE certain principles that we would all agree to publicly speaking. There are criminals who don't like these ideas, but they ain't going to speak out against us. Example 'I don't want to be held accountable to the American public, cause I want to steal that 16 billion dollars for myself. That's my public opinion.' What are we going to do but defend ourselves of deathly lawless tyranny, eventually. Or, you won't by DECIDING not to decide. Support our rise as the top cop of Humanity, coming down for diplomatic talks to engage the flagrant wanton stupidity of the bushite grunters. All on hopes you'll consider also, these Kingly texts worth a couple hedge funder salaries, a sixty cent barrel of oil marked up to 74 dollars, or a thousandth of the money America would save in a year, if you adopted Canadian Health care systems overnight for yourself to immediately provide all People the respect for life we deserve. Nazi zionists gave US Jews a bad rap again I see. They're despicable criminal savages the neocon.. who steal the rights and privileges of US peopled folks, all to fall victimized with their self confessed contempt for love and justice. Condi's crew dropped seven million land mines to murder ourselves for generations, and, shouldn't she and the neocons responsible be put to death for such conducts?? If not then, when? discuss.. They openly target innocent human beings indiscriminately without apology, but excuses that don't hold water. Not that corporate news professionals are even pouring! It's most definitely the re-occurring true story of a censored mankind with You as it's innocent victim. For, what human would support victimizing others for the tyranny of blind terror? Only bushite amerika would fall silent under such self contempt for our constitutions.

/ / [..]Israeli "Defense" Force (IDF) has announced that it will discontinue its practice of "capturing" populated Palestinian villages during military training exercises. \ \

Tell me, is this the godly people the neocon boast of for defense in? Or, just again examples of standing terrorism against life ourselves - committed by the censored as will giving, sacrificing American payer? Justice is Freedom.

Do you care to buy the bushite lies, when they commit openly the very same terrorist acts they say we should all be outraged against? Somalia is a case to point. They murder helpless people as bushite, then say they'll remain dying to thieve further as enemies to Humans being. It doesn't fool me, but perhaps it does you. A neocon soldier murders innocent Iraqis, while selling you they are all there risking their lives to bring freedom. So, they die. For lies. Die. Again, KNOWN Aegis goons openly commit crimes against Iraq done officially to get killed! the supposed to be Patriot Marine. P2OG. Soldiers under bushite command would rather die cowardly, than to honorably demand the bushmob's arrest for public trials as defeating ungodly fascist war criminal savages.

Why suffer otherwise this way under the tyrannies of naked neocon plunder to deny our lives for measured justice I ask YOU again, please believe: truth will set us free.

Al-Qaida = General Mahmoud Ahmad = ungodly bushite liars

911 Leaders Saying They Are Jesus

I've given my phone number several times to Alex Jones, of which he's not as of yet, invited me on as official guest, for fears he can find no arguments against US I presume. 911 financier Ahmad = al Qaida, and we have molten iron on video flowing like water. Demon Bush Jr. gave US zero, while closing criminal investigations immediately after the terrorist offense of no questions!, no questions! Case closed. But no, the American media rarely if never mention these facts, while insisting Bush's deathly war criminalling is as only a puppet, look away! look away!, leaving without challenge on the, teen like naivety of wearechange.org's consistence that "we", who demand justice for 911, who might also hold the opinion that zionist behavior does not blindly equal being Jewish, should not be allowed to speak Justly for our public challenge, because bushite Amerika has no defense for censorship against ANY of our judicial wanting, as documented positions on behalf of the suffering to death victimized public. Why? Because we are Just. Well, I try to be anyway. (I've spoken as written for YEARS, with NO ONE WORLD WIDE countering in the public realm, but for the strangely odd insult. Bushite do exist, don't get god wrong, but dumb evil bushite brood in darkness with censorship like all zionists do, selling to be 'godly' honorable men, when in truth, they'd murder anyone of US for a stolen nickel given to a neocon. I, as open line talk radio producer, win every time, always, forever, never fail. [er.. yet..] Why? Because I treat YOU fairly. America should do the same. We are all in this together. Zionists like robbing then killing defenseless innocent Christians, and Jews, while just lying that they don't without scened factual TV perception. Demon 911 WITCH, zionist Condi 'okayed' the dropping of more than SEVEN MILLION land-mines on Lebanon, purposefully done to indiscriminately murder ourselves for generations. Jason might foolishly call you an "anti-Semite" in fear for speaking such not understood truths. And importantly, not because they can publicly disagree so in open debate, so sides to not allow US to rise in acknowledgement to bring about Justice as demanded, for ALL as ANY. (Gee, who's the neocon now eh? (we're all sinners.))

If Americans really want 911 Justice:

Help US out by putting the video of molten iron flowing like water out there in the minds of any who have doubts, tell them hypno mugger Bush, gave US zero to substantiate his public falsehoods, and tell US about Ahmad as more than a passing fact that means little of nothing, then, WE, The People, will believe this has more to do with Justice for Humanity, than the American suffering movie goer ego being, "leading the free world", by voicing no public concerns on the criminality of the bushmob shysters. Left happying in the George Norry, as a TRAITOR to a dying America not hearing. An enemy of Liberty

to the, tried to be free soldier, who is led TO DIE still un-wittingly by lie for the misfortuned neocon bounty of global tyranny through coast to coast story lining. Look, the peenackers will tell you freakishly, that they work to lie to us all, to take advantage of a plain to view weakness. I swear. The neocon wants to con your kid to die for a war lied into with as our stolen goods. We lose as crime victims, while they win free accountability because, (well... Do Republicans mean to bring health care suffering out of control with no market values, because truly they have little of no skills when it comes to fixing their own buffoonery? Hmm... unless they count to hide the bean all together, fixing the game intentionally to have US lose by remote controlling stupidity! 300 channels, and nobody's taking our call from the space cased file of, "what's this freedom war against Life for again"? Look, is mercury as a medicine good or bad do you think?, let's ask someone for Christ's sake. Or for Deb, Henry, Bill, Beth, Mark, Carol or Tony. Johnny Wizard, our everyday normal magic man of folklore, opens up the stage to ask all the people together, "Are we Man or machine to take this all lying down quietly"? We need to talk about what a King like me, is doing in a place like this, under appreciated, and left alone without my home, dying for a break in radio programming, as President of the company that started the sands running, Shareware Earth Co., a god-like production of miracle and wonder!! You just participate, and you won't even believe how good we could have it, Rejoice, for Johnny Jesus has come down for diplomatic talks. Give away! Give away!

Again, CNN, CBC, and FOXNEWS, (who advertise their listening) suggest G.W. Bush and Co. have publicly acted nothing warranting immediate arrest, or have openly supported the great Kucinich's plan for Impeachment, and consequently, are leveraging America into this mess 'because' we were portrayed as sold to the U.N. for freedom as Iraqi's Grand Strategy. BOGUS! Nothing about the PLANNING of killing people indiscriminately for financial criminal gains as bonafide terrorists, for we had unrestricted access prior to dropping bombs for mangy LIAR neocons. ORHA. I have yet heard FOXNEWS complain in pains of liar BUSH personally being the al-Qaida cause responsible, (like Alex Jones sells foolishly falsely also) More than a million INNOCENT people have been murdered

Now, who personally are these pro-bushite anti-American terror scripters, and what is it going to take to find an informed citizenry out in these here parts, to make the proper conclusions by phone calling for furthering our infos around to channels of command of the big ringers in the sky. General Johnny would teach MY soldiers to immediately arrest to kill for such criminality. In fact, I'd likely even throw in some bonus cash, an a Freedom medal from all lovers of Liberty. It should be noted, ungodly bushite enemy commanders call every car bomb in Iraq, al-Qaida, without even pretending to do freedom operations for YOUR protections, as just another dead body in the rubble. It was these DOCUMENTED acts that had him thrown out of 'the CBC, CNN, and FOXNEWS TV expert scene as workable', all for fears that US humans might actually wake the fuk up on WHO is Our True Enemies here. All three, pro-private-bank zionist news stations are well aware that the bushmob did 911, but lie to YOU as forsakenly dying for their growing riches and world wide broadcast fame.

Bushites who war as the neocon enemies, war for the 911 perpetrators to escape American Justice. that is why I, as of GOD, cheer to hear the deaths of these pro torture, pro theft, pro Satanic enemies of Man. They confess freely to targeting INNOCENT People for murder.

PEOPLE

Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

Demon bush told us Saddam wouldn't let inspectors in, and that's why he irrationally started this war against God conflict. Impeach him, then have him PUNISHED for high treason against a further dying as truly unheard from America - for that lie alone - we ALL could/should stand together as equals demanding re-dress for the innocent murder victims who've suffered for such contempt, and belligerence for the basic precepts of freedom as Justice, or G-D as Johnny.

People of Earth, know, these bushite soldiers war Creation proudly with repeatedly committing aggravated felons, and South African death squad goons, all to war Love for the neocon god haters. Who, as peenacking atheists, as their very own documents stress, would murder anyone of US for a stolen nickel.

Our Mr. Bush Jnr. "The war is for you or for us [neoCONS] to
win. If we [neoCONS] win it, it means your defeat and
disgrace forever."

Die bushite die.

embedded in our legal system for perpetuity. \ \

WE'D be hunting down those bushite liars who
torture innocent people to death for their satanic pleasures.

Death to the zionist bushite enemy forces

Thirty Afghan detainees have claimed they were beaten, whipped, given electric shocks and denied food once they were transferred to Afghan security forces by the Canadian military \ \

These demons who war for ZIONIST censorship are a bunch a dope pushing cop killers, who murder innocent people they call 'Taliban' better known as in Arabic - students.

Proudly kill the bushite who would drop from the sky, SEVEN MILLION landmines on our cities to kill our children for decades indiscriminately, while offering our Humanity to God no apologies. Proudly kill the bushite savages all to desperately survive ourselves creating a better world through fair, free market communications. To warring for Liberty as true Freedom wills, is for Justice understood as measured, not just made up out of nowhere for the pleasures of those truly Satanic. The Pentagon's Power to Jail Americans Indefinitely
http://www.jonesreport.com/articles/270307_pentagon_power_jail.html

Look, demon enemies of Christ torture innocent people for fun, paid for by the silent American tax payer. Americans refuses to bother making a simple phone call to Coast to Coast to raise some concern. THEY don't. They refuse to hunt bushite down in their streets for death to defend the innocent held indefinitely against GOD'S will. Death to the bushite, death to Johnny's godless, lawless, fascist enemies of FREEDOM.

Look, CNN, CBC, and FOx News know the bushmob did 911, but will smile while watching your son or daughter sent out to die CONNED by their demonic hatred for US freely communicated. How do I know this? I made the effort of making the phone calls.

He and his family
have millions of dollars to sell you out, so why care for your struggle to survive in bushville soldiering?

Alex Jones and me aren't on the best of speaking terms, but I will state, a desire to address every same challenge he has adroitly addressed as publicly lacking. And when I am addressed 'officially', I will campaign to put US in the space to realize, we are the government, we are the people. We don't need to run to the hills and encamp ourselves away to defend ourselves to the max from the man, we are the man. I'm telling yeh, I know this to be so as the sea is we magically. Equal rights for all in God's name is self evident. Self evident to ME anyway... but well.. who am i?, right - I'll tell you as I have for more than a decade as a living fiction forsaken for lack of anybody anywhere understanding in totality what I am here on Earth as true Son to Man - a 'understandable' timeless stand in for G to gain recognition through as honest broker. [I've been everywhere around forever, and.. blahblah.. I know people really don't care to know of ancient wisdoms, truths that guide the order to the Universe, cause often they think I'm beyond their comprehension as a 'better than', when all power is in equal respect for others as our hurting brothers and sisters suffering with tyranny by our collective willful ignorance on Justice.[God's bestest is Just for every reason being thus]] I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really defend ourselves with.

Please my American friend, help US speak out freely Coast to Coast. So we together can start, on demanding Justice for all, as innocence in serious jeopardy. Dadullah is most likely an individual who holds at least some control over official military functions of NATO in the region. So, we're going to seed loyalties of the rare Patriots in the force to recognize our need to isolate who supports, not talking FREELY for peace easily in Afghanistan without question. No evidence was brought against Laden, therefore, the Taliban were True Patriots, and bushite traitors are pure racist nazi filth ridden, toxic, as being cowardly dishonorable as despicably evil, enemies to us all. Put US in Command.

Question the bushite, question to anyone who mumbles disagreement in the godly fact, that WE, as Humanity, will spend the better part of this next generation, hunting every

last war profiteering nazi war criminal down for our real Freedom from their, so errorred "endless" tyranny of big money terror. Lawlessness with be outlawed, and ANY corporate american who mumbles otherwise, as an enemy totalitarianist, the clear ungodly, (as should be criminal,) will be put to challenge by their very own children, or parents, or bleeding dead brothers. Hannity must be tried for death as lying that the holocaust never happened from Iran. DEATH to the demon liar nazi fu-ker I say, DEATH to the demon liar nazi fu-ker.

Al-Qaida = General Mahmoud Ahmad

Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

/ / "Those who negotiate in the name of the Taliban will be killed," he said. He did not elaborate. \ \ He's either with the proven cowards of JTF2, or the two or three "CIA" guys

secretly hunting bin Laden in caves out there with tens of billions of dollars. SPENT EACH YEAR 'unknowingly'. (No reason why, but, they just can't tell You, as the paying for it really while DYING) Put US in Command.

kill all of them

/ / In his testimony on Wednesday, Pfc. Bradley Mason of Company C said that on May 8, the night before the raid, Colonel Steele told soldiers to ``kill all of them.'' Three other soldiers gave similar testimony. \ \

I would offer rewards for more soldiers to come forward. Why? because there truly is, no honor among thieves. Every bushite soldier in Iraq for the liar neocon is minimum, a purposeless

dumfuked cowardly thief. See? if you offer a reward, and they don't take it, their 'fellow' bushite, kill'em for it, right? why take the risk it'll cash in over your worthless life? For, who can trust a lying bushite nazi savage? certainly not a lying bushite nazi savage. In other words: speak against committing war criminal acts of lawless aggression in Iraq for Bush, as CLEARLY un-American, and I'll try to forgive you as human. Or, I guess you'll kill yourselves in mutually muted total contempt for this universal life as actually worth something.

When you see and hear on video, sexually dysfunctional, as sadistically satanic grunt puke pro-bush soldiers moaning, while deliberately killing innocent defenseless Family People running for our dying lives from a holy church, or as just simply anyone standing near the side of the road, then, my friend, you'll begin to understand what evil actually is. And, what needs to be done to seriously save ourselves. Seriously. Justice must be won sooner than later.

Five Star American General Johnny Wizard will train American Soldiers to recognize such demonic behaviors in combat as worthy of immediate frag to defend the lives of truly fellow honorable soldiers. Soldiers ACTually, committed to freedom from godless satanic dumfuk tyranny of the antichrist demon, Mr. evil personified, the UN-ELECTED 911 TERRORIST, George Walker Bush and CO..

Rapists and torturers must not be allowed to rule our pirated authority through defending the further 'escape' of the bushmob for 911.

/ / As a result, the Defense Department put up a Web site in 2005 designed to clarify [to the dumfuk bushite demon liars] that sexual assault is illegal [...] \ \

Let's save some lives, what do you say guys?

Or, are we going to go further with this: George W. Bush:
"If the absence of violence is victory, no one will ever win."

YOU

"If the absence of violence is victory, no one will ever win."
http://cleveland.indymedia.org/news/2007/03/24652.php

I know, it's seems odd that I am, at the same time, offering answers to any question on the science of God as is pertains to Justice measured, but this is just who I am to be conscious man. So, if we can get over the shock of me being so especially normal, maybe we can then realize, I have some simple good old ideas that transcend through time by rational understanding communicable between any two people. I am not a "miracle worker" to all those I advise to not eat Aspartame because it's a poison that also makes your body crave un-needed carbs, that will likely convert to more unless fat. So, it slowly kills you, while making you fatter than you need be along the dead end journey faithing in "the system". So, why do some do it religiously? Who cares (for now) but to say, our governments are failing US miserably. I spoke personally with one of the head scientists in Canada at "Health Food and Safety", and he told me the scientific analysis done by reputable scientists I found freely available repeatedly on the internet years ago, was completely true. (It breaks down to formaldehyde, and methanol (a slow lethal poison), among other shockers. Poison. P-o-i-s-o-n-s in our food stuffs. Poisons.) However, he could take no action to defend Canadians "officially" because we, Canadians, have our corporate interest news departments completely refusing to defend ourselves from corporate exploitation anywhere, and as natural consequence, we, as the dying world, would together unrepresented, probably lose a law suit from mutant Monsanto through the self inflicted bounds of OUR censored WTO program. - instituted through the top secretly mastered puppet people persons of the 'unseen' NWO I guess.

I'm telling you, we need me as King.

Look: Aegis's workforce, for American PAYING profit, has been publicly disclosed through CNN to be shooting people in Iraq indiscriminately for your money, and when the Pentagon was contacted by Nick Roberts about what would be done, they responded, nothing would be done by Johnny's America but to increase the multi-hundred-million dollar contract with demon enemy Tim Spicer to continue. Now... why you ask? Because the neocon liars, steal money by lying to cowardly American kids about what they mindlessly, without thought, give their souls for. Tim Spicer openly hires South African goons to commit hardships for American GIs to die without end for, in lawless tyranny. Peace sells less money for the neocon war profiteers to murder the innocent American as. (Iraqis,

along with the rest of Humanity's Men, WILL eventually learn this truth, or life for you will end.) As an Arab hating bushite, (like what you'd find as a publicly proud practiced hatred for all Humanity, by an Amerkan dumfuk soldier in Google's alt.religion.islam), they say nothing for Freedom by Justice, but root themselves to Spicer's monsters who like killing black guys, as world renown mass murdering racist nazi filth. That's why zionist Israel loves them so much.

Look: Somebody stole four trillion dollars out of the Pentagon.

Look: corporate magic TV people couldn't care less for US if they tried. Ahmad funded Atta. bin Laden claimed he played no part in 911. And video of iron running like water moments before the first tower fell is freely available for download all over the place.

Look: Barbra Bodine did the Cole bombing. [the Cole whose crew has been completely overhauled. Where are the many who served there NOW eh?]

Look: America has kidnapped countless thousands without evidence to be held against OUR will indefinitely. [Like the NOT Jewish Israel]

Look: innocent people are being tortured to death by those who hide OPENLY in America's uniform. [let US hunt them down for GOD, despite what demon lies they argue give them as Satanic to avoid "The Law".]

Look: the bushmob war profiteers STOLE the Iraqi Development fund

Look: the more than 10,000 security contractors for Bush are officially deemed lawlessly unaccountable to anyone - THINK ABOUT IT

Look: Negroponte PERSONALLY stole the Iraqi emergency water provision money

Look: Sattler OPENLY committed the worst war crimes of all Humanity's history

REPENT. [from the Greek, meaning to think.]

The TRUE Son of Man Johnny Wizard Exists Born to this Eternal World to end permanently demonic bushite enemies of Creation. Help Life out by destroying cowardly America's greatest threat to the Species, the greatest threat against Humanity's Freedom to be Loved by God. Corporate nazi zionist bushlores at CBC, CNN, and criminal thieving from the desperately poor in Winnipeg CJOBers forbid open communications, and I can't 'take over', because then I'd be defeating my own, power to the Peoples argument. So, it really is up to YOU, yes you there... reader. Who.. really..? YOU, here, now. Life begs, takes a stand for your fellow man, and demand our voices heard for the defense of the entire human race. And be quick about it. Repuglicons don't want freedom from endless war where they kill your forsaken kids, for we all know, bushites would be publicly tried, then spend the rest of their treasonous lives behind bars broke, or dead from lethal injections made popular in America. Again, officer Bowman is responsible for letting 'escape' those from Fort Detrick, who attempted to murder the American Congressmen who thought going into lawless tyranny, !makes no sense! Where is corporate America on our issues when OUR free speech is ruled by the irrational evil minds of Limbaugh, Bell, and Norry?!?!! Back to Bowman: Bowman, also is responsible for sabotaging the Moussaoui warrant. And, how much you wanna bet, he's probably

the same bushite who found Atta's passport, and likely had all
19 names of the high-jackers to give CNN, CBC, and FoxNews
just like the neocon's "bin Laden" would have too. Take the
publicly prancing bushite enemy out for questions by yourself,
if he doesn't plead his defense publicly on Coast to Coast by
tomorrow. Remember, there ain't an "Intelligence" group worth
their salt on the face of our Earth, that doesn't know exactly
what I'm doing here honorably for a real Justice made through
careful thought. So, support Johnny Wizard speaking for
public challenges internationally, and with the 23 plus
co-operating for life 'Intel' agencies, along with, anyone
else who can join in on the call. as a growing number of
Patriot Soldiers, who trust yourself to see, this wanting of
Justice isn't complicated. A person accused of a terrorist
event without any evidence, has our accuser a bushite, who
should be watched carefully until verifiable conclusions are
done by the understanding of fact. Not faith. With George W.
Bush making real decisions in faith, expecting us to believe
as corporately broadcasted unabashedly unbiased, that he
is not a deliberate incompetent monster war criminal
of unfathomable evil?, who is just too 'stupid' to understand
why we are innocent until proven otherwise?, is really
something we all need to scream about to save our dying lives.

"[..] just like the neocon's "bin Laden" would have too."

However, the real Laden, on video taped confession, claimed he
played no part whatsoever in 911, then later, offered himself
for arrest, confident he would be acquitted. Not corporately
newsworthy though, so, few even know why their American child
was later died in the terrorists act of corporate contempt for
US living Freedom with something greater as real Justice wills

Try having someone who finished school read the thread to you. No one here
said anything about "digital systems". We were discussing listening to the

HF and VHF-Low are adjacent and have overlapping characteristics ca. 30 mHz.

AM - FM - SSB - CW, what ever has no effect on the skip (propagation) conditions. WE, our radio club receive "skip" on our FM ham repeater which is in the 147 MHz band. The usual skip comes from 500 miles away from another ham repeater.

Longest scanner reception would depend on several conditions, the antenna, it's height, your elevation, propagation conditions, coax line loss, antenna signal amplifier, just a few of the major items to think about.

Ok. I thought that they way that they signal was modulated
had an affect on the general overall range, all things considered
with AM working out more favorably with skip because it's a simpler
type of radiation. But come to think of it, when the US Govmnt
was doing below-ground nucleor tests in Nevada, we could pick
up tv channel's from 1000 miles away.

I could pick up CHIPS and Mexican Military on my Bearcat
when I was in Dallas. This must have been around the mid
90's. Of course, back then, with the solar flare-up waning
off, you could still pick up CHIPS (california highway
patrol) who inccidently transmits on FM or I woulnd't have
been able to recieve them.

1562. EDACS butel software issue resolved !!

I finally got this working...

Thanks Gordon for the suggestion.

I was using the butel software and it has a knack for glitching the freq
entry field, upon upload it entered a tick in the field !!
This after several memory resets and uploads and file recreate.
When I viewed it as a entry portion in a text field you would see it.
This would cause the scanner to have an invalid entry and it could not read
it properly.

Once I entered the freq manually rather then using butel..... the scanner ID
the first sweep !! Yeah !!
Finally after 7 emails with butel for some help and it not going anywhere
but failure and their lack of communications...
Gordon responds and understands exactly what is going on.

I also got the APCO 25 working for DPS... sweeeeeeet..

Thanks for those who have replied.

Let's say I leave a scanner in location "A"
I move to location "B"

I would like to monitor more than just one frequency simultaneously.
Can a scanner accomplish this task?
Or would I need some other device?

Thanks in advance.

MI5 Persecution: How Could It Be True?

If you have the patience to read these articles you will be struck by how apparently fantastic the claims being put forward are. You may ask yourself why such seemingly nonsensical assertions are made. This matter has been discussed on the Internets UK-local newsgroups for three years now, and the denizens of the uk.misc newsgroup (the so-called "miscreants") have come up with a number of theories to explain these posts; it has been variously suggested that they are a troll (an artificial creation for the amusement of its author), that they are made by MI5 themselves with the purpose of discrediting other conspiracy theories, and that the poster is mentally ill and the articles are symptomatic of the illness (the view held by most miscreants).

Are these claims the product of mental illness, or is that just a cover?

The most obvious explanation, that the claims made result from the admitted mental illness of the author, is the one which the persecutors intend be the one accepted without consideration being given to the possibility of the claims being true. The persecutors have actually been very clever about this, both in selecting as their target someone who was known from school or university as being borderline schizophrenic, and in ensuring the nature of their persecution corresponds to what often features in the delusions of a schizophrenic.

The very first incident of the persecution occurred in June 1990, when I was still a student at university in London. It consisted of a reaction (giggling) from the newsreader, Sue Carpenter of ITN, to what she saw happening in my living-room at my parents home where I was living. Before your imagination gets the better of you I should make clear that what the newsreader was reacting to was not too embarrassing in nature; my mother had brought an apple for me into the the room, and Sue Carpenter found this amusing.

I recognized that Carpenter had reacted to what she had seen in my living-room, yet this idea still seemed completely fantastic to me. My reaction was to continue watching television, particularly the news, to see if this incident would be repeated. It was, many times, both on BBC and ITV. An intelligent person would have thought to obtain a video recorder and capture some of these incidents in order to try to explain to an observer what he saw in these broadcasts. Unfortunately, I failed this test of intelligence, since I did not record these programmes. I have recently attempted to obtain from ITN tapes of their news programmes dating back to summer 1990, but, unhappily, they have advised me that they do not have complete programmes including newsreaders comments dating back

to that period.

From the outset, the persecutors structured their actions to ensure that any complaint would be met with disbelief, and dismissed as delusional. This is why they chose as their target someone who was known at school and university to be borderline mentally ill; and it is why they fired the first shots of their campaign through the broadcast media. Schizophrenics commonly believe the media harass them; it would be exceptional for "full-duplex television" to exist in reality. Those with schizophrenia also commonly believe people are talking about them; again, the persecutors have shown themselves very rarely, but act through intermediaries, both in the workplace, and in public and during travel.

Mental illness is not the cause of these claims, but the simulation of its symptoms is a cover used by the persecutors to deny their victim the ability to have his compaints believed.

What evidence exists to support these claims of "interactive television/radio";?

Quite frankly, I have very little evidence to support my claims. You may examine the "Evidence" area of my website to see such evidence as I have been able to gather. None of it is remotely conclusive. The "smoking guns" all date back to 1990/91, and it is really rather late now to start trying to look for material dating back seven or eight years. In 1997 I started tape-recording every programme I watched or listened to. I also started carrying with me a high-fidelity minidisc-recorder with good quality microphone to catch incidents of public harassment, but this also has not been as successful or conclusive as I had hoped.

Perhaps the best item in the "Evidence" section is the audio file "Life is so hard" (it is labelled with Garfield the cartoon character on the site), which I have given a certainty level of 100%. This item relates to harassment at my workplace in Canada in 1996. A co-worker called Mark was coming up with phrases and expressions which were repeating things being said at my Canadian residence, consequently leading me to believe that my apartment and home phone were bugged, and that the persecutors were passing their gathered information on to Mark. On one particular evening I said in my apartment, "life is so hard, and then you die". The following day I was able to record Mark saying exactly the same phrase at work.

Unfortunately when "they" know you are recording them, they simply dont say things which would unambiguously show harassment. When Mark the co-worker knew he was being recorded, he only made his remarks out of range of the recorder, for example outside the building. When the TV newscasters or radio disc jockeys know they are being taped, they limit themselves to saying things which are ambiguous, which even in my mind may or may not be personally directed against me.

Who knows about this persecution?

Surprisingly many people know. People in the media, such as BBC and ITN newscasters including Martyn Lewis and Michael Buerk, and radio disc

jockeys such as Chris Tarrant of Capital Radio, know what is going on, and take part in it. Some co-workers at my former workplaces in England and Canada have known about the harassment. Quite a few people in the general public are also included. I believe the police are aware of the persecution, but, unfortunately, have chosen not to take any action to stop it. I have complained at my local police station in London several years ago, and I have stated on the internet newsgroups that I have done so, hence the police will be well aware of my wish to see the matter resolved. I believe their inaction denotes a dereliction of duty, but without good evidence, I am powerless to compel them to take steps to prevent further harassment, or deal with what has already taken place.

What is the purpose of sending these faxes?

These faxes are being sent to three distinct groups of people, namely Members of Parliament, the media, and diplomats & legal people. As you will have observed I am making use of the email-to-fax gateway at Demon Internet to send these faxes. I am forced to use this gateway since I currently live in North America, and cannot afford the high cost of direct phone calls to the UK.

My purpose in publicising my claims is firstly to discourage the persecutors from continuing their campaign, and also to attempt to bring their campaign out into the open, and thus perhaps identify the persecutors. Neither aim has been achieved yet, but I hope that with sufficient stimulation these aims may yet be accomplished.

The problem with the second aim is that those who read this article will fall into two groups, those who dont know anything about the persecution and consequently will disbelieve my claims as delusional, and those who do know about the harassment and may have some idea of who is behind it, but realise that if the harassers are exposed and the truth brought out into the open, then powerful British institutions will substantially lose prestige, and be exposed to ridicule.

It would give me hope to believe that these faxes will create a third group of people, those who find out that I am telling the truth, and who follow their consciences in standing up and seeing justice done. Only time will tell if this hope will be realized.

1566. MI5-Persecution: Why do you think MI5 are responsible? (3918)

Newsgroup: rec.radio.scanner
Date: 2007-12-16 12:00:08 UTC
From: MI5-Victim@mi5.gov.uk
Message-ID: <m07111612000581@4ax.com>

Why do you think MI5 are responsible?

The question of who is ultimately responsible for this eight-year harassment is one which is very difficult to answer, as the persecutors have never clearly made their identities known to the persecutee. However, I believe I am correct in attributing the continuing victimisation to elements of the British Security Service MI5, and in this article, I will try to explain the reasons for this belief.

The British internet magazine ".net" featured my website on page 17 of their March 1998 issue (number 42). Their review kindly describes it as an "excellent site" and gives some details of what the net surfer will find there. Should you wish to reply to this article you can do so;

"When did you first suspect MI5 were responsible?"

Over Easter 1995 I went to see a local solicitor in London with a view to talking to the police about the harassment. Soon afterwards I did go to my local police station in Clapham and spoke to an officer there. The solicitor made a comment which suggested to me that the persecution I had been experiencing may have been organised by an intelligence service.

Up to this point, I did not have any clear idea as to who was behind the harassment. Only their agents were visible, in the media, on television news programmes, and on the radio; in the workplace, where things said at my home were repeated verbatim; and in some cases abuse in public and during travel, for example on the trip to Poland in June 1992 which I have already described.

Both from the fact that widely disparate individuals and organisations were employed as agents in the campaign against me, and from the fact that an entity would be required to marshal their resources in the areas of spying on my home and giving gathered information to their agents, it was clear to me that a single entity was responsible for carrying out the campaign. Yet from June 1990 until Easter 1995 I did not have a clear idea of who might be responsible. I guessed that perhaps some private individual or group of persons who saw themselves as my enemies had perhaps paid private detectives to organise the harassment. Alternatively, since the campaign had started in the media, I made a far-fetched supposition that perhaps it was an ad-hoc group of media people who had set themselves up in opposition to me. After Easter 1995 I saw that these guesses were wrong, and I made an I believe much more accurate estimate as to who my enemies really are.

"Why couldn't a private group be behind the persecution?"

There are several reasons why a private individual or group would not be behind this campaign.

Quantity of resources / Money. Here is what one Usenet (internet newsgroup) participant had to say (several years ago) on the topic of how much money it would cost just to keep the surveillance going.

PM: >But why? And why you? Do you realize how much it would cost to keep
PM: >one person under continuous surveillance for five years? Think about
PM: >all the man/hours. Say they _just_ allocated a two man team and a
PM: >supervisor. OK., Supervisor's salary, say, #30,000 a year. Two men,
PM: >#20,000 a year each. But they'd need to work in shifts -- so it would
PM: >be six men at #20,000 (which with on-costs would work out at more
like
PM: >#30,000 to the employer.)
PM: >
PM: >So, we're talking #30,000 x 6. #180,000. plus say, #40,000 for the
PM: >supervisor. #220,000. Then you've got the hardware involved. And
PM: >any transcription that needs doing. You don't think the 'Big Boss'
PM: >would listen to hours and hours of tapes, do you.
PM: >
PM: >So, all in all, you couldn't actually do the job for much less than
PM: >a quarter million a year. Over five years. What are you doing that
makes
PM: >it worth the while of the state to spend over one and a quarter
million
PM: >on you?

A private individual or group would not spend over a million pounds to verbally torture a victim without some financial motive or gain. Private industry is driven by the profit motive, and there is no financial profit to be had from carrying out a campaign in this way. If a private enterprise were behind it then they would have taken direct physical action a long time ago.

State enterprises, on the other hand, can afford to be wasteful, since they are funded by the taxpayer. They do not have to show a money profit. The employees or contractors employed by a state organisation such as MI5 are driven by their own personal profit motives, to make the most money out of their employers for the longest period of time. MI5 is funded to the tune of #150M p.a.; even a few hundred thousand a year would to them be affordable if their managers could convince themselves of the necessity of what they were doing.

Quality of resources / Technical resources - electronic and other surveillance. In summer 1994 a reputable and competent private detective agency was employed to conduct a counter-surveillance sweep of my home in London. They charged us over #400 for this, conducted a thorough search for radio transmitting devices, hard-wired "probe" microphones and also tested the telephone line. They found nothing. This was not altogether surprising, since it had been made very clear to me that there were bugs in my home; the "buggers" would not have made this clear unless they had felt their bugs were of sufficient sophistication as to be safe from

detection.

But there is another lesson to be gained from the failure of the private detectives to find anything. The agency employed was one of the most reputable in London. They were employed on the principle of "setting a thief to catch a thief", for if the harassment were being carried out by private detectives, as I then believed, then surely another set of private detectives would be able to find the bugs that they had planted. That these "private eyes" were unable to find anything, and that the harassers were confident that they would not be able to find any bugs, points to the harassers being an order of sophistication above a private agency, and leads me again to believe that a state intelligence service is responsible for the surveillance and harassment.

Quality of resources / Technical resources - Interception of Postal service. In summer 1994 when I emigrated to Canada to try to escape the harassment, I wrote letters home to my family and friends in London. Quite soon after my arrival in Canada, the harassers were able to find precisely where I was staying. The only way I can see of "their" being able to find out my new address was by interception of my letters to the UK.

Later in 1994, I conducted an experiment to see if my letters home were indeed being read. In a letter home I wrote of being depressed and talked in vague terms of suicide. I deliberately chose this topic, since I believed it was the outcome my harassers were trying to achieve, and that if they read the letter, they would "echo" its contents. Sure enough, soon afterwards there were two incidents of people shouting "suicide" at me in public places in Canada.

It is inconceivable for a private agency to have the ability to intercept postal mail. The state security service on the other hand is well known to engage in these activities.

Quality of resources / Access to Media. One of the strangest aspects of this case is the access "they" have to the broadcast and print media. I still do not understand what could persuade newscasters such as Martyn Lewis and Michael Buerk, who consider themselves "gentlemen", to behave in an almost voyeuristic way by "peeking" into the living room of one of their viewers. A year ago I wrote to the BBC asking if these newscasters would confirm or deny the accusations made against them. The BBC replied that their newscasters had denied the accusations, but refused to do so in writing.

It is well known that MI5 have the ability to plant stories in certain newspapers, but convincing television newscasters to "watch" a viewer while they read the news would surely be very difficult for them to accomplish, unless they presented themselves to these journalists as being, for example, a group in the media who were seeing to it that I got my "deserved" treatment. MI5 has a history of manipulating the media, so it might not be too difficult for them to accomplish such a trick, whereas a private group would not have this ability.

"Have they ever denied that they are the Security Service?"

No. Never. This is in fact the main reason why I believe "they" are MI5 and not a privately funded group. If my guess had been wrong then I am sure that "they" would have crowed over my mistake, but they have never admitted nor denied that they are employees of MI5.

In early January 1996 I flew on a British Airways jet from London to Montreal; also present on the plane, about three or four rows behind me, were two young men, one of them fat and voluble, the other silent. It was quite clear that these two had been planted on the aircraft to "wind me up". The fat youth described the town in Poland where I had spent Christmas, and made some unpleasant personal slurs against me. Most interestingly, he said the words, "he doesnt know who we are".

Now I find this particular form of words very interesting, because while it is not a clear admission, it is only a half-hearted attempt at denial of my guess that "they" = "MI5". Had my guess been wrong, the fat youth would surely have said so more clearly.

"If MI5 were behind it, why would they wish to mask their involvement?"

I have heard a number of times a belief from people in the media that it is they, the media people, who are behind the abuse. In spring 1994 Chris Tarrant the Capital Radio D.J. said sarcastically on his breakfast show, "You know this bloke? he says were trying to kill him. We should be done for attempted manslaughter". We, we, we. Tarrant thought it was a media conspiracy.

Returning to the question of "interactive watching" by television newscasters, it would again be much easier for them to take part in that sort of activity if they convinced themselves that the surveillance and abuse were organised by "their own", by media people. It must be second nature to MI5 to mask their involvement in the matters they deal with; in this case, they pretend the campaign is organised by a group in the media, and any journalists who suspect otherwise keep their silence.

Conclusion

Over the last three years I have stated with some force my belief that MI5 are responsible for my misfortunes. I have done so on Internet newsgroups, in letters and faxes to people in politics and the media in the UK, and in 1997 I made a formal complaint to MI5 regarding their activities; the Security Service Tribunal replied in June 1997 that "no determination in your favour has been made on your complaint". (I believe the statement by the Security Service Tribunal can be disregarded, as they have never, ever made a ruling in favour of a complainant.) In three years of naming MI5 as my oppressor "they" have never denied the charge. To me, their silence on this point indicates that my guess was accurate. I believe my persecutors stand identified. The question of why they should carry out this campaign is one I will try to answer in a future article.

MI5 Persecution Update: Friday 15 May, 1998

The persecution has been quite severe for the last week. It appears that my enemies are reacting to the steady stream of faxes making their way over the Atlantic to the fax machines of Westminster politicians and the media. Here is whats happened in the last few days;

The week started off with an incident in the cafeteria at a local shopping centre where I habitually drink my morning coffee. My enemies have concentrated since winter 1995/96 on throwing a particularly horrible sexual slander against me. They "put people up" to repeat this slander against me, and this is what happened again here.

On Thursday morning (yesterday), instead of going to the usual cafeteria I went to a nearby convenience store for coffee. The same horrible sexual slander was shouted at me very loudly by a member of staff as I walked into the store. This was the first time I had ever bought morning coffee in that shop. The other staff obviously knew what was going on, one of them said, "they screwed up my life".

The fax gateway I use to send these faxes to the UK has been working hard these last few days to shut down my access by barring the accounts I use to send these faxes.

I have received an anonymous threat from fax number 0171-219-6101 (the machine gave its name as "ETRA-HoC") which said, "Stop sending to this fax no 0171-219-6101 or else" (the consequences of continued transmission were unspecified). I invited the sender to apologise for his threat, but received no response.

This all adds up to quite a severe reaction to my faxes of the last few weeks. I actually find this quite heartening since it shows that my faxes are finding the mark and there may yet be a breakthrough in my efforts to expose the Security Service conpiracy of abuse against me which has now been going on for eight years.

MI5 Persecution: "Why would they be doing this to you, sir?"

This article will concentrate on the difficult question of "Why". The question which forms the title of this piece was asked of me by the police officer I spoke to in Easter 1995, when I went to make my complaint.

There are really two sides to this question. Firstly, why should MI5 be harassing anybody in this fashion? Secondly, if they choose to behave in this way, why should they have selected me in particular, and not somebody else? Alternatively, why did the persecution start, and why is it

continuing?

I do not have definite answers to either side of this question, since my persecutors have usually kept themselves hidden and only acted through other parties. To know "why", one would have to know who the persecutors are, and something of their personalities, since their abuse is almost certainly symptomatic of a personality disorder of the abusers. Certain things however can be deduced about the abusers from the nature of their behaviour, and I will talk about this later in the article.

Why did it start?

It is clear that the persecution must have been initiated by someone who knew me personally, either at school, or at university, or socially, and knew that I was borderline mentally ill, since this is what makes me a target for the persecutors. Unfortunately, the originators have never been identified, and there are several possible candidates. Neither has the link from the originators of the persecution, to the persecutors themselves, ever been made clear. So who are the originators?

University Staff

The identity of the originators may lie in the timing of the persecution. It started in June 1990, while I was finishing a course at Imperial College in London, and a year after I graduated from Cambridge, where I received a degree in computer science. At Cambridge I had achieved some notoriety in the computer lab from various nefarious exploits. Roger Needham attacked me by saying that "there were great hopes for it, but it failed terribly". When I started at Imperial I found that my reputation had preceded me; Cambridge computer lab had spoken to I.C. lecturers about me. I.C. lecturer Frank McCabe summed up commenting about "setting up a straw man so you can tear him down". (Despite being "torn down" by the Cambridge computer labs lecturers, I still achieved a good first degree and a Masters degree at Imperial.)

Other students at university

So, the originators may have been university staff who knew me from my student days. But there are other possibilities. I had other enemies at university, including some fellow students. At my Cambridge college it was common knowledge that my mental health was dubious, and it was known that I talked to myself in my sleep - the floor and walls were quite permeable to noise, so other students heard. I was given the nickname "gibber" because of this habit. Sometime later, I managed to catch myself talking in my sleep when I woke up in the middle of the night.

Here is a quote from a participant in the internet newsgroup where I have been posting for the last three years;

>One thing which has been missing from this discussion is this simple
>prognosis: that maybe he is right and that, despite his admitted
>mental condition, there really is a campaign against him organised by
>now-influential ex-students of his university.

People I knew socially

I had yet other enemies in 1990 (I am a man of many enemies!). In January 1990 I broke up with some people I had been going out with socially. One of them, by the name of Andy Turner, wrote a letter to Alan Freeman, who at the time was a Radio 1 DJ. Freeman read part of the letter out on his Rock Show, about the "one who wore out his welcome with random precision", saying "thats a hell of a letter you wrote there Andy", and "with a schizophrenic youre never alone".

It is my belief that Andy Turner and his friends were trying to make trouble for me, and Turner wrote to Freeman with this in mind. Freeman may have discussed the letter with others, and things may have snowballed from there. This is, of course, pure supposition. The fact is that I do not know who the originators are, and can only guess.

Once it started, why is it continuing?

The answer to this question is obvious. It is unacceptable to the "powers that be" in the UK to have somebody running around who knows he has been targeted by the Security Service and media organizations, and who is in a position to embarrass British institutions. This has become particularly evident in the last week; as I send more faxes to UK politicians and media, so the pressure on me grows, and the volume of abuse increases.

Part of the reason the persecution continues is in the personalities of the abusers, and it is this subject to which I will turn to next, since the key to understanding the persecution lies in understanding those who carry it out, as much as we can.

The Security Service operatives, the persecutors, are they psychopaths?

Let us first examine the definition of the term "psychopath". DSM-IV defines "anti-social personality disorder" as a "pattern of disregard for and violation of the rights of others ... deceitfulness, irritability and aggressiveness ... consistent irresponsibility and lack of remorse". The Harvard Mental Health Letter of Sept 1995 describes these people as using "charm, manipulation, intimidation and violence to control others and satisfy their own needs. Lacking in conscience and in feelings for others, they cold-bloodedly take what they want and do as they please", having "no guilt or regret".

I must say, reading this description of the condition, that it fits the persecutors perfectly. The persecutors have never shown the slightest remorse or guilt. Even when I was severely ill, they continued to abuse me. They have repeatedly blamed their actions on me, which is another trait common amongst psychopaths. They have no respect for my legal or personal rights, and they use intimidation and verbal violence.

If the MI5 operatives are psychopaths then it would explain both why the persecution started, and the degree of verbal violence. Psychopaths by definition damage other people; here, the MI5 operatives find an outlet for their personality disorder, through "cripple-kicking".

Xenophobia on the basis of mental illness, and race

My enemies have made clear many times that one of the reasons they are persecuting me is because of my admitted mental illness. However, it is my belief that they are also persecuting me because I am not of ethnic English origin, and the fact that there have been several incidents of an overtly racist nature reinforces this view.

In one case, two youths on a tube train in London made openly racist references to me as a "soft toy, not up to British Standards". Another person near my home made remarks about "Polish people". In yet another incident in Croydon, a youth made comments about "foreigners".

But the main thrust of their xenophobia is because of my mental illness. I should make clear that I do not look ill; if you met me, you would not know that I had the illness. I take a relatively low dose of medication, and feel quite well. But the persecutors have repeatedly harped on about my supposed serious mental illness; they have called me a "nutter", a "schizophrenic", etc. They have also persuaded other people to use these terms of abuse. They are able to get away with this because abusing the mentally ill is still something which is mostly acceptable in Britain; the media do it, "nutter" is not taboo in the way that "nigger" is.

Conclusion

There are several groups of people who might have wished to cause me trouble, and I still do not know who originated the persecution. Nor do I know how the originators came to be in contact with the (presumed) Security Service operatives who have been carrying out the campaign. To know conclusively why it started, we would have to know who started it, and this information is not available.

However, we can infer some things about the personalities of the persecutors from their methods, and from the degree of verbal violence they employ. It is clear that a main reason for the continuing harassment is the psychopathic disorder of the MI5 agents who carry it out. That they have never been "brought to book" for their misdeeds reinforces their belief that they do no wrong; and, unhappily, until they are brought to book, their persecution campaign looks set to continue.

MI5 Persecution Update: Friday 13 November, 1998

If You Intend To Reply, Please Read This

If you have any questions or observations you would like to share with me, then you are very welcome to reply to my fax number 0171-681-1190. But please.... keep your response to one page if you can! I have had several people faxing my article back to me, including one MP faxing back twenty pages. I do not know if he had anything intelligent to say in his 20-page fax because I applied judicious use of the "Delete" key on my computer. Faxes over a page or two will be deleted without being read.

MI5 Resume Hostilities in Response to these Faxes

When I wrote last weeks "MI5 Persecution Update" I remarked how quiet my life had become. No longer! MI5 have restarted hostilities with a vengeance the past week, in response I believe to the faxes I have been sending to members of the House of Commons.

On Saturday 7 November I went to Clapham Picture House cinema to see the film "Antz" (a very enjoyable film). At the cinema, I was verbally assaulted by a group of teenagers with the words "still crazy", repeated about ten times. There was a film with that name showing at the cinema, but it was clear their abuse was directed at me. I do not look ill, so why would they pick on me? answer, the incident was set-up by the persecutors. One of the teenagers also said to another, "I don't know what we're laughing at".

The following day, Sunday 8/11/98, I was on my way to play squash when I was verbally assaulted by a youth who said "it was so funny", without the slightest trace of humour. What he meant by this phrase was that was funny, and they were trying to humiliate me. I have heard this phrase "it was so funny" used at me before many, many times over the last eight and half years.

Please Encourage Keith Hill MP to Help Me

I live in a bugged house, bugged both for audio and video. My movements are monitored by MI5. The Security Service have followed me to Canada, to Poland and the Continent, to the States. I cannot work anywhere, not in England, not in Canada, because MI5 will destroy whatever employment I am able to obtain. I have asked Keith Hill MP to help me, and he has refused.

The situation is intolerable. It is Mr Hills job to help me out of this mess. So, please, as I said in the last fax a week ago: Do not waste your time returning multiple copies of my faxes to my fax mailbox, as some of

you have done. Instead;

Please encourage Keith Hill M.P. to help me.

I am sorry to be using this device to encourage Mr Hill to help, but I think eight and half years are quite enough and it is time something was done to bring this matter to a close.

MI5 Persecution : BBC Newscasters Spying on my Home

This week's topic is the quite extraordinary claim that BBC newscasters such as Martyn Lewis and Michael Buerk have spied on my living room while they read the news. I currently have an advert running for the next six months in Private Eye's "Eye Say" column (at a cost of over ₱200) which says,"MI5 Persecution - BBC Newscasters Spying on my Home"; the story of my campaign in the Eye is on my Website
at; http://www.pair.com/spook/evidence/plaint/priveye.htm

BBCs staff magazine Ariel also ran my advert "BBC Newsreaders Spying on my home" for one issue in the Personal category on 8/July/1997 before it was spotted and axed by editor Robin Reynolds; please see
webpage; http://www.pair.com/spook/evidence/plaint/ariel.htm

Beginnings

The very first incident in the "MI5/BBC Persecution" occurred in June of 1990, when a newsreader reacted to what she saw in my living room at home as she read the news. My mother had brought an apple for me into the room, whereupon the newsreader smirked and giggled, apparently finding this funny. I couldn't believe what I was seeing. I carried on watching news and other television programmes to see if presenters would show signs of "interactive watching"; to my surprise, this happened again and
again. Unfortunately, I did not have my wits sufficiently about me to videotape these programmes, and it is now almost impossible to obtain recordings dating back to 1990.

Most of the "TV watching" has occurred on the news, and most of it in summer 1990, although some as late as autumn 1993. My website has a few extracts of what might be politicians "getting at" me, in particular John Major and interviewer Dimbleby sharing a joke about the "Knutsford Guardian" which is almost certainly about me.

I sold my portable TV in autumn 1990 and stopped watching television regularly. I realise now that this may have been a mistake. What I should have done was to watch TV and listen to the radio, but tape-record everything and make a note of what each excerpt meant to me. I would then be in a much stronger position as regards to evidence that I am now. That is what I am trying to do now, but unsurprisingly the TV/radio presenters have stopped getting at me, now they know they are being recorded.

Examples of Media Harassment

Here are a few examples which I can still remember of media harassment;

In early 1992 I was watching the BBC news with Martyn Lewis on a small black-and-white portable television at my then home in Oxford. I threw a term of abuse at Lewis; he flinched, then gave a grin and made a comment from which I understood that he had been on my side, but might have changed his mind as a result of what Id just said to him.

Victor Lewis Smith in his TV (BBC2?) program at the end of 1993, had a taxi-driver saying, "theyre all out to get me", to which VLS replied, "but you're quite intelligent aren't you?" (what a nice chap VLS is, compliments no less!)

Paul Daniels the TV magician, sometime in 1990-92 (sorry I can't be more precise but it was so long ago), made a "crying face" and put his face in his hands, which was his way of expressing that I was frequently crying in 1990-92, and that he and other media people found my crying funny.

Kenny Everett (deceased) on some talk show, compared me to a "huge ape" who "scratches himself"; he made some other remarks about what the "ape" got up to which unfortunately I cant remember. (I remember that Everetts comments were quite sympathetic and human, but were obviously about me.)

Stephen Fry on another talkshow (Wogan I think) talking about "masturbatory fantasies", he then referred to me with the words "you prat"; I wonder if the studio audience knew what he was talking about and to whom his comments were directed?

Griff Rhys Jones on Clive James' TV show, made a "lunatic face" (wide fixed grin) to which I said to the TV that he had a "face like a horse's arse", to which Clive James said to GRJ "did you hear that?"

Crimestoppers summer 1990, remarks by a Midlands police officer on the programme, while Nick Ross was presenter (as far as I can remember). The officer talked about "in car entertainment". Nick Ross said to officer, "why don't you stop doing it?" to which he replied, "we can't while he's like this".

BBC2 Newsnight in autumn 1993 had a piece on football hooliganism. A black interviewee said apparently of the hooligans, but in fact of me; "they're just idiots, carry on with the surveillance".

There was an incident with Jonathan Ross which I remember clearly; he was on both BBC and ITV television at the same time, one (ITV I think) was recorded, the other channel was live. Ross has a speech impediment which causes him to pronounce his "r"s as "w". I sarcastically said something about "Mr Woss" to the recorded channel, then turned over to where he was live, and he repeated "Woss" with heavy emphasis and sarcasm.

On the radio, in spring 1994, Chris Tarrant made a sarcastic remark in his morning show, saying "he says were trying to kill him, we should be done for attempted manslaughter", to which another of the studio staff said, "oh no, dont say that". His comment was in reply to a comparison Id made the previous evening between my persecutors and the Polish secret police who murdered dissidents.

Martyn Lewis Denies & Lies, But Wont in Writing

In February 1997 I wrote to BBC Viewer & Listener Correspondence and asked them to investigate the claim that their newscasters had engaged in "interactive watching". They replied that they had asked Martyn Lewis and Michael Buerk whether they had engaged in such practices, and that they had both made verbal denials to VLC, but were refusing to put their denials in writing.

I can understand that they might think that if they were to make written denials to me, then many other people with my condition might write to them with similar questions. But Ive asked a couple of journalists if theyve been writing about me, theyve made written denials, Ive believed them, and I have not put their denials on my website because, since I believe their denials, it would not be relevant to publish them.

To me it looks as if Lewis and Buerk are happy to lie verbally but not in writing, because written falsehoods would place them unambiguously in the wrong, whereas they can try to talk their way out of verbal lies if they are ever caught, or perhaps even deny the verbal lies completely? If they lie without shame, then why would they have any shame about future lies about lying?

One of the strangest aspects of "TV watching" is that Buerk and Lewis have convinced themselves that their "interactive spying" is reasonable behaviour. Martyn Lewis thinks of himself as a "gentleman". He expressed in 1992 that he was "on my side". If this matter ever comes out into the open, I wonder what these newscasters will have to say for themselves, and what the British public will make of their behaviour?

Media Persecution Evidence on my Website

You may directly access the Evidence section on my website at URL;

The category currently contains four video segments, a number of audio files and three published articles. The first video of ITN's John Suchet is unfortunately a mistake - after looking at it again it is obviously not about me. The two Ken Clarke excerpts may or may not be about me; it is funny that he should keep on harping about "paranoia" and "madness", but I have given these ratings of only 30% certainty, as it is more likely that they are not about me in particular, and Clarke is simply displaying the normal prejudices against the mentally ill found in much of society.

The piece I find most interesting is the Dimbleby/John Major interview from April 1997. I have assigned this a 90% rating. Dimbleby starts by emphasising a report from the "Knutsford Guardian". Major recognizes what's going on and joins in with a falsely apologetic "heaven forfend". The emphasis is on the first syllable pronounced "nuts" in "Knutsford", which is repeated three times. Of course this is hardly anywhere near convincing evidence; the really clear items were all in 1990-92, and they are basically unobtainable now.

If you're reading the website, have a look at the two files from David Hepworth's programme on GLR radio. The first one from 21/Feb/1997 has him

talking about an "embarassment" of prizes and "absolute obscene", in reference I believe to the verbal sexual abuse that was being used against me at the time (and which unfortunately is still current). In the second file dated 9/May/1997 he again talks about "absolute embarrassment" of prizes, followed by laughter. To my mind he knows I am listening to his programme, and deliberately makes these remarks for my benefit, with very little attempt to disguise their purpose.

Bernard Levin - "Fanatic's Fare for the Common Man"

On 21 September 1991 this article by Bernard Levin appeared in The Times. It is reproduced in the Evidence section of the website, or may be accessed directly at URL;

To my mind, Levin's article described the situation at the time and in particular a recent meeting with a friend, during which I for the first time admitted to someone other than my GP that I had been subjected to a conspiracy of harassment over the previous year and a half.

Levin writes about a "madman running loose about London" who "bursts into tears, and swears it is all true. And it is." I am pleased to agree with his assertion that "it is all true" because the truth is what I presented to my friend in September 1991 and it is what is being presented to the readership of these articles now.

Conclusion

The harassment, in particular media persecution, was at its strongest in 1990-92. Today, I am recording everything I watch, read and listen, and the media have pretty much given up. It is now incidents "in public" which make up what there is of MI5s persecution. But much of the material from 1990-92 still exists in archives, although the organisations which have those archives generally wont make the material available to the public, for copyright and other reasons.

MI5 can no longer employ the media to persecute me, partly because journalists now know who is behind the persecution, and also because I would publish any instances. My mistake during 1990-92 was to not record instances as they happened; Ive learned from that mistake, and know better now.

MI5 Persecution Update: Friday 19 March, 1999

If You Intend To Reply, Please Read This

Please.... keep your response to one page if you can! I have had several people faxing my article back to me, including one MP faxing back twenty pages. Faxes over a page or two will be deleted without being read.

Theyve started again. Why? I have no idea.

Unhappily, the persecutors, whoever they might be, have started their activities again over the last two weeks. Usually they try to blame their activities on their victim, but this time they have stopped even pretending that the persecution is my fault. Their verbal abuse appears as gratuitous as it is vicious.

Last Sunday 14 March, I went for a meal in Londons Chinatown with some friends. As we were walking down Gerrard St, a man shouted loudly, twice, the obscenity which has been directed at me for some three years now. This followed previous incidents where the same words had been used. It is very upsetting to be verbally abused in this way and to know that the cowardly abusers are guaranteed to "get away with it" because if you report it then it will be assumed to be part of your illness.

Keith Hill MP (Labour - Streatham), my elected representative, as ever refuses to help.

MI5 Persecution : How to Identify the Persecutors

Usually delusional thinking does not allow the perpetrators to be identified, or the alleged persecution to be proved. My so-called "delusions" are different, because I have several times over a period of some nine years seen the same people, in widely varying places. Most importantly, their names have been recorded, on aircraft passenger lists and hospital register; and if only the police would do their job conscientiously then the persecutors could be identified and this unhappy story brought to a final conclusion.

BA93 Heathrow->Toronto, 10 June 1993

In 1993 I flew to Toronto for a holiday. On disembarking from the aircraft, a group of four men who travelled together looked in my direction, and one of them said, laughing, "If he tries to run away well find him".

I was absolutely stunned when I heard this. I wasnt surprised that they had followed me to Canada, but it shocked me that they had been on the

same flight, and that one of them had foolishly given their group away. Unfortunately I was so stunned that I made no attempt to stop them as they got off the flight and proceeded into the terminal. I did not see these people again during my visit to Toronto. I do not know whether they followed me, or whether they were only part of a larger group, some of whom may have already been on the ground and awaiting my arrival.

Over the next few years I made a number of attempts, all unsuccessful, to obtain the passenger list for this flight. British Airways keeps passenger flight coupons for each flight; so if only the police would do the job that is being asked if them, then these four persecutors could be identified, and thus their employing organisation, which is very likely to be the Security Service, determined.

These four men were, apart from the joker who looked the odd man out in the pack, very serious individuals. They appeared to be in their forties or fifties, and my impression on seeing them was that they might have been former soldiers. Their campaign against me concentrates on how "funny" their abuse is; but in this they are plainly lying, because they realise how awful will be the damage to the establishment of which they form part, if the truth about the persecution ever sees the light of day.

The riddle of "Alan Holdsworth"

During Oct/Nov 1996 I saw a doctor several times about an infection, and on 2 Nov 1996 I went to Emergency at the Ottawa Civic Hospital and saw Dr Worthington, who was then Chief of Emergency Medicine. I had to wait several hours before being seen, and several people jumped ahead of me in the queue. One of these was a grey-haired man in his forties or fifties. This may have been one of the men on the BA flight in 1993; I cannot be sure. When Dr Worthington asked his name, he loudly said, "Tad", which is the common abbreviation of my name. Dr Worthington looked puzzled, glanced at the sheet in front of him, and said, "but your name is Alan Holdsworth isnt it?". (I am pretty sure his Christian name was Alan; I cannot be sure of the surname). The man looked put out, and said quietly, "yes".

Unfortunately, I did not follow up this incident immediately. Some time later, I wrote to Dr Worthington to ask the name of this patient, but he refused to give the name out.

I saw this person again two and a half years later, at Ottawa Airport, just as I was about to leave for England. In the warm weather, he was wearing a coat and woolly cap, and pacing up and down in a menacing and aggressive manner. Presumably he thought he was pretending to be a "nutter" and in this way was getting at me; my impression is that he doesnt need to pretend, Holdsworth or whatever his name is is clearly a psychopath and in a healthy society such a person would be locked up, instead of being paid public money to exercise his psychopathic instincts. But todays Britain, a country where the MI5 secret police are given free rein and nobody dares raise a voice in protest, is not a healthy society.

"He doesnt know who we are"

For some reason, whenever I take a British Airways flight, I get hassled by the "persecutors who wont admit theyre MI5". Since this business started, I have travelled BA three times; once in June 1993 BA93 (see above), once to/from Europe during Dec 95/Jan 96, and once in June 1998 with my mother to visit her family. The last journey, I was abused by two "plants" who kept repeating, loudly, "paranoid" (I have this recorded on minidisc). Presumably British Airways gives MI5 the seating plans for their flights, which allows MI5 to position their agents of abuse three rows behind me, so I cant face them, and they are throwing abuse at the back of my head. I have travelled BA as infrequently as possible; to Canada, I usually travel Air Canada.

Anyway, lets return to the second of the three BA trips, and in particular to the flight on 2 January 1996 from Berlin Tegel, to Heathrow, and onwards to Montreal Mirabel. Id waited all night at Tegel for the flight, and was very tired on reaching Heathrow. On the plane to Montreal, two youths sat about three/four rows behind me and to the right, in the window seats. One of them, a rather fat "asshole" to use the Americanism (it fits), kept on going on about "this bloke", saying among many other things, "he doesnt know who we are".

Now that form of words is particularly interesting, because from May 1995, some 8 months previously, I had been vigorously denouncing the "MI5 Persecution" on Usenet. So if Id guessed wrong, then you might expect the harassers to crow about it; which they have not done. If I had guessed right, and the persecutors have been silent before and since this flight, then they could either admit they were MI5, which would be a very serious thing for them to own up to, or they could brazenly lie, in which case I would report their lie, and since many people must surely know who they are, they would lose all credibility. So they have remained silent; apart from this one phrase on the BA flight, where one of their agents said, "he doesnt know who we are". Note carefully that this phrase is NOT a denial, it only appears to be a denial; since it does not say that my guess was wrong; it only states the objective fact that I do not know the identity of the persecutors, without giving any information as to the validity of my guess. Which leads me to posit that my guess was correct.

The Usual Words

The persecutors-who-wont-admit-theyre-MI5 have been active again this week. On Saturday 20/3/99 I visited Ravenscourt Park in west London, and was verbally assaulted with the usual words, "something wrong with him". This audio file is on the web at URL;

This afternoon (Friday 26/March) I was again verbally assaulted while travelling by bus. The same sexual obscenity was thrown at me, and the incident was recorded on my minidisc-walkman. Because of the deeply offensive nature of the slander, I will not be posting this on the website.

The March 1998 issue (number 42) of .net Magazine reviews the website describing it as an "excellent site". Since August 11, 1996 over 50,000 people have browsed this website.

You are encouraged to read the web pages which include

a FAQ (frequently asked questions) section outlining the nature of the persecutors, their methods of harassment through the media, people at work and among the general public

an evidence section, which carries audio and video clips of media and workplace harassment, rated according to how directly I think they refer to me

posts which have been made to netnews over the last four years on this topic

This article outlines what is to be found on the webpages, which you are encouraged to browse for the complete story.

Frequently Asked Questions

Your excursion through the website starts with the "FAQ - Frequently Asked Questions" portion. MI5s campaign of harassment against me has been going on for almost 9 years, and its longevity and breadth is reflected in the FAQ. Many thousands of people in Britain and abroad, including some recipients of this fax, have known for many years of MI5s activities against me. The FAQ describes the mass "Omerta suppressing its publication"; we pretend Britain is part of the "Free World", yet the British Secret Police, which is what MI5 are, carry on for many years a campaign which politicians and the media know about, and rely on the silent complicity of so many thousands of people.

The FAQs introductory article names those who are "in the know"; media figures like Martyn Lewis, Michael Buerk, entertainment figures like Chris Tarrant, politicians and many in the general public, "all united in a conspiracy which breaks the laws which the UK does have regarding harassment, and all completely uncaring for any semblance of decency or elementary respect for individual rights.

Broadcast media play a key role in the harassment. The very first incident in June 1990 was when a television newsreader reacted to what she saw happen in my living room at home; such incidents of "interactive television" are still happening in 1999. The same goes for radio stations such as Capital FM. In spring 1994, Chris Tarrant on his Capital morning show made an aside to someone else in the studio, about a person he didn't identify. He said, "You know this bloke? He says we're trying to kill him. We should be done for attempted manslaughter". Tarrant and Capital have made strenuous efforts to avoid answering this charge.

Perhaps worst of all, MI5 have deliberately set-up many incidents in public places such as tube stations, shops, cinemas, where they have paid people to throw abuse at me. Since MI5 obtains funds to the tune of 160 million a year to fund its criminal activities, it has funds both to pay its operatives and to "buy" media figures and members of the public to take part in its campaign of persecution.

The Security Service are professional liars. They throw slanderous abuse, yet they refuse to admit out loud that they are doing so. When challenged about their activities through the Security Service Tribunal they lie and deny their activities. They induce other workers and managers at places of employment to take part in their campaign of abuse, presumably by buying them in the same way they buy media figures.

Complaints, and Press Coverage (BBC Lies, MI5 Lies)

As you might expect I have challenged both the Security Service, through the Security Service Tribunal, and offending broadcasters, to own up to what they have been doing. And as you might also expect, all of these people have lied through their teeth. Still worse, they have refused to commit unambiguous lies on paper; they have couched their lies in bureaucratic language, and allowed others to make false assurances and tell lies on their behalf. So when their lies are exposed, they will then tell further Clintonesque lies about how they werent really telling lies in the first place!

On 6/Feb/1997 the BBC told me they would "never engage in any form of surveillance activity such as you describe". The BBC told me Buerk and Lewis had refused to put their lies in writing, but had stated verbal falsehoods denying my accusations of "interactive watching" during news broadcasts. Clearly Buerk and Lewis fear being caught and exposed, so they hide behind their Viewer Correspondence department.

In March 1997 I issued a summons against the BBC to try to "smoke them out". This summons was struck out as "disclosing no reasonable cause of action", because I had acted as a Litigant-in-Person and most LiP summons are treated thus. My case was arguable in law, so the striking out was unjust.

In June 1997 the Security Service Tribunal wrote to me regarding the complaint I had brought against MI5 in February. They say, "The Security Service Tribunal have now investigated your complaint and have asked me to inform you that no determination in your favour has been made on your complaint." I think you can guess the contempt which I feel for the Security Service Tribunal, who have never made a determination against MI5, and act as merely a whitewashing body for the Security Service. Unsurprisingly in May 1997 the Interception of Communications Tribunal gave the same result.

The last few items of "Press Coverage" give details of mentions of the MI5 Persecution in various magazines and newspapers such as BBCs Ariel, the Observer and .net magazine.

Evidence

Some audio and video clips of evidence have been recorded. My weakness in this area is because most of the really unambiguous evidence would have been obtainable in 1990-92, but I wasnt taping anything at the time, and its very difficult to now obtain recordings from that period.

The audio clip "Life is so Hard" relates to harassment at my workplace in Canada. In the latter half of 1996, I was sitting near to co-worker Mark Lee, who kept coming out with words and phrases which showed MI5 were supplying him with data from my home life. For example, I would say something on the telephone at home, and the following day he would repeat verbatim what I had said. When Mark Lee saw I was recording what he was saying, he started to make his remarks more ambiguous, or make the obvious ones out of earshot of the recorder.

However, during the evening of 12 November 1996, at home in my apartment (flat to you UK-ers), I said "life is so hard, and then you die". A nihilistic, negative thing to say, but quite distinctive. The following day, 13 November, Mark said loudly, "life is so hard eh, and then you die" followed by loud laughter. I captured this on my tape-walkman and the computer-audio file is posted on the website.

There are a number of other audio files in the websites "Evidence" area demonstrating the abuse to which MI5 subject me to through their paid agents.

Also in this section is a very interesting article by journalist Bernard Levin, which followed a meeting I had with a friend in 1991, and to my mind describes in some details Levins "artists impression" of the meeting. He talks about a "madman" who "bursts into tears, and swears it is all true. And it is."

Internet Newsgroup (Usenet) archive

From May 1995 until the present day, this matter has been discussed exhaustively on internet newsgroups. The most interesting articles from the first two years of posts are documented here. This area is worth reading since most of the questions which the reader would ask, have been asked at some time or another by someone on usenet. Perhaps the very first article posted sums it all up so succinctly;

Date: Thu May 4 18:27:24 1995
Newsgroups: alt.conspiracy
Subject: BBC's Hidden Shame

Remember the two-way televisions in George Orwell's 1984? The ones which watched you back? Which you could never get rid of, only the sound could be turned down?
Well the country which brought Orwell into the world has made his nightmare follow into the world after him. Since 1990 the British have been waging war against one of their own citizens using surveillance to invade privacy and a campaign of abuse in the transmitted media in their efforts to humiliate their victim.
And the most remarkable thing about it is that what they do is not even illegal - the UK has no laws to protect the privacy of its citizens, nor does it proscribe harassment or abuse except in the case of racial abuse.
A lot of people in England know this to be going on, yet so far they have maintained perfect "omerta"; not a sound, not a squeak has escaped into the English press, and for all the covert harassment absolutely nothing has come out into the public domain.
Have the British gone mad? I think we should be told.

So how much deeper will the persecutors-who-wont-admit-theyre-MI5 sink in their campaign of lies and intimidation? Each time I thought they could sink no lower, they have managed to surprise me. You thought it could never happen here? When the MI5 British Secret Police make their smears against me, it is the corruption of the Establishment, which they are part of, that is demonstrated.

BBC newscaster Nicholas Witchell cant stop himself laughing

During 1990-91 there were very many instances of "interactive television" where newscasters and other TV presenters saw on a screen before them what was happening in my home, and reacted, frequently by laughing at me. During this period I unfortunately did not record these programmes. For the last year or two, I have been recording everything I watch, and there has been a drastic decrease in such incidents.

However, on occasion, television presenters do still engage in "interactive watching" and react to what they see. This has been evident with Jon Snow of Channel Four News recently - a particularly interesting case, since it has been established that he cannot be corrupted by money (it is well-documented that MI5 offered him a tax-free salary and he turned them down). I wonder what device MI5 are using to encourage him to do the "interactive watching"?

On Saturday 10 April 1999 at 7pm, Nicholas Witchell on BBC2 News reacted when he saw that I was watching the programme, and I have his reactions stored safely on videotape. I have watched this tape several times and I am entirely confident that my evaluation of his reactions is correct. For several minutes his upper lip quivered in mirth as he attempted to keep a straight face. Then finally his self-control evaporated through the excuse of a weak joke and his face collapsed into a grin.

The strange thing is that I dont know why he was laughing at me, what I had done recently to "deserve" to be laughed at. The MI5 persecutors usually manage to invent some justification as to why people should laugh at and/or abuse me ("hes an X", "it was so funny" etc), so Mr Witchell could have been laughing for any number of reasons. Perhaps he found the views I have been expressing in these articles amusing? I suppose if youre paid enough money and ordered to laugh then even the most innocuous thing becomes funny.

Jon Snow of Channel Four News cant stop himself smirking, either.

On 12 February 1999 I was watching Channel Four News presented by Jon Snow. As usual, I was recording the programme, so that if anything out of

the ordinary happened, Id be able to go back and watch it again.

Now, Jon Snow, by his own claim, is uncorruptible. He says he turned down an offer of a substantial tax-free salary from MI5 - they wanted to make him their mouthpiece, and he told them where to get off.

So you will be most surprised to learn that Jon Snow "interactively watched" me that evening, and on many other evenings. Approximately fifteen minutes into the programme, he announced that the US President would be making a live appearance at about 7.30pm; I looked at the clock on the mantelpiece; and Snow saw me looking at the clock, and visibly tried to suppress a smirk.

Uncorruptible, are you, Mister Snow? If not money, then why are you watching me, Mister Snow? Are they forcing you to watch me? Cant you turn the monitor off, Mister Snow?

Keith Hill MP (Labour - Streatham), my elected representative, as ever refuses to help.

Comparing the MI5 Persecution with German "Final Solution"

It might seem offensive to compare the mass murder of millions of civilians in wartime with the peacetime persecution of merely one person. Yet the comparison has been coursing through my mind for several years now, because the brutality of German intent to "sub-humans" is very much comparable to the brutality of British intent to someone they vituperate and term "not up to British standards". The methods may differ, but the persecutors mindset is the same.

The Germans first targeted the mentally disabled, too

During WW2 millions of ethnic Russians, Poles, Jews, mentally ill, gypsies and other minorities were rounded up and murdered in purpose-built camps by the German regime, in the name of "racial superiority". Fifty years on, the British Secret Police, MI5, instituted a campaign of mass hysteria; but in their cowardice, limited their activities to one single victim.

It is instructive to note that the early German "cleansing" effort was directed primarily not at Jews, but at the mentally ill. The Nazis set up the T4 project in the thirties to "cleanse" away 70,000 mentally disabled people, including schizophrenics and epileptics. After WW2 the Jews with their media influence used the reaction from the holocaust to roll back anti-semitism in the Western countries; however, the mentally ill are today still a persecuted group in the modern Western world as they were under the Nazis (the current Jewish home secretary in the UK intends to bring in laws for incarceration without any criminal charge for some mentally ill people - he protects his own minority, but does nothing for the other minorities in todays society), and this continuing bias forms a central cause for the current acts of persecution in the UK.

Widespread knowledge of what is happening to the "un-British" minority

In both the German persecution of the thirties and early forties, and the current British persecution, many, many people are well aware of whats happening. There is widespread complicity through inaction of populace; and in a substantial proportion of the mainstread population, the persecution had/has widespread enthusiastic support; yet in both the German case in the 1940s and the British today, the existence of persecution is a mass secret which must be never admitted out loud. In the recent Lawrence case this "secret bigotry" has been termed "institutionalised racism", and that is a very good word for what the British are doing today The persecutory attitudes and omerta regarding them are so deeply ingrained in the national psyche that they define the national mood

During WW2 many Germans knew minorities were disappearing, and through inaction quietly condoned their government's mass murder of "un-German" minorities and inferior "foreigners"; and in the 1990s, similarly, many English people know what the MI5 British Secret Police have been doing, and not only condone it, but actively take part, because of xenophobia against the "un-British" unit minority that is the target of "British" actions. This attitude by the British persecutors has been made explicit through the words "he's not up to British standards"; the British seem to have found their very own "untermenschen" to victimise.

Why these obsessive "holy wars" happen

This type of aggression occurs when the majority is threatened or humiliated in some way, economically, militarily or culturally. In pre-WW2 Germany the threat was primarily economic and military, following Germany's humiliating defeat in the first world war and the reparations it was forced to pay. In modern Britain, one might guess that the majority English who are behind the persecution feel pressured by the swiftly diminishing status of Britain in the world, and the rapidly increasing coloured colonisation of their country, which in time will see the ethnic English a minority in their own land, and their more antisocial elements, unable to reply to the obvious threat, instead project their aggression onto another, weaker, unit minority

In both cases there is a whiff of "holy war" or irrational obsession with the persecution. Certainly the German behaviour fifty years ago bordered on the not-quite-sane, and the current British behaviour towards their chosen victim is strongly tinged with a leave-taking of reason. And the choices open to the victims are the same, since MI5 will never allow me to escape them, "if he tries to run away we'll find him", just like the commandant of Auschwitz telling the new arrivals, "the only escape is through the chimney".

The Victim Will Destroy Us if We Dont Destroy Him First

The persecutors propaganda is the same. Fifty years ago the Germans said, "if we don't do it to the Jews then the Jews will do it to us"; and MI5's propaganda in the early nineties concentrated on their victim as a "monster" aesome "untermenschen" minority.

"We are decent fellows" say the Brutal Persecutors

During the course of researching this article I read part of the very interesting book, "Hitler - A Study in Tyranny", by Alan Bullock. This volume contains a quote from Himmler on the "Final Solution";

"Most of you know what it means when a hundred corpses are lying side by side, or five hundred or one thousand. To have stuck it out, and at the same time .... to have remained decent fellows, that is what has made us hard. This is a page of glory in our history which has never been written and is never to be written."

In the MI5 persecution, too, there is a thread of deliberate brutality to the sick and vulnerable, while the persecutors maintain that "we are decent fellows". There is almost a conscious schizophrenia in the self-attitudes of the Security Service operatives and those in the public who they employ against me, which reflects the contradiction evident in the German attitude above. On the one hand, they stoop to the lowest and most base behaviour; yet at the same time, the MI5 operatives tell themselves that since they are civilised British people, then surely they must by definition be "decent fellows". Any indecency is made the fault of the victim; "hes making us persecute him, so we need feel no guilt".

Yet the conduct is atypical of the way these peoples see their normal modes of behaviour. Befslaughter was not typical of normal German behaviour up to that point. Similarly, the current MI5 abuse goes against the grain of British self-image as being "reserved" and "decent", since they are using terms of abuse which are common among blacks and other supposedly less-developed races, but not among the English.

Conclusion

The ultimate aim of both persecutions is the humiliation and physical extinction of the persecuted group. The Germans did this in a very direct way; the British Secret Police MI5 are acting indirectly and relying on self-extinction of their target, because in peacetime and in the current somewhat false climate of "political correctness" more direct methods are impossible. If MI5 undertook more direct action the mass "omerta" would be broken.

I have written this article with sincerity to show how a historically recent persecution in another country parallels what is being done in this country today. In both cases, the evil-doers are of their countries establishments, and rely on widespread tacit support to maintain the persecution and omerta around it. While the holocaust was undoubtedly the greater evil, it is important to be aware of the fact that had the Germans not been defeated fifty years ago, their plans would have gone through to total completion. In Britain today no force threatens the "permanent government" of which the Security Service forms a part; and it looks very unlikely that the wrongs perpetrated by the MI5 secret police will ever be revealed to public view, and the British secret state brought to justice for its evil actions.

What do you have for a scanner? I don't think consumer scanners have the ability to monitor two freq. at once. You could leave it "scan" mode, though!

Analog Gov't/Police/Fire broadcasts are usually in the Mid VHF band
(136-174 MHz, excluding 162). I think you can listen to air-traffic
control in the Low VHF band (118-136 Mhz). I live a few dozen
kilometers from an airport, in which I can listen to the communication
on 132.7 and 123.9 MHz. Correct me on all this if I am wrong. (I am a
novice :-))

Somewhere between 0 and 100%

The last few days there have been no clear recordable instances of abuse. However, while travelling on the Underground, while walking around near my home and going to friends homes, I am constantly troubled by thoughts that those people over there might be about to get at me; that the couple sitting in the opposite seats laughing are in fact laughing at me; et cetera, et cetera.

A comment by a scientist to the BSE inquiry sticks in my mind. He described the possible scale of the epidemic as "between 0% and 100%". It might not be happening, it might not happen at all, to any discernable degree.... or it might be total. Without clear recording, which seems to have become impossible the last couple of weeks, there is no way of knowing whether the harassment really is continuing, whether we have entered a temporary hiatus, or whether perhaps it has perhaps stopped for now.

But for the time being I think there arent any reasons to dicontinue these faxes. I only re-started them six weeks ago in response to a resumption of MI5 harassment; and I think I will need to be more convinced of absence of persecution before I discontinue my complaints.

The Newscasters are still watching

In the last few weeks there have been at least a couple of fairly overt instances of "interactive watching" by newscasters. I reported this in a previous "MI5 Persecution Update".

These instances are really very rare compared to 1990-91, when there were many dozens of such occurrences. Undoubtedly the reduction is due to my practice of videotaping everything I see. Recently I had the opportunity of showing this years "happenings" (Jon Snow/Nicholas Witchell) to my psychiatrist, and he agreed that in both cases the newscasters were expressing merriment without visible cause, and that objectively it might be possible for my claims to be true - although of course other people reported similar thoughts to him, and this thinking is usually a symptom of illness.

MI5 Waste Taxpayer Millions on Pointless Hate-Campaign

Recently I was talking to an independent observer about the nature and purpose of the perceived campaign of persecution against me. The person I spoke to, a highly intelligent man, said he was struck by the utter pointlessness of the perceived campaign against me. He also said that, if my theories were in fact true, many people would have to be involved, in the surveillance itself, and in the technical side of the delivery of information from my home to TV studios for example, if the "interactive watching" were happening as described. He voiced these thoughts without any prompting from me; but both I and other observers had arrived at pretty much the same conclusions, some years ago.

I saw a team of four men at Toronto Airport in 1993

To carry out the surveillance alone, full-time, would employ four or five men, or their equivalent in terms of man-hours. Each man would "work" an eight-hour shift, so you would need at least three men doing the surveillance, plus a connecting link / manager. An indicator that this estimate is correct arrived in 1993, when I was accosted by one of a group of four men at Toronto Airport; he said, laughing, "if he tries to run away well find him". Plainly these were the men who had been involved in the intrusive surveillance of me for the preceding three years.

On other occasions, I have seen the same man on two or three occasions. On one such occasion, at Ottawas Civic Hospital in November 1996; he gave his name to the doctor as "Alan Holdsworth" or some such; my hearing is not very good sometimes and I am not sure of the surname, although I am sure "Alan" was his first name. I saw exactly the same man again in Ottawa, at the airport, in July 1998. Obviously, other people must be "working" with

this person; he would not be the sole agent employed in this case.

Usenet readers views on the Cost to MI5 of Running the Campaign

PM: >on you?

Those are pretty much the sort of calculations that went through my head once I stopped to consider what it must be costing them to run this operation. At the very least, a quarter million a year - and probably much more, given the intrusive and human-resource-intensive methods employed. Times nine years. Equals well over two million pounds - and probably much, much more.

Its wasteful for someone with my skills to be unemployed

The wastefulness of the MI5 campaign against me is not just that of futile expenditure on their side. It is also extremely wasteful for someone with my talents to be unemployed and on a disability pension. I am highly qualified in numerate disciplines, yet am unable to work, specifically because of the MI5 hate-campaign against me. It is a terrible waste of resources for a supposedly efficient economy like that of the UK to be squandering the talents of a skilled and capable worker.

I made every effort to remain in employment for as long as I could, but ultimately I was defeated by MI5s employment of massive resources specifically targeted on my workplaces with the sole aim of seeing me

evicted from those workplaces. You might expect this sort of behaviour from the Stasi or some other secret police force in a communist country where labour is cheap, and the governments aim on seeing its citizens confined; but for a supposedly free and efficient economy like Britains, the wastefulness resulting both directly and indirectly from the Security Services activities is simply criminal, and should never be allowed.

The international dimension means the costs are multiplied many times overoer had any sense, then they have surely taken leave of them over the last nine years.

Four years of persecution in Canada

The persecution re-started within less than five minutes of my arrival in Canada, as documented above, and in the "frequently asked questions" article on the website. The words, "if he tries to run away well find him" spoken by one of the harassers at Toronto Airport are now imprinted on my mind.

A year later I emigrated to Canada, intending to find a job and settle there, hoping that MI5s interest in me might dim with time. I did manage to find work there, but my hopes of avoiding Security Service interest were ground into dust. As detailed above, I saw the same man in November 1996 and July 1998, both times in Ottawa. Apart from these encounters, there were numerous incidents between 1994 and 1998 of harassment, of an identical nature and in most cases using identical words to what had occurred in the UK. It became quite clear to me that the permanent surveillance and harassment operation which MI5 had subjected me to in England was being continued.

For a team of four or five men to be employed overseas must cost a lot more than if they operate in their home country. And for MI5 to continue the operation for a period of over four years, continuously, must cost many hundreds of thousands of pounds. This confirms my belief that the state is funding the campaign against mehat the Security Service receives current annual funding of #160M. Divided by 1850 staff, works out at #86,000. But the unit annual cost of each "watcher" must be much higher than this, especially given the frequently mobile and overseas nature of their actions of the last few years. A very conservative figure might be a little over #100,000 pa for each of a team of five people, or half a million pounds per year. For nine years, so far. So the most conservative estimate of the surveillance element alone is perhaps four or five million pounds since 1990.

This guesstimate is of course theoretical - I am not privy to inside details of how MI5 split their funding. But to take some other examples, the cost of a US counter-surveillance specialist per day is USD 5,000. Even if the agents permanently assigned to me are not of this calibre - even if they employ specialists when difficult work planting bugs etc is encountered - their salary and support costs must still be very high. The individual agents are doing well for themselves as they are well-paid to exercise psychopathic instincts which in any sane society

would see them in prison; but the taxpayers who must fund this terribly wasteful exercise are being "done" out of hundreds of thousands of pounds each year.

It must be emphasised that the above estimates are highly conservative. Besides the surveillance operation, it must carry a high cost in man-hours to propagate covert slanders through the population; to setup and maintain the "interactive watching" links to TV and radio stations, which these organisations continue desparately to "lie and deny"; and to induce antipathy in co-workers which would not otherwise exist.

Why they are wasting Millions of Pounds on a "Nobody from South London"

As remarked in the prologue to this article, it is really most extraordinary that the Security Service spends a chunk of its budget, every year for nine years so far, on a meaningless campaign against a "nobody from South London". That they are spending such a large amount of money has been confirmed to me on several occasions, usually by oblique references to "its costing this country millions". The supposed "logic" behind the persecution is that MI5 wish to avoid their harassment of me, and the involvement of the UK media, to be made public; yet as the reader will appreciate that is a circular argument, "theyre doing it because they want to keep it secret and avoid humiliation for themselves and their country" begs the question, "why did they start doing it in the first place?", to which in truth I myself do not know the answer.

Plainly MI5 with its rich budget can afford half a million pounds a year to waste on a "nobody from South London". Some time ago I was talking to a British surveillance professional on Compuserve who told me "this work costs a lot of money and is usally because the person I am following has done something (usually criminal) to warrant all this money and time being spent." Yet in this particular case it is plainly not the "victims fault" that the harassment is taking place. The hate-campaign against me is completely the creation of the obsessive psychologies of the MI5 agents who have made themselves my persecutors; it is obviously a "personal" campaign for them, and for years they misuse taxpayer funding to feed their insane, unnatural and fixated fantasies.

The problem is, i'm using the two-foot long telescoping antenna that
came with the radio, so it wouldn't have been possible to pick up
transmissions from no more than a couple hundred miles!

HUH? Radio Shack is still in business - albeit some stores "have" closed

Four Years of "MI5 Persecution" Posts on Internet Newsgroups

For approximately the first three years of the MI5 persecution, from June 1990 until late 1992, I kept as quiet as possible, in the hope that by not reacting, MI5s interest in me would decrease and they would simply go away of their own accord. This is the sort of behaviour some people employ against bullies; if the bullies arent getting a reaction, then they might simply go away and victimize someone else.

Unfortunately, this tactic didnt work. The quieter I became, the more shrill and hysterical the noise from the Security Service operatives. For about two years I didnt watch TV news at all. Yet this only heightened their obsessed fixation; they continued to follow me wherever I went, they continued to induce harassment at work by managers and fellow workers, and they continued to encourage me to commit suicide. They seemed to regard my refusal to react as a crime which they would have to "put right" by ever more extreme forms of abuse.

Finally, in 1995, I changed tactics radically. Since late 1994 I had had accounts with internet providers in Ontario, Canada. I discovered the cornucopia of internet newsgroups, on every topic from consumer electronics, to politics and legal topics, and I discovered online services such as Compuserve and AOL. In May 1995, I made the first posting to the conspiracy newsgroup, on the subject of "BBCs Hidden Shame".

BBC's Hidden Shame

The internet newsgroup discussion, which has now reached its fourth anniversary, started with an article in alt.conspiracy, which I reproduce here.

Date: Thu May 4 18:27:24 1995
Newsgroups: alt.conspiracy
Subject: BBC's Hidden Shame

Remember the two-way televisions in George Orwell's 1984? The ones which watched you back? Which you could never get rid of, only the sound could be turned down?

Well the country which brought Orwell into the world has made his nightmare follow into the world after him. Since 1990 the British have been waging war against one of their own citizens using surveillance to invade privacy and a campaign of abuse in the transmitted media in their efforts to humiliate their "victim".

And the most remarkable thing about it is that what they do is not even illegal - the UK has no laws to protect the privacy of its citizens, nor does it proscribe harassment

or abuse except in the case of racial abuse.

A lot of people in England know this to be going on, yet so far they have maintained perfect "omerta"; not a sound, not a squeak has escaped into the English press, and for all the covert harassment absolutely nothing has come out into the public domain.

Have the British gone mad? I think we should be told

At this point, I did not name MI5 as my persecutors. I was still unsure that they were the ones responsible for the "psychological terrorism". In followup posts however I did name them; and the persecutors have never denied the claim; so I think my guess is valid. (The Security Service Tribunal in 1997 have said "no determination in your favour was made", but it is a well established fact that MI5 lies routinely to the Tribunal which has never found in favour of a plaintiff, so no conclusions can be drawn from this.)

This first post was made to alt.conspiracy, but further posts were made to the UK-local newsgroups, in particular uk.misc but also uk.legal and uk.politics (which is now called uk.politics.misc). Some time ago I tried to take the battle to the Compuserve forums, UKPOLITICS (which is now called UKCURRENT - current affairs), but my articles were censored by the forum operators. Such censorship is impossible on the internet newsgroups.

Police Refuse to Act

I have complained several times to the Metropolitan Police, who have each time refused to help.

>take the complaint seriously.

This in itself dos not suggest that the police have it in for you. The old bill operates on extremely tight spending limits forced on them by that pillock Michael Howard, and without evidence, they often have higher priorities than chasing something that cannot go to court.

I doubt that the police are actually being leant on, but they probably realise that if they looked into this, they would be leant on hard. The met always stays away from anything that looks like it has Defence, Security or secret service interest already, because they realise that they are below these government agencies in the general

pecking order.

If I walked into my local nick and complained that MI5 were snooping on me, they would show me the door without even looking at my evidence, because that bored desk seargant with only five years to go before he retires doesn't want to start fucking about with somebody who has incurred the wrath of Stella Rimington. He would rather deal with the lost dogs and driving licence producers, eat his cheese and pickle sandwiches and piss off home at the end of his shift than have some high ranking spook having a go at his boss and getting him a bollocking.

In short, you have earned much sympathy but little surprise. Just remember that saying about the enemy of your enemies.

Most recently, I wrote in March 1999 to Charing Cross Police Station CID. They did not acknowledge or reply to my letter. When I phoned them up, the detective Id written to treated me to a sadly not unusual display of police bigotry, with an uneducated rant about "your paranoid rubbish".

It would be nice to think that such uneducated bigotry is something other than wholly typical of police behaviour, but unfortunately that is an illusion that is rapidly dispelled.

Uncorruptible Jon Snow of Channel Four News

From previous articles the reader will know what I think Jon Snow has recently been watching me while he reads Channel Four News in the evening. Recently I digitized a few moments of one such broadcast, where his face twists into a smile, without there being anything in the news broadcast to cause merriment. Here is a usenet post from some time ago on MI5s "bought and paid for" tools in the so-called "free" press.

Peter Harding (harding@ermine.ox.ac.uk) wrote:

Can't disagree with that sentiment.

Wasn't it documented that MI5 sometimes "bought" journalists and broadcasters?
I remember reading a report by some jouralist who had been offered an extra
tax-free income by MI5 to become their covert mouthpiece, and had refused.

It has been reported several times. The most recent was in Private Eye, a few months back. As I recall they also wanted information from him; journalists would be a natural choice for members of the Security Service and the Secret Intelligence Service for information sources.

> It might be interesting to see what he had to say regarding their

He was most concerned that many others would have accepted such an
offer. However, we can probably make an educated guess as to some of
those who accepted: Nigel West (Rupert Allason, MP) and Chapman Pincher
would come near to the top of the list.

Corrupt Security Service agents steal millions from taxpayers

Money is of course a factor in the grand equation which is the MI5
persecution. It costs money for the Security Service to "buy" people in
the media etc. But that is only a small part of their expenditure of
taxpayers resources. Most of the expenditure is directly on the salaries
if the agents involved; and in this post I put forward the theory that MI5
are trying to draw out their involvement for as long as possible, very
cynically, to maximise their income and line their own pockets.

At each stage they have tried to pretend that I am something out of the ordinary.
Either I was very stupid ("he's an idiot") or very clever ("he's like a genius").
Either I was a threat to Western civilization (Levin once referred to me as the next
Hitler) or I was completely defenceless ("a soft toy").

Now, it should be obvious to any person with common-sense that I am not out of the
ordinary in any way. I have an IQ which is average for the Web, I am racially white
European, and there are plenty of other people with schizophrenia or epilepsy out there
who haven't been targeted for MI5 attention, so why me?

I think the answer is that the MI5 agents who harass me have cynically exploited the
situation by painting me as extraordinary in order to assure themselves of well-paid
employment funded by the ordinary British taxpayer. To put it bluntly, they are
stealing millions of pounds from the taxpayer to feed their own pockets.

This assertion is supported by the observation that it's the same agents who are doing
the harassment. Six months ago in a local hospital I was harassed by someone whose face
I had seen (he had stared straight at me aggressively, at the time I just thought it
was some nutter but it turns out he was one of "them") aboard a KLM flight a couple of
years ago. It's presumably been the same people most of the time. I've seen the way
contractors act when they don't want their positions terminated. Would these agents
really want to lose their well-paid employment harassing me? Presumably they are
promising their bosses a "breakthrough" (ie my demise) real-soon-now and have been for
the last seven years, while all the while these MI5 agents skim millions
off the taxpayer.

I wouldn't mind a job like that. Perhaps if I persecute myself a little bit, like standing in front of a mirror and shouting mindless obscenities, do you reckon I'd get a slice of the caky Service Tribunal. This year Nick Brooks, current Tribunal Secretary, confirmed to me that he could not think of a single case where the Tribunal had found in favour of a complainant. Here is my usenet post from two years ago.

Subject: MI5: "It wasn't us"
Newsgroups: uk.misc,uk.legal
Organization: Toronto Free-Net

"The Security Service Tribunal have now investigated your complaint and have asked me to inform you that no determination in your favour has been made on your complaint."

Signed ER Wilson, Tribunal Secretary

Well that's a relief then. All that spamming for nothing eh. Gaw blimey, if they say they're not doing it then it can't be them, can it?

In a recent letter to Mr Brooks I expressed the opinion that the Tribunal were unable to fulfil their responsibilities in the face of MI5 falsehoods. Nevertheless, I do intend to make another complaint to the Tribunal in the near future, despite the Tribunal appearing to be a toothless watchdog.

Discrimination against a Unit Minority

MI5 have been very clear in their instructions as to what I should do. They have openly shouted at me the word "suicide", and also from the other abuse it is clear that they want my existence terminated.

This point is covered in more detail in a previous article. The following post describes the xenophobic nature of MI5s campaign against me. They have refined their bigotry down to a unit minority, yet they make use of the discrimination against the mentally ill which is a feature of current British society.

I don't have florid symptoms. But I'm in a difficult situation, because those people who don't know, aren't going to believe, and those who do, they just go along with the crowd. It's never a good idea to go against the grain, and the grain here is defined by interests in the establishment and the media. Even people who could say out loud what was happening won't, because then there's a

risk that they'll be seen as traitors and ostracised.

Usually this type of 'hidden abuse' is racial and targetted at a racial minority within a country. You keep the minorities out of the good jobs, but you don't admit discrimination exists. It happens everywhere, not just in Britain. The persecution that is going on now is in reality a refined form of racism. Instead of "nigger" it's "nutter", and abusing the mentally ill is still socially acceptable today. In 50 years it might not be, but today there isn't any social or legal sanction against it.

So really they've refined racial harassment down to a minority of one. The words may be different, but the methods are the same.

Does anyone on this entire planet besides me own a Uniden Bearcat 210Xlt? I can't find anything on the internet. The closest I found was an Electra Bearcat 210Xlt (?) And a Uniden Bearcat 210Xl, in which I had to join a Yahoo radio group to grab a PDF Manual for.

I would like to know if anyone knows where I can get a free PDF manual. I would also like to know if anyone else owns one, what "Electra" is or was, how old BC210Xlt is, and just why the heck is it so rare?!?

My Grandfather gave me my 210Xlt, and I have 15 freq. programed into it. (2 Air-Traffic Control Canada, 1 Ham frequency, 1 T.V station (Global, 407.287), and the rest Gov't/Police/Fire, all in the VHF band, except for the T.V station.

Thank You In Advance!

MI5 Persecution: BBC Newscasters Lie & Deny They're Watching Me

Central to the persecution campaign waged against me for some nine years now by the Security Service is their use of the media, and in particular the broadcast media, to make clear to me that I am under surveillance and being watched within my own home, even by BBC newscasters while they read the news. This is really an act of arrogance; MI5 and their tools in the television and radio are so sure that they can never be caught, that they have many times made explicity clear on broadcast programmes that they are as capable of seeing me as I am of seeing the broadcast pictures. Even when they have known I am taping the programmes they still carry on this practice; for examples of TVand radio presenters caught "in action", see the Evidence area of my website.

It started with a Newscaster, and it continues with Newscasters today

The very first incident in the story started with a reaction by an ITN newscaster, Sue Carpenter, in June of 1990, almost nine years ago now. She reacted to what she saw in my living room at home as she read the news. My mother had brought an apple for me into the room, whereupon the newsreader smirked and giggled, apparently finding this funny. I couldn't believe what I was seeing. I carried on watching news and other television programmes to see if presenters would show signs of "interactive watching"; to my surprise, this happened again and again. Unfortunately, I did not have my wits sufficiently about me to videotape these programmes, and it is now almost impossible to obtain recordings dating back to 1990.

However, I have been busy recording everything Ive watched the last couple of years, and the taping has yielded some nuggets, which you will find if you point your Web browser at the "evidence" area of my website, whose URL address is given above. Strangely it is not particularly the BBC who are "after me" at the moment (with the exception of occasional fire from Nicholas Witchell), but that supposed paragon of virtue and decency Jon Snow of Channel Four TV News (he actually works for ITN), who once claimed hed turned down MI5s offer of a tax-free salary. I will cover Snows recent actions in a future article.

BBCs Hidden Shame

The first ever Usenet post (internet newsgroup article) on the subject of the MI5 bugging / BBC watching occurred, as stated in a previous article, in early May 1995. It is reproduced here;

Date: Thu May 4 18:27:24 1995
Newsgroups: alt.conspiracy
Subject: BBC's Hidden Shame

Remember the two-way televisions in George Orwell's 1984? The ones which watched you back? Which you could never get rid of, only the sound could be turned down?

Well the country which brought Orwell into the world has made his nightmare follow into the world after him. Since 1990 the British have been waging war against one of their own citizens using surveillance to invade privacy and a campaign of abuse in the transmitted media in their efforts to humiliate their "victim".

I suppose "BBCs Hidden Shame" is more of a wish than a fact. It may be hidden, but the BBC and other media and security organisations seem to have no shame whatever in their anti-social, not to say criminal, actions. Nor do the general public, who seem quite happy to parrot the vilest obscenities without much hesitation or apparently thought.

Martyn Lewis, Nicholas Witchell and the rest

Most of the harassment occurred in 1990-92, when I wasnt making any recordings, and the BBC wont release copies of current affairs programmes from that period.... so although I can remember there were many incidents in that time, even many specifics, I cant dig up the actual programmes to flesh out the bones.

This year, there has been at least one incident with Nicholas Witchell as newsreader, which I have successfully recorded and digitized, i.e. converted into a computer Quicktime movie file. This has not yet found its way onto my website (Im a busy man, dontcha know) but you can be sure I will let the readership of these articles know when that clip makes it onto the web. The Witchell clip was recorded on Saturday 10 April 1999 at 7pm, and shows Witchell trying to restrain his features from collapsing into a smirk. First his upper lip quivers for several minutes, then with the non-excuse of a non-joke his entire face twists into a grin. It looks as if he finds me so funny, that he allows himself to submerge any pretence at professionalism in a sea of MI5-inspired sarcasm and harassment.

The two BBC newscasters whose reactions to me I can remember most vividly over the years are Martyn Lewis and Nicholas Witchell. I can remember thinking years ago that Michael Buerk was also seeing me at home; and if the other two are watching then there would be no reason why he wouldnt be doing the same; but in all honesty I cannot remember a single clear instance of his reacting through facial or verbal expression to me.

I can remember several instances of Martyn Lewis reacting to what he saw of me, however. In early 1992 I was watching the BBC news with Lewis on a

small black-and-white portable TV at my then home in Oxford. I threw a term of abuse at Lewis; he flinched, then gave a grin and made a comment from which I understood that he had been on my side, but might have changed his mind as a result of what Id just said to him.

And in spring 1991 I remember Martyn Lewis clearly reacting to what he saw of me at my then accommodation in Woking, Surrey, by continuing to stare at some fixed point near the camera after the news had finished - presumably this is where the monitor interactively showing pictures of my room was located.

Why would BBC and other Newscasters Watch and Harass Me, Watching Them?

This is a very difficult question, and I dont actually know the answer. It is a matter of record that the Secret Services are very much part of the Establishment. The recent exposure of the "MI6 Agent List" on the internet, and its coverage in the newspapers, reveals how much MI5 and MI6 are recruited from the ranks of the Establishment. Obviously the relationship is bi-directional; the Establishment influences MI5/MI6, but the secret services (well, perhaps not so secret now we know who works for MI6!!!) also influence the machinery of power and information dissemination i.e. media in this country. So they must have a lot of covert leverage with the BBC and ITN.

Some of this leverage is obviously through bribery. It is a matter of record that MI5 tried some years ago to "buy" Jon Snow of Channel Four TV. He turned them down - obviously they must have approached other media people as well, and from the lack of other reports of people turning them down, it may be presumed that some other journalists will have accepted the sugared carrots put before them. Ironically, Jon Snow has been taking part in the recent "watching" actions against me - but why he has allowed himself to be used by the secret services is something which I do not know.

Perhaps the Security Service uses blackmail to twist arms of journalists into co-operating with them? I have always thought there was something slightly odd about Martyn Lewiss demeanour. At the time of the Ron Davies "rough trade" scandal it was reported that MI5 had known all about Davies predilections and the sham of his pretence to be a happily married man. Perhaps MI5 have been able to dig something up from Martyn Lewiss private life to blackmail him into acting on their behalf? And if there wasnt anything before the "newscaster watching" started then there most certainly is something now.... once theyve started watching, the newscasters will surely wish their activities to remain covered-up, and co-operate with the security service.

"Newscaster Watching" Deliberately Constructed to Mimic Schizophrenia

Presumably this is the first case in history of television journalists actually taking part in acts of real-time, live spying and reacting against one of their viewers. What you have to understand, though, is that I was quite mentally healthy in June 1990, certainly relative to November

1992, when after two and a half years of harassment I was finally admitted to hospital as an out-patient. MI5 decided from the outset that they would make me mad; they constructed the media harassment to resemble what would be reported by a person with mental illness; and then they carried on years of abuse to inflict on me the condition which they wished to use as an excuse to cover up their abuses.

I sold my portable TV in autumn 1990 and stopped watching television regularly. I realise now that this may have been a mistake. What I should have done was to watch TV and listen to the radio, but tape-record everything and make a note of what each excerpt meant to me. I would then be in a much stronger position as regards to evidence that I am now. That is what I am trying to do now, but unsurprisingly the TV/radio presenters have stopped getting at me, now they know they are being recorded.

When I started publicising my case on internet newsgroups in 1995, I was met with the disbelief one might expect to be accorded to a mentally ill person who talks about "newscaster watching" and media persecution. Some newsgroup participants thought I had started a "troll", an invention made to obtain a reaction; one bright spark even suggested a group of psychology students were behind the articles. But most people thought the articles were symptomatic of derangement - and that is exactly what MI5 want people to think. MI5 chose me as a target because I was mildly mentally ill at the outset in 1990, although I stress my illness then was very mild in comparison with November 1992, and because they knew that enough abuse would (a) make me much more seriously ill, and (b) once I was more ill, they would "get away" with a harassment deliberately constructed to look like the symptoms of paranoid schizophrenia.

Martyn Lewis Denies & Lies, But Wont in Writing

In February 1997 I wrote to BBC Viewer & Listener Correspondence and asked them to investigate the claim that their newscasters had engaged in "real-time spying" on me. They replied that they had asked Martyn Lewis and Michael Buerk whether they had engaged in such practices, and that they had both made verbal denials to VLC, but were refusing to put their denials in writing.

To me it looks as if Lewis and Buerk are happy to lie verbally but not in writing, because written falsehoods would place them unambiguously in the wrong, whereas they can try to talk their way out of verbal lies if they are ever caught, or perhaps even deny the verbal lies completely? If they lie without shame, then why would they have any shame about future lies about lying?

BBC-VLC also said that the BBC "would never engage in any form of surveillance activity" such as that described. Clearly Martyn Lewis and the rest have lied to their own organisations personnel about their criminal actions. So much for the "objective", "truthful" BBC, a nest of shabby liars.

Summons against the BBC, for Nuisance caused by Newscaster Spying

In March 1997 I issued a civil summons against the BBC, seeking injunction against further "newscaster spying", and token damages for what the BBC had done to me until that date. The purpose of the summons was to try to "smoke out" the BBC, since obviously I did not have good evidence which would be necessary for either a civil or criminal case to be made against them. My summons was worded as follows;

1. The plaintiff is and was at all material times residing at [home address]. At some time prior to or during June 1990, persons of unknown identity entered Plaintiff's premises and installed concealed television equipment in said premises.

2. A campaign of harassment was launched against the Plaintiff by the persons of unknown identity, which in part took the form of instigating harassment by BBC TV newscasters (including specifically Michael Buerk and Martyn Lewis) as they read news bulletins, by making direct and personal comments to Plaintiff.

3. The campaigns purpose was to subject Plaintiff to great mental stress and induce mental breakdown. As a result of it Plaintiff did indeed suffer from severe mental strain in 1990-97.

4. In order to avoid the mental strain being caused to him the Plaintiff has been compelled to stop watching BBC TV news. Defendant therefore committed the tort of private nuisance, since normal use of home was interfered with.

5. Plaintiff claims a permanent injunction prohibiting further nuisance, and damages for nuisance suffered limited to 5,000.

Naturally, my attempt to smoke-out the BBC and its lying newscasters failed. The BBCs litigation department sought to have my summons struck out; and they succeeded in doing so, on the grounds of my action "disclosing no reasonable cause of action". I was also prevented from issuing further civil claims against the BBC without leave of the Court. Apparently litigants-in-person frequently / usually have their claims struck out with this wording, regardless of the merit of their claims.

BBC Suppresses my Claims of "Watching by Newscasters"

BBCs staff magazine Ariel ran my advert "BBC Newsreaders Spying on my home" for one issue in the Personal category on 8/July/1997 before it was spotted and axed by editor Robin Reynolds; please see webpage; http://www.pair.com/spook/evidence/plaint/ariel.htm
Clearly the BBC will not allow claims of its wrongdoing to be made public in the media channels it controls.

On several occasions people said to my face that harassment from the TV was happening. On the first day I worked in Oxford, I spent the evening in the local pub the Rose and Crown with the company's technical director Ian, and Phil, another employee. Ian made a few references to me and said to Phil, as if in an aside, "Is he the bloke who's been on TV?" to which Phil replied, "Yes, I think so".

The reader might think that mere "watching" by newscasters etc might be a relatively benign happening. But it is not; it is part of MI5s framework of harassment and lies. On many occasions the reactions of the BBCs newscasters to me has been in the nature of sarcasm, implicit contempt and abuse. This is visible in Witchells news programme mentioned above, where he engages in abuse by laughing at me during his newsreading. It was particularly visible in the early period of 1990-92, and as late as Autumn 1993, when during a Newsnight broadcast Jeremy Paxman interviewed a football person about soccer hooliganism, and the interviewee gave vent to an unsubtle rant about "theyre idiots, theyre just idiots, keep up the surveillance". Paxman started grinning, showing he understood and was taking part in the abuse being perpetrated on that programme.

Conclusion

The MI5 Persecution started with harassment by television newscasters, and today harassment by TV and radio presenters still forms a key part of MI5s activities against me. When this business started in June 1990 I was in relatively good health of mind. Years of persecution by the secret police and their mouthpieces in the state-run BBC and other media eroded my health until MI5 achieved their aim of seeing me rendered mentally ill in November 1992. The diagnosis which was forced on me unfortunately and ironically meant that my reports of the harassment are disregarded, because the mentally ill are second-class citizens in todays Britain.

Yet TV and radio harassment continues, albeit in a reduced form, despite my taping all the programmes I watch, resulting in my being able to obtain and demonstrate objectively on the website instances of media presenters attacking me. Unfortunately these recorded instances are quite tenuous; I might understand them, the presenters understand what it is theyre doing, but despite many thousands of people knowing the truth of the "newscaster watching", the omerta continues and they continue to refuse to admit the truth of the matter. It is a terrible indictment of British society that there is not even one decent person willing to speak out. I look forward to the day when the truth does finally emerge, and the mass corruption which has allowed the MI5 persecution to take place is finally purged and the Establishment criminals caught and appropriately punished.

MI5 Persecution: Molestation during Travel

MI5s persecution of me varies in intensity. Since 1990 it has been steady for perhaps 80% of the time; there was a notable quiet period in 1993, and another quiet period in Jan-Feb 1995, as well as a hiatus in the first two months of 1999. It puzzles me that they cease and restart, seemingly without any logic or reason. But one aspect of MI5s activities against me which is relatively predictable is this weeks articles topic, which is Molestation during Travel. Almost every time I cross the Atlantic, go to the Continent or even try to enjoy a holiday in this country, you can bet that MI5 will be there doing their utmost to wreck it all.

This aspect of the harassment is particularly relevant as I will be travelling to Europe again in a months time, with naturally the Minidisc recorder in tow; so it will be interesting to see if I can record the abuse which will almost certainly take place, either on the Tube going to the airport, at the airport, on the flight, in the terminal building - MI5 have previously instituted instances of abuse at each of these locations, so well see how much taxpayers money they waste this time, and whether it will prove possible to capture their abuse on minidisc.

Read about the MI5 Persecution on the Web

June 1992 in Polands mountain resort of Zakopane

The persecution started in June 1990, and for the first two years I stayed in the UK apart from a couple of brief day trips to Calais. By the summer of 1992 Id had enough of being cooped up in England with abusive fellow employees egged on by an abusive secret police service, and decided to spend 10 days in southern Poland, on what was intended to be a holiday at the mountain resort town of Zakopane.

Unfortunately the psychopaths of the Security Service were not willing to allow me to enjoy a holiday in peace and quiet. The journey to Zakopane was by coach from the meeting point at Londons Victoria coach station (National Express) followed by ferry followed by another coach across Europe. As we left Victoria a youth and his girlfriend started a loud tirade of abuse directed at "this bloke", where the "bloke" was never named, but it was very clear that the "bloke" was myself. The youth said "they" had "found somebody from his school, and he was always really stressed at school, a real psycho". Again, the label "they" was not elaborated on, but it was clear that "they" = the persecutors from MI5. The boy also said, "he was in a bed and breakfast for only one night and they got him". By a not unexpected coincidence I had been in a B&B in Oxford a week previously, which had been booked from work; other things

lead me to the conclusion that the company's offices were bugged for most of the 2 1/2 years that I was there, so "they" would have known a room in the B&B had been booked. After a few minutes of this I went back to where they were sitting and asked where they were travelling. The boy named a village in France, and the girl's giggling suddenly ceased; presumably it permeated to her brain cell what the purpose of the boy's abuse was.

It is now very clear to me that MI5 were trying to have me incarcerated, assaulted or killed on this trip across Europe. The degree of verbal violence inescapably leads to this conclusion. When we arrived at our destination, it became clear that many people, both in our tour group and its guide, and among the ordinary residents of the town, knew there was a movement under way to "get" me. MI5 employed many people and significant resources for an action which they knew would only take a maximum of ten days. A commercial operation would never have felt able to waste such resources on such an unproductive and temporary action; only a state-sponsored, taxpayer-funded entity like the Security Service would be able to be so wasteful.

To give some examples of what happened in those ten days; I was walking in some woods outside the town, when a Polish woman, looking at me, said the English "shit" in a strongly Polish-accented voice. For the first three years 1990-92 MI5 had been trying to force this word on me. Another example; I was walking near my "hotel" when a mother said laughing to her child, "a wiesz ze to prawdziwy wariat" which means "you know hes a real madman". And the "TV reacting" happened there too; on Polish TV, a bemused looking journalist said to another, "to jest sprawa Anglikow", which means "its the concern of the English", in other words, none of our business, despite what the English are trying to force down our throats.

Just before we left for home, I went with some others from our group to a nearby bar. There a man shouted at me the same sexual obscenity which MI5 have constantly thrown at me these last three years. I think MI5 try to justify their various terms of abuse by repeating them at me until I say them, either while conscious or while talking in my sleep; and then they seize on my saying those words to "prove" that the obscenities are "my fault", et cetera. This rather stupid reasoning of theirs can actually be seen as indicative of the psychopathic condition attributed to them in a previous article; blaming the victim for the crime you inflict on him is how psychopaths think.

Nor did the persecutors let up during the return trip. Returning on the ferry over the channel, a rather insalubrious-looking guy talked to his mates about "and you know this bloke, hes really mad you know, hes really mad". On the National Express return coach to London, a group of five or six young people started shouting at me. I slumped in my seat and tried to avoid presenting a target, so they got ever more strident - "whats the matter with you, cant you hear us?" One of the other people who had been on the trip to Poland asked them why they were shouting at me, and they said, "hes been to Cambridge", to which the co-holidayer asked them, "have you been to Cambridge?" presumably thinking they were aggrieved fellow

students, but they answered "no". Even after I left the coach at Elephant and Castle abuse continued; in the tube station, two kids started throwing abuse at me; one of them said to the other, "and you know he works?" to which the other answered "yes".

Immediate Aftermath of November 1992

As you will know from previous articles, my manager at OCG - ARIS/Oxford, Mr Mitchell, induced a mental breakdown in me in the months leading up to Nov/92. The diagnosis was regarded by the persecutors as a victory for them, because few if any people give credence to allegations of harassment when they are made by somebody suffering from schizophrenia. There is also a bias against the mentally ill, an "institutionalised bigotry" in society comparable to the institutionalised racism against blacks.

However, MI5 did not let up on persecuting me following Nov/92. In December 1992 I flew by charter jet to Alicante in Spain for two weeks recuperation. MI5 planted one of their people on the flight, a youth who tried to start some noises that "hes a nutter". One of the other passengers replied, "oh hes a nutter is he? oh well!" and the youth shut up and said nothing for the rest of the flight. I think it would be fair to say that the youth on the flight was embarrassed by what he had been asked to do in making the flight "uncomfortable" for me; he sounded defensive rather than aggressive.

My first trip to Canada in June 1993

Ive already covered this in a previous article so Ill just give a brief summary here. On 10 June 1993 I flew British Airways from Heathrow to Torontos Pearson Airport. On de-planing from the aircraft, one of a group of four fellow passengers looked at me and said, laughing, "if he tries to run away well find him". It was quite obvious that these four men were the ones who had been harassing me since 1990.

I did nothing to apprehend them or bring this incident to the attention of the airport authorities, mostly because this was my very first visit to Canada, and the last thing I wanted was to get into a dispute before I had even finished disembarking. In retrospect, I can see this was a terrible mistake; I should have made every effort to detain and identify these people.

Subsequently I have made numerous attempts to obtain the names of these people from British Airways passenger lists, by talking to BA, through a lawyer in Ontario, through a solicitor in England, through the UK police, and also through private detectives in the UK. But all my efforts have come to nothing. BA have told me they keep passenger lists for a period of seven years, so they will still have the list for this 1993 flight. I did not see or hear anything during the rest of my visit to Ontario in 1993 which would have lead me to believe that I was being watched or followed.

Journey across Canada in summer 1994

As I think Ive already said in previous articles I emigrated to Canada in late May 1994. For six weeks between late May 1994 and early July 1994 I travelled across Canada from coast to coast, starting in Toronto, visiting various cities and ending up in British Columbia. I saw this both as something of a holiday, and the chance to get to know a little better my adopted country.

As you can guess, MI5 followed me everywhere I went during these six weeks. In Toronto, where I started this trip in late May, I was spoken about by one youth to another with the words "hes an idiot", to which the other replied, laughing sympathetically, "good luck to him".

A couple of days later I went to Montreal and stayed at the YMCA downtown. As you can guess (this is all so predictable, isnt it?) MI5 followed me there and bugged my room at the YMCA. Not only that, but they managed to set-up an instance of "newscaster reaction" from a local television station; while I was watching a Vermont TV news programme on the set in my room, the woman reporter said, "well theyre just tired and they want to go home", which sounds like a pretty unprofessional thing to say until you realise she was trying to say of me that I was the one that was supposed to be tired, and they (ie MI5) wanted me to go home to the UK.

On the bus journey across the North American continent, it was quite clear that MI5 were following me every step on the way. For the first part of the journey they actually put someone on the bus with me, a youth who said at me "that guys paranoid" and tried to incite other passengers to attack me. I stopped for a couple of days in Winnipeg in central Canada, and on leaving the town heard on the radio a female presenter ranting about "insanity! insanity!". It is very tiring travelling such a long distance by bus; I took the journey in two steps, each of about 36 hours; and it is especially tiring when you know MI5 are watching you and harassing you every step of the way.

When I finally got to Vancouver, MI5 instituted the usual harassment, in very short order. I was surprised how quickly they were able to induce hatred towards me in elements of the general populace; the Security Service must have employed a number of agents and serious resources in a very short period of time; and for no real gain, because I havent been back to BC for almost five years, so all their "work" appears to be for nothing. In downtown Vancouver a street person said in front of me, "theyre all talking about him". For a few days I was staying at Pauls Guest House (345 W.14th Ave); on the day I left, the owner Paul shouted at no-one in particular, "hes going to Victoria" - which was quite accurate, I was indeed going to the provincial capital Victoria on Vancouver Island. But I had not told anyone at the guest house where I was going; I had only mentioned to my parents back in England on the phone that I was going away from Vancouver for a few days. Which leads me to suppose that MI5s bugging of the phone in my parents house yielded the "intelligence" that I intended to visit Victoria, and they had passed the information on to Paul.

When I got to Victoria it was again obvious that the persecutors were "doing their stuff" there as well. On the street I was identified as being English, although I had not said anything so my accent hadnt given me away; and returning by ferry to the mainland, I was abused by a Canadian woman who said, "hes a nutter! you can run but you cant hide". During my years in Canada I have never heard the word "nutter" on any other occasion; I do not think it is part of Canadians vocabulary; so the Canadian woman on the ferry, who was obviously talking about me, must have been supplied with this word by the English persecutors. And once I got back to Vancouver, staying at the Austin Hotel on Granville St, I listened to a conversation in the apartment block directly opposite, and a man saying, "hes paranoid, so thats as bad as it can be, so why are they doing this to him?".

Holiday in the States, August 1995

By 1995 I was living in Canada, and in August I went down the eastern seaboard to Florida and as far as Key West by car. As you can guess (this is all so boring and predictable, isnt it?) MI5 followed me every step of the way. I can see in retrospect that this must have been quite easy for them as they had my car bugged, both on the inside to listen to anything that was said and what radio station I was listening to, as well as what must have been a tracker device installed to track it across long distances.

The first city I visited was Philadelphia. In the old Congress Hall where the first US Congress assembled, the woman guide started referring to my situation, saying that "all these people in Europe were watching it", and they were "a little paranoid" at this 18th-century experiment in democracy. Also I had recently written a newsgroup post where Id described a (female) poster as "wet-nosed" (implying "canine"), and a young girl in Philadelphia remarked, "so he thinks were dogs?" There were two or three more incidents during this holiday in the eastern States, including a radio station down near Miami, showing "they" had tracked me all the way there, and were bugging the inside of my car; but I didnt record the details and Ive forgotten some of it now. Also down in Miami Beach a French tourist in a lift expressed support for me with the words, "cest incroyable" ie. its incredible, meaning that MI5s well-known actions against me were beyond belief.

To go back a bit, in about May/June 1995 Id visited New York, again by car, and was insulted several times by people using the same words that had been used against me in England. In Central Park, and elderly Englishman (not a real gentleman - but then the Engish view of themselves as "gentlemen" etc is quite laughable) looked at me and said "idiot". And while I was eating in a streetside restaurant a New York youth started laughing and said something like, "I cant believe it, hes actually here" - I think that was because I had had an expressed wish to visit New York for some years before this, although after this visit I wont be going there again for a very long time.

Visit to Poland December 1995/January 1996

In December 1995 I flew (BA again, unfortunately - every time Ive flown BA one of these incidents has happened, presumably MI5 is happier setting up harassment on British-domiciled carrier) from Montreal to Berlin and travelled on to Poland to visit family. MI5 naturally harassed me in Poland during my brief stay. They followed me around and got Polish people to take part in the harassment. In one case two Polish youths talked in front of me saying in English (with marked Polish accents), "fucked up men, fuck you". There were also other incidents which I dont remember too clearly since it was some time ago.

The return flight connected through Heathrow, and in the transit lounge MI5 again set-up harassment against me. In Poland they were talking their abuse in English, and in London they set Polish people after me to speak in Polish; they heard me on the phone to my father, and said "a wiesz ze to Polski wariat", in an almost sympathetic, inclusive fashion (translation. "you know hes a Polish nutter"). Once on the flight to Montreal I was again set upon by two English youths, one of whom spoke and the other listened. The aggressive "fat bastard" youth said, "if he wants to be a wanker" (its my fault theyre harassing me, you see), self-justification that "hes a nutter" (so we have to keep on abusing him, because hes ill), as well as talking about the town in Poland where I had been staying. He also said, "he doesnt know who we are", but as already remarked in a previous article, that was at best a half-denial of my guess expressed in internet newsgroups that the people after me were MI5 - if anything its a half-confirmation rather than a half-denial.

These incidents are still going on. You can hear digitised audio files of abuse on a BA flight to Berlin in 1998 on the Web at address

On this flight they were again attacking my mental health; "paranoid, hes paranoid" and "nutter" are discernable. The last "during travel" contact was at Ottawa Airport on 21 July 1998, when "Alan Holdsworth" the psychopath MI5 agent, dressed as a vagrant, was pacing aggressively in the departure area. In three weeks I will again be travelling to Europe; we will see what fresh acts of molestation MI5 perpetrate during this trip.

1583. MI5-Persecution: MI5 are Afraid to Admit Theyre Behind the Persecution (27931)

MI5 are Afraid to Admit They're Behind the Persecution

MI5 have issued a formal denial of any involvement in my life to the Security Service Tribunal, as you might expect them to; but, more importantly, the persecutors have never denied that theyre from the Security Service, despite several years of accusations from my corner on usenet and in faxed articles. I am not surprised that the Security Service Tribunal found "no determination in your favour". I am however a little surprised that the persecutors have refused to confirm my identification of them; by doing so, they implicitly admit that my guess was right.

"No determination in your favour" says the Security Service Tribunal

In 1997, I made a complaint to the Security Service Tribunal, giving only the bare outlines of my case. I do not think it would have made very much difference if Id made a much more detailed complaint, since the Tribunal has no ability to perform investigatory functions. It can only ask MI5 if they have an interest in a subject, to which MI5 are of course free to be "economical with the truth". A couple of months after my complaint the Tribunal replied that;

The Security Service Tribunal have now investigated your complaint and have asked me to inform you that no determination in your favour has been made on your complaint.

Needless to say this reply didnt surprise me in the slightest. It is a well established fact that the secret service are a den of liars and the Tribunal a toothless watchdog, so to see them conforming to these stereotypes might be disappointing but unsurprising.

It is noteworthy that the Tribunal never gives the plaintiff information on whether the "no determination in your favour" is because MI5 claims to have no interest in him, or whether they claim their interest is "justified". In the 1997 report of the Security Service Commissioner he writes that "The ambiguity of the terms in which the notification of the Tribunals decision is expressed is intentional", since a less ambiguous answer would indicate to the plaintiff whether he were indeed under MI5 surveillance. But I note that the ambiguity also allows MI5 to get away with lying to the question of their interest in me; they can claim to the Tribunal that they have no interest, but at a future date, when it becomes clear that they did indeed place me under surveillance and harassment, they can claim their interest was "justified" - and the Tribunal will presumably not admit that in their previous reply MI5 claimed to have no interest.

"He doesnt know who we are"

In early January 1996 I flew on a British Airways jet from London to Montreal; also present on the plane, about three or four rows behind me, were two young men, one of them fat and voluble, the other silent. It was quite clear that these two had been planted on the aircraft to "wind me up". The fat youth described the town in Poland where I had spent Christmas, and made some unpleasant personal slurs against me. Most interestingly, he said the words, "he doesnt know who we are".

Now I find this particular form of words very interesting, because while it is not a clear admission, it is only a half-hearted attempt at denial of my guess that "they" = "MI5". Had my guess been wrong, the fat youth would surely have said so more clearly. What he was trying to do was to half-deny something he knew to be true, and he was limited to making statements which he knew to be not false; so he made a lukewarm denial which on the face of it means nothing, but in fact acts as a confirmation of my guess of who "they" are.

On one of the other occasions when I saw the persecutors in person, on the BA flight to Toronto in June 1993, one of the group of four men said, "if he tries to run away well find him". But the other three stayed totally quiet and avoided eye contact. They did so to avoid being apprehended and identified - since if they were identified, their employers would have been revealed, and it would become known that it was the secret services who were behind the persecution.

Why are MI5 So Afraid to admit their involvement?

If you think about it, what has been going on in Britain for the last nine years is simply beyond belief. The British declare themselves to be "decent" by definition, so when they engage in indecent activities such as the persecution of a mentally ill person, their decency "because were British" is still in the forefront of their minds, and a process of mental doublethink kicks in, where their antisocial and indecent activities are blamed on the victim "because its his fault were persecuting him", and their self-regard and self-image of decency remains untarnished. As remarked in another article some time ago, this process is basically the same as a large number of Germans employed fifty years ago against Slavic "untermenschen" and the Jewish "threat" - the Germans declared, "Germans are known to be decent and the minorities are at fault for what we do to them" - so they were able to retain the view of themselves as being "decent".

Now suppose this entire episode had happened in some other country. The British have a poor view of the French, so lets say it had all happened in France. Suppose there was a Frenchman, of non-French extraction, who was targeted by the French internal security apparatus, for the dubious amusement of French television newscasters, and tortured for 9 years with various sexual and other verbal abuse and taunts of "suicide". Suppose this all came out into the open. Naturally, the French authorities would try hard to place the blame on their victim - and in their own country, through the same state-controlled media which the authorities employ as

instruments of torture, their view might prevail - but what on earth would people overseas make of their actions? Where would their "decency" be then?

This is why MI5 are so afraid to admit theyre behind the persecution. Because if they did admit responsibility, then they would be admitting that there was an action against me - and if the truth came out, then the walls would come tumbling down. And if the persecutors were to admit they were from MI5, then you can be sure I would report the fact; and the persecutors support would fall away, among the mass media as well as among the general public. When I started identifying MI5 as the persecutors in 1995 and 1996 there was a sharp reduction in media harassment, since people read my internet newsgroup posts and knew I was telling the truth. The persecutors cannot deny my claim that theyre MI5, because then I would report their denial and they would be seen as liars - but they cannot admit it either, as that would puncture their campaign against me. So they are forced to maintain a ridiculous silence on the issue of their identity, in the face of vociferous accusations on internet newsgroups and faxed articles.

Have MI5 lied to the Home Secretary?

In order for the Security Services to bug my home, they would either have needed a warrant from the Home Secretary, or they might have instituted the bugging without a warrant. Personally I think it is more likely that they didnt apply for a warrant - I cannot see any Home Secretary giving MI5 authority to bug a residence to allow television newscasters to satisfy their rather voyeuristic needs vis-a-vis one of their audience. But it is possible that the Security Service presented a warrant in some form before a home secretary at some point in the last nine years, for telephone tapping or surveillance of my residence, or interception of postal service.

So the possibility presents itself that a Home Secretary might have signed a warrant presented to him based on MI5 lies. Just as MI5 lie to the Security Service Tribunal, so they might have lied to a Home Secretray himself. MI5 and MI6 are naturally secretive services former home secretary Roy Jenkins said, they have a "secretive atmosphere ... secretive vis-a-vis the government as well as [enemies]". Jenkins also said he "did not form a very high regard for how they discharged their duties".

It was only a few years ago that MI5 was brought into any sot the extraordinary thing is that British media organisations like the state- and taxpayer-funded BBC take such an active part in the MI5-inspired campaign of harassment. We have after all heard of MI5 trying to bribe broadcast journalists; but surely there must be a substantial number who are not bought or blackmailed by the Security Services, and who take part in the "abuse by newscasters" of their own volition? The BBC is supposed to be independent of the government of the day as well as the Establishment in general. While perhaps it is childish to think that the BBC is anything other than effectively state-controlled, the degree of

collusion between the BBC and the British Secret Police MI5 is something you would not find in many countries. Individual tele-journalists in other countries would have enough self-esteem not to allow themselves to be controlled by their secret police - seemingly, BBC broadcasters like Martyn Lewis and Nicholas Witchell have such a low opinion of their employing organisation that they see no wrong in dragging the BBCs no-longer-good name through yet more mud, at the mere request (whether supported by financial or other inducements) of the British secret Police, MI5.

And when challenged, these broadcasters LIE about their involvement, with just as little shame as MI5 themselves. The BBCs Information dept have said that;

"I can assure you that the BBC would never engage in any form of surveillance activity such as you describe"

which is an out-and-out lie. Buerk and Lewis have themselves lied to their colleagues in the BBCs Information department over the "newscaster watching", but unsurprisingly they refuse to put these denials in writing. Doubtless if the "newscaster watching" ever comes to light, Buerk and Lewis will then continue to lie by lying about these denials. So much for the "impartial" BBC, a nest of liars bought and paid for by the Security Services!

It is obvious that the persecution is at the instigation of MI5 themselves - they have read my post, and only they have the surveillance technology and media/political access. Yet they have lied outright to the Security Service Tribunal. Similarly, BBC newscasters Michael Buerk and Martyn Lewis have lied to members of their own organisation. The continuing harassment indicates they are all petrified of this business coming out into the open. I will continue to do everything possible to ensure that their wrongdoing is exposed.

MI5 Persecution Update: Friday 11 June, 1999

Harassment in a pub in Clapham, Tuesday lunchtime

Once a month, or once every other month, I meet a Polish friends of mine who lives in Clapham North, and sometimes we go to a particular pub near where he lives. The last time was some two months ago; I did not have my minidisc-walkman with me, and consequently was seriously harassed by people MI5 had instructed to harass me, in the pub.

This Tuesday, 8 June 1999, we again went to the same pub for a pre-meal drink. This time I did have my minidisc-walkman with me. As you can guess, we were followed into the pub by a couple of young people (Im getting older and older - isnt it funny how the MI5 agents all look young these days?). They started talking about my situation, in particular some travel I had booked the previous day. Unfortunately, they were talking fairly quietly, and my minidisc didnt pick up their speech.

MI5s schizophrenic reasoning is that simultaneously I am very important and worthy of their acts of persecution, and I am also totally unimportant and their abuse of me "doesnt matter". Perhaps they should test their agents and managers for obsessive personalities or psychotic features in the same way as employees are drug-tested. MI5 might lose their "worst cases" employees if some psychological testing were applied to their recruitment procedure.

Toothless Watchdogs. What a Surprise.

Recently I have been engaging in communications with two watchdogs, the Security Service Tribunal which deals with complaints against the security service (and always clears MI5 of any wrongdoing), and the Data Protection Registrar, which is mandated to investigate misuse of personal data held on computer.

In a letter to Nick Brooks, Security Service Tribunal secretary, dated 20 April, I asked him if the Tribunal, as an allegedly independent body, had the means to investigate complaints against MI5 other than asking MI5 to themselves investigate complaints. To my disappointment, his reply two weeks later answered the question only indirectly, in the negative. Whatever the reader might think of the merits of the case I have been putting before you in faxed articles this last year and half, you will surely recognise that it is a significant anomaly for the Tribunal to have no independent means of investigating complaints, particularly given the view expressed even by previous home secretaries that the security services are untrustworthy.

MI5 Persecution: No Justice for the Victims of MI5

In a previous article I detailed the similarities between the current MI5 Persecution in England, and other historical instances of similar persecution, notably that by the Nazi Germans in the thirties and forties. The Germans persecuted first the mentally ill, the epileptics and those suffering from schizophrenia, then moved on to racial groups; in todays Britain the persecution is again directed at those with mental illness, which the British in their cowardice find easier than taking on racial groups as the Germans did. But just as in Thirties Germany there was no recourse against a malign and omnipotent state, so the MI5 Secret Police in the modern British Fascist State allow no justice for their victims.

No Recourse Against the Security Services Illegal Harassment

It has become apparent to me over the last nine years just how loaded the dice are in todays Britain, a fundamentally fascist country which masquerades as a democracy. Britain is a democracy in name only; the Establishment, the defence and MI5 secret police are always there, regardless of which party has been voted into power most recently - and from "New Labours" conduct in office one finds it difficult to tell them apart from Old Tories, in their crackdowns on the sick and vulnerable in society.

In thirties Germany the victims of the Nazi regime had no legal recourse against their State oppressors; and in todays Fascist British state, the victims of the Establishment and its MI5 Secret Police similarly have no recourse against the illegal state-funded and organised oppression. There is supposed to be a mechanism for dealing with MI5 crimes, in the shape of the Security Service Tribunal and Commissioner; yet these have never found favour of a plaintiff. One might as well ask the Nazi SS to investigate crimes against epileptics or Jews as ask the Security Service Tribunal to investigate MI5 crimes against British citizens; it is quite obvious what the answer is going to be, regardless of what you say to them, and what evidence you provide. The Tribunal and Commissioner are a mere formality, a whitewashing body to give the Secret Services a veneer beneath which they hide their shabby criminality.

"Institutional Racism" and Bigotry in the Metropolitan Police

The recent inquiry into the racist murder of Stephen Lawrence found clear evidence of systematic and deliberate racism in the Metropolitan Police, which cannot have surprised anyone. Commissioner Sir Paul Condon accepted a somewhat lukewarm definition of institutional racism as being "unconscious". In truth, and this truth must surely be obvious to anyone who has any familiarity or encountered the great British police, the Met has not just "unconscious" racism, but very clearly "conscious" and deliberate racism, of the kind that would have done Thirties Germans proud. And it is a bastion of such open racism - when many other parts of society are learning to live in a multicultural environment, the Met is still living in the past in its attitude to the minorities.

But in addition to the systematic racism confirmed by the Lawrence inquiry, there is also something much more relevant to this case, which is systematic police bigotry against the physically and mentally disabled, which I personally have experienced in my dealings with the police over the years. You cannot expect equal treatment if you are mentally disabled. I tried to make a complaint to the police in 1995 about the harassment I had been subjected to for several years. As soon as they found out I had mental illness, they refused to even talk to me. I tried again in March 1999; the police made various threats to me, while ranting about "your paranoid rubbish" in reference to the complaints expressed to them.

The police refusal to do the job they are employed and paid to do is extremely serious, particularly as this case is highly important, indeed key to the whole issue of British self-perception at the end of the 20th century and the beginning of the 21st century. Britain has lost much in the last fifty years - it has lost an empire, it has lost its self-respect and its identity as a people. If the MI5 persecution finally makes it into the light and the Security Services are seen for the rather cheap bullies their behaviour indicates, it will have a massive and harmful effect on British self-perception in the new century.

Security Service Tribunal - Blatant Whitewashing

A few weeks ago I spoke on the phone to Nick Brooks, the Secretary of the Security Service Tribunal, which is supposed to deal with cases of MI5 transgression. I asked him if the Tribunal had ever found in favour of a plaintiff and against the Security Service. He answered that as far as he knew, it had not.

I also asked Mr Brooks if the Tribunal had any means of investigating allegations of criminal activity by MI5, other than asking MI5 themselves if they had engaged in such activity. His rather circuitous written reply states that the 1989 Security Service Act provides that "it shall be the duty of every member of the Service to disclose or give to the Tribunal such documents or information as they may require for the purpose of enabling them to carry out their functions under this Act". Which is a very round-about way of saying - "No" - the Tribunal has no way of investigating MI5 crimes - None At All.

Setting up the S.S. Tribunal, and creating a Security Service Commissioner, was really an act of falsehood by the government. It is generally recognised that MI5 are out of reach of the normal criminal justice system - the police, as we have seen, have no intesot answer to the government; in a previous article I quoted Roy Jenkins speaking of "a secretive atmosphere.... secretive vis-a-vis the government as well as [enemies]", and a "lack of frankness" from MI5.

If the government wanted to, it could reform the secret services and ensure they acted in conformance with the laws which have been enacted for them in the last ten years. But apparently the present government does not see any need to ensure security service compliance with the law. As noted above, the regulatory machinery for MI5 is deliberately weak; the Tribunal

has no independent means of investigation, and it is simply a waste of time complaining to the Tribunal or Commissioner.

Every so often, fresh revelations come to light of secret service transgressions. We have heard from Shayler that MI5 bugged Jack Straw and Peter Mandelson; we have heard from Peter Wright that MI5 plotted to see Wilson ejected from office; yet so closed is the system of government that the law is never enforced against MI5 when they "bug and burgle" everyone from politicians to ordinary citizens.

No Justice from the Legal System, either

Britain has a civil and criminal justice system which effectively limits many complaints from being heard. For a civil complaint to be brought before a court, you need a solicitor willing to act on your behalf. Supposedly it is possible to represent yourself as a Litigant-in-Pthe basis of being "frivolous and vexatious" or "disclosing no cause for action in law". This is exactly what happened to me in 1997 when I twice tried to take the BBC to court for spying on me in my living room at home; my case was twice struck out, and on the second occasion an order was made against me that I could not bring further civil litigation against the BBC without leave of the court.

As the reader can guess it is quite impossible for a person with schizophrenia, who complains about the secret services and media interfering in his life, to find a solicitor willing to represent him in legal action against the persecutors. I have quite a lot of evidence of the continuing persecution which I have posted on the website, even if the evidence is quite tentative and perhaps open to varying interpretations. But I have tried several firms of solicitors; some of them have acted unprofessionally and abused me; all of them have refused to represent me. My psychiatrist gave me the name of the firm of Bindman and Partners in central London, and I have approached them twice. On each occasion they refused to accept my instructions. Plainly the problem with Bindmans, which they have admitted, is their bigotry against mentally disabled people; yet this is not just something that is wrong with Bindmans, it is something that is wrong with the legal system as a whole, since the legal system necessitates finding a solicitor willing to represent you in order to bring a case to court, but it does not have a mechanism for providing a lawyer in the case where no solicitor is willing to take on your case. So the British legal system is such as to prevent cases such as mine from ever receiving an airing in a court.

So much for the civil courts. But the criminal justice system is no better. Two years ago the Protection from Harassment Act came into force. But again, while the Act is all very well on paper, in practice it is unenforceable in my case, since it would require Police action to see the law implemented, and if the police cannot even be trusted to conduct a murder investigation competently (in the Lawrence case), then what chance is there of their investigating complaints against the Security Service? Of course, it would be possible for me to personally issue proceedings through a private prosecution either against MI5 themselves,

or against one or more of their media tools; but here we see the same problems as with the civil courts, because first of all I would have to find a lawyer willing to act on my behalf. Litigants-in-person do exist in the criminal courts, but the Attorney General can bring such a prosecution to an end by taking it over and entering a plea of "nolle prossequi"; and I suspect that if I were to bring a private prosecution against either MI5 or one of their media tools, then this is exactly what would happen.

So much for British justice. But if anything the wrongs that have been perpetrated on me by the British justice system are quite mild to what others have suffered. Others have been wrongly convicted based on police evasions and lies, and spent many years in jail based on false charges. I should count myself lucky that despite the best efforts of the MI5 secret police, I have not acquired any criminal charges or convictions; which shows that for all their resources and influence, and the clear imperfections in the British legal system, there are still limits on how much subversion MI5 can achieve.

The latest in a long line of injustices

A comment I heard during the recent scandal of the police mishandling of the Lawrence murder investigation is that "its not as if the police themselves murdered him". This is not a particularly wise statement to make about the case, since it could be argued that the four alleged murderers were aided in their crime by the expectation that the police would deliberately botch the investigation - which of course is exactly what the police did.

But in my case, this would be a completely inaccurate thing to say - since the MI5 secret-police have expressly been trying to nine years now to see an end put to my life, either by having me incarcerated and my liberty ended, or by forcing self-termination on me. It is exactly as if the secret police "themselves murdered [me]", since that is what their aim is in their campaign against me.

The public has heard of instances of police mishandling of cases, of police manufacturing evidence, lying in court, extracting false confessions to clear up crimes, et cetera. Various instances of extra-legal activity by the secret services have also come to light in the last few years. The unhappy truth is that what MI5 have been doing to me for the last nine years is really nothing out of the ordinary for them. To me it seems unbelievable that this sort of systematic campaign of harassment, which thousands and thousands of people in this country and abroad are well aware of, could exist for such a long period of time with the media maintaining "omerta". But my case is not the first such instance of persecution by the "British secret police", and judging by the lack of any real controls on MI5, I very much doubt it will be the last.

MI5 Have Systematically Destroyed My Life

This is getting depressing. From the feedback Ive received, the recipients of these faxes are tired of hearing my complaints, and in truth I am tired of sending them. The reason I havent yet ceased sending faxes is because I cannot think of any other effective means of replying to MI5s actions against me, and I feel I have to do something to try to defend myself. Three/four years ago I got the MI5 harassment out of my system by posting about it on Internet newsgroups, and for a few months this tactic was quite effective - I received (and indeed still do today) support from newsgroup regulars, and felt I could make my voice heard and break the MI5 monopoly on access to the British media. But that was years ago, and today nobody gives a tinkers cuss about my internet posts - so I have sought to escalate matters by communicating directly with the politicians who allegedly say how this country is supposed to be run.

Of course, its quite expensive to keep up a campaign of fax messages for many weeks. Each set of faxes takes approx 50 hours to send over the weekend, and costs perhaps 35. My phone bill for the last quarter was 350. These figures are naturally insignificant compared to what MI5 have been spending against me over a similar period. It also takes a lot of time and energy to create a new article every week, and try and find new and fresh aspects and viewpoints on MI5s persecution of me. I am beginning to run out of both new topics and energy to write these articles.

So I have a suggestion to put before the MI5 persecutors who have been wrecking my life since 1990. In a few days time I will be going on holiday to Poland and Germany, for a couple of weeks. Previously, almost every time I have travelled by plane, or gone anywhere on holiday, the MI5 "wreckers" have been most assiduous in destroying these trips. My suggestion is; if MI5 leave me alone on this next trip, I will cease transmitting these articles. If, however, there are any clear instances of harassment (and I am very capable of recognising MI5 harassment when I see it), then I will make public these instances and publish any recordings I may make of them, and, unwillingly and unhappily, continue the articles.

Read about the MI5 Persecution on the Web

Keith Hill MP (Labour - Streatham), my elected representative, as ever refuses to help.

MI5 Refuse to Allow me to have a Normal Life

Its kind of difficult to contemplate having a normal existence when you know your entire house is bugged from top to bottom, for audio and, very

unpleasantly, video; when your employment is systematically destroyed, over and over again; when every time you leave the country your travel is disrupted by MI5 plants on the plane yelling abuse at you..... you get the idea. I would like to have some semblance of a normal life, like my Polish and English friends do. But MI5 have made this impossible, and they have leached massive resources from the taxpayer to institute a life not worthy of the name on me.

A few years ago MI5 were very open about their aims in persecuting me. They were shouting "suicide" at me, both in Canada where I lived at the time, and during my occasional visits to London. You cant get much clearer than that. There have been instances as recently as a few weeks ago of this intention being voiced by their side; on 15 April 1999, a woman at the next ticket counter at the Royal Festival Hall said;

"it would kill it, you know, it would just be overkill... they can't stop can they"

meaning that "they" were trying to "kill it" i.e. me and they "cant stop". The audio file is at;

I wonder why they "cant stop". Nobody (who doesnt know already) believes my claims - so what difference would it make, if they were to "stop" persecuting me? Perhaps what this persons remarks indicates, is the depth of the obsession MI5 have with this case. They have chosen at random a person from the general population, and done their worst to ruin my life. What is wrong with these people, that they persecute a national of the country whose citizens they are supposed to protect?

No Chance of a Harassment-Free Job

Since the harassment started in 1990 I have had three jobs, the first near Guildford, the second in Oxford, and the third overseas in Canada. All three jobs have been systematically destroyed by MI5. It is so ironic that MI5 employs a team of agents, each well compensated for their efforts, to persecute just one person paid a mere fraction of what they get for their "work". In fact, it is a joke that MI5 is allocated resources for this sort of effort. If this area of government were run along commercial lines then MI5 would be very rapidly closed down, they produce nothing of any value, instead spending their time obsessed with the bugging and surveillance of their former employees like Shayler, dangerous subversives like Straw and Mandelson, and "threats to national security" like yours truly.

Applying for my first post university job

When I was applying for my first post-university job in the closing months of 1990, I found at two or three job interviews that MI5 had got there ahead of me. Interviewers knew what words to repeat from what had been said at my home recently; MI5 had supplied them with words to hurt me, and the "British secret police" were trying to wreck my job search and discourage me from joining the world of work. This and the continuing harassment in the media and by the public meant that the search for a job

took very much longer than it would ordinarily be expected to take for a person with my qualifications.

With my first job near Guildford came the knowledge that MI5 were doing everything possible to make me lose the job. Despite their efforts I managed to stay in work for ten unhappy months, during which they made very clear to me that they were bugging my workplace, my accomodation in Woking, my car, my home..... and they also made clear that they had "got to" my employer in Guildford.

Employment with Oxford

I was able to find a new job, with Oxford Computer Training Services (now ARIS/Oxford), quite quickly. But it became very clear, very quickly, that MI5 were treating this job the same as the first; they tried to get the other employees and in particular the managers to attack me. It was plainly MI5s intention that I be sacked fro this job. But I was not sacked; instead, after almost a year of abuse from OCTS managers, I was forced to seek medical help, and had to take two months off for medical leave. OCTS MD Hugh Simpson-Wells was motivated in keeping me on by the fear that if he sacked me, then I would take him to court for the treatment OCTS managers had meted out to me during 1992.

Emigration to Canada

When I emigrated to Canada in 1994, I did think that perhaps MI5 would leave me alone, given that I had made the effort to leave the UK and try to find a new life overseas. I could not see any reason why they would continue to harass me over in Canada. But clearly the MI5 agents had their salaries to think about, since continue to harass me they most certainly did, at my home in Ottawa, and by getting fellow employees to speak against me, as had happened with previous jobs in the UK.

MI5 are denying me a future in work

Former Chief Constable of Devon and Cornwall John Alderson had this to say regarding MI5's activities;

"MI5 is not under the same restraints as the police. They infiltrate organisations, people's jobs and lives. They operate almost like a cancer."

Currently I am on disability, and I can see that MI5 are denying me a future in work. It would be an insult to logic for me to return to work and find a job, in the knowledge that an entire team of MI5 agents, paid in total many times what I would be earning, would have the objective of seeing me "done down" in the employment, and ejected from the place of work. This situation is completely wrong and nonsensical - I would very much like to have a job, but MI5 are preventing me from even thinking about returning to work. The culture of secrecy in MI5/MI6 means there is no objective oversight of their expenditure, when external oversight and greater transparency might lead to wasteful and illogical operations such as that against me being shelved.

Watched and Harassed at my Home and Accommodation

As you will know if you have been reading these articles, MI5 have watched and harassed me at my home, and at every accommodation Ive had since 1990. Theyve also watched me at neighbours houses in London, and at short-term accommodation such as hotels and bed-and-breakfasts. They have used the "words" gained from these watching activities against me, by passing these words on to other people such as OCTS managers for them to make clear that I am being watched where I live.

Harassed at rented rooms in Oxford in 1992

This was at its worst in 1992 in Oxford, where during the week I lived at rented accommodation in Oxford, and at weekends returned to my parents home in London. I was being severely harassed by managers at my place of work, OCTS; and it was clear from the things they said that they were being supplied by MI5 with details of my home life, that they were being supplied with words to repeat at me.

In 1992 I moved house in Oxford many times, living at a total of five rented accommodations in ten months. In January I started off living in a rented room at Headington near the ring road / A40 intersection; then when it became clear that house was being bugged, moved to a rented room in Botley, some miles away. It was at the house in Botley that I had an "interactive watching" experience with Martyn Lewis while he was reading the news; I threw a term of abuse at him; he first flinched, then gave a gsult of what I had just said, he was no longer "on my side".

So I moved house again. This time to a place in Cowley, near the Rover car works, where I stayed for a few weeks. Because of continuing harassment at work, I soon moved from this accommodation, to yet another rented room on Iffley Road. By this time I was very ill and being abused continuously at work. Again, MI5 followed me to the rented room on Iffley Road, and created new instances of "newscaster watching". There was a television in the room which I watched, and as you can guess the newscasters got at me when I was watching the television. Also once I was assaulted, if thats the word for what happened, on leaving the house; a youth grabbed me by the coat lapels, roughed me up a bit with various terms of abuse. I did not report this assault to the police, because what was happening to me at work was very much worse, and nobody seemed to think that that was worthy of being reported to the police. Later that day at work, Alex G, a fellow employee, said "I heard he was assaulted".... I had not told anyone at work about the incident that morning..... so once again it was made very clear that MI5 were watching my rented accommodation and giving information about what was going on there to managers at work.

So I moved house yet again in late autumn 1992, this time to a rented room in a large house on Woodstock Road. I stayed there for several weeks as the situation at work deteriorated due to OCTS managers abuse, until I was forced to take sick leave from work for two months and attend hospital as an outpatient; at which point I gave notice on the room, and returned to London.

MI5 continued to harass me after the diagnosis of serious illness was made. As reported previously, they harassed me on a flight to Spain in December 1992; and in 1993, when I returned to live and work in Oxford, they again bugged my rooms, as well as my workplace, although the intensity of the harassment was very much less than in 1992.

Watched, followed and harassed in Canada

It dismayed me to find that MI5 would not leave me alone after I had settled in Canada. In January 1995 I rented an apartment at the Bayshore complex in Ottawas west end. For some weeks there was no sign of the "buggers". But then it started all over again. They first bugged my car, which had a car alarm installed - the alarm went off two or three times in a single evening, and the following day gave a signal that the car had been broken into. Then they bugged my apartment, and in particular they installed bugs on the phone line in my apartment.

In September 1995 I moved to a new apartment in Ottawas Bytown Market area, the restaurant and entertainment heart of Canadas capital. This proved a serious mistake. In the west end I had been fairly distant from the centre of town where MI5 concentrated their efforts at turning people against me. In the Market area it was much easier for the persecutors to motivate people to harass me, and over the next couple of years there were frequent instances of harassment by the general public.

From 1995 I had some Polish friends in Ottawa, and as the reader can guess, MI5 have spent much effort trying to break up this friendship. They supplied various things about my home life to these friends, for example where I was living in the Market, directly over the road were the studios of a music radio station, which you had to "look up" to see; and MI5 told these friends that I was "looking up" to see the radio station; so the friends then replayed these words back to me, that I was "looking up". MI5 have also made various sexual slanders against me, and these friends also unwittingly replayed some of the words they had been imprinted with by the MI5 persecutors.

MI5 Will Never Allow Me to have a Normal Life

I have heard many excuses as to why MI5 continuously prevent me from having a normal life. We are told that MI5 are defending the country against a tere to zero.

When I have travelled abroad, they always put their people on the flights, on the journeys I undertake, to continue the harassment, so that I am put off further overseas travel, and chained to my home in London. Yet even this is illogical, because when I lived in Canada, they would still put people on flights back to the UK.... and what possible reason would they have for doing that? Perhaps the truest words to describe the MI5 persecution is that reason has nothing to do with their activities - sane people do not behave in the way the MI5 British Secret Police have been doing.

Summer 1999 - more MI5 harassment?

In only a few days time I will be going to Europe again. This time I have deliberately chosen to travel by a non-UK airline; so we will see if they put their paid agents on this foreign carrier, we will see if they try to harass me on this non-British flight.

If they do harass me on this trip to Europe, or if they resume the harassment in London after I return home, then I will continue to report their activities in these faxes. As I said at the beginning of this article, I would very much like to not have to send these articles any more, but that is not my decision to make - it is entirely up to MI5 to cease their pointless persecution of me, once and for all.

Uniden bought the "Bearcat" division of Electra in 1984. I think the Electra 210XL was made around 1982.

Thanks for the heads up on the programming, I did some research and figgured programming it would be a chore. I'm a network engineer so hopefully I'll get it running in a couple days.

Thanks again for the help

It *could*. I've hooked up my old Starlite Shortwave
radio to a magnetic mount CB antenna and could pickup
stations in Africa. just depends on how strong the
signal is and the conditions?

Radio Shack sold it's Inter-Tan division to Circuit City. Inter-Tan
operated all RS stores here in Canada [and I believe the rest of the
world..but I'm not sure]. But Radio Shack sued Circuit City to stop
them from using the Radio Shack name outside of the United States. The
stores are now known as "The Source by Circuit City".

Well - I'll be damned - never heard a thing about "that". DAMNED. OK - so now I'm wondering about the story I heard of that "Circuit City" isn't doing so well and Radio Shack "supposedly" wants to make a come back, etc. What a wonderful "whacky" world - we live in. The way I look at it - probably both of them should just disappear.

The other day I was searching for active HF frequencies (29-54 MHz for my scanner) when all of a sudden, somewhere in the middle of 37 MHz, I picked up what sounded like a TV show! (Similar to the Global station I pick up on 407.287 Mhz) I then changed the channel, and the sound changed. I soon found out that my scanner was picking up the same thing that my TV was! My usual freq. scanning place is about 3 metres from the TV, which is hooked up to a VCR which is hooked up to a StarChoice satellite receiver, all via coaxial cable. See if you guys get the same thing. Changing the subject, what is HF used for? I know 26-27 MHz is used for CB, but thats it. Thanks for any replies!

Many TV's, especially older one;s, put the IF somewhere around 40Mhz,
and it is about 6Mhz wide. So odds are your scanner was picking up
energy radiated from the IF strip of the TV set.

Hi Trent and welcome!

Sometimes the traffic on this news group slows down and sometimes it's pretty active but, by and large (whatever that means!) it's a pretty good place to check every few days.

http://www.radioreference.com/ is a pretty good web site for learning about frequencies in use (in your home area as well as other places you might take your scanner). Of course there are lots of such web sites but that's one of the better ones.

And ask you questions! Most people will give you pretty good advice if you explain what you're interested in or what you're trying to achieve!

Got it. I also want to make a correction to what I said. 30-54 Mhz is
in the Lo VHF band-not HF. The only thing my scanner will pick up
below VHF is 29 Mhz. Still, no matter how often I search, I can't find
any transmissions between 29-54 Mhz. If anyone has any freq. for
29-54, or knows what it is used for, I would like to know. Thanks,
Matt!

Fight Back for Life to Win Humanity's Demands

Fight back for Life to Win against the national broadcasters like George Norry, CNN, and FOXNEWS that willingly forbid US to know what we need to know to defend ourselves from deathly terrorism. Video of iron flowing like water from the 911 towers exists for viewing, and, Al-Qaida = General Mahmoud Ahmad, So, pro-repuglicons want to see YOU die first as the Innocent forsaken, before allowed the right to defend freedom to the last bushite breathing. Death to the bushite, death to the enemies of Freedom for Humanity.

http://groups.google.com/group/soc.culture/browse_thread/thread/4368d46dd0f61446

/ /Destroying enemy bushite is a gift to Humanity, it is saying you care for the lives of the innocent a bush bitch nazi grunt freely confesses to targeting for murder. Liars are the bushite, who steal Iraqi resources, allow racists and rapists to commit their demon crimes in America's name un-challenged, and who absent mindedly bomb the innocent without just reason given.\ \

America Wins, Neocons Go to Prison.

Come on now, who wouldn't take great joy in destroying any and all such ungodly bushite hatred for Humanity in this light of day, eh? Kill a bushite traitor to America for Christ.

Remember: not publicly executed child killer Tatum, is a hero
by CNN "American" standards.

Now, see.. wouldn't YOU hate those that hate GOD as ourselves?
No, America is going to give these monsters millions in 'free'
cash to murder and thieve more. Just like an ungodly bushite,

You Better Watch Out

God is coming to town for bushite nasties on his sled of make
believe. A halted bushite, is a mercy on our souls, in
defense of ourselves the innocent. The innocent that a
'lawless' bushite holds for ransom in pain dying. Hell hath
no fury like that held against the bushite enemy, a savage
zionist criminal waging war against Life as our shared
Universe, 'escaping' those who personally carried out 911.
Bush, Cheney, Rumsfeld, Condi, and Myers as topped suspects.
Other 911ers will tell you no no no, it's impossible to
apprehend them all, for the arrows can go on for never. Bush
personally closed criminal investigations on 911 immediately
after the terrorist event of no questions occurring. The Bush
administration were well aware of their PERSONAL dealings with
the Taliban prior to the "Pearl Harbor" event conveniently
occurring. And they were all most certainly aware of the
plans in place to: within weeks, invade Afghanistan for Enron
to stave off criminal proceedings. Walla! Johnny G wills
every able bodied man, woman, and child to defend ourselves
against bushite that indiscriminately murder ourselves for
cash profit. Stolen profit. Ours. By the Will of US
alrighty, we shall recognize...

The King Has Arrived

Look, let's "say" Peter Power didn't do the crime he did, and
told us so for our own benefit, it would still SUIT Peter
Power for him to be arrested immediately for the crimes of
7/7. For it is Peter that alleged HE was running terror
drills at the same time and locations of those that murdered
many good people from London. London England. Privately,
with his bud at Scotland Yard he's saying. I'm sorry, all
Bobbies do not want to kill indiscriminately so Peter Power
will score a few extra BILLION dollars to hypno mug us to say
we can't find'em no matter how hard we look.[*ILLUM I NATII*].
Americans are just poorly being spoken for, by those who lack
the skills to win justice denied from the average Joe who
knows so. So...

Americans. I am your leader. True, and skilled at the art of
leaving it all up to US. Equals. That means the Taliban are
warring in the defense of women, in defense of children, and
in the defense of America. Now in Afghanistan, NATO leaves

the nation undefended without a police force, since, the bushite murdered all the cops as acts of evil, leaving the tribes to hash it out together but alone near starving. Remember: the bushmob stole the emergency food from Afghanistan as a carrot, and in it ate our diplomatic dialog, while directly closing outstanding criminal investigations. While then blamming bin Laden single handedly pulling off the entire show without US knowing how so. Explosives were set by Laden?, for example?

Now, when any men gather for gaining liberty through acting for defensive purposes, their labeled "Taliban", translated: Students. The bushite war with heroin pushers who sell their illegal drugs on our streets, putting people in prison for maybe 25 years as a felony third conviction. Do you know how many charges in California are called felonies, for the simple fact, that smoking a joint, can get you 25 to life? Sold to you by your, making it real illiterate brother, who was always stoned away living and dying in the movies so... Everyone media popular jokes or confesses to smoking pot in the movies, yet, some of US are expected to go to jail for a lifetime, because we can't seem to get together to make a fuss. We have to change laws on pot. In Amsterdam, legalization has brought addict levels down for it's publicly recognized there humanely as a weakness to overcome. Heroin I mean, pot is great!

The Answer

I'm willing to Challenge America to a Presidential Debate on successes we've achieved as the governed for enlightenment. A person accused of a criminal offense without any evidence is innocent. We, as Americans, are appalled at the fact neocons have been able to steal our authority for so long to take America DYING into a needless, causeless war, but for to criminally plunder at the expense of anyone's innocent son or daughter.

Look, the neocons plan for 'escape' red handed, (as so planned publicly for viewing), is to suggest: You got took, you gave up, now go suffer further on a cross somewhere, the show is over. "Ancient History". Shh.... here comes the credits..

A Dying God

Look, these soldiers who war for enemy Bush are not warring for freedom as Justice for Ourselves.

Evidence is Everything

there is more than enough supporting impeachment of washington insiders, but the news media refuses to say so to defend our dying interests.

Let's demand CNN, BBC and CBC respect our interests by publicly advocating accountability in respect to the terrorist acts of 911. Their position of nutrality is unwarranted in respect for our victimized selves due to indiscriminate warfare. The Iraq war has no legitimate cause, for they are warring to bring about an end to what they started/starting. Nazi fascist Cowards, as enemies to every man woman and child breathing.

Christ praises all men who bill the bushite thieving terrorists who war God and country to criminally escape the neocon traitors for the crimes of 911. Al-Qaida = General Mahmoud Ahmad. Die bushite die.

Israel bounds Gaza on two sides and holds almost total control over imports and exports through legitimate border crossings. WE HATE bushite to death I do, see?, wouldn't you as anywho too? Think about it. Dying as a slave to the demon antichrist, or live for a better future by demanding: Justice IS Freedom. We want to be Just for ourselves to be believed in. We, The people, want true accountability.

Bush Threatens To Veto Bill That Bans Torture

See how these DEMONS play? Torturing innocent people to death for the pleasures of a bushite liar, already warrants the death sentence in America. It's like lawless bushite nazi savages spying on innocent Justice loving Americans, "Just" to see what your doing, IS illegal, now.. well.. YOU decide as the 'made' uniformed. Make a phone call for freedom you lazy amerkan fuks. Ian Punnet says the towers fell naturally, and George Norry reports we got to get bin Laden.. blahblahblah. They know America is dying and couldn't care much less with all the laughing and cheering at YOUR expense. See.. You die in this scenario, and when your dead and gone, we don't want to hear your lost to indifference soul echo on, how we've forsaken you when all hope was gone. I've done everything imaginable with my severely limited funds, and received barely a whisper of thanks, never mind a dollar or two to stave off my hunger pangs. All success requires is for YOU to Realize, YOU have rights here too my brothers and sisters. Please be a friend, in not an enemy. G-D is miraclously in our need to save our selves of needless murder. All dying but to only enrich war mongering criminals of the TV decreed. A war criminal like George Walker Bush that CNN stay undecided with.

America is truly dying by criminal command executed by traitor Bush. I call a Veto for Bush as our going down for good lawless Dictator. Nobody is lawless. The bushmob needs to be arrested for treason on 911.

Oath to God

The bushite took an Oath to God and country to defend America from war criminals, and instead, as cowardly neocon bush bitches, commit war crimes of theft and mass murder against the great Iraqi People. A soldier in the air force, is a dishonorable nazi savage, worthy the death sentence for assisting in bombing Humanity indiscriminately as zionist enemies of Christ, attempting to destroy Johnny's America with their provable DEMONIC LIES. Death to the bushite enemies of Life, who lawlessly war Creation with torture and slavery to 'escape' the neocons for 911. Your magic TV exec excuses don't mean squat when the facts are so readily available. But a bushite don't read, or write, or think freedom. Zionist enemies of ALL Our humanity, murder to believe US won't ever hunt them down by Law to defend ourselves over. Hammurabi LAWS to bill the false capital accusers first, and everything else will fall into place. [note: Hammurabi founded Civilization.]

Christ Begs America

If there is ever a reason Christ begs Americans to joyously, with pride, bill a bushite terrorist enemy of God, it is with the actions General Sattler took in murdering more than 200,000 defenseless innocent people in Fallujah. At youtube you can see and hear these grunts cheering "whore yeah" in praises to the demon antichrist, while committing horrendous war crimes Nazi Germany would have been proud to see the bushite die for. They walk through the city, killing every woman and child they find hidden. No Joke: first strike targets - Health Care Clinics. I am serious. [during the Nuremberg war crime trials, German Judges confessed with plenty of paper work, such action by Nazis would have warranted immediate death sentences] I have written on the demonic action of godless bushite of the antichrist for years while begging Humanity in joining We in hunting these demons down one by one for the glory and love of GOD, but, was not directly aware of all the video testifying the true will of US and God in demanding the destruction of bushite brayers to defend freedom as Life for everyone. Including America. check out youtube. These proud bushite child killers, can not be allowed to freely walk our Earth, after lawlessly murdering so many for nothing but to please the antichrist enemy of all humans Being. All the while chanting monotonously "whore yeah, whore yeah" Death to the bushite heroin pushers, death to those who war God's World indiscriminately with NATO, Sattler, Mattis, and Blount to escape the neocon zionists for the treasonous unholy crimes of 911 back in New York City, where thousands of whomever Americans, were murdered don't you know?

Demonic U.S. Soldiers Torment Iraqi Kids With a Water Bottle
http://www.youtube.com/watch?v=m9A_vxIOB-I

Can not even an American scream mercy for ourselves as "The People"? Bill a bushite demon enemy for the love of children everywhere. While demanding emergency water, food, and medicines be trucked in by the plane load. Do it or truly die American, do it or die. Christ grows angry with Americans who refuse to even pick up their phones to express outrage, it's as if, Americans, er.. I guess amerikans, couldn't care less for our dying Humanity. Support our rise for debate worldwide my friends, worldwide. America sucks.

Exit strategy: Outlaw lawlessness. Murder, rape, and the thieving of billions from America as STILL wrong.

Americans will start bounties of five million for each soldier who willingly, as demonic volunteers, murdered the population of Fallujah. While Godly people will be rewarded in knowing, you loved God by destroying such evils that must --- to defend our still loving families. These demons now want free health care from Americans, if you can believe it, while denying such

luxuries from Americans who don't enjoy murdering ourselves as freedom loving women and children. death to the LIAR bushite, death to the Satanic enemies of Man in the air force responsible for indiscriminate bombing that is done routinely. Just seek "NATO" in Google 'news', and realize, near every strike of thousands, they say oops from their safe bunkers in Florida. They are enemies of all Peoples, they are enemies of Christ in GOD. Bill a bushite for America why don't you fight to save some innocent lives?

"I told him, there's women and kids in that room," Lance Cpl. Humberto M. Mendoza said of Lance Cpl. Stephen B. Tatum. Tatum's response was, "Well, shoot them,"

Remember: CNN reports that Tatum is a Hero! Die bushite die.

Christ praises all men who bill the bushite thieving terrorists who war God and country to criminally escape the neocon traitors for the crimes of 911. Al-Qaida = General Mahmoud Ahmad.

We laugh with Jon Stewart regarding the seven Christians set up by the fbi to be al-kinda, to be put to death, or serve life term prison sentences as the innocent. BUT remember, CNN is serious. Pro-zionist CNN, with salaries in the tens of millions, will lie cheat and steal from Americans while smiling. Sending you to death while cashing in on all the 'free' loot. Funny?

EVIL LIARS? Yup, demon evil.

/ / A record number of soldiers -- 109 -- have killed themselves this year \ \

We know the deaths are at least, 140 a week. When bushites die, Life cheers in joy over the saving of some innocent girls and boys. A good bushite is a dead bushite, halted from victimizing god as Ourselves.

Supporters of Evil

http://mparent7777-2.blogspot.com/2007/12/supporters-of-evil.html

/ / If you choose to support evil and to embody evil yourself, I suggest you follow the vile example of the current administration: do so without apology, and brazenly revel in the evil you choose to inflict on the world. It is far more contemptible -- and, to speak personally, it is sickening beyond my capacity to describe accurately, in significant part because of the complex psychological dishonesties that are required -- to enable evil, while claiming you represent the "moral" and "practical" choice. These are the justifications used by those who made possible the cruelest and most unspeakably horrifying regimes in history, as Mayer's witness and many others attest.

Withdraw your support entirely from those who perpetrate and make excuses for evil. \ \

I'd like to see Americans enforce the law of the land, and advocate the public execution of those responsible for torture. Again, the TV celebs pretend there is actually some possible meritable argument to support these truly demonic actions as criminal. Bushite have admittingly kidnapped innocent people, then tortured them to death for the pleasures of doing so, 'knowing' also, that they couldn't be held accountable to US, the human species. All for hating us so as loved by Life. They say, we're too weak to stand for freedom's defense against naked tyranny - While Johnny says otherwise: Death to those who advocate torture in war time, for there is no legitimate argument, but for the practice of censorship to understand why the Laws against torture have

never failed for defense, but, for the treasonous actions of a Bill O'Really, who recently reported internationally that the majority of Americans support torture, because it means.... blahblahblah -- Bill Bill. For, it warrants the death sentence in America. Still. Bushite are the enemies of US all my friends, enemies of US all.

Death to the neocon GOD betrayers who con to escape the war criminals responsible for 911 through the censorship of our voices for accountability. Death to the bushite, death to the enemies of Man. Death to the torturers of innocent people, death to the enemies of Christ in America. Support our calls for open debate on our international channels of state. CBC, CNN, BBC and FOXNEWS specialists, are warring our lives by forbidding US speaking for freedom's stake. "A free man shall not be imprisoned" is not ideology, it is the freedom to be freely communicated. How about, 'drop to the ground' before pulling the trigger? No, the murderer told US he wanted to murder. Would spitting on the ground in America blindly call for executions because who knows what the spitter would have then done later? The thieves were of no alleged personal

nothing to defend Humanity. Much like happy happy who cares
Germans were under "liberator" Hitler. Except however,
in our defense, we at that time, didn't have our internets,
or so many, 'you have no power, you have no power' corporate
news channels for Americans to quietly sleep through.
Americans who refuse to speak outrage in the defense of the
Human Race, are Americans not worthy the title of fellow
Human beings. All they as bushmob amerika have done, is
thieve, destroy and murder from everyone of US since
911. I am growing wearily concerned over whether Americans
even can still express real anger over their continuing
sacrifice.

ZIONIST NAZIS QUOTE US SAYING everyday 'Kill the Jews, kill the
Jews' No, bill the escaping un-arrested zionist god betrayers
who rape, murder and steal from Humanity as LIARS - all done by
US to DEFEND Jews, to Defend G-D, To defend Christ.
Christ - Born King of the Jews, as true King of Kings - I am by
no accident in every word, truly greater than 'great'.

FREEDOM

Look: corporate magic TV people couldn't care less for US if
they tried. Ahmad funded Atta. bin Laden claimed he played
no part in 911. And video of iron running like water moments

all over the place. CBC, CNN, FOXnews et al. know the
Bushmob did 911 in other words. Live for freedom dying
America! Johnny America wants to be invited on Coast to

True Tyranny - to continue as an American refusing to publicly demand torture, theft, and murder as unacceptable when battlin' evil for your dying freedoms.. Evidence we must pursue on 911 to know really what the heavens Johnny 'The Law Man' is talking about still. Justice to the bushwhacker neocon soldier, a foreigner who apparently speaks no defense for innocent Americans dying sacrificed as conned for the ill stolen gains of the 911 trifecta. Justice to the lying enemies of freedom for America in Christ. Justice for YOU.

Justice to the bushite, Justice to the enemies of America, so called out the Son to God as King of men:

BELIEVE!

Like, so in walks this, out of work time Lord who thinks to converse to the masses about the most basic of reasons to save the lives of innocent others, leaving him convinced, he really needed an audience for this fable to rise as profitable venture. So, it was followed to make it out there in this real world, is to care for Justice measured. All done so to bring greater hope for a better future as all would follow, boy, were they surprised!

Johnny Wizard has arrived..

Spare me some money won't you please for this art of wondrous tragedy?, Jeeze.. I seriously need money to feed myself.

P.S. I'm still hoping that Coast to Coast will bill me godman co-host, all to openly address these freedom for all operations, with Justice ruling our way over the irrational tyrannies practiced by others happily blinded. Evidence is required to convince ourselves on who is good or evil. Period. Don't like it? Too bad. We are on charged!!

/ / "I grabbed her little sister and put her in front of me . . as the bullets began to fly, the blood sprayed from between her eyes, and then I laughed maniacally." [, then were heard the cheers of godless bushite dumfuk traitors obscening to God and Man as the unholy enemy.]

What ever happened to butterfly kisses after evening prayers?

Are you telling me, an American Father, wouldn't gloriously kill this lawless bushite TRAITOR and his demonic ilk, for our love of girls everywhere? Or, how about the UNARRESTED soldiers we witnessed on video beat shoeless children practically to death while laughing and cheering? Or like those that speak zero defenses for Haditha's confessed MASS

MURDERING irrational women and child killers? The REAL demons CONFESS to going into a house, WITHOUT reasoned approach, and slaughtering an entire INNOCENT family.. for nothing but their lifeless SATANIC pleasures. The 'cause'? "The [mass murdered unarmed innocent neighbor's] back door was open.." To, for God, gloriously, with love, kill these unarrested murderous continuing ungodly bushite nazis, is to war the TRUE enemies of Humanity to save the lives of our precious loved ones.

/ / By simply deciding that something is a "state secret," the Bush government has avoided answering for its brutal treatment of innocent [TORTURE] victims in the war on terror. This is a perversion of the principle of American justice. \ \ Realize: Mr. Bush, the demon enemy of all humanity, out of the same mouth, states torturing [innocent victims as satanic liars] would be ungodly, and isn't done. Like bin Laden did "it", Saddam wouldn't let inspectors in, and neocon thieving soldiers who murder our families indiscriminately as zionist betrayers to Christ and America are Heros.

bush "We do not torture"

Kill the bushite enemies BY AMERICAN LAW for torturing innocent people to death as lawless 'whore yah' thieving disciples of the ungodly antichrist who bombed Iraq for NO REASON WHATSOEVER.

To Kill a Bushite, is to be Heroic

Pro child killer George Norry, enemy of the American soldier, still blabs about how more must die unjustly for bin Laden with LIES, knowing full well, video of steel flowing like water from the WTC exists, and that General Ahmad funded Atta. George Norry is a traitor to the FBI, who further plans more to die sacrificed under the censorship of the tyrant antichrist.

"...advanced forms of biological warfare that can target specific

USEFUL! Tell me, wouldn't YOU have publicly tried, then
executed neocon traitors for mass murder if you were
dying as Johnny's America?

AIDS as a weapon used by those of "Project Paperclip",
zionist neocons who war as enemies of humankind? What
evidence does a bushite need, when it thoughtlessly murders
America for demon bush as it's "G-D"?, the thing that does
all it's opinioning for it?, on who is guilty of evil doing
in complete blind faith puppeting LIES? If anything, bush
would be Puppeteer, before "he's only a puppet, he's only a
puppet, look away! look away!" of the Old World Order of
illiterate nazi savages who murder innocent people to thieve
from as our enemies. To kill a bushite, is to be truly heroic.
Ask anyone. What WE want is public accountability.

http://www.newdawnmagazine.com/Article/The_Secret_Origins_of_AIDS.html

I'm telling you America, George Norry is a blatant naked
traitor talking the love of your innocent dying sons and
daughters as too stupid and cowardly to defend our dying
America from the actual 'escaping' neocon 911 perpetrators.

Protestor's sign: "killing innocent people is the problem
not the solution."

Christ, The Son of Man, begs the godly men of Earth, to
judicially bill on sight, any neocon soldier who supports the
carnage waged in Afghanistan as cop killing dope pushers.
They shoot innocent women and children dead in the streets for

humor, and bushite pirates at CBC and CNN, state bushite in Afghanistan are doing a good thing helping the bushmob escape the crimes of 911 by warring for Muslim fundamentalism, persecuting INNOCENT women and Christians, while for entertainment, bomb innocent families running for their lives from a Holy Church. Soulless child killing soldiers who CBC execs would tell are our DEMONIC heroes. Lawless dope pushing cop killers have got to go down dead screaming, instead of the innocent - YOU and me they target for MURDER. Death to the dishonorable bushite THIEVES, death to the enemy neocon LIARS of GOD and man.

We can really be something greater, while a murderous bushite thief, a LIAR, can hardly read or write Liberty without flinching from self contempt.

Sir Ken, head of the Crown Prosecution Service

"The fight against terrorism on the streets of [..] is not a war. It is the prevention of crime, the enforcement of our laws and the winning of justice for those damaged by their infringement."

You got that right. So, join US in demanding the quick trials, and public executions of known bushite enemies who murdered Americans on 911 with general Ahmad, and who with Peter Power, murdered the innocent in Britain for more stolen goods against God. And anyone in the air force as bushite bombers should be a great joy for US all to hunt for prosecuting too. The bushite dumfuk is an enemy to our lives, with it's blatant naked contempt for the innocent, who like the demon liar THEIVES at CJOB, George Norry, or Hannity, will forbid ANY human defenses of the lawless dictate of the IRRATIONAL tyrannical demon antichrist, all so to victimize more of You as the censored forsaken.

-

/ / The mere fact that one can deduce a motive for a person or a group does not mean that they perpetrated the act...and it hardly suffices as proof of anything.\ \

Just try telling that to 'why work to make life better' CBC, CNN, or FOXNEWS censors. Look at me!! They refuse to acknowledge my documented info as REALLY important to your continued ACTUAL survival.

Who fuking cares right? Certainly not the enemies of America at the Coast to Coast radio network, who would kill Americans for the rich neocons without question. It's JUST American kids getting conned to die as bad guys.

God is Great

Again, George W. bush did 911 with General Ahmad, but CBC zionists, actual treasonous LIARS, actually smile to dying Canadian soldiers with only true contempt. CBC kills Canadian kids, with their intentional demon lies, trying to subvert Justice for God and Johnny. In fact, yesterday, they did a special, all on how "God is NOT Great", giving that bush bitch demon LIAR, all the space to pontificate it's hatred for Wisdom, Science, and GOD, with only nods and smiles from the 'illiterate' hord. Remember: A zionist KNOWS it's an enemy of Humanity when it supports dropping seven million land minds to murder indiscriminately OUR CHILDREN for decades, or stealing a Christians Home because they say God says Jews would do such ungodly acts. Blame innocent Jews the holocaust denying zionist shout, of which not one, is a Jew. Like me.

REMBERANCE DAY

So Remember: Bushite grunts told the world they wouldn't let anyone out of the city, because [enemy Sattler LIED] pro-bushite Zarqawi was there present, so the innocent families who believed they had nothing to fear from the liar disciples of the ungodly enemy of ALL HUMAN LIVES, remained in the tiny city to be indiscriminately 'protected' with more than nine two thousand pound bombs, or made dead instead by heinous pro-bush escaping war criminals who used white phosphorous on civilization. All to die our Humanity for the thieved loss of evidence to demand ourselves of some official freedom time to deal with our terrorized as suffering reality.

Goldsmith... yes, Goldsmith

Goldsmith has revealed the bushmob, specifically Cheney,
consults with neocon authority in Egypt, and anti-Jew Saudi
Arabia, on how to best torture innocent people to death as
TRUE enemies of Man. Has anyone read the fiction 1984? 'Why
is it so crazy'?, you might ask an un-responsive big sky of
Love? Well, the Bush administration committed 911 with
General Ahmad that's why.. and threatening Humanity with
torture, is how the neocons plan to fear YOU into speaking
nothing for the defense of innocent others.. As a
consequence, more than half the monies spent each month on
this war against civilized Life, isn't accounted for by
anyone. Except those at the Pentagon STEALING from a deafened
America. In fact, Moyers at PBS reported none! of the
billions flowing out of American pocket books EVERY MONTH for
the bushmob war monger shysters is actually audited for the
taxing payers.

Mr. Bush, the terrorist, doesn't care to war for your stolen
billions, instead wants to kill even more innocent others as
neoconner traitor. In your name as "American."

Support my rise against Living's enemy George Norry, by making
an effort to demand real Justice for dying American values.

CBC just did a report about all the great heroin coming in
from Afghanistan, that will still cause crime, and be illegal,
(and maybe give you life in prison as an American,) but
brought in with the help of the demonically evil bushite
thieving murderous military, by the likely ton full to attack
our direct family left un-protected, BY YOU PERSONALLY. And
guess what? THEY, our media masters, couldn't care less if
they actually tried to be our good guys. Reminder: the god
guys is good, the demon liar antichrist evil enemies who
thieve from Life with censorship is bad. If they hide
ourselves too far, they loose all around, up and down. So get
to it. Or don't. Your choice. Life lived Now, or damnable
death by cowardly design brought forthwith under your own
power to do nothing under such terrible costs against our
suffering natures.

Typical tyranny for media control over all of Life for the beginners is this treasonous betrayal against our Nature, by refusing to be honest about our potential to be far greater than first considered. If they'd only allow US to have open communications, all our worlds would be better living for it.

Demand Coast to Coast hosts allow America to defend America.

I want air time with the one and only real man in these here parts, Mr. Johnny America, our glorious make believe creator of all we perceive religiously, self realized. He's a genius!

Help me gain access to speak freely for open challenge against Hannity, and of America's Coast to Coast Radio network hosts, who deliberately deny you to contend, we're really, one hell of a great bunch of People persons with rights God damn them.

God Damn America

You f-cks, because Bush told congressmen secretly about truly torturing innocent people to death in YOUR name, doesn't make the crime any less satanic. True Christians will execute bushite torturers with glee. America will pay millions a head for each bush bitch nazi traitor to children as family. The neocons will all be tried to death for treasons like 911, and for supporting a slaughter against Iran. For Petraeus has giving US no evidence to form our conclusions on the validity of his therefore, TREASONOUS statements. Bushite are murderous thieves of Iraq and deserve by the measurements of any civilized man, a action worthy of death as demonic, before allowed to further steal from our Humanity. SAUDI Bush bitch Buford Blount gave out 170 tons of explosives to KILL marines with, and Petraeus doesn't call for his rightful death, nor for death to be brought to bushite soldiers who kidnapped bare footed children to be beaten to death on video tape. {KILL THE LAWLESS BUSHITE DEMONS HUMANITY SCREAMS IN AGONY] hundreds of thousand of guns were 'lost' in Iraq through bushite management skills, and liar Petraeus speaks no outrage. Private death squad goons are committing crimes against GOD, and Petraeus blames no one. MORE than half the monthly bill

for these bushite bleeding atrocities to Humanity, are not even accounted for by ANYONE, but for the thieves at the Pentagon who are ROBBING america with Petraeus' silence on the life and death issue of America. Again, Petraeus knows the bushmob did 911, and would rather kill your stupid american teen, than stand for freedom in America by holding evidence a pre-requisite in determining OUR capital allegations. Death to the false accusing bushite, death to the enemies of America,

Jon Stewart, the twisted nazi clucker, claims now to be a "Big Jew". The demon zionist, who claims he can commit no crime against GOD with silence on the issue of innocent Humans being robbed and murdered by zionist 'buddy' Kristol, and as such, spews nothing on 911's demon witch Condi dropping seven million land mines on Lebanon, to murder Jewish children indiscriminately for decades, no, he just laughs at G-D'S true suffering like traitor enemy happy happy George Norry. Laughs at torture being actually allowed, while laughing in contempt at politicians who wisely will to re-distribute the nation's wealth to it's worthy Citizens. Instead of some nationless nazi "jew" like Jon Stewart, a free loading foreigner who came to religion to take away life from hard working American sufferers who want truly in Justice as Freedom. al-Qaida = General Mahmoud Ahmad. Torture IS against the law, and deserves the death sentence. Bushite Cofer Black MUST be put to death for being a Satanic demon enemy of Human life, who freely admits he tortures innocent people to help escape the neocons for 911. Bill a bushite for America, bill a bushite for God. What do Texans own guns for, if not to bill a bushite child killer like those in the evil enemy pro-bush air force. Bushite repeatedly have been found killing innocent people without apology, in fact, it was only months ago where amerikan soldiers in Afghanistan shot people indiscriminately for more than six miles in residential districts,

/ / 'Why are you taking pictures? You don't have permission."' [...] the [bush whore] American, speaking through a translator, warned him that he did not want to see any AP photos published anywhere.\ \ALL REAL MEN - kill the bushite why don't you save some innocent lives for God in America? Kill it man, for, bushite bombers aren't even human.

and now, as reported, the narco-gov has put to death at least twenty Afghans, who were claimed, without trialed evidence, to be guilty of such actions. The narco-gov refuses to call for the execution of known bushite who torture INNOCENT PEOPLE, or rape them, or thieve the 80% of charitable aid given from Canadians. Despite CBC refusing to report on the facts to let US decide for ourselves. Fight back for Christ, fight back for love, fight back for freedom, fight back for God.

I AM THE TRULY FAILING SON OF MAN, born at the inception of creation, timelessly to promote the wisdom of love through mutual understanding.. I was once well respected by all as worth listening to, and loved by a great many, can you imagine that godless amerikan zionist nazi pigs? I suppose not.

MY World is actually dying.. Dying. Don't let the love for GOD be destroyed by bushite amerka who couldn't care less for my crying, or their very own children poisoned to die for liar neocon, neocons like Giuliani that they simply refuse to hunt down for defense. The demon publicly supports the 'rise' of neocons, considering all they've done so far; and the TV doesn't teach to raise your American votes for extreme anger against the wicked zionist enemy. No, Giuliani is vying for Presidential favorite, of private for cash profit TV snoozer hurlers! America is actually dying, and Americans aren't screaming for real Justice..

Please, I beg you again, help me speak freely on coast to coast to accept all challenges.. Please help US. George Norry is a blatant naked traitor to freedom for America. Again, George told Alex Jones he would not allow Americans hear the calls for liberty, unless Alex agreed to not inform the public on who personally was responsible for 911. Jones agreed. I often fear, Jones wants to be loved as Hero, over the wiser words of ourselves on who is who here. CFR, NWO, whatever, Bush closed investigations immediately after the 911 terrorist event of no questions!, no question!

Investigating the Investigation

/ / After playing a tape of Cheney's statement, Russert asked Daschle, "Did the vice president call you and urge you not to investigate the events of Sept. 11?" \ \

George Walker Bush, "The Puppet" is GUILTY of TREASON a thousand and one times over already. We all love Alex Jones, but this nwo bullshit doesn't apply to the lawless demon enemies who inflict harm on our humanity because they confusingly tell US, they enjoy it. Murder, rape and pillage for the sake of murdering, raping, and pillaging. Look, I'm sure we'd be able to easily work out our differences, if George Norry's amerka would take our calls for clarity, on Justice ruling our ways to a fool's paradise where those accused of a crime without any evidence would be US, as the INNOCENT forsaken in God's good name.

Torture is a crime against God and Humanity. So, likewise, joyously, with pride, destroy the neocon traitors of Justice - for the true Love you have as Freedom willed - is as granted. Don't buy their demon lies by blind blanket false assertions, against YOUR Humanity's Innocence in tyrannical bondage, all done in to fool you believing, we have no rights to be heard in our presence - here existing freely. Therefore, to survive US all for something better, halt the 'escaping' murderous bushite thieves for God and America. SOLDIERS: Instead of dying for nothing, my wannabe Patriot Brothers, try joining Liberty's cause, which is our cause truly. Is it because corporate TV zionist money whores, are cowardly and ignorant, as evil hypno muggers, in MY dying for real America, that YOU refuse to speak Now in your Humanity's begging further defense?, on evidence being the only requirement to establish a person's guilt or innocence? for ungodly terrorist activities committed in our name by bushite bombers from the neo-conned AIR FORCE, who, as rotted juveniles, cheeringly bomb us People indiscriminately leaving a Church as something TRULY SATANIC? To dare, in our presence, continue threatening harm against an innocent child of wonder, not yet even born to God's suffering world? Bushites war LIFE itself. So then pleads I again the Son to God, as Man to Men: war to kill the enemy bushite nazi savage thieves, for real Freedom is waged truly by Just causes. The mute, pro-censorship/tyranny THIEVING bushite savaged nation, has NO EXCUSE for the crimes they have committed in our dying names. I demand our voices heard internationally for Justice as Freedom is Godly.

The Lawless thieves of Blackwater hire known war criminals from the most brutal of tyrannical regimes to carry out the neocon agenda of 'freedom' for 'Iraqis'. Look, listen to soldiers who sing about the joys of murdering innocent young girls, see their faces in the videos celebrating the murder of girls LOVED by GOD and ME, and question: Why won't you as an American assist Christ in the glorious hunt. Nothing better in this world than to kill a murderous bushite who claims it's lawless to this suffering Universe, ruled criminally by the demon antichrist enemy of ALL HUMAN LIVES. All religions want US to defend GOD - please help me take on all challengers.

ABCNEWS.com : FBI Called off Terror Investigations

A question Johnny Wizard has for America: Tell me, is this not a treasonous act - for Bush to close criminal investigations, immediately after the terrorist crimes of 911? Shouldn't the demon enemy be put to arrest for that godless act alone in this forsaken dying world? A world left instead suffering further the tyrannies of the war criminal ENEMY of all Human Life?

A refresher: the neocon will tell you openly, they live to lie to the Public for cheating and stealing by murder of US as proxied, innocent peoples purposefully enslaved by a made ignorantly entranced TV audience that is repeatedly reminded, we have no power worth respecting.

CNN, CBC, and FOXNEWS aren't taking are calls presently, but just lie and tell US they do. Look to see, almost all political internet traffic condemns Bush straight to hell well he rightly belongs, but the polls still say no - WE, seeking for Just cause, are the minority.. just roll over and die for the neocon betrayers to god and country, life and loving.

True Enemy of Liberty

I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really set ourselves free with..

"Al-Qaida" = "General Mahmoud Ahmad"

A neocon bushite soldier is a true enemy of Liberty for America. They as DEMONIC LIARS, are dishonorable THIEVING nazi savages that bomb our innocent families with criminal intent to MURDER. Enemies of Life and Love, a dead bushite is an enemy of GOD halted from victimizing further our loved brothers and sisters, mothers and fathers. Death to the neoconner bushite dumfuk grunting liars who bomb our families, death to the enemies of Christ who war for the escape of the true culprits responsible for 911. TRAITORS.

See my friends, this is why I, as the Son of Man beg and plead for all able bodied men, to kill treasonous bushite on sight, for every time you love God by defending the innocent from murder, (the innocent whom any pro-bush corporate professional hold in total self contempt,) you save REAL peoples lives, and you defend God's good name to love God as ourselves committed to true Liberty. Bushites are enemies of freedom, enemies of God, and worthy of death, before allowed to further bomb people indiscriminately like the commanders of NATO order day after day without risking instant frag because, bushites are blind cowardly thieving nazi fascist savages, brain damaged, who believe as satanic demon whores of Molech, they can con all of US including me forever, just like dare dubya. Dumfuks to their bitter end.

To Kill a Bushite, is to be Heroic

American soldier: Your enemy is TRULY LIAR happy George Norry. The demon knows of Ahmad, and forbids any guest from uttering such understandings in defense of the DYING dumfuk grunt nazi - Good riddance? Do you care that your country men are dying for the criminal zionist neocon as traitors? Support my demand for US to be heard GOD DAMN YOU. ...or die by the hands of Humanity.

I AM AMERICA

Sattler ordered the murder of more than 200,000 innocent
people in Fallujah, and they speak nothing but lies on how
such demonic behaviors are godly as just ignored. Our Lives
forsaken, as they hold their very own to die sacrificed for

the unelected traitor neocon. I AM AMERICA.

America MUST demand war crime trials for the propaganda CNN broadcast "Anvil of God" regarding the demonic actions of Bravo company. They forgot to tell America importantly, nazi forces forbade the population from leaving, gunning originally for everyone between 15 to 55, but sided instead to murder infants and the elderly too, when beginning the Zarqawi campaign by bombing hospitals as first strike targets. As such, the bushite murdered many good doctors and nurses - so all to send bushite snipers on hospital near rooftops gunning for every seriously injured woman and child who tried to get help from the Humans. While driving down residential streets, grenading every home of humans being. Remember that when you hear these dishonorable bushite thieves die rightly for god and country.

[Sideline: It's been thought the reason why rescue efforts in New Orleans were provably sabotaged by Rove, was an attempt to make the blue state, commi red.]

See?.. women and children, who the enemy bushite forbade to leave the city with their innocent families, who, as were all living in the entire city of mosques conveniently found labeled therefore by bushite, "Insurgents" (or did leave earlier, and had our innocent families reportedly indiscriminately murdered two miles or so down the road by the most evil war crime act of recorded history.)

Importantly, there was no evidence made awared of, that legitimately offered PUBLICLY, from the UN or the U.S. to indicate a refugee camp anywhere, but for maybe a small group photographed - then some belligerent bushite bogus pocus - all headed up by a blatant traitor to America named Sattler. Reminder: after the indiscriminate carnage, they couldn't find near anyone for weeks who would take money offered to any citizen freely who survived for their satanic benefactor. So insanely disturbing as ungodly evil doing, war criminal Sattler called a halt to giving out charitable considerations from Americans to the unseen surviving victims - all in an 'escape' attempt to make it look better for US, the paying audience. So, where did our stolen values go to then eh? (Sattler's pocket no doubt.)

there is insufficient evidence to show that Lance Cpl.
Stephen B. Tatum did anything other than follow Marine Corps
rules when he killed [for no reason, innocent] women and children \ \

TATUM ADMITS he enjoyed slaughtering the defenseless families
deliberately!! In fact, he wrote a card to a dead marine's
family, testifying that he murdered the innocent young girls
for the tyrannies of the antichrist. Evidence that TRAITOR
Paul Ware and Mattis hides from the Christian American Family.
Will YOU, as an American man, allow these two bush bitch nazi
punks to survive as furthering the commitment of more war
crimes against the INNOCENT? as a zionist neocon's "Hero"?
Will You defend our girls? Peoples of Earth! Help Me save our
children.. please.. please..please

TRAITOR Paul Ware "Tatum shot and killed people in houses 1 and 2, but the reason he did so was because of his training and the circumstances he was placed in, not to exact revenge and commit murder."

TATUM STATED DIRECTLY IT WAS TO EXACT REVENGE AND COMMIT MURDER!! HE WROTE SO TO THE FAMILY OF THE MARINE WHO DIED! A FAMILY WHO WOULD MOST CERTAINLY SUPPORT TATUM'S EXECUTION AS DEMONIC TRAITOR TO FREEDOM IN AMERICA!! ASK THEM!!

What Freedom do bushite war the innocent for to rape, pillage, and murder as blind neocon followers of the 'lawless' demon antichrist? Eh?

"Al-Qaida" = "General Mahmoud Ahmad"

CBC, CNN, FOXNEWS, the Zionists, purposefully work to LIE to the dying American Marine, that the ungodly bushite wars to escape the 911 perpetrators hold some hidden benefit, as the TREASONOUS neocon thieves freely rob from both undefended American and Iraqi citizens, The neoconner, Mr. Bush closed criminal investigations on 911 immediately after the event occurring, while Billions are stolen through 'ear marks' and TVed Americans have no care known to speak of.

Done with American tax paid for rapists, torturers, and terrorists like Aegis who dress up as al-Qaida to murder godly lovers of Justice. CNN, CBC, and FOXNEWS would rather kill the Marine, than teach them where to aim their weaponry of liberation.

CNN, CBC, and FOXNEWS speaks NOTHING to demand the execution of hiding as 'British' soldiers who on prized video tape, beat to death young barefoot children for erotic fun, nor on mercury vaccines not banned minus "The President" in name. BANNED if God were Loved by America, or that the man or woman on the street would financially support my rise by popular command. Would you leave me to know, I will be left without a home to rest, or food to feed my hunger? Would an American?, I ask all Peoples of Earth to witness the American's contempt for Our worthy lives. Condi's crew dropped seven million land mines to murder ourselves for generations, and, shouldn't she and the neocons responsible be put to death for such conducts?? If not then, when? discuss.. They openly target innocent human beings indiscriminately without apology, but excuses that don't hold water. Not that corporate news professionals are even pouring! It's most definitely the re-occurring true story of a censored mankind with You as it's innocent victim. For, what human would support victimizing others for the tyranny of blind terror? Only bushite amerika would fall silent under such self contempt for our constitutions.

/ / [..]Israeli "Defense" Force (IDF) has announced that it will discontinue its practice of "capturing" populated Palestinian villages during military training exercises. \ \

Tell me, is this the godly people the neocon boast of for defense in? Or, just again examples of standing terrorism against life ourselves - committed by the censored as will giving, sacrificing American payer? Justice is Freedom.

Do you care to buy the bushite lies, when they commit openly the very same terrorist acts they say we should all be outraged against? Somalia is a case to point. They murder helpless people as bushite, then say they'll remain dying to thieve further as enemies to Humans being. It doesn't fool

me, but perhaps it does you. A neocon soldier murders innocent Iraqis, while selling you they are all there risking their lives to bring freedom. So, they die. For lies. Die. Again, KNOWN Aegis goons openly commit crimes against Iraq done officially to get killed! the supposed to be Patriot Marine. P2OG. Soldiers under bushite command would rather die cowardly, than to honorably demand the bushmob's arrest for public trials as defeating ungodly fascist war criminal savages.

The Iraq War Exposed
http://www.netctr.com/iraqwar.html

Neocons are frankly, just dumb don't you know. Don't forget though, their unwavering Public commitment to answer with murder as enslavement of Your rights, through committing criminal acts in our demonized innocent name is real. Johnny Wizard needs his own international live radio program. Any others of all knowing sentience as wisdom being smarter than whoever, even willing to start too a conversation over these matters of justice for freedom ad-infinitum!?

911 Leaders Saying They Are Jesus
http://rss.nfowars.net/20070802_Thu_Alex.mp3

I've given my phone number several times to Alex Jones, of which he's not as of yet, invited me on as official guest, for fears he can find no arguments against US I presume. 911 financier Ahmad = al Qaida, and we have molten iron on video flowing like water. Demon Bush Jr. gave US zero, while closing criminal investigations immediately after the terrorist offense of no questions!, no questions! Case closed. But no, the American media rarely if never mention these facts, while insisting Bush's deathly war criminalling is as only a puppet, look away! look away!, leaving without challenge on the, teen like naivety of wearechange.org's consistence that "we", who demand justice for 911, who might also hold the opinion that zionist behavior does not blindly equal being Jewish, should not be allowed to speak Justly for our public challenge, because bushite Amerika has no defense for censorship against ANY of our judicial wanting, as documented positions on behalf of the suffering to death victimized public. Why? Because we are Just. Well, I try to be anyway. (I've spoken as written for YEARS, with NO ONE WORLD WIDE countering in the public realm, but for the strangely odd insult. Bushite do exist, don't get god wrong, but dumb evil bushite brood in darkness with censorship like all zionists do, selling to be 'godly' honorable men, when in truth, they'd murder anyone of US for a stolen nickel given to a neocon. I, as open line talk radio producer, win every time, always, forever, never fail. [er.. yet..] Why? Because I treat YOU fairly. America should do the same. We are all in this together. Zionists like robbing then killing defenseless innocent Christians, and Jews, while just lying that they don't without scened factual TV perception. Demon 911 WITCH, zionist Condi 'okayed' the dropping of more than SEVEN MILLION land-mines on Lebanon, purposefully done to indiscriminately murder ourselves for generations. Jason might foolishly call you an "anti-Semite" in fear for speaking

such not understood truths. And importantly, not because they can publicly disagree so in open debate, so sides to not allow US to rise in acknowledgement to bring about Justice as demanded, for ALL as ANY. (Gee, who's the neocon now eh? (we're all sinners.))

If Americans really want 911 Justice:

Help US out by putting the video of molten iron flowing like water out there in the minds of any who have doubts, tell them hypno mugger Bush, gave US zero to substantiate his public falsehoods, and tell US about Ahmad as more than a passing fact that means little of nothing, then, WE, The People, will believe this has more to do with Justice for Humanity, than the American suffering movie goer ego being, "leading the free world", by voicing no public concerns on the criminality of the bushmob shysters. Left happying in the George Norry, as a TRAITOR to a dying America not hearing. An enemy of Liberty to the, tried to be free soldier, who is led TO DIE still un-wittingly by lie for the misfortuned neocon bounty of global tyranny through coast to coast story lining. Look, the peenackers will tell you freakishly, that they work to lie to us all, to take advantage of a plain to view weakness. I swear. The neocon wants to con your kid to die for a war lied into with as our stolen goods. We lose as crime victims, while they win free accountability because, (well... I'll just let you finish that one liner sucker punch..)

Do Republicans mean to bring health care suffering out of control with no market values, because truly they have little of no skills when it comes to fixing their own buffoonery? Hmm... unless they count to hide the bean all together, fixing the game intentionally to have US lose by remote controlling stupidity! 300 channels, and nobody's taking our call from the space cased file of, "what's this freedom war against Life for again"? Look, is mercury as a medicine good or bad do you think?, let's ask someone for Christ's sake. Or for Deb, Henry, Bill, Beth, Mark, Carol or Tony. Johnny Wizard, our everyday normal magic man of folklore, opens up the stage to ask all the people together, "Are we Man or machine to take this all lying down quietly"? We need to talk about what a King like me, is doing in a place like this, under appreciated, and left alone without my home, dying for a break in radio programming, as President of the company that started the sands running, Shareware Earth Co., a god-like

production of miracle and wonder!! You just participate, and you won't even believe how good we could have it, Rejoice, for Johnny Jesus has come down for diplomatic talks. Give away! Give away!

Again, CNN, CBC, and FOXNEWS, (who advertise their listening) suggest G.W. Bush and Co. have publicly acted nothing warranting immediate arrest, or have openly supported the great Kucinich's plan for Impeachment, and consequently, are leveraging America into this mess 'because' we were portrayed as sold to the U.N. for freedom as Iraqi's Grand Strategy. BOGUS! Nothing about the PLANNING of killing people indiscriminately for financial criminal gains as bonafide terrorists, for we had unrestricted access prior to dropping bombs for mangy LIAR neocons. ORHA. I have yet heard FOXNEWS complain in pains of liar BUSH personally being the al-Qaida cause responsible, (like Alex Jones sells foolishly falsely also) More than a million INNOCENT people have been murdered directly by the criminal action of the broken Bush Rule, UN-CONSTITUTIONAL! Don't they know of what You speak? Now???

Make it so,

MY DEMANDS

PLEASE HELP US

Again, evil bushite THIEVES claim they are justified when indiscriminately bombing populated cities to MURDER US People.

General Johnny would teach MY soldiers to immediately arrest to kill for such criminality. In fact, I'd likely even throw in some bonus cash, an a Freedom medal from all lovers of Liberty. Did you know, many bushite sing a song about killing innocent young girls for pleasure? Did you know that also, an "American" radio host likes playing that same song as recorded on "American" airwaves? Fight back for God, or die from self contempt my friends, fight back for life and love.

See? in Johnny's world, that "the Army" person would have been the FIRST questioned, then likely arrested. But look, it hasn't even been acknowledged as evil doing in progress. (Every time you read, "The Army says..", become aware.)

It should be noted, ungodly bushite enemy commanders call every car bomb in Iraq, al-Qaida, without even pretending to do freedom operations for YOUR protections, as just another dead body in the rubble. (Likely caused by Aegis for cash profit.) So then, look my friends, Amerka refuses to demand justice to save the lives of their very own sons and daughters. And when, WE, Humanity, beg them to answer our calls for accountability, they refuse but for to LIE, stating publicly, "God" would grant robbing from innocent others, to enrich their great unholy tyrannical demon liar. They know easily that the bushmob did 911, and they like it. No, they crave it. The chance of murdering their own "loves" to enslave the human race for the antichrist, sounds great, just as long as they can get themselves in on the take.

If the sacrifice of soldiers lives is going to mean anything, it going to mean how long it took, Americans to care for themselves as really worth something. When, or if that day should come, it will be the day where Iraqis victims are seen, as just you or me. Today, there is nothing more i wish, than to hear bushite nazi savage thieves for the neocon die rightly, before the innocent they target for murder. All in an attempt to 'escape' those truly responsible for the crimes of 911 a bushite whore practices, as an enemy to Christ and

America.

Death to the bushite instead of the innocent loved in God

Death to the bushite instead of the innocent loved in God

Time is Up

Al-Qaida Kagan "Al-Qaida, their whole strategy revolves around generating sectarian violence, because that is how they embed themselves within local communities "

What?? For friendship?

What is the demon TRAITOR to HUMANITY in America saying about the reasons he embeds an Iraqi under 50 odd divergent NEOCON labels? Wouldnt most Al-Qaida take great joy in killing a bushite nazi grunt like any real Family man would also? These LIAR dumfuk grunts who cheer "whore yeah", routinely, can barely read or write, so, how possibly does this FOXNEWS expert, expect such ungodly antichrist forces to delineate Al-Qaida from the local communities they PROVABLY indiscriminately bomb as Satanic?

Kristol and Kagan: Put Everything Behind Escalation So We Can Bomb Iran and Syria

Kristol and Kagan MUST be put to death for treason against America, treason against Life, treason against GOD. They both have continued to Publicly advocate murdering more innocent peoples indiscriminately they call, "Al-Qaida", all to rob further monies from an undefended America. It is easily learned by any as all, the victims of bushite tyranny are exclusively, US, The People, guilty of nothing but our shared love of GOD. Remember forever: there was NO JUSIFIED REASON for bombing PEACEFUL Samara, NONE! that bombers confess was done as ordered by Allawi INDISCRIMINATELY, all for getting killed Marines sent in later for more stolen cash from America. P2OG. [hundreds of bushited Marines died rightly almost immediately - (wow eh?)] A Satanic action, Kistol and Kagan, both blame without thought to question on "Al-Qaida".

The action of Satanic bushite bombers targeting Samara as war criminals is FULLY documented.

Death to the bushite neocon LIARS, death to the enemies of Freedom for Humanity. My beloved friends of GOD, please, when you see the mute bushite, kill it for Christ, kill it for Love, kill it to defend your loved family. Do you know who Allawi is? Allawi confesses to blowing up school buses filled with children for "CIA" money. NOT THEORY. HE ADMITS IT AS AN ACTUAL SATANIC DEMON! Allawi, the truly insane mad man, confesses to having ordered the murder of doctors and nurses that treated wounded god loving women and children from Fallujah. It was these DOCUMENTED acts that had him thrown out of 'the CBC, CNN, and FOXNEWS TV expert scene as workable', all for fears that US humans might actually wake the fuk up on WHO is Our True Enemies here. All three, pro-private-bank zionist news stations are well aware that the bushmob did 911, but lie to YOU as forsakenly dying for their growing riches and world wide broadcast fame.

CBC National Newz - July 11th 2007 'tens of thousands have died in Iraq since the war against truth started.'

Anyway, these two Allawi incidences are fully documented, look it up, then demand the "The US" pro-western politician person quoted as supporting Allawi - be found guilty of CRIMES AGAINST HUMANITY, Demand publicly, having the neocon zionists EXECUTED by America, for America, as America. A Just America that defends America from criminal madness. Or don't. Death to the bushite, death to the enemies of Man I say.

George Bush 'Iraq has nothing to do with 911, you bunch of nazi dumfuk grunting LOSERS. Whore yeah - praise Satan - die America die. I mean... I love Jesus'

So it was as I thought too: the direct co-operation of the joint chiefs of staff assisting General Ahmad, in committing the murder of thousands in America on 911 for the neocon TRAITORS, as the same 'escaping' enemies today, responsible for 'secretly' ordering these indiscriminate terror attack bombings against YOUR Humanity for their continuing stolen pleasures as Satanic.

MSNBC Poll: Over 400,000 (88%) Say Bush Should Be Impeached

Bush Successful at Permanent Legalization of Torture
http://www.prisonplanet.com/articles/march2006/070306Torture.htm

/ / The truth is that the Bush Administration has used the McCain anti-torture bill to codify a policy of torture that is now embedded in our legal system for perpetuity. \ \

WE'D be hunting down those bushite liars who torture innocent people to death for their satanic pleasures. For, you know it does warrant the Death Sentence in America, right? (You can thank Reagan for that...)

/ / In a move that hardly indicates that he was a terrorist plotting to attack a US government installation Tatar then went to the Philadelphia police department to complain that he was being pressured by someone into getting a map of Fort Dix

and that he thought this had something to do with a terrorist plot. \ \

Didn't see this on our TV news either did You?

-

/ / On CBS' "Face the Nation," she claimed that intelligence errors before the war were "worldwide" even though the International Atomic Energy Agency's Mohamed ElBaradei publicly stated there was "no evidence" of an Iraqi nuclear program \ \

That from the 911 witch, who forbade a stop to hostilities IN AMERICA'S NAME against the innocent in Lebanon. Nazi Israel ADMITS to the targeting MURDER of any innocent persons who drive in a truck. Perhaps Americans. Who cares? Not CBC or CNN they'll tell you consistently absent from the crimes scene.

Death to the zionist bushite enemy forces

/ / After it was revealed by the Plaid Cymru MP Adam Price that British trained policemen had tortured prisoners to death with drills, we discovered, through the New York Times (!!), that American intelligence officers had been working alongside them at the Jamiyat police station \ \

BASELESS?

/ / Prime Minister Stephen Harper "We will conclude a formal agreement so that we never again face these baseless allegations," he said. Thirty Afghan detainees have claimed they were beaten, whipped, given electric shocks and denied food once they were transferred to Afghan security forces by the Canadian military \ \

These demons who war for ZIONIST censorship are a bunch a dope pushing cop killers, who murder innocent people they call 'Taliban' better known as in Arabic - students.

-

Proudly kill the bushite who would drop from the sky, SEVEN MILLION landmines on our cities to kill our children for decades indiscriminately, while offering our Humanity to God no apologies. Proudly kill the bushite savages all to desperately survive ourselves creating a better world through fair, free market communications. To warring for Liberty as true Freedom wills, is for Justice understood as measured, not just made up out of nowhere for the pleasures of those truly Satanic. So spoke the King of being the wisdom we here revealed by statement of timeless fact. Good will triumph

over evil. That's that.

'Alpha company patrols the poppy fields.'

innocent people indiscriminately as enemies to ALL HUMAN LIFE.

They Couldn't Care Less

The 82 Airborne, in assisting in defending the world wide
distribution and production of heroin, tells of murdering
innocent farmers, that would never raise a gun in anger, are
those they openly confess to target for first degree murder as
labeled the, second tier Taliban. That's when not defending

The Pentagon's Power to Jail Americans Indefinitely
http://www.jonesreport.com/articles/270307_pentagon_power_jail.html

Look, demon enemies of Christ torture innocent people for fun,
paid for by the silent American tax payer. Americans refuses
to bother making a simple phone call to Coast to Coast to

raise some concern. THEY don't. They refuse to hunt bushite down in their streets for death to defend the innocent held indefinitely against GOD'S will. Death to the bushite, death to Johnny's godless, lawless, fascist enemies of FREEDOM.

Look, CNN, CBC, and FOx News know the bushmob did 911, but will smile while watching your son or daughter sent out to die CONNED by their demonic hatred for US freely communicated. How do I know this? I made the effort of making the phone calls.

He and his family
have millions of dollars to sell you out, so why care for your struggle to survive in bushville soldiering?

Alex Jones and me aren't on the best of speaking terms, but I will state, a desire to address every same challenge he has adroitly addressed as publicly lacking. And when I am addressed 'officially', I will campaign to put US in the space to realize, we are the government, we are the people. We don't need to run to the hills and encamp ourselves away to defend ourselves to the max from the man, we are the man. I'm telling yeh, I know this to be so as the sea is we magically. Equal rights for all in God's name is self evident. Self evident to ME anyway... but well.. who am i?, right - I'll tell you as I have for more than a decade as a living fiction forsaken for lack of anybody anywhere understanding in totality what I am here on Earth as true Son to Man - a 'understandable' timeless stand in for G to gain recognition through as honest broker. [I've been everywhere around forever, and.. blahblah.. I know people really don't care to know of ancient wisdoms, truths that guide the order to the Universe, cause often they think I'm beyond their comprehension as a 'better than', when all power is in equal respect for others as our hurting brothers and sisters suffering with tyranny by our collective willful ignorance on Justice.[God's bestest is Just for every reason being thus]] I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really defend ourselves with.

Please my American friend, help US speak out freely Coast to Coast. So we together can start, on demanding Justice for all, as innocence in serious jeopardy. Dadullah is most likely an individual who holds at least some control over official military functions of NATO in the region. So, we're going to seed loyalties of the rare Patriots in the force to recognize our need to isolate who supports, not talking FREELY for peace easily in Afghanistan without question. No evidence was brought against Laden, therefore, the Taliban were True Patriots, and bushite traitors are pure racist nazi filth

ridden, toxic, as being cowardly dishonorable as despicably evil, enemies to us all. Put US in Command.

Question the bushite, question to anyone who mumbles disagreement in the godly fact, that WE, as Humanity, will spend the better part of this next generation, hunting every last war profiteering nazi war criminal down for our real Freedom from their, so errorred "endless" tyranny of big money terror. Lawlessness with be outlawed, and ANY corporate american who mumbles otherwise, as an enemy totalitarianist, the clear ungodly, (as should be criminal,) will be put to challenge by their very own children, or parents, or bleeding dead brothers. Hannity must be tried for death as lying that the holocaust never happened from Iran. DEATH to the demon liar nazi fu-ker I say, DEATH to the demon liar nazi fu-ker.

Al-Qaida = General Mahmoud Ahmad

Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

/ / "Those who negotiate in the name of the Taliban will be killed," he said. He did not elaborate. \ \ He's either with the proven cowards of JTF2, or the two or three "CIA" guys

secretly hunting bin Laden in caves out there with tens of billions of dollars. SPENT EACH YEAR 'unknowingly'. (No reason why, but, they just can't tell You, as the paying for it really while DYING) Put US in Command.

/ / The Mujahideen aren't students of power and don't compete for power like others do. We are students of truth and work for establishing this truth and for this cause we sacrifice our power \ \

/ / Timothy Griffin, Karl Rove's assistant, the President's pick as US Attorney for the Eastern District of Arkansas. Griffin, according to BBC Television, was the hidden hand behind a scheme to wipe out the voting rights of 70,000 citizens prior to the 2004 election. \ \ Timothy needs to be arrested for high treason, for fixing an election, or instead, what? we'll make him a State US Attorney in bushville?

kill all of them

/ / In his testimony on Wednesday, Pfc. Bradley Mason of Company C said that on May 8, the night before the raid,

Colonel Steele told soldiers to ``kill all of them.'' Three other soldiers gave similar testimony. \ \

I would offer rewards for more soldiers to come forward. Why? because there truly is, no honor among thieves. Every bushite soldier in Iraq for the liar neocon is minimum, a purposeless dumfuked cowardly thief. See? if you offer a reward, and they don't take it, their 'fellow' bushite, kill'em for it, right? why take the risk it'll cash in over your worthless life? For, who can trust a lying bushite nazi savage? certainly not a lying bushite nazi savage. In other words: speak against committing war criminal acts of lawless aggression in Iraq for Bush, as CLEARLY un-American, and I'll try to forgive you as human. Or, I guess you'll kill yourselves in mutually muted total contempt for this universal life as actually worth something.

When you see and hear on video, sexually dysfunctional, as sadistically satanic grunt puke pro-bush soldiers moaning, while deliberately killing innocent defenseless Family People running for our dying lives from a holy church, or as just simply anyone standing near the side of the road, then, my friend, you'll begin to understand what evil actually is. And, what needs to be done to seriously save ourselves. Seriously. Justice must be won sooner than later.

Five Star American General Johnny Wizard will train American Soldiers to recognize such demonic behaviors in combat as worthy of immediate frag to defend the lives of truly fellow honorable soldiers. Soldiers ACTually, committed to freedom from godless satanic dumfuk tyranny of the antichrist demon, Mr. evil personified, the UN-ELECTED 911 TERRORIST, George Walker Bush and CO..

-

Like Coast to Coast's fun guy, he ain't taking our screams, George "pro Arab child Killer" Norry??

Rapists and torturers must not be allowed to rule our pirated authority through defending the further 'escape' of the bushmob for 911.

/ / As a result, the Defense Department put up a Web site in 2005 designed to clarify [to the dumfuk bushite demon liars] that sexual assault is illegal [...] \ \

Let's save some lives, what do you say guys?

Or, are we going to go further with this: George W. Bush: "If the absence of violence is victory, no one will ever win."

YOU

"If the absence of violence is victory, no one will ever win."
http://cleveland.indymedia.org/news/2007/03/24652.php

I know, it's seems odd that I am, at the same time, offering answers to any question on the science of God as is pertains to Justice measured, but this is just who I am to be conscious man. So, if we can get over the shock of me being so especially normal, maybe we can then realize, I have some simple good old ideas that transcend through time by rational understanding communicable between any two people. I am not a "miracle worker" to all those I advise to not eat Aspartame because it's a poison that also makes your body crave un-needed carbs, that will likely convert to more unless fat. So, it slowly kills you, while making you fatter than you need be along the dead end journey faithing in "the system". So, why do some do it religiously? Who cares (for now) but to say, our governments are failing US miserably. I spoke personally with one of the head scientists in Canada at "Health Food and Safety", and he told me the scientific analysis done by reputable scientists I found freely available repeatedly on the internet years ago, was completely true. (It breaks down to formaldehyde, and methanol (a slow lethal poison), among other shockers. Poison. P-o-i-s-o-n-s in our food stuffs. Poisons.) However, he could take no action to defend Canadians "officially" because we, Canadians, have our corporate interest news departments completely refusing to defend ourselves from corporate exploitation anywhere, and as natural consequence, we, as the dying world, would together unrepresented, probably lose a law suit from mutant Monsanto through the self inflicted bounds of OUR censored WTO program. - instituted through the top secretly mastered puppet people persons of the 'unseen' NWO I guess.

I'm telling you, we need me as King.

Look: Aegis's workforce, for American PAYING profit, has been publicly disclosed through CNN to be shooting people in Iraq indiscriminately for your money, and when the Pentagon was contacted by Nick Roberts about what would be done, they responded, nothing would be done by Johnny's America but to increase the multi-hundred-million dollar contract with demon enemy Tim Spicer to continue. Now... why you ask? Because the neocon liars, steal money by lying to cowardly American kids about what they mindlessly, without thought, give their souls for. Tim Spicer openly hires South African goons to commit hardships for American GIs to die without end for, in lawless tyranny. Peace sells less money for the neocon war profiteers to murder the innocent American as. (Iraqis, along with the rest of Humanity's Men, WILL eventually learn this truth, or life for you will end.) As an Arab hating bushite, (like what you'd find as a publicly proud practiced hatred for all Humanity, by an Amerkan dumfuk soldier in

Google's alt.religion.islam), they say nothing for Freedom by
Justice, but root themselves to Spicer's monsters who like
killing black guys, as world renown mass murdering racist nazi
filth. That's why zionist Israel loves them so much.

Look: Somebody stole four trillion dollars out of the Pentagon.

Look: corporate magic TV people couldn't care less for US if
they tried. Ahmad funded Atta. bin Laden claimed he played
no part in 911. And video of iron running like water moments
before the first tower fell is freely available for download
all over the place.

Look: Barbra Bodine did the Cole bombing. [the Cole whose crew has
been completely overhauled. Where are the many who served there NOW
eh?]

Look: America has kidnapped countless thousands without evidence to
be held against OUR will indefinitely. [Like the NOT Jewish Israel]

Look: innocent people are being tortured to death by those who hide
OPENLY in America's uniform. [let US hunt them down for GOD, despite
what demon lies they argue give them as Satanic to avoid "The Law".]

Look: the bushmob war profiteers STOLE the Iraqi Development fund

Look: the more than 10,000 security contractors for
Bush are officially deemed lawlessly unaccountable to
anyone - THINK ABOUT IT

Look: Negroponte PERSONALLY stole the Iraqi emergency
water provision money

Look: Sattler OPENLY committed the worst war crimes of
all Humanity's history

REPENT. [from the Greek, meaning to think.]

The TRUE Son of Man Johnny Wizard Exists Born to this Eternal World to end permanently demonic bushite enemies of Creation. Help Life out by destroying cowardly America's greatest threat to the Species, the greatest threat against Humanity's Freedom to be Loved by God. Corporate nazi zionist bushlores at CBC, CNN, and criminal thieving from the desperately poor in Winnipeg CJOBers forbid open communications, and I can't 'take over', because then I'd be defeating my own, power to the Peoples argument. So, it really is up to YOU, yes you there... reader. Who.. really..? YOU, here, now. Life

begs, takes a stand for your fellow man, and demand our voices heard for the defense of the entire human race. And be quick about it. Repuglicons don't want freedom from endless war where they kill your forsaken kids, for we all know, bushites would be publicly tried, then spend the rest of their treasonous lives behind bars broke, or dead from lethal injections made popular in America. Again, officer Bowman is responsible for letting 'escape' those from Fort Detrick, who attempted to murder the American Congressmen who thought going into lawless tyranny, !makes no sense! Where is corporate America on our issues when OUR free speech is ruled by the irrational evil minds of Limbaugh, Bell, and Norry?!?!! Back to Bowman: Bowman, also is responsible for sabotaging the Moussaoui warrant. And, how much you wanna bet, he's probably the same bushite who found Atta's passport, and likely had all 19 names of the high-jackers to give CNN, CBC, and FoxNews just like the neocon's "bin Laden" would have too. Take the publicly prancing bushite enemy out for questions by yourself, if he doesn't plead his defense publicly on Coast to Coast by tomorrow. Remember, there ain't an "Intelligence" group worth their salt on the face of our Earth, that doesn't know exactly what I'm doing here honorably for a real Justice made through careful thought. So, support Johnny Wizard speaking for public challenges internationally, and with the 23 plus co-operating for life 'Intel' agencies, along with, anyone else who can join in on the call. as a growing number of Patriot Soldiers, who trust yourself to see, this wanting of Justice isn't complicated. A person accused of a terrorist event without any evidence, has our accuser a bushite, who should be watched carefully until verifiable conclusions are done by the understanding of fact. Not faith. With George W. Bush making real decisions in faith, expecting us to believe as corporately broadcasted unabashedly unbiased, that he is not a deliberate incompetent monster war criminal of unfathomable evil?, who is just too 'stupid' to understand why we are innocent until proven otherwise?, is really something we all need to scream about to save our dying lives.

"[..] just like the neocon's "bin Laden" would have too."

However, the real Laden, on video taped confession, claimed he played no part whatsoever in 911, then later, offered himself for arrest, confident he would be acquitted. Not corporately newsworthy though, so, few even know why their American child was later died in the terrorists act of corporate contempt for US living Freedom with something greater as real Justice wills

The best thing to do is Google the model # and read the details of the scanner.

This is what I found
http://www.universal-radio.com/catalog/scanners/3346.html

You need to evaluate what it is you want to listen to or use the scanner for and read the scanner details to see if that covers it for you..

Its an older scanner and only listens to conventional systems, not trunking which many are at now.

Where I live there are a mix of trunking and conven so I have a trunking scanner

If you have any other questions just make another post or reply here.

*** Welcome to rec.radio.info! ***

Welcome to rec.radio.info, a group that aims to provide a noise-free
source of information and news for the entire rec.radio hierarchy.

Two introductory articles about rec.radio.info are posted to the group
every month. You are now reading the first article, which explains what
rec.radio.info is, and answers some Frequently Asked Questions. The
second article is titled Posting Guidelines, and you only need to read
it if you want to submit an article to rec.radio.info.

You can skip to the next section of this article by searching for the
next
" -- " string. The sections available are:
- What is the purpose of rec.radio.info?
- Why are messages almost always cross posted to rec.radio.info?
- What is a 'follow-up', and what does 'moderated' mean?
- OK, so now I know what 'moderated' means. Tell me more.
- What type of material is considered inappropriate?
- I do not have access to news, how can I get the information posted to
rec.radio.info?
- Will the material appearing in rec.radio.info be archived somewhere?
- I have a regular posting with timely information, is there a way to
speed up it's delivery, or automate for more convenience?

-- What is the purpose of rec.radio.info?

The purpose or charter of rec.radio.info is to provide the Usenet
community with a resource for information, news, and facts about any and
all things radio.

All the other rec.radio groups are intended for discussions and general
chit chat about radio. Rec.radio.info will contain informational,
factual articles only. Follow-ups are redirected to an appropriate other
group, and further discussion (if any) will not take place in
rec.radio.info.
```

In order to ensure that rec.radio.info contains only appropriate articles, it was decided to create the group as a moderated newsgroup.

-- Why are messages almost always cross posted to rec.radio.info?

It provides a "tag" for each article to be assembled into a filtered presentation in rec.radio.info (even with cross-posting, only one message, with a unique Message-ID, is propagated across the net). This tag also facilitates a pre-existing method of dropping or canceling the articles locally within the discussion groups if you don't want to see them. This accommodates individuals who want to separate the bulletins from the discussions, discussions from the bulletins, as well as those who are adamant about not reading another newsgroup and wanted to see everything all in one basket.

With the total size of Usenet (in number of newsgroups and total traffic) doubling every year or so, this is no insignificant contribution to reducing information noise and chaos. Making the discussion groups a catch-all, and making extra newsgroups filters on that catch-all, is also the most realistic way to implement such a scheme (It's not intuitively obvious what the charter, contents, and general appropriate topics for each and every newsgroup are. Seeing FAQ's and charter/intro postings in the home newsgroup is beneficial for new readers).

By cross-posting one only is adding a few tens of bytes to each bulletin (to specify the extra group on the Newsgroups line), but are adding the capability for very powerful filtering features available on most news servers, listservers and readers. Your local news guru could probably explain these features in more detail.

In rn, for example, according to Leanne Phillips in her rn kill-file FAQ, add a line of the form:

/Newsgroups:.*[,]rec\.radio\.info/h:j

either in ~/News/KILL (if you don't want to see rec.radio.info articles anywhere) or ~/News/rec/radio/amateur/misc/KILL (if you don't want to see them just in rec.radio.amateur.misc). The latter method means your kill file will only be consulted during rec.radio.amateur.misc (and hence runs more efficiently), and will probably work for most people.

In nn, according to Bill Wohler in his nn FAQ, add a line of the form:

rec.radio.info:!s/:^

in ~/.nn/kill (if you don't want to see rec.radio.info articles anywhere), or put the following lines:

sequence
rec.radio.info
rec.radio.

at the end of ~/.nn/init in order to see all the rec.radio.info bulletins first, then read the remaining rec.radio.* without the

bulletins.

More information about kill files may be obtained from Dave Fawthrop's Killfile FAQ at:

http://www.hyphenologist.co.uk/killfile/

-- What is a 'follow-up', and what does 'moderated' mean?

If you are new to Usenet and are not familiar with the terminology, you might want to read the general introductory articles found in the newsgroup news.announce.newusers. Doing so will make your life on the net much easier, and will probably save you from making silly beginner's mistakes.

If you think that at this moment you are reading an echo, a conference, or a bulletin board, I'd also strongly suggest a trip over to news.announce.newusers.

For the rest of this article, we will assume you have a basic knowledge of Usenet terminology and mechanics.

A moderated group means that any article that needs to be posted to the group has to be accepted by the moderator of the group. Since we need to ensure that followups to an article (discussion) do not show up in the rec.radio.info newsgroup, the `Followup-To:' header line contains a newsgroup that is appropriate for discussions about the specific article.

-- OK, so now I know what 'moderated' means. Tell me more.

Rec.radio.info is a moderated newsgroup, which means that all articles submitted to the group will have to be approved by the moderator first.

The current moderator of the group is the rec.radio.amateur.moderated Moderation Team. Submissions to rec.radio.info can be posted, or e-mailed to:

rec-radio-info@panix.com

Comments, criticisms, suggestions or questions about the group can be e-mailed to:

rec-radio-info-request@panix.com

But before you do so, please be sure to check out the "Posting Guidelines" article.

The influence of the moderator should be minimal and of an administrative nature, consisting chiefly of weeding out obviously inappropriate articles, while making sure correct headers etc. are used for the appropriate ones.

-- What type of material is considered inappropriate?

There are three broad categories of articles which will be rejected by the moderator:

1) Requests for information: rec.radio.info is strictly a one-way street. We receive information in our mailbox; we then post it to rec.radio.info. Requests for specific information belong in the normal discussion newsgroups. If your request gets answered, you might consider passing the answer on to rec.radio.info, though. Especially if you can edit it into a informational, rather than a discussion, format.

2) Obvious discussion articles, or articles that appear unsubstantiated.

3) Commercial stuff: a relatively unbiased test of a radio product would be accepted, but any hint of for-profit might be reason for rejection. For three reasons: This is not the purpose of the list, for-profit is a controversial topic, and this list may be passed onto Amateur Packet Radio (where for-profit is prohibited except under certain provisos).

rec.radio.swap may be more deserving of the posting in any matter.

Similarly, copyrighted material generally cannot be used. If it's TRULY worthwhile to the net, We would recommend obtaining permission from the copyright holder. Please note the source, and if permission was given. We reserve the right to make the final decision concerning appropriateness in all situations. In most cases, a brief summary of, or pointer to, the copyrighted information may be all we can allow.

-- I do not have access to news, how can I get the information posted to rec.radio.info?

Google has an excellent web interface to Usenet newsgroups. It is available at:

http://groups.google.com

It supports both reading and posting.

Another excellent web interface to at least the radio-related Usenet |
newsgroups is the RadioBanter site: |

http://www.radiobanter.com |

sponsored by the NewsgroupBanter project: |

http://www.newsgroupbanter.com |

It, too, supports both reading and posting. |

-- Will the material appearing in rec.radio.info be archived somewhere? |

Yes. See Google Groups and RadioBanter above. |

Effectively this means that anything you post to rec.radio.info will be permanently stored, so your work will not be lost.

-- I have a regular posting with timely information, is there a way to speed up it's delivery, or automate for more convenience?

Yes, there is! It may take a bit of chatter with the moderator, but we are willing to take responsible people and provide them the means of posting the articles directly from their site. We will try everything we can as we fully realize that DX (distant signal) and astronomical data can be somewhat transitory. We are also willing to allow regular posters of information the same courtesy, even if the information is not as time critical.

We refer to this as self-moderation, which is partly based on the model for rec.answers/news.answers. This requires co-operation and goodwill to be beneficial to the community in the rec.radio hierarchy.

Please direct any comments, questions, or criticisms about this article to rec-radio-info-request@panix.com.

*** rec.radio.info - Posting Guidelines and Etiquette ***

Two introductory articles about rec.radio.info are posted to this group
and to rec.answers/news.answers every month. You are now reading the
second article, which explains how to submit something to
rec.radio.info, and which answers some Frequently Asked Questions about
the submission process. The first article is titled "Welcome to
rec.radio.info", and it might be a good idea to check it out as well.

-- How do I submit something to rec.radio.info?

Two possibilities. You can use your newsreading software to just post
the article to rec.radio.info, as you would do with any other
newsgroup. The difference is that the software recognizes the special
status of rec.radio.info as a moderated group, and will e-mail your
article to us, the moderation team, instead of posting it to the group.

Alternatively, you can mail your article directly to us at the following
address:

rec-radio-info@panix.com

Mailing us directly is probably (a wee bit) faster, but using the
transparency offered by the newsreading software is probably more
convenient.

If you have any questions, or wish to deal with some administrivia with
the moderation team, we suggest mailing to the following address:

rec-radio-info-request@panix.com

-- How soon will I see my article appear?

It depends on how busy we are. Your article reaches us as mail, we have
to read it first, give it the stamp of approval, and finally send it on
to the group. We will attempt to read and decide on all submissions
within 72 hours at the very least, though we will probably be able to
process submissions much faster in actual practice.
```

The site from which we moderate this newsgroup, "Public Access Internet and Unix, NYC" (Panix), is directly connected to the Internet, and articles posted at that site should appear at most major news sites, including Google Groups, the same day. The principal delay, therefore, will be the wait in the moderator's submission queue.

If you post a periodic article, and have shown to be trustworthy, we may allow you to post directly if the article is of a timely nature. See the section below on direct posting.

-- Should my article be in a specific format?

No. If it is not totally illegible, we will accept it, and if it does not have a correct subject-line we will correct it with your permission -- that's what a moderator is for.

However.

You could do us a big favor by making sure your article conforms to these simple requirements:

1) The article must present information, not discussion or requests, We will reject the article or require you to change the wording if it is worth it.
2) A good, descriptive Subject line.
3) Always mention what source you got the information from.
4) Don't forget to include a Followup-To header, at least if you don't want further discussion to automatically be forwarded to you, the poster, which is the default if the article is only posted to rec.radio.info.

As we said: if your article is appropriate we will post it even if you don't follow these guidelines, but then don't blame us for not processing it immediately. 'Perfect' articles we can send on with a couple of keystrokes. Stuff that needs minor editing is going to have to wait until we have time to do so.

Please do not waste both our and your time by posting requests, as this is an information only news group.

-- What about crossposting?

If you send something to rec.radio.info, just name any group you'd like to cross-post to in the Newsgroups field. Then, when we approve the article for rec.radio.info it will get automatically cross-posted to any other groups mentioned. This will also override the default Followup-To: poster, replacing it with the groups you cross posted to.

We would prefer if the group be cross-posted to the various discussion groups in the rec.radio.* hierarchy that are appropriate:

rec.radio.amateur.misc Amateur (ham) radio and related matters
rec.radio.amateur.packet Amateur Packet Radio discussions
rec.radio.amateur.policy Amateur Radio practices, rules, etc.
rec.radio.noncomm Non commercial radio discussions

rec.radio.shortwave International broadcasting on the 'HF' bands
rec.radio.cb Citizens Band (27 MHz) discussion
rec.radio.scanner Scanner discussions (unsupported group)

or in one of the moderated groups:

rec.radio.amateur.moderated Amateur radio practices, rules, etc.
rec.radio.broadcasting Discussion of *domestic* radio broadcasting

We will leave it up to the poster to decide which group(s) are appropriate, but reserve the right to add groups if we feel it has broader interest. We will consult with the poster first.

Notes on crossposting:

- rec.radio.broadcasting is also a moderated group. The rec.radio.broadcasting moderator prefers to review all articles himself before posting. Placing rec.radio.broadcasting before rec.radio.info on the Newsgroups line should accomplish this. We will typically abide by the rec.radio.broadcasting moderator's decision whether the article is appropriate for rec.radio.info.

- rec.radio.amateur.moderated is also a moderated group. As the rec.radio.amateur.moderated Moderation Team manages both rec.radio.amateur.moderated and rec.radio.info, we can manage crossposting and approvals for both newsgroups. The rec.radio.amateur.moderated group does not allow crossposting to other discussion newsgroups, whether moderated or unmoderated. However, we would like to manage rec.radio.info as consistently as possible with how it was done by previous moderators, including the grandfathering of existing regular postings. Therefore, the submitter can choose rec.radio.amateur.moderated or the other unmoderated rec.radio.amateur.* discussion newsgroups for crossposting, but not both.

- Any FAQ or informational posting approved by the rec.answers/news.answers moderation team that is also crossposted to any rec.radio.* newsgroup (besides just rec.radio.info) is also automatically pre-approved for rec.radio.info. See below for more information.

If you post to another moderated group, it may be better to make special arrangements with both moderators before posting by contacting us at our administrivia addresses.

In addition, cross-posts do not take up extra space; modern newsreaders can be configured to show you cross-posted articles only once anyway; not everybody reads rec.radio.info; and rec.radio.info was never meant to reduce the volume of the regular discussion newsgroups. But keep in mind that some of the mail gateways may filter out the informational postings (at request of the subscribers) to keep the load down.

You decide.

-- I have a regular posting with timely information, can I make arrangements to help speed up delivery by posting directly from my site?

Yes, there is! It may take a bit of chatter with the moderator, but we are willing to take responsible people and provide them the means of posting the articles directly from their site. We will try everything we can as we fully realize that DX (distant signal) and astronomical data can be somewhat transitory. We are also willing to allow regular posters of information the same courtesy, even if the information is not as timely.

We refer to this as self-moderation, which is partly based on the model for rec.answers/news.answers. This requires cooperation and good will to be beneficial to the community in the rec.radio.* hierarchy.

If you are currently maintaining (or plan to maintain) a radio-related periodic information posting, you may wish to consider crossposting it to rec.answers/news.answers. Postings that are approved by the rec.answers/news.answers moderators for this treatment are automatically pre-approved for crossposting to rec.radio.info (as the news.answers requirements are far more rigorous than the requirements this newsgroup ever plans to use). For more information about this option, consult the appropriate information articles and posting guidelines in rec.answers/news.answers.

Realize also, that even if your post is not approved for rec.answers/news.answers, it can still be approved for rec.radio.info. The intention is not so much to get every last bit of radio-related information on rec.answers/news.answers, but rather to provide an alternative avenue of approval (as well as grandfather existing maintainers of radio-related information and spare them additional bureaucratic hurdles). Again, crossposting to either rec.radio.info or rec.answers/news.answers, both, or neither, is at the discretion of the poster (subject to the approval of the moderators). You decide what is most appropriate for your article.

Please remember that as an information maintainer, you are not alone. There are many others on the net who maintain and post periodic information postings, using various intermediate-to-advanced features of Usenet (usually via automated tools). Various degrees of technical support and general hand-holding are available from many Usenet veterans. Send us some E-mail describing your needs to our administrative address below, and we'll try to help, or at least refer you to the right knowledgeable individual(s).

-- And Follow-ups?

If the only newsgroup you have specified is rec.radio.info, then the Followup-To: field will always be set to poster. If you do not want this, you must supply a Followup-To line of your own, and we will honor that one, as long as it is a subset of the original Newsgroups line.

If you specify newsgroups to cross-post to, then the Followup-To field will be set to include all the cross-posted groups, excepting rec.radio.info itself. Again, if you do not wish this behavior, supply your own Followup-To line.

We maintain other standards on the various RFC-1036 (news transport) header lines. For example, if the article is appropriate for passing into the Packet Radio Information Network, we encapsulate the Packet Bulletin Identifier (BID) in the Message-ID: news header line indicating the machine of origin as the ampr.org domain:

Message-ID: <$opa.55.1994@ampr.org> |

where the Packet Radio BID, in this example, is `$OPA.55', and it was posted in the year 1994, because some of the Bid numbers are cycled yearly. Hopefully, this can be used as a key to re-introduce the articles for the Packet Radio network. Also, if the article is a repost of an already existing information article in the rec.radio heirarchy, we ensure that the References: header line is linked to that previously posted article. This also helps to tag articles, and may be used for additional filtering if needed.

Since the articles are archived, please use the Summary and Keywords header lines to help one search for your article.

-- Why have I received no reply from you?

We never reject anything in silence, and we make a point of it to answer all our mail. However, E-mail, like a brain cell, can and does get lost, every now and again.

So, if you send us something, and you don't see it appear it rec.radio.info, and you still have not heard from us in reply after say, five days, you can be pretty sure that either your mail never reached us, or that our answer has never reached you. In that case, please try again (We will filter out duplicates).

Please direct any comments, questions, or criticisms about this article to rec-radio-info-request@panix.com.

They are industry-accepted designators for a series of frequencies generally used by licensed low-power business radios. Often when a business user purchases handy-talkies for, for example, use at a construction site or in a store, they will come pre-programmed on one or more of the dot frequencies.

Some of the most common ones are:

Channel Frequency, MHz
Red Dot 151.625
Blue Dot 154.570
Green Dot 154.600
Purple Dot 151.955
Yellow Dot 464.550
Brown Dot 464.500
"J" Dot 467.7625
"K" Dot 467.8125
Silver Star 467.8500
Gold Star 467.8750
Red Star 467.9000
Blue Star 467.9250

When radios for job sites first came about, you still needed a license, but it was commonly ignored.

To be sure that Joe Dolt got radios that worked together the manufacturers devised a simple system.

Red Dot 151.625
Blue Dot 154.570

so if Joe Dolt went to Grainger and purchased 10 of these and told them he wanted them on the Red Dot, they would all work together.

Most of these were single channel units like the Jobcom units.

A complete list is here:

http://www.wpascanner.com/wiki/index.php?title=US:Nat_Bus

Now days most of the Jobcom units have been replaced by the Motorola XTN units with 15-30 channels or illegal use of FRS and GMRS radios at businesses.

DTMF could be used for:

Auto Number Identification - ANI
Activate remote tx or rx sites

The second set is most likely paging in the two tone format.

MI5 Persecution. Update: Friday 16 April, 1999

If You Intend To Reply, Please Read. This
Please.... keep your response to one page!.. Faxes over a page or two will
be. deleted without being read.

BBC newscaster Nicholas. Witchell cant stop himself laughing

During 1990-91 there were very many instances. of "interactive
television" where newscasters and. other TV presenters saw on a screen
before them what. was happening in my home, and reacted, frequently by
laughing at me. During this period I unfortunately did not. record these
programmes. For the last year or two,. I have been recording everything I
watch, and there has been a drastic decrease. in such incidents.

However,. on occasion, television presenters do still engage in
"interactive watching" and react to what they see.. This has been evident
with Jon Snow of Channel. Four News recently - a particularly interesting
case, since it has been established that he cannot be corrupted by. money
(it is well-documented that MI5 offered him a tax-free salary and. he
turned them down). I wonder what device MI5 are using to encourage. him to
do the "interactive. watching"?

On Saturday 10 April 1999 at 7pm, Nicholas. Witchell on BBC2 News reacted
when he saw that I was. watching the programme, and I have his reactions
stored safely on videotape. I have watched this tape several. times and I
am entirely confident that. my evaluation of his reactions is correct. For
several minutes his upper lip quivered in. mirth as he attempted to keep a
straight face. Then finally. his self-control evaporated through the excuse
of a. weak joke and his face collapsed into a grin.

The strange thing is that I dont. know why he was laughing at me, what I
had done recently to "deserve" to be laughed at. The MI5. persecutors
usually manage to invent some justification. as to why people should laugh
at and/or abuse me ("hes an. X", "it was so funny" etc), so Mr Witchell
could have been laughing for any number of reasons. Perhaps he. found the
views I have been expressing in these articles amusing? I suppose if. youre
paid enough money and ordered to laugh then even. the most innocuous thing
becomes. funny.

Jon Snow of Channel Four News cant stop himself. smirking, either.

On 12 February 1999. I was watching Channel Four News presented by Jon
Snow. As usual, I was recording the programme, so that if anything. out of

the ordinary happened, Id be able to go back and. watch it again.

Now, Jon Snow, by his own claim, is uncorruptible. He says. he turned down an offer of a substantial tax-free salary. from MI5 - they wanted to make him. their mouthpiece, and he told them where to get off.

So you will be most surprised to learn. that Jon Snow "interactively watched" me that. evening, and on many other evenings. Approximately fifteen minutes. into the programme, he announced that the US President would be making a live appearance at about 7.30pm; I looked at the. clock on the mantelpiece; and Snow saw. me looking at the clock, and visibly tried to suppress. a smirk.

Uncorruptible, are you, Mister Snow? If not money, then. why are you watching me, Mister Snow? Are they forcing you to watch. me? Cant you turn the monitor. off, Mister Snow?

Keith Hill MP (Labour -. Streatham), my elected representative, as ever refuses to. help.

Comparing the. MI5 Persecution with German "Final Solution"

It might seem offensive to compare the mass. murder of millions of civilians in wartime. with the peacetime persecution of merely one person. Yet the comparison has been coursing through my mind. for several years. now, because the brutality of German intent to "sub-humans" is very much comparable to the brutality of British intent to someone. they vituperate and. term "not up to British standards". The methods may differ, but the persecutors mindset. is the same.

The Germans. first targeted the mentally disabled, too

During WW2 millions of ethnic Russians,. Poles, Jews, mentally ill, gypsies and other minorities were rounded up and. murdered in purpose-built camps by the German regime,. in the name of "racial superiority". Fifty years on, the British Secret Police, MI5,. instituted a campaign of mass hysteria; but in their cowardice, limited their activities. to one single victim.

It is instructive to note that the. early German "cleansing" effort was directed primarily not at Jews, but at the mentally ill. The. Nazis set up the T4 project in the thirties to "cleanse" away. 70,000 mentally disabled people, including. schizophrenics and epileptics. After WW2 the Jews with their media influence used the reaction. from the holocaust to roll back anti-semitism in the Western countries; however, the mentally. ill are today. still a persecuted group in the modern Western world as they were under the Nazis (the current Jewish home secretary in the. UK intends to bring in laws for incarceration without any. criminal charge for some mentally ill people -. he protects his own minority, but does nothing for the other minorities in todays society), and. this continuing bias forms a central cause for the current acts of persecution in the. UK.

Widespread knowledge. of what is happening to the "un-British" minority

In both the German persecution of the thirties and early forties, and. the current British persecution, many, many people are. well aware of whats happening. There is widespread complicity through inaction. of populace; and in a substantial. proportion of the mainstread population, the persecution had/has widespread enthusiastic support; yet. in both the German case. in the 1940s and the British today, the existence of persecution is a mass secret which must be never admitted out loud. In. the recent Lawrence case this "secret bigotry" has. been termed "institutionalised. racism", and that is a very good word for what the British are doing today The persecutory attitudes. and omerta regarding them are. so deeply ingrained in the national psyche that they define the national. mood

During WW2 many Germans. knew minorities were disappearing, and through inaction. quietly condoned their government's mass murder of "un-German" minorities. and inferior "foreigners"; and in the 1990s, similarly, many English people know what the MI5 British. Secret Police have been doing, and. not only condone it, but actively take part, because of xenophobia against the "un-British" unit minority that. is the target of "British" actions.. This attitude by the British persecutors has been made explicit through the. words "he's not up to British standards"; the British seem to have found their very own "untermenschen" to. victimise.

Why these obsessive. "holy wars" happen

This type. of aggression occurs when the majority is threatened or humiliated in some. way, economically, militarily or culturally. In pre-WW2 Germany the threat was primarily economic and military,. following Germany's humiliating defeat in. the first world war and the reparations it was forced to pay. In modern. Britain, one might guess that the majority English who are behind the. persecution feel pressured by the swiftly diminishing status of Britain in the. world, and the rapidly increasing coloured colonisation of their country, which in time will. see the ethnic English a minority in their. own land, and their more antisocial elements, unable to reply. to the obvious threat, instead project their aggression onto another, weaker, unit. minority

In. both cases there is a whiff of "holy war" or irrational obsession with the persecution. Certainly the German behaviour. fifty years ago bordered on the not-quite-sane, and the current British behaviour towards. their chosen victim is strongly tinged with a leave-taking of. reason. And the choices open to the victims are the same, since MI5 will. never allow me to escape them, "if he tries to run away we'll find him", just like. the commandant of Auschwitz telling the new arrivals,. "the only escape is through the. chimney".

The Victim Will. Destroy Us if We Dont Destroy Him First

The persecutors propaganda is the same. Fifty years ago. the Germans said, "if we don't do it to the Jews then the Jews will do. it to us"; and MI5's propaganda in the early nineties concentrated on their. victim as a "monster" aesome. "untermenschen" minority.

"We are. decent fellows" say the Brutal Persecutors

During the course of researching this article I read part of. the very interesting book,. "Hitler - A Study in Tyranny", by Alan Bullock. This volume contains. a quote from Himmler on the "Final Solution";

"Most of you know what it means when a hundred corpses are lying side. by side, or five. hundred or one thousand. To have stuck it out, and at the same time .... to. have remained decent fellows, that is what has made us hard. This is a page of glory. in our history which has never been written and is never to. be written."

In the MI5 persecution, too, there is a thread of deliberate. brutality to the sick and vulnerable,. while the persecutors maintain that "we are decent fellows". There is almost a conscious schizophrenia in. the self-attitudes of the Security Service operatives and those in the. public who they employ against me, which reflects. the contradiction evident in the German attitude above. On the one hand, they stoop. to the lowest and most base behaviour;. yet at the same time, the MI5 operatives tell themselves that since they are civilised British people, then surely. they must by definition be "decent fellows". Any indecency is made the. fault of the victim; "hes making. us persecute him, so we need feel no guilt".

Yet the conduct is atypical of the way these. peoples see their normal modes of behaviour. Befslaughter was. not typical of normal German behaviour up to that point. Similarly, the current MI5. abuse goes against the grain of British self-image as being "reserved" and "decent",. since they. are using terms of abuse which are common among blacks and other supposedly less-developed. races, but not among the English.

Conclusion

The. ultimate aim of both persecutions is the humiliation and physical extinction of the persecuted group. The Germans did this in a very. direct way; the British Secret Police MI5 are acting indirectly and. relying on self-extinction of. their target, because in peacetime and in the current somewhat false climate of "political correctness". more direct methods are impossible. If MI5 undertook more. direct action the mass "omerta" would be broken.

I have. written this article with sincerity to show how a historically recent persecution in another. country parallels what is being done in this country today. In both cases, the evil-doers are of. their countries establishments, and rely on widespread. tacit support to maintain the persecution. and omerta around it. While the holocaust was undoubtedly the greater evil, it is important to. be aware of the fact that had the Germans not been defeated. fifty years ago, their plans would have gone through to total completion. In Britain today no force threatens the. "permanent government". of which the Security Service forms a part; and it looks very unlikely that. the wrongs perpetrated by the MI5 secret police will ever be revealed to public view, and the British. secret state brought to justice for its. evil actions.

Four Years. of "MI5 Persecution" Posts on Internet Newsgroups

For approximately the first. three years of the MI5 persecution, from June 1990. until late 1992, I kept as quiet as possible, in the hope that by not reacting,. MI5s interest in me would decrease and they would simply go away of their own accord. This is. the sort of behaviour some people employ against bullies; if the. bullies arent getting a reaction, then they might simply go away and. victimize someone else.

Unfortunately, this tactic didnt work. The quieter. I became, the more shrill and hysterical the. noise from the Security Service operatives. For about two years I didnt watch TV news at all. Yet this. only heightened their. obsessed fixation; they continued to follow me wherever I went, they continued to induce harassment at. work by managers and fellow workers, and they continued. to encourage me to commit suicide. They seemed to regard my refusal to react as a crime which they would. have to "put right" by ever more extreme forms of. abuse.

Finally,. in 1995, I changed tactics radically. Since late 1994 I had had accounts with internet. providers in Ontario, Canada. I discovered the cornucopia of internet newsgroups, on every topic. from consumer electronics, to politics and legal topics, and. I discovered online services such as Compuserve and AOL. In May. 1995, I made the first posting to the conspiracy newsgroup, on the. subject of "BBCs Hidden Shame".

BBC's. Hidden Shame

The internet. newsgroup discussion, which has now reached its fourth anniversary, started with an article. in alt.conspiracy, which I reproduce here.

Date: Thu May 4 18:27:24. 1995
Newsgroups:. alt.conspiracy
Subject: BBC's Hidden. Shame

Remember. the two-way televisions in George Orwell's 1984? The ones which watched you back? Which you could never get rid of, only the sound could be turned. down?

Well the country which brought Orwell into the world has made his nightmare. follow into the world after him. Since 1990. the British have been waging war against one of their own. citizens using surveillance to invade privacy and a campaign of abuse in the transmitted media. in their efforts to humiliate their "victim".

And the most remarkable thing about it. is that what they do is not even illegal - the UK has no laws to protect the. privacy of its citizens, nor does it proscribe harassment

or abuse except in the. case of racial abuse.

A lot of people. in England know this to be going on, yet so far they have maintained perfect "omerta";. not a sound, not a squeak has escaped into the English press, and for all the covert harassment absolutely nothing has come. out into the public domain.

Have the British gone mad? I think. we should be told

At this point, I did not name MI5 as my persecutors. I was still. unsure that they were. the ones responsible for the "psychological terrorism". In followup. posts however I did name them; and the persecutors have never denied the claim; so I. think my guess is valid. (The Security Service Tribunal in 1997 have said "no determination in your favour. was made", but it is a well established fact that. MI5 lies routinely to the Tribunal which has never found in favour of a plaintiff, so no conclusions. can be drawn. from this.)

This first post was made to. alt.conspiracy, but further posts were made to the UK-local newsgroups, in. particular uk.misc but also uk.legal and uk.politics (which is now called uk.politics.misc).. Some time ago I tried to take the battle to the Compuserve. forums, UKPOLITICS (which is now called UKCURRENT - current. affairs), but my articles were censored by the forum operators. Such censorship is impossible on the. internet newsgroups.

Police Refuse. to Act

I have complained several times to the Metropolitan Police, who. have each time refused to. help.

. bu765@torfree.net "Mike Corley" writes:

>Last Easter (1995) I went into the local police station. in London and spoke to
>an officer about the. harassment against me. But I couldn't provide tangible
>evidence; what people said,. in many cases years ago, is beyond proof, and
>without something to support my. statements I cannot expect a police officer to
>take the. complaint seriously.

This in itself. dos not suggest that the police have it in for you. The old bill operates on extremely tight spending limits forced on them by that pillock. Michael Howard, and without evidence,. they often have higher priorities than chasing something that cannot. go to court.

I doubt that the police are actually being leant on, but. they probably realise that if they looked into this, they would be leant on. hard. The met always stays away from anything. that looks like it has Defence, Security or secret service interest already, because they realise that they are below these government agencies. in the general

pecking. order.

If I walked into my local nick and complained that MI5 were. snooping on me, they would show me the door without even looking at my evidence, because. that bored desk seargant with only five years. to go before he retires doesn't want to start fucking about with somebody who has incurred the wrath of Stella Rimington. He. would rather deal with the lost dogs and driving licence producers, eat his cheese and pickle sandwiches. and piss off home at the end of his. shift than have some high ranking spook having a go at his boss and getting. him a bollocking.

In. short, you have earned much sympathy but little surprise. Just remember that saying about the. enemy of your enemies.

Most recently, I wrote in March 1999 to Charing Cross Police. Station CID. They did not acknowledge or reply. to my letter. When I phoned them up, the detective Id written. to treated me to a sadly not unusual display of police bigotry, with an uneducated rant about "your paranoid. rubbish".

It would be nice to think that such uneducated bigotry is. something other than wholly typical of police behaviour, but unfortunately that is. an illusion that is. rapidly dispelled.

Uncorruptible Jon Snow of Channel Four. News

From previous articles the reader. will know what I think Jon Snow has recently been watching me while. he reads Channel Four News in the evening. Recently I digitized a. few moments of one such broadcast, where his face twists into a smile, without there. being anything in the news broadcast to cause merriment. Here is a usenet post from some time. ago on MI5s "bought and paid. for" tools in the so-called "free" press.

Peter Harding (harding@ermine.ox.ac.uk). wrote:

: "BBC, MI5,. same thing."

Can't disagree with that. sentiment.

Wasn't it documented that MI5 sometimes "bought" journalists and. broadcasters?
I remember. reading a report by some jouralist who had been offered an extra tax-free income by MI5 to become their. covert mouthpiece, and had refused.
.....
> : >mouthpiece,. and had refused.
>. :

It has been reported several times. The most. recent was in Private Eye, a few months back. As I recall they also. wanted information from him; journalists would be a natural choice for. members of the Security Service and the Secret. Intelligence Service for information sources.

> It might be interesting to see what he had. to say regarding their
>. attempt to recruit him.

He was most concerned. that many others would have accepted such an
offer. However, we can probably make an. educated guess as to some of
those who accepted: Nigel. West (Rupert Allason, MP) and Chapman Pincher
would come near to the. top of the list.

Corrupt Security Service agents. steal millions from taxpayers

Money is of course a factor in the. grand equation which is the MI5
persecution. It costs money for the Security Service to "buy". people in
the media etc. But that is only a small part of their. expenditure of
taxpayers resources. Most of the expenditure is. directly on the salaries
if the agents involved; and in this post I put forward the. theory that MI5
are trying to draw out their involvement for as. long as possible, very
cynically,. to maximise their income and line their own pockets.

At each stage they have tried to pretend. that I am something out of the ordinary.
Either I was very stupid ("he's an idiot") or very clever ("he's like a. genius").
Either I was a threat to Western civilization (Levin once. referred to me as the next
Hitler) or I was completely defenceless. ("a soft toy").

Now, it should be obvious to any person with common-sense that. I am not out of the
ordinary in any way. I have. an IQ which is average for the Web, I am racially white
European, and there are plenty of. other people with schizophrenia or epilepsy out there
who haven't been targeted for MI5 attention, so. why me?

I think the answer is that the MI5 agents who harass me have cynically. exploited the
situation by painting me as extraordinary in order. to assure themselves of well-paid
employment funded by the ordinary. British taxpayer. To put it bluntly, they are
stealing millions of pounds from the taxpayer to feed their. own pockets.

This assertion is supported by the observation that it's the same. agents who are doing
the. harassment. Six months ago in a local hospital I was harassed by someone whose face
I. had seen (he had stared straight at me aggressively, at the time I just thought it
was some nutter but it turns. out he was one of "them") aboard a KLM flight a couple of
years ago.. It's presumably been the same people most of the time. I've seen the way
contractors act when they don't want their positions terminated. Would these. agents
really want to lose their. well-paid employment harassing me? Presumably they are
promising their bosses a "breakthrough" (ie. my demise) real-soon-now and have been for
the last seven. years, while all the while these MI5 agents skim millions
off the. taxpayer.

I wouldn't mind a job. like that. Perhaps if I persecute myself a little bit, like standing in front of a mirror and shouting mindless obscenities, do you reckon I'd. get a slice of. the caky Service Tribunal. This year Nick Brooks, current Tribunal Secretary, confirmed to me that he could. not think of a single case where the Tribunal had found. in favour of a complainant. Here is my usenet post from. two years ago.

Subject: MI5: "It. wasn't us"
Newsgroups:. uk.misc,uk.legal
Organization:. Toronto Free-Net

"The Security. Service Tribunal have now investigated your complaint and have asked. me to inform you that no determination in your favour has been made on your. complaint."

Signed. ER Wilson, Tribunal Secretary

Well that's a relief then.. All that spamming for nothing eh. Gaw blimey, if they say they're not doing it then. it can't be them, can it?

In a recent letter to Mr. Brooks I expressed the opinion that the Tribunal were unable to fulfil their responsibilities in. the face of MI5 falsehoods. Nevertheless,. I do intend to make another complaint to the Tribunal in the near future, despite the Tribunal. appearing to be a toothless. watchdog.

Discrimination. against a Unit Minority

MI5 have been very clear in their instructions as to. what I should do. They have openly shouted. at me the word "suicide", and also from the other abuse it is clear that. they want my existence terminated.

This point is covered in. more detail in a previous article. The following post describes the xenophobic. nature of MI5s campaign against me. They have refined their bigotry down to. a unit minority, yet they make use of the discrimination against the mentally. ill which is a feature of current British. society.

I don't have florid symptoms. But. I'm in a difficult situation, because those people who don't know, aren't going to believe, and. those who do, they just go along with the crowd.. It's never a good idea to go against the grain, and the grain here is defined by interests in the establishment. and the media. Even people who could say out loud what. was happening won't, because then there's a

risk that they'll be seen as traitors. and ostracised.

Usually this type of 'hidden abuse' is racial. and targetted at a racial minority within a country. You keep the minorities out of. the good jobs, but you don't admit discrimination exists. It happens everywhere, not just. in Britain.. The persecution that is going on now is in reality a refined form of racism. Instead of "nigger" it's "nutter", and abusing the. mentally ill is still socially acceptable today. In 50 years it might not be, but today. there isn't any social or legal sanction against. it.

So really they've. refined racial harassment down to a minority of one. The words may be different, but the methods are. the same.

I am selling a Realistic Pro 43 hand held scanner. In my opinion, one of the best scanners of it's kind ever made, and I've had many scanners! Works especially well on aircraft and Mil air.

This scanner is 100% fully functional. All buttons and controls work perfectly. The front and sides cosmetically are 8 1/2 out of 10 with no scratches, cracks, dings or major flaws.
The rear of the scanner has some scratches below the serial number plate, and some scratches near the top. Nothing major, and the case is not cracked in any way.

I am asking 70 bucks for the 43 shipping included. This scanner would command much more as functionally it works like it is brand new, but unfortunately, the scratches on the rear reduce the value a bit.

So, if you were looking for this scanner, which has become increasingly hard to find, this one is for you.

I will accept PAYPAL or a US Postal money order only.

MI5 Persecution: Molestation. during Travel

MI5s persecution of me varies in intensity. Since 1990 it has been. steady for perhaps 80% of the. time; there was a notable quiet period in 1993, and another quiet period in Jan-Feb 1995, as well. as a hiatus in the first two months of 1999. It puzzles. me that they cease and restart, seemingly without any logic or reason. But one aspect. of MI5s activities against me which. is relatively predictable is this weeks articles topic, which is Molestation during Travel. Almost every time I cross the. Atlantic, go to the Continent or. even try to enjoy a holiday in this country, you can bet that MI5 will. be there doing their utmost to wreck it all.

This aspect of the harassment is particularly relevant. as I will be travelling to. Europe again in a months time, with naturally the Minidisc recorder in tow; so it will be interesting to see if. I can record the abuse which will almost certainly take place, either. on the Tube going to the airport, at the. airport, on the flight, in the terminal building - MI5 have previously instituted instances of abuse at each. of these locations, so well see how. much taxpayers money they waste this time, and whether it will prove possible to. capture their abuse on minidisc.

Read about the MI5 Persecution on. the Web

June. 1992 in Polands mountain resort of Zakopane

The persecution started in June 1990, and for the first. two years I stayed in the UK apart from a couple of brief day trips to Calais. By the. summer of 1992 Id had enough of being. cooped up in England with abusive fellow employees egged on by an abusive secret police service,. and decided to spend 10 days in southern Poland, on what was intended to. be a holiday at the mountain. resort town of Zakopane.

Unfortunately. the psychopaths of the Security Service were not willing to allow me to enjoy a holiday in peace and quiet. The journey. to Zakopane was by coach from the meeting point. at Londons Victoria coach station (National Express). followed by ferry followed by another coach across Europe. As we left Victoria. a youth and his girlfriend started a loud tirade. of abuse directed at "this bloke", where the "bloke" was never named, but it was very clear. that the "bloke" was myself. The youth said "they" had "found somebody from his. school, and he was always really stressed. at school, a real psycho". Again, the label "they" was not elaborated on, but it. was clear that "they" = the persecutors from MI5. The boy also said, "he was in a bed. and breakfast for only one night and they got. him". By a not unexpected coincidence I had been in a B&B in Oxford a week previously, which had been booked from. work; other things

lead me to the conclusion that the company's offices were. bugged for most of the 2 1/2 years that I was there, so "they". would have known a room in the B&B had been booked. After a few minutes of this. I went back to where they. were sitting and asked where they were travelling. The boy named a village in France, and. the girl's giggling suddenly ceased; presumably it permeated to her brain cell what the purpose of the boy's. abuse was.

It is. now very clear to me that MI5 were trying to have me incarcerated, assaulted or killed on this trip. across Europe. The degree of verbal violence inescapably leads to this conclusion. When we arrived at. our destination, it became clear that many people, both in our tour. group and its guide, and among the ordinary. residents of the town, knew there was a movement under way to "get" me. MI5 employed. many people and significant resources for. an action which they knew would only take a maximum of ten days. A. commercial operation would never have felt able to waste such resources on such an unproductive and temporary. action; only a state-sponsored, taxpayer-funded entity like the. Security Service would be able to. be so wasteful.

To give some examples of. what happened in those ten days; I was walking in some woods. outside the town, when a Polish woman, looking at me, said the English "shit" in a strongly. Polish-accented voice. For the first three years 1990-92 MI5 had been trying. to force this word on me. Another example; I was walking near. my "hotel" when a mother said laughing to her child, "a wiesz ze to prawdziwy wariat" which. means "you know hes a real madman". And the "TV reacting" happened there too; on. Polish TV, a bemused looking journalist said to. another, "to jest sprawa Anglikow", which means "its the concern. of the English", in other words, none of our business, despite what the English are trying to force down our. throats.

Just before we left. for home, I went with some others from our group to a nearby bar.. There a man shouted at me the same sexual obscenity which MI5 have constantly thrown at me these last three years. I think MI5. try to justify. their various terms of abuse by repeating them at me until I say them,. either while conscious or while talking in my sleep; and then they seize on. my saying those words to "prove" that the obscenities are "my fault", et cetera.. This rather stupid reasoning of theirs can actually be seen as indicative of the psychopathic condition. attributed to them in a previous. article; blaming the victim for the crime you inflict on him is how psychopaths. think.

Nor did the persecutors let up during the return trip. Returning. on the ferry over the channel, a rather insalubrious-looking guy talked to. his mates about "and you. know this bloke, hes really mad you know, hes really mad". On the National Express return coach to London, a. group of five or six young people started shouting at me. I slumped in my. seat and tried to avoid presenting a target, so they got ever. more strident - "whats the matter with you, cant you hear us?". One of the other people who had been on the trip to Poland asked them why. they were shouting at me, and they said, "hes. been to Cambridge", to which the co-holidayer asked them, "have you been to Cambridge?" presumably thinking they were aggrieved. fellow

students, but they answered "no". Even after I left. the coach at Elephant and. Castle abuse continued; in the tube station, two kids started throwing abuse at me; one of. them said to the other, "and you know he works?" to which the other answered. "yes".

Immediate. Aftermath of November 1992

As you. will know from previous articles, my manager at OCG - ARIS/Oxford, Mr Mitchell, induced a. mental breakdown in me in the months leading up to Nov/92. The diagnosis was regarded by the persecutors. as a victory for them, because few. if any people give credence to allegations of harassment when they are made by somebody suffering from schizophrenia. There is. also a bias against the mentally. ill, an "institutionalised bigotry" in society comparable to. the institutionalised racism against blacks.

However,. MI5 did not let up on persecuting me following Nov/92. In December 1992 I flew by charter jet to. Alicante in Spain for two weeks recuperation. MI5 planted. one of their people on the flight, a youth who tried to start some noises that "hes a nutter". One of the. other passengers replied, "oh hes a nutter is. he? oh well!" and the youth shut up. and said nothing for the rest of the flight. I think it would be fair to say that the youth on the flight was embarrassed by what he. had been asked to do in making. the flight "uncomfortable" for me; he sounded defensive rather than. aggressive.

My. first trip to Canada in June 1993

Ive already covered this in a previous article. so Ill just give a brief summary here. On 10. June 1993 I flew British Airways from Heathrow to Torontos. Pearson Airport. On de-planing from the aircraft, one of a group of four fellow passengers looked at. me and said, laughing, "if he tries to run away well find him".. It was quite obvious that these four men were the ones who had been. harassing me since 1990.

I did nothing to apprehend them or bring this incident to the. attention of the airport authorities, mostly because this was my. very first visit to Canada, and the last thing I wanted was to get. into a dispute before I had even finished disembarking. In retrospect, I can see. this was a terrible mistake;. I should have made every effort to detain and identify these people.

Subsequently I have made numerous attempts. to obtain the names of these people from British Airways passenger lists,. by talking to BA, through a lawyer in Ontario, through a solicitor in. England, through the UK police, and also through private detectives in the UK. But. all my efforts have come to nothing. BA. have told me they keep passenger lists for a period of seven years, so they will still have. the list for this 1993 flight. I did not see or hear anything during. the rest of my visit to Ontario in 1993 which would have lead me to believe that I was. being watched or followed.

Journey across Canada in summer. 1994

As I think Ive already said in previous articles I emigrated. to Canada in late May 1994. For six weeks between late. May 1994 and early July 1994 I travelled across Canada. from coast to coast, starting in Toronto, visiting various cities. and ending up in British Columbia. I saw this both as something of a holiday, and the chance to get. to know a little better my adopted. country.

As. you can guess, MI5 followed me everywhere I went during these six weeks. In Toronto, where I started this. trip in late May, I was spoken about by one youth to another with the words "hes an. idiot", to which the other replied, laughing sympathetically,. "good luck to him".

A couple of days later I went. to Montreal and stayed at the YMCA downtown. As you can guess (this. is all so predictable, isnt it?) MI5 followed me there and bugged my room at the YMCA. Not only that,. but they managed to set-up an instance of "newscaster reaction". from a local television station; while I was watching. a Vermont TV news programme on the set in. my room, the woman reporter said, "well theyre just tired and they want to go home", which sounds. like a pretty unprofessional thing to say until you realise. she was trying to say of me that I was the one that was supposed to be tired, and they (ie MI5) wanted me to. go home to the UK.

On the bus journey across the. North American continent, it was quite clear that MI5 were. following me every step on the way. For the first part of the journey they actually put someone on the bus with me, a. youth who said at. me "that guys paranoid" and tried to incite other passengers to attack me. I stopped for a couple of days in Winnipeg. in central Canada, and on leaving the. town heard on the radio a female presenter ranting about "insanity! insanity!". It is very tiring. travelling such a long distance by bus; I took the journey in two steps,. each of about 36 hours; and it is especially tiring. when you know MI5 are watching you and harassing you every step of. the way.

When I. finally got to Vancouver, MI5 instituted the usual harassment, in very short order. I was surprised how quickly they. were able to induce hatred towards me in elements of the general. populace; the Security Service must have. employed a number of agents and serious resources in a very short period of time; and for no real gain, because I havent. been back to BC for almost five years,. so all their "work" appears to be for nothing. In downtown Vancouver a street person said in front. of me, "theyre all. talking about him". For a few days I was staying at Pauls Guest House (345 W.14th Ave); on the day I left, the owner. Paul shouted at no-one in particular, "hes going to Victoria" - which. was quite accurate, I was indeed going to the. provincial capital Victoria on Vancouver Island. But I had not told anyone at the guest house. where I was going; I had only mentioned to my parents back in England on the phone that I. was going away. from Vancouver for a few days. Which leads me to suppose that MI5s bugging of the. phone in my parents house yielded the "intelligence" that I. intended to visit Victoria, and they had passed the information on. to Paul.

When I got to Victoria it was again obvious. that the persecutors were "doing their stuff" there as well. On the street I. was identified as being English, although I had not said anything. so my accent hadnt given me away; and. returning by ferry to the mainland, I was abused by a Canadian woman who said, "hes a nutter! you can run but you cant hide".. During my years in. Canada I have never heard the word "nutter" on any other occasion; I do. not think it is part of Canadians vocabulary; so the Canadian woman on the. ferry, who was obviously talking about me, must have been. supplied with this word by the English persecutors. And once I got back to. Vancouver, staying at the Austin Hotel on Granville St, I listened to a conversation in the apartment block directly opposite, and a. man saying, "hes paranoid, so thats as bad. as it can be, so why are they doing this. to him?".

Holiday in the States,. August 1995

By 1995 I was living in Canada, and in August I went down. the eastern seaboard to Florida and as far as Key West by. car. As you can guess (this is all so boring and predictable, isnt it?) MI5 followed me every step. of the way. I can see in retrospect that this must. have been quite easy for them as they. had my car bugged, both on the inside to listen to anything that was said and what radio station I was listening to, as well as. what must have been a tracker device installed to. track it across long distances.

The first. city I visited was Philadelphia. In the old Congress Hall where the first US. Congress assembled, the woman guide started referring to my situation, saying that "all these people in Europe were watching it",. and they were. "a little paranoid" at this 18th-century experiment in democracy. Also I had recently written a. newsgroup post where Id described a (female) poster as "wet-nosed". (implying "canine"), and a young girl in Philadelphia remarked, "so he thinks were dogs?" There were two. or three more incidents during this holiday in the. eastern States, including a radio station. down near Miami, showing "they" had tracked me all the way there, and were bugging the inside. of my car; but I didnt record the details and Ive forgotten some of it now. Also down in Miami Beach. a French tourist in a lift. expressed support for me with the words, "cest incroyable" ie. its incredible, meaning that. MI5s well-known actions against me were. beyond belief.

To go back a bit, in about May/June 1995 Id visited New York, again. by car, and was insulted several. times by people using the same words that had been used against me. in England. In Central Park, and elderly Englishman (not a real gentleman - but. then the Engish view of themselves as "gentlemen" etc is quite laughable) looked at me and said "idiot".. And while I was eating in. a streetside restaurant a New York youth started laughing and. said something like, "I cant believe it, hes actually here" - I think. that was because I had had an expressed wish to visit New York for some years before this,. although after this visit I wont be going there again for a. very long time.

Visit. to Poland December 1995/January 1996

In December. 1995 I flew (BA again, unfortunately - every time Ive flown BA one of these incidents has happened, presumably MI5 is happier setting. up harassment on British-domiciled carrier) from. Montreal to Berlin and travelled on to Poland to visit family. MI5 naturally. harassed me in Poland during my. brief stay. They followed me around and got Polish people to. take part in the harassment. In one case two Polish youths talked in front of me. saying in English (with marked Polish accents), "fucked up men, fuck. you". There were also other incidents which I dont remember too clearly since it was some. time ago.

The return flight connected through Heathrow, and in the transit. lounge MI5 again set-up harassment against me. In Poland. they were talking their abuse in English, and in London they set. Polish people after me to speak in Polish; they heard me on the phone to. my father, and said "a wiesz ze to Polski wariat", in. an almost sympathetic, inclusive fashion (translation.. "you know hes a Polish nutter"). Once on the flight to Montreal I was again set upon. by two English youths, one of whom spoke and the other listened. The aggressive "fat bastard" youth. said, "if he wants to be a wanker". (its my fault theyre harassing me, you see), self-justification that "hes a nutter". (so we have to keep on abusing him, because hes ill), as well as talking about. the town in Poland where I had been staying. He. also said, "he doesnt know who we are", but as already remarked in. a previous article, that was at best a half-denial of my guess expressed in internet newsgroups that. the people after me were MI5 - if anything. its a half-confirmation rather than a half-denial.

These incidents are. still going on. You can hear digitised audio files of abuse on a BA flight. to Berlin in 1998 on the Web at address

On this flight. they were again attacking my mental health; "paranoid, hes paranoid" and "nutter" are discernable. The last "during. travel" contact was at Ottawa Airport. on 21 July 1998, when "Alan Holdsworth" the psychopath MI5 agent, dressed as a vagrant, was. pacing aggressively in the departure area. In three weeks I will again be. travelling to Europe; we will. see what fresh acts of molestation MI5 perpetrate during this trip.

MI5 are. Afraid to Admit They're Behind the Persecution

MI5 have issued a formal denial. of any involvement in my life to the Security Service. Tribunal, as you might expect them to; but, more importantly, the persecutors. have never denied that theyre from the Security Service, despite several. years of accusations from my corner on usenet and in. faxed articles. I am not surprised that the Security Service Tribunal. found "no determination in your favour". I am however a little surprised that the persecutors have refused. to confirm my identification of them;. by doing so, they implicitly admit that my guess was right.

"No determination in your. favour" says the Security Service Tribunal

In 1997, I made. a complaint to the Security Service Tribunal, giving only the bare outlines of my case. I. do not think it would have made very much difference if. Id made a much more detailed complaint, since the Tribunal has no ability. to perform investigatory functions. It can only ask MI5 if they have an interest in a subject, to which MI5 are of course free to. be "economical with the truth".. A couple of months after my complaint the Tribunal replied. that;

The Security Service Tribunal have. now investigated your complaint and have asked me to inform. you that no determination in your favour has been made on your. complaint.

Needless to. say this reply didnt surprise me in the slightest. It is a well. established fact that the secret service are a den of liars and the Tribunal a. toothless watchdog, so to see them conforming to these stereotypes might be disappointing but. unsurprising.

It is noteworthy that the Tribunal. never gives the plaintiff information on whether the "no determination in your. favour" is because MI5 claims to have. no interest in him, or whether they claim their interest is "justified". In the 1997 report of the. Security Service Commissioner he writes that "The ambiguity of the terms in which the. notification of the Tribunals decision is expressed is intentional",. since a less ambiguous answer would indicate to the. plaintiff whether he were indeed under MI5 surveillance. But I note that. the ambiguity also allows MI5 to get away with lying to the question of their interest in me; they can. claim to the Tribunal that they. have no interest, but at a future date, when it becomes clear that they did indeed place me under. surveillance and harassment, they can claim their interest was "justified" - and the. Tribunal will presumably not admit that in their. previous reply MI5 claimed to have no interest.

"He doesnt know who. we are"

In early January 1996. I flew on a British Airways jet from London to Montreal;. also present on the plane, about three or four rows behind me, were two. young men, one of them fat and voluble, the other silent. It was quite clear that these two had. been planted on the aircraft to "wind me up". The fat youth described the town in. Poland where I had spent Christmas, and made some unpleasant personal slurs against me.. Most interestingly, he said the words, "he doesnt know who we. are".

Now I find this particular form of words very interesting, because. while it is not a clear admission, it is only a half-hearted attempt at. denial of my guess that "they" = "MI5". Had my guess been wrong, the. fat youth would surely have said so more clearly. What he was trying to. do was to half-deny something he. knew to be true, and he was limited to making statements which he knew to be not false; so he. made a lukewarm denial which on the face of it means. nothing, but in fact acts as a confirmation of my. guess of who "they" are.

On one of the other occasions when I saw the persecutors. in person, on the BA flight to Toronto in June 1993, one of the group of. four men said, "if he tries to run away well find him". But the other three. stayed totally quiet and. avoided eye contact. They did so to avoid being apprehended and identified - since if they. were identified, their employers would have been revealed, and it would become known that it was the secret. services who. were behind the persecution.

Why are MI5 So Afraid to. admit their involvement?

If you think about it, what has been going on in Britain. for the last nine years is simply beyond belief. The British declare themselves to. be "decent" by. definition, so when they engage in indecent activities such as the persecution of a. mentally ill person, their decency "because were British" is still in the forefront. of their minds, and a process of mental doublethink kicks in, where their antisocial and indecent activities. are blamed on the victim "because its his fault. were persecuting him", and their self-regard and self-image of decency. remains untarnished. As remarked in another article some time. ago, this process is basically the same as a large number of Germans employed. fifty years ago against Slavic "untermenschen" and. the Jewish "threat" - the Germans declared, "Germans are known. to be decent and the minorities are at fault for what we do to them" - so they were able. to retain the view of themselves as being "decent".

Now suppose this entire episode had happened in. some other country. The British have a poor view of. the French, so lets say it had all happened in France. Suppose there was a Frenchman,. of non-French extraction, who was targeted by. the French internal security apparatus, for the dubious amusement of French television newscasters, and. tortured for 9 years with various. sexual and other verbal abuse and taunts of "suicide". Suppose this all came out into the open. Naturally,. the French authorities would try hard to place the blame on their victim - and. in their own country, through the same state-controlled media which the authorities employ. as

instruments of torture, their view might prevail - but. what on earth would people overseas make of. their actions? Where would their "decency" be then?

This is why MI5 are so. afraid to admit theyre behind the persecution. Because if they did admit responsibility, then they would. be admitting that there was an action against me -. and if the truth came out, then the walls would come tumbling. down. And if the persecutors were to admit they. were from MI5, then you can be sure I would report the fact; and the persecutors support would fall away, among the mass media. as well as among the general public. When I started. identifying MI5 as the persecutors in 1995 and 1996 there was a sharp. reduction in media harassment, since people read. my internet newsgroup posts and knew I was telling the truth.. The persecutors cannot deny my claim that theyre MI5, because then I. would report their denial and they would be seen as liars - but they cannot admit it either, as. that would puncture their campaign against me. So they are forced to maintain a ridiculous silence. on the issue of their identity, in the face of vociferous. accusations on internet newsgroups. and faxed articles.

Have MI5. lied to the Home Secretary?

In order for the. Security Services to bug my home, they would either have needed. a warrant from the Home Secretary, or they might have instituted the bugging without a warrant. Personally I think it. is more likely that they didnt apply for a warrant - I cannot see. any Home Secretary giving MI5. authority to bug a residence to allow television newscasters to satisfy their rather voyeuristic needs vis-a-vis one of. their audience. But it. is possible that the Security Service presented a warrant in some form before a home secretary at some point in the. last nine years, for telephone tapping or surveillance of my residence, or. interception of postal. service.

So the possibility presents. itself that a Home Secretary might have signed a warrant presented to him based. on MI5 lies. Just as MI5 lie to the Security Service Tribunal, so they might. have lied to a Home Secretray himself.. MI5 and MI6 are naturally secretive services former home secretary Roy Jenkins said, they. have a "secretive atmosphere ... secretive vis-a-vis the government as well. as [enemies]". Jenkins also said he "did not form a very high. regard for how they discharged their. duties".

It was only a few years ago that MI5 was brought. into any sot the extraordinary thing is that British media organisations like. the state- and. taxpayer-funded BBC take such an active part in the MI5-inspired campaign of harassment. We have after all heard. of MI5 trying to bribe broadcast journalists; but surely there. must be a substantial number who are not. bought or blackmailed by the Security Services, and who take part in the "abuse by newscasters" of their own volition? The BBC. is supposed to be independent of the government of the. day as well as the Establishment in. general. While perhaps it is childish to think that the BBC. is anything other than effectively state-controlled, the degree of

collusion between the BBC and the British. Secret Police MI5 is something you would not find. in many countries. Individual tele-journalists in other countries would have enough self-esteem not to. allow themselves to be controlled by their secret police. - seemingly, BBC broadcasters like Martyn Lewis and Nicholas Witchell have such a low opinion of. their employing organisation. that they see no wrong in dragging the BBCs no-longer-good name through yet more. mud, at the mere request (whether supported by financial or other inducements) of the British secret. Police, MI5.

And when challenged, these broadcasters LIE. about their involvement, with just as little shame as MI5 themselves. The. BBCs Information dept have said. that;

"I can assure you that the BBC would never. engage in any form of surveillance. activity such as you describe"

which is an out-and-out lie. Buerk and Lewis. have themselves lied to their colleagues. in the BBCs Information department over the "newscaster watching", but unsurprisingly they. refuse to put these denials in writing. Doubtless if the "newscaster watching" ever. comes to light, Buerk and Lewis will then continue to. lie by lying about these denials. So much for the "impartial". BBC, a nest of liars bought and paid for by the Security. Services!

It is obvious that the persecution is at the instigation of. MI5 themselves - they have read my post, and only they have the surveillance. technology and media/political access. Yet they have lied outright to. the Security Service Tribunal.. Similarly, BBC newscasters Michael Buerk and Martyn Lewis have lied to members of their own organisation.. The continuing harassment indicates. they are all petrified of this business coming out into. the open. I will continue to do everything possible to ensure that their wrongdoing is. exposed.

MI5 Persecution Update: Friday 11. June, 1999

Harassment. in a pub in Clapham, Tuesday lunchtime

Once a month, or once every other. month, I meet a Polish friends of mine who lives in Clapham North, and sometimes we go to. a particular pub near where he lives. The last time was some two months. ago; I did not have my minidisc-walkman with me, and consequently was seriously harassed. by people MI5 had. instructed to harass me, in the pub.

This Tuesday, 8 June 1999, we again went. to the same pub for a pre-meal drink. This time I did. have my minidisc-walkman with me. As you can guess, we were followed into. the pub by a couple of young people (Im getting older and older - isnt it funny how the MI5 agents all look. young these days?). They started talking. about my situation, in particular some travel I had booked the previous day. Unfortunately, they were. talking fairly quietly, and my minidisc didnt pick up their. speech.

MI5s. schizophrenic reasoning is that simultaneously I am very important and worthy of their acts of. persecution, and I am also totally unimportant and their abuse of me "doesnt matter".. Perhaps they should test their agents and managers for obsessive personalities or psychotic features. in the same way as employees are drug-tested. MI5 might lose their. "worst cases" employees if some. psychological testing were applied to their recruitment. procedure.

Toothless Watchdogs. What a. Surprise.

Recently. I have been engaging in communications with two watchdogs, the Security Service Tribunal. which deals with complaints against the security service (and always clears MI5 of any wrongdoing), and. the Data Protection Registrar, which is mandated. to investigate misuse of personal data held on. computer.

In a letter to Nick Brooks, Security Service. Tribunal secretary, dated 20 April, I asked him if the Tribunal,. as an allegedly independent body, had the means to investigate complaints against MI5 other than. asking MI5 to themselves investigate complaints. To my. disappointment, his reply two weeks later answered the question only. indirectly, in the negative. Whatever the reader might think. of the merits of the case I have been putting before you. in faxed articles this last year and half, you will surely recognise that it. is a significant anomaly for the Tribunal to have no. independent means of investigating complaints, particularly given the view expressed. even by previous home secretaries that the security services are. untrustworthy.

MI5 Persecution: No Justice for. the Victims of MI5

In a previous article. I detailed the similarities between the current MI5 Persecution in England,. and other historical instances of similar persecution, notably that by the Nazi Germans in the thirties. and forties. The Germans persecuted first the mentally ill, the. epileptics and those suffering from schizophrenia,. then moved on to racial groups; in todays Britain the. persecution is again directed at those with mental illness, which the British in their. cowardice find easier than taking on racial groups as the Germans did. But just as. in Thirties Germany there was no recourse against a malign. and omnipotent state, so the MI5 Secret Police in the modern British Fascist State allow no justice. for their victims.

No Recourse Against. the Security Services Illegal Harassment

It has become apparent to me over. the last nine years just how loaded the dice are in todays Britain, a fundamentally. fascist country which masquerades as a democracy. Britain is a democracy. in name only; the Establishment, the defence and. MI5 secret police are always there, regardless of which party has been voted into power. most recently - and from "New Labours" conduct in office one finds it difficult. to tell them apart from Old Tories, in their crackdowns. on the sick and vulnerable in society.

In thirties Germany the. victims of the Nazi regime had no legal recourse against their State oppressors; and in todays Fascist British. state, the victims of the Establishment and its MI5. Secret Police similarly have no recourse against the illegal state-funded and organised. oppression. There is supposed to be a mechanism for dealing with MI5 crimes, in the shape. of the Security Service Tribunal and. Commissioner; yet these have never found favour of a plaintiff. One might as well. ask the Nazi SS to investigate crimes against epileptics. or Jews as ask the Security Service Tribunal to investigate MI5 crimes against. British citizens; it is quite obvious what the. answer is going to be, regardless of what you say to them, and what evidence you provide. The. Tribunal and Commissioner are a mere formality, a whitewashing body to give the Secret Services. a veneer beneath which they hide their shabby. criminality.

"Institutional Racism" and Bigotry. in the Metropolitan Police

The recent. inquiry into the racist murder of Stephen Lawrence found clear evidence of systematic and deliberate. racism in the Metropolitan Police, which cannot have. surprised anyone. Commissioner Sir Paul Condon accepted a. somewhat lukewarm definition of institutional racism as being "unconscious". In truth, and this truth must. surely be obvious to anyone who has any familiarity or encountered the great British. police, the Met has. not just "unconscious" racism, but very clearly "conscious" and deliberate racism, of the kind that would have done. Thirties Germans proud. And it is a bastion of such. open racism - when many other parts of society are learning. to live in a multicultural environment, the Met is still living. in the past in its attitude to the minorities.

But. in addition to the systematic racism confirmed by the Lawrence inquiry, there is also something much. more relevant to this case, which is systematic police bigotry against the physically and. mentally disabled, which I personally have experienced in my dealings with the. police over the. years. You cannot expect equal treatment if you are mentally disabled. I tried to make a complaint to. the police in 1995 about the harassment I had been subjected to for several years. As soon. as they found out I had. mental illness, they refused to even talk to me. I tried again. in March 1999; the police made various threats to me, while ranting about "your paranoid rubbish". in reference to the complaints expressed to them.

The police refusal to do the job they are employed and paid to. do is extremely serious, particularly as this. case is highly important, indeed key to. the whole issue of British self-perception at the end of the 20th century and the beginning of the. 21st century. Britain has lost much in the last fifty years - it has lost an. empire, it has lost its self-respect and its identity as a people.. If the MI5 persecution finally makes it into the light and the Security. Services are seen for the rather cheap bullies their behaviour indicates, it will. have a massive and harmful effect on British self-perception. in the new century.

Security Service. Tribunal - Blatant Whitewashing

A few weeks ago I spoke on. the phone to Nick Brooks, the Secretary of the Security Service Tribunal, which is supposed. to deal with cases of MI5 transgression. I asked him if the Tribunal had ever found in favour. of a plaintiff and against the Security Service. He answered. that as far as he knew, it had. not.

I also asked Mr Brooks if. the Tribunal had any means of investigating allegations of criminal activity by MI5, other. than asking MI5 themselves if. they had engaged in such activity. His rather circuitous written reply states. that the 1989 Security Service Act provides that "it shall be the duty of every member of the Service to disclose or give to the. Tribunal such documents or information as they. may require for the purpose of enabling them to carry out their functions under this Act". Which is. a very round-about way of saying - "No" - the Tribunal has no. way of investigating MI5. crimes - None At All.

Setting up. the S.S. Tribunal, and creating a Security Service Commissioner, was really an act of falsehood by the. government. It is generally recognised that. MI5 are out of reach of the normal criminal justice system -. the police, as we have seen, have no intesot answer to the government; in a previous article I quoted Roy Jenkins speaking. of "a secretive atmosphere.... secretive vis-a-vis. the government as well as [enemies]", and. a "lack of frankness" from MI5.

If the government wanted. to, it could reform the secret services and ensure they acted in conformance with the laws which have been. enacted for them in the last ten years. But apparently the present government does. not see. any need to ensure security service compliance with the law. As noted above, the regulatory machinery for MI5. is deliberately weak; the Tribunal

has no independent means of investigation, and. it is simply a waste of time complaining to the Tribunal or. Commissioner.

Every so often, fresh revelations. come to light of secret service transgressions.. We have heard from Shayler that MI5 bugged Jack Straw and Peter Mandelson; we have heard from Peter. Wright that MI5 plotted to see Wilson ejected from office; yet so closed is the system of government. that the. law is never enforced against MI5 when they "bug and burgle" everyone from politicians. to ordinary citizens.

No Justice from the Legal. System, either

Britain has a civil and criminal justice system which effectively. limits many complaints from being heard. For a civil complaint to be. brought before a court,. you need a solicitor willing to act on your behalf. Supposedly. it is possible to represent yourself as a Litigant-in-Pthe basis of being "frivolous and vexatious" or. "disclosing no cause for action in. law". This is exactly what happened to me in 1997 when I twice tried to take. the BBC to court for spying on me in my living room at home; my case was twice struck out, and on. the second occasion an order was made against. me that I could not bring further civil litigation against the BBC without. leave of the court.

As the reader can guess it is quite impossible for. a person with schizophrenia, who complains about the secret services. and media interfering in his life,. to find a solicitor willing to represent him in legal. action against the persecutors. I have quite a lot of evidence of the continuing persecution which I have posted on the website,. even if the evidence is quite. tentative and perhaps open to varying interpretations. But I have tried several firms of solicitors; some. of them have acted unprofessionally and abused me; all of them. have refused to represent me. My psychiatrist gave me the name of the firm. of Bindman and Partners in. central London, and I have approached them twice. On each occasion they refused to accept my instructions. Plainly the problem. with Bindmans, which they have admitted, is their bigotry. against mentally disabled people;. yet this is not just something that is wrong with Bindmans, it is something that is wrong. with the legal system as a whole, since. the legal system necessitates finding a solicitor willing to represent you in order to bring a case to court,. but it does not have a mechanism for. providing a lawyer in the case where no solicitor is willing to take on your case. So the. British legal system is such as to prevent cases such as mine from. ever receiving an airing in a court.

So much for the civil courts. But the criminal. justice system is no better. Two years ago the Protection. from Harassment Act came into force. But again, while the Act is all very. well on paper, in practice it is unenforceable in my case, since it would require Police action to. see the law implemented, and if the. police cannot even be trusted to conduct a murder investigation competently (in the. Lawrence case), then what chance is there of their investigating complaints against. the Security Service? Of course, it. would be possible for me to personally issue proceedings through a private prosecution. either against MI5 themselves,

or against one or more of their media. tools; but here we see the same problems as with the. civil courts, because first of all I would have to find a lawyer willing to act on my. behalf. Litigants-in-person do exist in the criminal courts,. but the Attorney General can bring such a prosecution to an end by taking it over and. entering a plea of "nolle prossequi"; and I suspect that if I were. to bring a private prosecution against either MI5 or one of their media tools, then this. is exactly what would happen.

So. much for British justice. But if anything the wrongs that have been perpetrated on. me by the British justice system are quite mild to what others have suffered.. Others have been wrongly convicted based on police evasions and lies, and spent many years in. jail based on false charges. I should count myself lucky that. despite the best efforts of the MI5 secret police, I have not acquired any criminal charges. or convictions; which shows that for all their. resources and influence, and the clear imperfections in. the British legal system, there are still limits on how much. subversion MI5 can achieve.

The latest in a. long line of injustices

A comment I. heard during the recent scandal of the police mishandling of the Lawrence murder investigation is that "its not. as if the police themselves murdered him". This is not a. particularly wise statement to make about the case, since it could be argued that. the four alleged murderers were aided. in their crime by the expectation that the police would deliberately. botch the investigation - which of course is exactly what. the police did.

But in my case, this would be a completely inaccurate thing to say -. since the MI5 secret-police. have expressly been trying to nine years now to see an end put to my life, either. by having me incarcerated and my liberty ended,. or by forcing self-termination on me. It is exactly as if the secret. police "themselves murdered [me]", since that is what their aim is in their campaign. against me.

The public has. heard of instances of police mishandling of cases, of police manufacturing evidence, lying in court, extracting. false confessions to clear. up crimes, et cetera. Various instances of extra-legal activity by. the secret services have also come to light in the last few years. The unhappy truth is that. what MI5 have been doing to me for the last nine years is really nothing out. of the ordinary for them. To me it seems unbelievable. that this sort of systematic campaign of harassment, which thousands and thousands of people in this. country and abroad are well aware. of, could exist for such a long period of time with the media maintaining "omerta". But my case is not. the first such instance of persecution by the "British secret police", and judging by. the lack of any real controls on MI5, I very much doubt it. will be the last.

MI5 Have Systematically Destroyed. My Life

This. is getting depressing. From the feedback Ive received, the recipients of these faxes are tired of. hearing my complaints, and in truth I am tired of sending them. The reason. I havent yet ceased sending faxes is because I cannot. think of any other effective means of replying to MI5s actions against me, and I feel I have to. do something to try to defend myself.. Three/four years ago I got the MI5 harassment out of my system by posting about it on Internet newsgroups, and. for a few months this tactic was quite effective -. I received (and indeed still do today) support from newsgroup regulars, and felt I could make my voice heard. and break the MI5 monopoly on access to the British media. But that was. years ago, and today nobody gives a. tinkers cuss about my internet posts - so I have sought to escalate matters by communicating directly with the politicians. who allegedly say how this country is supposed. to be run.

Of course, its quite expensive to keep up a campaign of. fax messages for many weeks. Each set of faxes takes approx 50 hours to. send over the weekend, and costs perhaps. 35. My phone bill for the last quarter was 350. These figures are naturally insignificant compared to what. MI5 have been spending against me over a similar period. It also. takes a lot of time. and energy to create a new article every week, and try and find new and fresh aspects and. viewpoints on MI5s persecution of me. I am beginning to run out of both new topics and energy. to write these articles.

So I have a suggestion to put before the MI5 persecutors who. have been wrecking my life since 1990. In a few days time I will. be going on holiday to Poland and Germany, for a couple. of weeks. Previously, almost every time. I have travelled by plane, or gone anywhere on holiday, the MI5 "wreckers" have been most assiduous in destroying these trips.. My suggestion is; if. MI5 leave me alone on this next trip, I will cease transmitting these articles. If, however, there are any clear instances. of harassment. (and I am very capable of recognising MI5 harassment when I see it), then I will make public. these instances and publish any recordings I may make of them, and,. unwillingly and unhappily, continue the articles.

Read about the. MI5 Persecution on the Web

Keith Hill MP (Labour -. Streatham), my elected representative, as ever refuses to. help.

MI5 Refuse to Allow me to have a. Normal Life

Its kind. of difficult to contemplate having a normal existence when you know your entire house is. bugged from top to bottom, for audio and, very

unpleasantly, video; when. your employment is systematically destroyed, over and over again; when every time you leave. the country your travel is disrupted by MI5 plants on the plane yelling. abuse at you..... you get the idea. I would like to have some semblance of. a normal life, like my Polish and English. friends do. But MI5 have made this impossible, and they have leached massive resources. from the taxpayer to institute a life not worthy of the name on. me.

A few years ago MI5 were very open about. their aims in persecuting me.. They were shouting "suicide" at me, both in Canada where I lived at the time, and during my occasional visits. to London. You cant get much clearer than that. There have been instances as recently as a few. weeks ago of this intention being voiced by their side; on 15. April 1999, a woman. at the next ticket counter at the Royal Festival Hall said;

"it would. kill it, you know, it would just be overkill... they can't stop can. they"

meaning that "they" were trying. to "kill it" i.e. me and they "cant stop". The audio file. is at;

I wonder why they "cant stop".. Nobody (who doesnt know already) believes my claims - so. what difference would it make, if they were to "stop" persecuting me? Perhaps what this persons remarks indicates,. is the depth of the obsession MI5 have with this case. They have chosen. at random a person from the general population, and done their worst to. ruin my life. What is wrong with these people, that they persecute a national. of the country whose citizens they. are supposed to protect?

No Chance. of a Harassment-Free Job

Since the harassment started in 1990 I have. had three jobs, the first near Guildford, the second in Oxford,. and the third overseas in Canada. All three jobs have been systematically. destroyed by MI5. It is so ironic that MI5 employs a team of agents,. each well compensated for their efforts, to persecute just one person paid a mere fraction of what. they get for their "work". In fact, it is a joke that. MI5 is allocated resources for this sort of effort. If this. area of government were run along commercial lines then MI5 would be very rapidly closed down, they produce. nothing of any value,. instead spending their time obsessed with the bugging and surveillance of their former. employees like Shayler, dangerous subversives like. Straw and Mandelson, and "threats to national security" like yours truly.

Applying for my first post university. job

When I was. applying for my first post-university job in the closing months of 1990, I found at two or three job interviews that MI5. had got there ahead of me. Interviewers knew what words to repeat. from what had been said at my home. recently; MI5 had supplied them with words to hurt me, and the "British secret police" were trying. to wreck my job search and discourage me from joining the world of work. This. and the continuing harassment in the media and by the public meant that the. search for a job

took very much longer than it. would ordinarily be expected to take for a person with. my qualifications.

With my first job near Guildford came the knowledge that MI5 were. doing everything possible to make. me lose the job. Despite their efforts I managed to stay in work for. ten unhappy months, during which they made very clear to. me that they were bugging my workplace, my accomodation in Woking, my car, my home..... and they also made clear that they had. "got to". my employer in Guildford.

Employment with. Oxford

I was able to find. a new job, with Oxford Computer Training Services (now ARIS/Oxford), quite quickly. But it became very clear, very quickly,. that MI5. were treating this job the same as the first; they tried to get the other employees and. in particular the managers to attack me. It was plainly MI5s intention that I be sacked. fro this job. But I was not sacked; instead, after almost a year of abuse from OCTS managers, I. was forced to seek. medical help, and had to take two months off for medical leave. OCTS MD Hugh Simpson-Wells was. motivated in keeping me on by the fear that if he sacked me, then I would. take him to court for the treatment. OCTS managers had meted out to me during 1992.

Emigration. to Canada

When I emigrated to. Canada in 1994, I did think that perhaps MI5 would leave me alone,. given that I had made the effort to leave the UK and try to find a new life overseas. I could not see any reason why they. would continue. to harass me over in Canada. But clearly the MI5 agents had their salaries to think about, since continue to. harass me they most certainly did, at my. home in Ottawa, and by getting fellow employees to speak against me,. as had happened with previous jobs in the UK.

MI5. are denying me a future in work

Former Chief Constable of Devon and Cornwall John Alderson had. this to say regarding. MI5's activities;

"MI5 is not under. the same restraints as the police. They infiltrate organisations, people's jobs and lives. They operate almost like. a cancer."

Currently I am on disability, and I can see that MI5 are denying me. a future in work. It would be an insult to logic for me. to return to work and find a job, in the knowledge that an entire team of MI5 agents,. paid in total many times what I would be earning, would have. the objective of seeing me "done down" in the employment, and ejected from. the place of work. This situation is completely. wrong and nonsensical - I would very much. like to have a job, but MI5 are preventing me from even thinking about. returning to work. The culture of secrecy in MI5/MI6 means there is no objective oversight of their expenditure, when. external oversight and greater transparency might. lead to wasteful and illogical operations such as that against me. being shelved.

Watched and Harassed at. my Home and Accommodation

As you will know. if you have been reading these articles, MI5 have watched and harassed me. at my home, and at every accommodation Ive had since 1990. Theyve also watched me at neighbours houses. in London, and at short-term. accommodation such as hotels and bed-and-breakfasts. They have used the "words" gained from these watching activities against me,. by passing these words on to other. people such as OCTS managers for them to make clear that I am being watched where I. live.

Harassed at rented rooms in. Oxford in 1992

This was at its worst in 1992 in Oxford,. where during the week I lived at rented accommodation in Oxford, and at weekends returned to. my parents home in London. I was being severely harassed. by managers at my place of work,. OCTS; and it was clear from the things they said that they were being supplied by MI5 with details of my home life, that they were. being supplied. with words to repeat at me.

In 1992 I moved house in Oxford many times, living. at a total of five rented. accommodations in ten months. In January I started off living in a rented room. at Headington near the ring road / A40 intersection; then when it became clear that house was being bugged, moved to a rented room. in Botley, some. miles away. It was at the house in Botley that I had an "interactive watching" experience. with Martyn Lewis while he was reading the news; I threw a term of abuse at him;. he first flinched, then gave a gsult of what I had just said, he was no longer "on my. side".

So I moved. house again. This time to a place in Cowley, near the Rover car works,. where I stayed for a few weeks. Because of continuing harassment at work, I soon moved from this. accommodation, to yet another rented room on Iffley Road. By this time I. was very ill and being abused continuously at work. Again, MI5 followed. me to the rented room on Iffley Road, and created new instances. of "newscaster watching". There was a television in the room which I watched, and as you can guess. the newscasters got at me when I was watching the television. Also once I was assaulted,. if thats the word for what happened, on leaving the. house; a youth grabbed me by the coat lapels, roughed me. up a bit with various terms of abuse. I did not. report this assault to the police, because what was happening to me at work was very much. worse, and nobody seemed to think that that was worthy of being reported to. the police. Later that day at work, Alex G, a fellow employee, said "I heard he. was assaulted".... I had not told anyone at work about. the incident that morning..... so once again it was made very clear that MI5 were watching my rented. accommodation and giving information about what was going on there to managers at. work.

So I moved house yet again in late. autumn 1992, this time to a rented room in. a large house on Woodstock Road. I stayed there for several weeks as the situation at work deteriorated due to. OCTS managers abuse, until I was forced. to take sick leave from work for two months and attend hospital as an outpatient; at which point I gave notice on the room, and. returned to London.

MI5 continued. to harass me after the diagnosis of serious illness was made. As reported previously, they harassed me. on a flight to Spain in December 1992; and in 1993,. when I returned to live and work in Oxford, they again bugged. my rooms, as well as my workplace, although the intensity of. the harassment was very much less than in 1992.

Watched, followed and harassed. in Canada

It dismayed me to find that MI5 would not leave me alone. after I had settled. in Canada. In January 1995 I rented an apartment at the Bayshore complex in Ottawas west end. For some weeks. there was no sign of the "buggers". But then it started all over. again. They first bugged my car, which had a car alarm installed - the alarm went off two or three times. in a single evening, and the following. day gave a signal that the car had been broken. into. Then they bugged my apartment, and in particular they installed bugs on. the phone line in my apartment.

In September 1995 I moved to a new apartment in Ottawas Bytown. Market area,. the restaurant and entertainment heart of Canadas capital. This proved a serious mistake. In the. west end I had been fairly distant from the. centre of town where MI5 concentrated their efforts at turning people against. me. In the Market area it was much easier for the persecutors to motivate people to harass. me, and over the next couple of years there were frequent. instances of harassment by the general public.

From 1995 I had. some Polish friends in Ottawa, and as the reader can guess, MI5 have spent. much effort trying to break up this friendship. They supplied various things about my home life to these friends,. for example where I was living. in the Market, directly over the road were the studios of a music radio station,. which you had to "look up" to see; and MI5 told these friends that I was "looking up" to see the radio station;. so the friends then replayed these words. back to me, that I was "looking up". MI5 have also made various sexual slanders against. me, and these friends also unwittingly replayed some of the words they. had been imprinted with by the MI5. persecutors.

MI5 Will Never Allow Me. to have a Normal Life

I have. heard many excuses as to why MI5 continuously prevent me from having a normal life. We are told. that MI5 are defending the country against a tere to. zero.

When I have travelled abroad,. they always put their people on the flights, on the journeys I undertake, to continue the harassment, so that I am. put off further overseas travel, and chained to my home in London.. Yet even this is illogical, because when I lived in. Canada, they would still put people on flights back to the UK.... and what. possible reason would they have for doing. that? Perhaps the truest words to describe the MI5 persecution is that reason has nothing to do with their activities. - sane people do not behave in the way the MI5 British Secret Police. have been doing.

Summer. 1999 - more MI5 harassment?

In only a few days time I will be going to Europe again. This. time I have deliberately chosen to travel by a non-UK. airline; so we will see if they put their paid agents on this foreign carrier, we will see if they try. to harass. me on this non-British flight.

If they do harass me on. this trip to Europe, or if they resume the harassment in London. after I return home, then I will continue to report their activities in these. faxes. As I said at the beginning of this article, I would very much like to not have to. send these articles any more, but that is not my. decision to make - it is entirely up to MI5 to cease their. pointless persecution of me, once and for all.

MI5 Persecution Update: Friday 9. July, 1999

Harassment in Poland, July. 1999

And still it continues.... in my last fax I said that. provided MI5 made no attempts at harassment during my two-week holiday this. summer, or after I returned. to England, then I would discontinue these faxes. Unfortunately MI5 have continued to harass me, both during. the holiday and after my return to London. I. really dont want to continue these articles, since they take. up so much time and effort, not to mention expense; but the Security Service wont even let. me have a holiday in peace and quiet, so I have to make further. efforts to bring their activities out into the open.

In early July. I visited my aunt and her family in Poland. On Saturday 3 July 1999, I went to a. family barbecue at an allotment outside the city. One of my aunts family has previously shown himself to be in. the "enemy" camp, by saying the Polish equivalent of "something wrong. with him", and various other unprovoked insults. It is disappointing. that one of my family could forsake the usual ties of blood and take part in. the actions against me, but thats the way it is.. This guy turned up at the barbecue, and. started making insults against me. In particular, he started to say something about the video camera. which I had brought along on the trip, and the relevance of the video-camera to my. fight against the persecution. It seemed pretty obvious to me. that my enemies had told him to turn up to this occasion, and most. likely schooled him in precisely what words. to say; since hes an unintelligent person and would not be able to think for himself what. insults to make against me.

Harassment in London, week ending Friday 9. July 1999

Got back to London Wednesay afternoon. Two incidents. on the Underground returning. from the airport. Unfortunately I wasnt recording because I wasnt expecting trouble, so these slipped. through the net. One of these was verbal sexual abuse, of the type Ive heard many, many. times before these. last three-and-a-half years.

Yesterday, Thursday 8/July/1999, I switched on Heart. FM which had never "got at" me before.... and the. presenter started making jokes about "mad, crazy" etc. Again, wasnt recording. this because Id never had any trouble from this radio. station and wasnt expecting any.

Also yesterday, on a bus (155?) from Balham to Clapham, a couple. of girls started harassing me with taunts of "crazy". By now I was. expecting trouble and recorded an audio file of this instance of abuse, at web. URL;

The cynical reader might think my demeanour or behaviour had given rise. to the taunts of "crazy" recorded above.. But I assure you my behaviour on the bus would not have made anyone think I was ill; and the taunts. the previous day were the same sexual words as previously; so I'm. quite sure that these incidents are. either deliberately staged, or indicative of an overall. high level of awareness among the London public, particularly in the part of London where I. live.

Keith. Hill MP (Labour - Streatham), my elected representative, as ever refuses to. help.

MI5 Persecution: Harassment. through the Radio

One of the aspects of the MI5 persecution has been. harassment through the broadcast and print media; and one of the aspects of. harassment through the broadcast media is being "got at" by radio presenters. This being. "got at" from the radio takes various forms, the. most obvious form being through overt or hidden words and insults.. But there are other, subtler forms. In Canada a couple of years ago, I used to listen to. the local radio stations every morning driving to. work, and listened to the music only, switching between radio station presets rapidly as soon. as a presenters voice came on, so that I would not be subjected to. any verbal harassment by the D.J.s. But they found a way around. this; they kept on playing the same song, every bl**dy morning at the same time, which. had the words "all coming back to me"; the perceptive reader will. remember that. the words "coming back" have special meaning (see the Private Eye cover at. web URL; for the
hidden. meaning).

And thats not the only. time theyve allowed the songs themselves to be used as abuse against. me; many years ago Radio-1 in the UK did exactly the same, and the DJ even made it explicitly clear by saying,. "dont you sometimes feel. as if the songs were made just for you".

"We should be done. for attempted manslaughter" says Chris Tarrant

Capital Radio DJs have been "in on it" from the start. One. of the first things I heard in the summer of 1990. was from a Capital DJ who said, "If he listens to Capital then he can't be. all bad" (supportive, you see. We're not bastards). Much. of what came over the radio in 1990 is now so far away the precise details. have been obliterated by time. No diary was kept of the details, and although. archives if they exist may give pointers,. the ambiguity of what broadcasters said would leave that open to re-interpretation.

In spring 1994, Chris Tarrant on his Capital. morning show made an aside to someone else. in the studio, about a person he didn't identify. He said, "You. know this bloke? He says we're trying to kill him. We should be done for attempted. manslaughter".

That mirrored something I had said a day or. two before. What Tarrant said was understood. by the staff member in the studio he was saying it to; they said, "Oh no, don't say that". to Tarrant. If any archives exist of the morning show (probably unlikely) then it could be found there;. what he

said was. so out of context that he would be very hard put to find an explanation. A couple of days later, someone at the site. where I was working repeated the remark although in. a different way; they said there had been people in a. computer room when automatic fire extinguishers went off. and those people were "thinking of suing for attempted manslaughter".

Pirate Radio. "gets at" me

In. another incident in 1990/91, Id been listening to a pirate radio station in South London for half. an hour, when there was an audible phone call. in the background, then total silence for a few moments, followed by shrieks of laughter. "So what are we. supposed to say now? Deadly torture?. Hes going to talk to us now, isnt he?" which meant that they could hear what I would say in my room. Note the word. "deadly" - they give away. their purpose.

It. constantly surprised me that MI5 are so easily able to subvert broadcasters, and, in this case of the. pirate station, to do so, so quickly.. I think the answer to this question is that they must have very wide. contacts in the broadcast media; presumably some or in fact many of those contacts are literally "bought". In. the same way as they tried to buy Jon Snow of Channel Four news, they must have bought. many broadcasters and use them both directly to make. insults against me, and promulgate their points of view; but also, they. must use these "bought" broadcasters to influence other. television and radio presenters, who might not even be aware that it was on MI5s. behalf that they were being influenced to "get at". me.

BBC-Radio-1 D.J.s celebrate my job. termination in November 1991

This is another one from the. "early years". At the beginning of November 1991 my employment. in Woking, Surrey was terminated. Chris Tarrant of Capital-FM had already made nasty remarks about both my. work for the company, and the managers of. the company themselves - "so theyre not really a serious company, well theyd. have to be to employ you wouldnt they".

So when I. was terminated, as you can expect, BBC Radio 1 D.J.s celebrated. On the Saturday. afternoon (either 9/Nov/1991 or 16/Nov/1991 - I cannot remember precisely) I briefly listened to Radio-1. and heard the disc jockeys loudly proclaiming "youre useless, you should. be sacked". On the same day, I went down to the Kwik-Fit in Tooting to get. my cars tyres replaced, and in the office ran. into a couple of their staff, one of them with an Australian accent, who. said "what do you think about it then? Its getting killed. on the radio."

Plainly, if a. random car-repair shop in Tooting knew about the persecution, then many thousands of other people across. the capital and all over the. country must have known. And the phrase "getting killed" shows. very clear awareness of what the MI5 Persecutors intentions towards. me were in 1991, and judging by the continuing harassment, still remain. today.

Recent Feedback from. Virgin-Radio

As readers will know, from mid-March 1999 for some four months,. every weekend,. I have bombarded Westminster MPs with faxes about the terrible, all-encompassing MI5 Persecution. (Jesting aside, it really is. terrible and all-encompassing, in the UK anyway.) In June 1999,. after I'd been at it some three months,. I started getting "covert" feedback from Virgin Radio.

The first feedback I. got was from Danny Baker, on Sunday 13th June. That weekend I was sending an. article which contained biting criticism of the police inaction in this case.. Danny Baker on his Virgin radio show started an angry rant that "he knows it's rubbish", ie.. he was rubbishing what I'd said in that weekend's faxed article. Unfortunately I. wasn't recording this. programme.

The next possible Virgin-Radio. feedback was a week later on 19th June 1999. This is contained in the audio file above, in which Johnny. Boy on his "Wheels of Steel". programme says;

"and if you would like to put a. triple play together, ahhh.... because quite frankly Hipster and me are running. out of ideas...."

He goes on to counter Hipster's "how dare you" with a protestation. that he is "only joking". You can listen to this. incident on my website at URL;

What I reckon is that my article faxed to MPs that. weekend was forwarded by one of the recipients. to Virgin Radio. My article had included the words;

"I am beginning to run out of both new topics and energy. to write these articles."

So what I reckon is that Johnny Boy read the article.... and. rephrased the above line "run out of ... new. topics" to "running out of ideas". I recognise that this is a pretty tenuous inference to make.... but. do listen to the audio file, from the "ahhh...." pause. in JB's speech you can guess he is about to say something. "risky" and at someone's expense. Anyway, I listen to the Wheels of Steel. regularly and will continue to do so, recording it as I always do -. so any future funny remarks will. get immortalised on my website! (There was a previous incident from. August 1998 which is preserved at web URL;

but I am sufficiently uncertain about it that. I have not included it in this. article.)

First Ever. Radio Reference - Alan Freeman of BBC-Radio-1

The first time I. was ever referred to on the radio was sometime in May or June of 1990, by Alan Freeman of BBC-Radio-1.. Note that this isnt an "interactive listening" episode, its different,. this was Freeman reading out. a letter from one of my "real life" enemies.

Id acrimoniously broken up with some former friends. in January of 1990, and I think they were still trying to cause me trouble in. June of that

year.. Freeman on his rock show read out a letter from an "Andrew Turner"; one of my acquaintances from January 1990 had been called. Andy Turner, so I think its the same. guy. Freeman quoted Turner as saying various things about me, in particular Freeman said "thats a hell of. a letter you wrote. there Andy", "with a schizophrenic you're never alone", and. something about the "one who wore out his welcome with random precision" (from the. words of the Pink Floyd song).

When I was looking for primary causes of the MI5 persecution, this. letter which Freeman had read out. on his programme struck me as being potentially one of the sources. of the persecution. I know Turner and various others in that group were very bitter at what they saw as. their failure and my undeserved success, and they were quite. determined to upset the applecart. Of course several other primary causes. are possible; I do not know why MI5 chose me as opposed to someone else, and MI5 are. hardly likely. to tell me.

"Absolute Obscene". David Hepworth of GLR

This one Ive assigned a 100% rating on the. website. There are actually two separate incidents,. which are linked through the D.J.s choice of words. The first. incident can be heard in computer audio at web URL;

On 21/Feb/1997, I was listening to BBC GLR, by. stealth. Back in 1990 I used to have Capital blaring out of the. speakers all over the garden ("if he listens to Capital then he can't be all bad", thanks ever. so much). But now I listen on my walkman on. headphones with the volume turned right down. It could not. possibly be overheard by any listening device, no matter how sensitive, because sound does not carry from. the phones.

Yet somehow they are still able to tell. which station I am listening to on the walkman. And last night, I bravely. tuned to GLR 94.9FM at around 8.45pm. Everything went well for the first half. hour or so. Around 9.10pm, Hepworth said the following after the song "Come Around". by the Muttonbirds.

"coming up after this, we got. the rock-and-roll A-level, we have, I assume, Brian do we have an embarrassment of prizes in there,. we do, don't we, absolute obscene amounts. of prizes, there will no doubt be a riot at the back door, and that's,. er, A-level coming up after this"

The key. phrases in what he said are, "EMBARRASSMENT of prizes", and what he himself emphasized verbally, "ABSOLUTE OBSCENE amount of prizes".. It is my belief (based on content and tone of voice) that when. he spoke these phrases he. knew I was listening, and that the phrases refer directly to my situation. The "EMBARRASSMENT". is the embarrassment he and other media people would feel at having their wrongdoing exposed;. the "ABSOLUTE OBSCENE" (which he verbally. emphasized) described the disgusting sexual abuse. which the harassers have been throwing at me.

There was a second incident,. on 9/May/1997, which may be found on the web (with computer audio). at URL;

This. incident again contains the words "absolute embarrassment of prizes", with the same emphasis. as the first instance, and laughter following the phrase. So theyre aware. of the complaint I made on Usenet after the first incident; and. they are so arrogant that they do exactly the same again. They are so arrogant, they know they. are being recorded and that what they. say will be published on the web, but they dont care. What corrupt media,. and what a corrupt country to have such corruption in its media.

Three. Years of "MI5 Persecution" Faxes

Ten Thousand Faxes, and Still. No Breakthrough

In the last three years I have sent at least. 5,301 faxes directly from my computer, and 4,478. faxes through Demons extremely useful TPC.INT service, to politicians. and the media, in the subject of the "MI5 Persecution". This has obviously cost me quite. a lot of money, not to mention time and effort. The aim of all this communication has been. to try to. put discussion of the "MI5 persecution" into the public arena; unfortunately,. this aim has not been achieved, yet.

This fax will be my last transmission for the. time being, since the summer recess is almost upon. us. Depending on what the persecutors do between now and. the autumn, I may or may not resume faxing later this year. In the article dated 18/6/99 I said Id. stop the articles if MI5 left me alone; but they seem to have no fear of these articles, since. they kept pursuing me in Poland and after my return to the. UK. Again, if they leave me alone this. summer then I wont have to resume the articles in the autumn; but I think its fairly obvious that. MI5 have nothing better to do with. their time than to go after me, and its almost pointless to make this offer when I know they wont cease harassing. me.

TPC.INT. 1996, 1997, 1998.....

Three years ago I was living in Canada, and the. only economic way of sending faxes to. the UK was through the international email-to-fax gateway TPC.INT.. This highly useful and totally free service converts emails (which. may have Postscript-formatted attachments) into faxes which it delivers to any number within the UK. Using the telephone. book, I constructed a computer database of. M.P.s fax numbers, and used this database to. deliver copies of the "FAQ - frequently asked questions" article which Id written some. time earlier.

This service is still operational, but. given that I have resided in London for the last year, I do not. need to use Demons service when I can send articles directly from my. own computer using its fax/modem, which is what I have been doing since. 1998. However, instead of just sending the FAQ article, Ive been composing articles on various aspects. of MI5s treatment of me. Since their activities have been going on for nine years now,. and there have been various. aspects to their actions; they have harassed me at work, at home, through the media, etc; I have so far not run out. of things to say,. particularly since their harassment of me is still ongoing, and I have been able to record the actual words used by their paid agents. on my minidisc-walkman. Since. mid-March 1999 I have been sending these articles

pretty much every. weekend.

Anyway, as mentioned above, I intend this to be the. final transmission before the summer. recess, and it would be nice not to have to continue these articles in. the autumn. But thats something that depends on them, not me, and their attitude is unfortunately. clear.

Why am I sending. these articles?

Because I want the harassment to stop.. The cynical reader might think from these articles that I "thrive on adversity" and would be lost without. the harassment to complain about; but. that is not the case. In a perfect world I would like to return to. work, in a job unsullied by MI5s attempts to ruin it; I would like to live in a house which wasnt. bugged, with my words being repeated at me wherever I go; I would like a normal life.. I do not particularly thrive on adversity; I am beaten down by. adversity; the purpose of. these faxes is to try to bring the whole matter out into the public arena, where the rights and wrongs. would be visible to all, and once that were to. happen, the adversity might cease. I have had something approaching a normal life a couple of times in the last nine years,. but always, in the end, MI5 turn up and ruin. it. I just want these people out of my life,. permanently, and the only way of doing that is to kick this business into the public arena, and shame MI5 so that they are. incapable of. doing me further damage.

Having said that, unfortunately it seems fairly obvious by now that. these faxed articles are not going to achieve. that aim. Some of the recipients know what I am saying is. true; but they choose to stay quiet - wisely, because if they were to admit the truth of. these articles, then they would bring the wrath of MI5 down on their heads. Presumably. most recipients do not. know these articles are true; their reaction to me is the same as my reaction to the other apparently deluded people who have sent. me email after reading my webpage to tell. me it happened to them too; the reaction being, "leave me alone, I dont want to know". Its. sad that many M.P.s have given me this reaction, because my case genuinely is. different; I genuinely am telling the. truth, and the harassment genuinely is happening to me, and some recipients. of this fax know this to be true.

"Write to. your own M.P."

My local M.P.. is Mr Keith Hill, Labour-Streatham. He refuses to have anything to do with me. He refuses to represent me, he refuses to talk. to me, he has told. me not to communicate with him. He has done absolutely nothing to help me, and he has told me he will do. absolutely nothing to help. me.

Other M.P.s, recipients of these faxes, have for quite some time. been telling me, "write to your own M.P.". On. 23 March 1998, Paul Burstow M.P. wrote to me; "Whilst I. take the issues that you raise seriously, there. is a strict Parliamentary convention that one Member of Parliament does not take up anothers casework. Can I. suggest that you write to your own M.P. at the House. of Commons?" Hopefully the above paragraph will

make clear that I have written. to my own M.P. and he has proved unhelpful.

Other M.P.s have told me. the same thing. On 21 May 1998, John McFall M.P. told me, ".... there is a parliamentary convention that M.P.s do not take up. cases of people not in their constituency..... therefore can I suggest that you write to your local M.P. who. will be better able to assist you." . And on 8 June 1998, Michael Foster M.P. wrote to me that "M.P.s are inundated with unsolicited faxes. .... M.P.s have a considerable amount of constituent work to deal with,. thus other M.P.s constituents cease to be of. concern in so far as they should have a voice and representation".

Simon Hughes M.P. wrote to me on 5 November. 1998, "There is a strict parliamentary convention which states that I am not able to. represent individuals who are not constituents. of mine. My advice is that you find out who your own Member of. Parliament is rather than circulating your story to all. M.P.s.". To my suggestion that Keith Hill M.P. was doing nothing to help me, George Foulkes M.P. sent the following. faxed response;. "If Keith Hill your own M.P. cannot help no-one else in the House of. Commons can." But it is clearly not a case of "cannot" help, but "will not" help. I. have detailed in letters to Mr Hill specific ways in which he could help me, first of. all by finding a lawyer to represent me. It is Mr Hills job as a Member of Parliament to. represent his constituents; if he chooses not to do so, then it. reflects badly on him.

Kate Hoey Sympathises, but. says, "Write to your own M.P."

Here is part of a letter Ms Hoey sent to me on 15 June. 1999.

I. appreciate that you have concerns about the persecution and harassment that you feel you are experiencing but I note that your MP. is in fact Keith Hill. There is a very strict Parliamentary code. which means that M.P.s can only take. action on matters that relate to their own constituents. I am aware that you are. not happy with the fact that you do not feel Mr Hill will. assist you but I am afraid that I cannot take any action on. your behalf.

Ms Hoey plainly belongs in the camp of people who. do not know about the reality of the "MI5 Persecution". She doubts its existence;. "the harassment you feel you are experiencing". She urges me to. see Mr Hills assistance, as have. other M.P.s detailed above.

Really, the fact that I am unable to obtain assistance from any. other M.P., if my own alleged "representative". Mr Hill chooses not to represent me, is a very. basic weakness in the Parliamentary system. Beinggmainly events at my. former employers in Oxford during 1992, when I was harassed constantly by manager Steve Mitchell for most of. 1992, and was forced to begin attending hospital as an outpatient. as a result. This harassment was obviously of Mitchells own. volition, since I observed him harass similarly another new worker two years later; but it was also at. MI5s instigation, since they kept providing him with words. from my home life which he then proceeded to abuse me with. Yet this is not the only employment. that MI5

have destroyed; the MI5 persecution has. lasted from the end of my student days until the present. time, during which I have had three jobs, all of which have. been in various ways destroyed by MI5s deliberate actions.

In March 1999 I decided to try to force the issue once. and for all. Ever weekend for the last. four months, apart from two weeks when I was on holiday, I have sent original articles by. fax directly from my computer to Westminster politicians. Here is a. summary of the articles of the last four. months;

How to. Identify the Persecutors

Their. use of Schizophrenia to discredit my claims
Comparing the MI5. Persecution with German "Final Solution"
MI5. are Plainly Trying to Kill Me
MI5 Waste. Taxpayer Millions on Pointless Hate-Campaign
Four Years of. "MI5 Persecution" Posts on Internet Newsgroups
MI5 Agents are Clinical. Psychopaths
BBC Newscasters Lior. the Victims of MI5
MI5 Have Systematically. Destroyed My Life
Harassment. through the Radio

To my deep worry. these fourteen faxed articles have still not achieved the objective of kicking the matter out into the public. arena and forcing an admission either from the persecutors, or from those "in the know",. which includes. some M.P.s.

I dont really know what else to do to try. to bring the "MI5 persecution" out into the open.. I would have expected that these weekly faxed articles would have had some. effect, but the only result has been M.P.s telling me to contact my own representative Mr Hill who. refuses to talk to me. I understand the convention that M.P.s deal with their. own constituents and not. those of other M.P.s, but there seems to be a gap in the process since it allows your own M.P. to refuse. to deal with you, and then you are. totally denied any representation at all.

Conclusion

The only conclusion I can inform the readership. of these articles of, is that. there is no conclusion to this matter, yet! Three years of intermittent articles, and four months of faxes every weekend, have. been absorbed by some of the most powerful people in the. country, to no effect.

Whether these articles continue in the Autumn is entirely up. to the "opposition". I offered them. a cessation of complaints if they would leave me alone on holiday in June/July, and they went right. ahead and harassed me anyway, on. holiday and after I returned to London. If MI5 cease their activities now, then I wont have to continue these faxes. in the autumn;. but I suspect they wont cease, which means youre in for more articles later. this year. "There will be no conclusion."

MI5 Want Me to Send You these. Faxes

MI5 seem. to Want to Spin this Business out for as Long as Possible

The MI5. persecution has now been going on, starting from June 1990, for well over nine years. If I knew how to put an end to it. then I would do so. Of course MI5 have indicated. how they wish to finish the matter, by finishing me off; they indicated this very clearly years. ago when they were shouting. "suicide" at me.

But a deeper. truth is that the MI5 agents carrying out the persecution rely on it for their income and their. livelihood. They have absolutely no interest in anything. other than spinning out the whole business, because that is how they will maximise their earnings from their. employer for the "work" they do. against me.

A vital part of the fantasy. structure MI5 have created about me is that I am somehow a worthwhile target.. If you bother to read these faxes, if you browse my website, or perhaps read my posts on the. uk.misc newsgroup, you will. have by now twigged that I am a totally insignificant person who in a proper dictatorship. like East Germany would not merit five minutes of Stasi time. But Britain is improper in the methods. of its corruption, and the Security Service seeks to present me as. being a an evil fascist, an evil communist, an evil something-else, and even a "national. institution".

It occurs to me that to some extent. I am playing into their hands, into their scheme of things, by. writing these articles and sending these faxes. By. doing these things, I elevate my profile, and fuel MI5s paranoid obsession with me. But to stop sending. faxes would be to give up the only hope I have of seeing their campaign. "outed" and justice done. Certainly there is no point going to the. police again; and as remarked in a previous article,. the Security Service Tribunal routinely whitewashes every complaint that. is placed before it.

So although MI5 seems to want me to. continue sending these faxes, doing this is the only real. chance of getting this business out into the open. And so Ill continue trying to kick down their house of. cards. At least my situation is less serious than that of some other. victims of the secret services; unlike Shayler I am not broke and exiled; unlike Fayed. I have not lost a. son to the posited activities of the secret services. All I have lost is some of my health, some of. my life, and some of my possible career.

MI5s Abuse of me is without Cause. or Reason

It constantly puzzles. me that MI5 refuse to leave me alone, wherever I go and whatever I. do, or rather, whatever I dont do, since Im not a very socially or otherwise active person. When I am in England,. they chase me all over the place, and once. theyve found me, they pay people to shout rude words at me. When I am in Europe, they again chase me all over. the place, and as usual pay people to shout obscenities. at me. When I am in Canada or visiting the States, they faithfully chase me all. over the place, and when. they find me, pay people to shout obscenities at me.

It is. hard to avoid the conclusion that these MI5 operatives who chase me are total lunatics. You will. remember from a previous articles the assessment "MI5 Agents are. Clinical Psychopaths". They have tried to blame me for what they do and. what they say; yet their lies have been wafer-thin, and are clearly seen to be oiled by the money which. they acquire. from the Government, and ultimately from the taxpayer.

They have tried various lies to put the blame on me; "we have to abuse. him because hes a nutter", as if. there werent many tens of thousands of other people with schizophrenia in. the United Kingdom. Their choice of abuse words is telling; subconsciously perhaps they. realise that it is they who are the "nutters", and they try to project their own. illness onto their target.

MI5 Operatives have Nothing Else to Do With. Their Time

Ive seen the same "Alan Holdsworth" person three. or four times over a period of several years. I. saw him at the Civic Hospital in Ottawa in the Emergency Ward, where he falsely declared. his name to be "Tad"; at Ottawa airport in summer 1998; and on board another flight. in 1995.

So what we see. from the above paragraph is, the same people are delegated to watch me for many years. Without me,. they wouldnt have a job. They literally have nothing else to do with. their time, except indulge their voyeurism against me. With this observation, we come to the core. of MI5s campaign against me; these people are not fit for any job other than. the exercise of voyeurism against me,. and if sanity were to land on MI5 then they would be out of a job. If sanity were truly to land. then these people and their employers would be. prosecuted for offences under the Protection from Harassment legislation, which. they are clearly breaking.

It is one of the ironies of their campaign that MI5. have been trying to make me an object of ridicule for completely trivial things. I have done, while MI5 themselves have simply. not mentioned how ridiculous is their own behaviour and that of broadcast media journalists, in spying. on me while they read the news for example. If the. whole truth of this business is ever exposed, and despite all my. efforts it still seems there is a block on its exposure in Britain, then the rights and wrongs will. be clear to all, and no amount of MI5 lies will. be able to change that. MI5 presumably do realise. just how damaging such a revelation would be both to themselves, and to broadcast media such. as the BBC and ITN, because there has not been even the slightest. chink in the armour, despite four and a half years of my complaints on. internet newsgroups and by fax to politicians. and the media.

MI5s Final Kick in the Teeth. to the British State

For someone like myself born in the late sixties it seems. peculiar to think that Great Britain once used to have a say in the. destiny of foreign peoples in far-off sections of the globe.. Modern Britons tacitly accept the lowering. of their country to a third-rate power reliant on the United States. for what little say it has in the world. A third-rate power, now "reverse-colonised" by. third world peoples it once ruled and riven with internal problems so severe the government hardly. dares acknowledge them.

To this third-rate power the MI5. secret police are delivering the final kick in the teeth through a campaign. of persecution which is guaranteed to hold the state up to ridicule throughout the. world when it is finally exposed.. As a "thought experiment" suppose the French or the Spanish security service had done to one of. their own born citizens what MI5 has done in this country. Suppose. say the Spanish had planted hidden cameras in his home, for the perverted. pleasure of their state television newscasters, just as hidden cameras. have been placed in my home for the perverted pleasure of Martyn Lewis, Nicholas. Witchell et al. Suppose the Spanish service had. for nine years been trying to force suicide on their target; at times, so blatantly that. they shouted the word "suicide".

Now. suppose they were caught.

Of course, as. long as MI5 arent caught, theyre laughing. The psychopathic security service agents gets their kicks from shouting. abuse at me; the newscasters, Lewis, Witchell etc get their jollies, "it was. so funny", we were watching this. bloke and he couldnt do anything about it.

But once theyre caught, the sky falls in.. Of course, the "patriotic" MI5-funded media. in Britain will try to put the best spin on the MI5/media activities; it was the targets fault, of course. But most. of the world bears no allegiance. to Britain. If this business is ever exposed then a weakened Britain will become. the laughing-stock of the world. And I promise you, the. security services persecution of me will be exposed. MI5 has delivered a final kick in. the teeth to the British state, and I will do everything I can to ensure. the world hears about what they have done.

Metropolitan Police Refuse to. Investigate the MI5 persecution

I have on. a couple of occasions tried to motivate the police to investigate MI5s actions. against me. On each occasion they have refused to do so. In 1995 I went to my. local police station and spoke to an officer there; he refused to accept my. complaint, and seemed interested only in seeing me leave. the station as quickly as possible.

Earlier this year I had. some communications with Det.Sgt.Richards of Charing. Cross police. Again I asked him to deal with MI5s actions against me. Unfortunately DS Richards conformed to. the negative stereotype of the bigoted, ignorant "copper"; he said, "I have. read your various bits on the internet. I'm afraid there is no substance or credence to it. It's. an absolute load of rubbish. I don't investigate rubbish. I can't. be more blunt or. to the point than that."

You have to wonder at the state of law enforcement in Britain.. If the victim of a murder is black, as. happened in the Lawrence case, the police deliberately. botch the investigation. If the victim of a crime is mentally ill, and the perpetrators are the. secret services, as in my case, then the police refuse to even begin to investigate. the crimes committed. Politically Britain is a third-rate. country, but from the point of view of obtaining justice,. Britain ranks down there with third-world countries. You almost feel that MI5. and their media buddies would not even have any shame if their activities against. me were exposed; after all, why should they? they have the money, they have the control, OK so. perhaps theyve broken a few dozen. laws, but doesnt the fact that the police are too corrupt. to investigate these crimes, doesnt that prove that in fact no crimes have. been committed?

I should say again what I have said earlier in this article. My. losses over the last nine years. have not been as great as those of other victims of British Secret Police malefaction. Fayed. lost his son to their murderous activities; in. my occasional communications with former MI5/MI6 employees I have been informed that. a "permanent solution" is not uncommon for opponents of the British secret police. I have. lost health and financially, but am obviously well enough to keep. fighting my case. Others have lost much more than I. If. the joke which is British "law enforcement" refuses to. enforce laws against the security services then that. is something that is recognised in other countries and Britains stock correspondingly falls. Not that it has. very far to fall; the days when England had any say in the. world are long gone.

MI5 Want These Faxes to. Continue

Before the holiday, I said that if MI5s harassment of me stopped, then. I would cease my complaints. They have known. very well that if they continued to harass me then I would. resume the fax campaign in the autumn. Yet they have not stopped persecuting me. Recently. a woman outside my domicile screamed her head. off with abuse in the direction of my window; and on Saturday 2 October,. when I was shopping at a nearby supermarket, a. man shouted the particularly vile sexual swear word which I have heard many times before over the. last few years.

MI5s attitude shows complete arrogance.. Yet it also shows that they want the faxes to continue and deliberately try to provoke me. into sending further faxes. The reasons for this are. given in the first paragraphs of this article; the MI5 operatives who persecute me. have nothing else to do with their time; to make their campaign,. against an apparently unreacting target, have some value, they have to force. me to react in some way against their actions; and by reacting. in this way, by bringing their campaign to the attention of British politicians, I play into their. hands, by giving their campaign the attention and importance which. they feel it deserves.

In the short term, by sending these faxes, perhaps I. am doing something they want me to do, but in the longer term it is. undoubtedly more in my interest than theirs for their activities. to be exposed. If their operatives truly do wish to see these faxes. continued then they are

committing a serious. mistake, because it significantly increases the risk if M.P.s (some. of whom already know about MI5s activities against me) are advised of my side of the. story.

I will continue to monitor and record. the secret services activities against me. over the next few weeks. If they diminish and cease, as I hope they will, then I may be able to call a halt to these faxes; but. that it something. which is entirely up to them; recently their continued harassment. makes clear that they do wish the faxes to continue, and in all sincerity I do think they will continue their activities and make. it impossible for me to cease these faxes.. It may trouble you to receive these articles, but it troubles me much more to be on the receiving end. of a national persecution. campaign; and while Britain does not have free speech provisions as does. Canada in the Charter of Rights and Freedoms, and the US in the. first amendment to the constitution, in practice I do not think anyone is going to try to have me. locked up for speaking the truth.. I still cherish the hope that the veracity I express will be shown for what it is, and that. the truth will prevail and make me free.

Removing the Mask. of Anonymity from the MI5 Operatives

Undoubtedly one factor encouraging the MI5. agents actions against me has been the fact. that they can shelter behind a mask of anonymity while they carry out their. abuse. This is both a sign of their realisation that their actions are criminal;. for crimes are harder to pin down and make a coherent complaint about when. their perpetrators are unknown; and it is a sign of their cowardice, since they lack the backbone. to say things to my face themselves;. instead they almost always rely on third parties to carry out the actual acts of. abuse.

On a few occasions I have seen the. perpetrators, but on each occasion they have managed to preserve their anonymity. They. travelled on the same British Airways flight as me. in 1994; but BA have ever since refused to give up the passenger. list for the flight, and the police and lawyers have proved useless. in obtaining their identities from the list. Also one of them. followed me into A&E department of Ottawas Civic Hospital a couple of years ago, and gave his name as (if I. heard correctly) "Alan Holdsworth"; but the doctor refused to give out his identity when. I later tried to speak to. him.

If only we knew the identities of the individual. operatives, then it would be possible to find out the identity of. their employing organisation. But I. think we know the latter already, since I have been accusing them on internet newsgroups for four and a half years. now, and they have never denied my guess. Indeed, when. I was travelling in January 1996 back to Ottawa, two youths on. the (British Airways again, unfortunately) flight made a lot of noise at me, one of them saying. to the other that I "didnt know who. we are". That is a wafer-thin denial; I had been saying for a year that they were MI5, so a stronger denial. would be necessary if my guess were truly mistaken. I think the lukewarm denial was. worse than no denial at all,. since it confirmed my guess that the employing agency was indeed. MI5.

Conclusion

It has been suggested to me that by sending these faxes. I could be making trouble for myself; but I dont think so. My psychiatrist knows. what I am doing; indeed I have given him a couple of these articles for him. to cast an eye. over.

I dont want to have to send faxes for the next year, or. the year after that. But that is entirely up to MI5. If they continue to. persecute me then I am forced into defending myself. The ball is in their court,. and it is entirely up to them what they do.. If as I suspect it is their intention that these. faxes continue, if that is what they insist will happen then so be. it.

MI5 Persecution Update: Friday 31 March,. 2000

22,544 Faxes Delivered in Three Years,. and Still No Breakthrough

In the last three years I have sent at least. 22,544 faxes to recipients in the UK, of which at least 13,974 have gone. to Westminster. Last weekend alone I. sent 832 completed faxes to politicians, the media and various others, on the subject of MI5s mistreatment of me these last. ten years.

I believe some of the recipients know. of MI5s actions against me in the last decade; yet they maintain strict "omerta" in fear of the. security services persecution actions being made. public.

MI5 Insist that these Faxes. must Continue

Between September 1999 and mid-January 2000, the persecutors,. whoever they might be, mostly left me. alone. I counted only three incidents in almost five months - which is a lower rate than at any time. since June 1990, when this. business started.

By leaving me alone for several months, the "oppressors" were making. an implicit. assurance that they would continue to leave me alone in the future. On 11 January I posted. to an internet newsgroup accepting what I saw as their assurance. of no further harassment, stating that I would cease sending these faxes - which is the only thing I do in my defence. - if they. continued to leave me alone. And for two weeks I did indeed refrain from. distributing these articles.

But MI5 acted in. bad faith. From the last week of January until the beginning of March, they resumed their hate. campaign against me with a vengeance.. They even put people in my road three times in February, one instance of which I recorded. They resumed their. normal behaviour of bugging my phone and house, listening to. where I would go, and then placing people. in that location to "aggravate and annoy" me.

What MI5 did in February. is plainly a contravention of the Protection from Harassment Act 1997, since it has. caused me "alarm and distress" as specified in the Act. But it is a waste of time. going to the police with a complaint, since the police have done, and will. do, absolutely nothing. I complained to the Metropolitan Police. in 1995, and they refused to take my complaint. When I complained again in. 1999, the detective sergeant laughed at my complaint, with the words, "It's an absolute load of. rubbish. I don't investigate rubbish. I. can't be more blunt or to the point than that." It is. useful to remember that the Met also treated Stephen Lawrences parents with similar discourtesy; police. prejudices are similar in my case, so I can take some comfort. from that case and hope that one

day I will get a fair. hearing.

MI5 acted in bad. faith, but they also acted with arrogance. They do not care if I send 800 faxes. every weekend, since they know I cannot prove my claims, and the recent Shayler case shows how weak external. oversight is of. the secret services. But they acted with more than arrogance - the MI5 agents actually want my faxes. to continue, they insist that these faxes continue, since my communications give them. an excuse to continue their activities, and continue in. the paid employ of the secret service. Despite their use of diverse. proxies over the last ten years, it is the same MI5 officers behind the campaign all the time. - I have seen one of them on three occasions. in Canada over a period of years, and it is a safe belief that that. same person continues to be paid for his "work" in harassing me in London now.. The average cost of an MI5 employee is some 75,000 per annum, so one. may infer that their officers are amply compensated; their insistence that "hostilities" are maintained is. understandable when placed in. this light.

MI5 Persecution Update:. Friday 7 April, 2000

22,544 + 837 =. 23,381

Last weekend I delivered another. 837 faxes to politicians and the media on the subject of the security service conspiracy which. has destroyed my life. This brings the total in the. last three years to at least 23,381. These totals do not include partially delivered. faxes.

Some of the recipients of these faxes must know that. what I say is true; and. I hope to motivate those people to acknowledge the reality of the harassment which has followed me for ten. years. It takes much time to transmit these articles, but as OCG MD Simpson-Wells said to me in. 1992, you have. to be a good communicator if you are to succeeed.

Harassment in. February 2000

Following a quiet period of. almost five months, the persecution resumed with. a vengeance in late January/February 2000. At this time I was at home in Clapham, London and was. a relatively easy target for the persecutors. They have my house bugged, for audio and I. believe video in some rooms as well; so they can find out easily where. I will be going on a particular day, and place people in that location to mouth words of. abuse at me. (I know the last sentence sounds like. classic paranoia, but it happens to. be true, and some of the people reading this know it to be true.)

On Friday 11. February 2000 I went shopping in Croydon, to buy a watch at H. Samuels jewellers in the Whitgift Centre. While. I was there two youths came into the shop, one of them. quietly uttered an obscenity at me, and they immediately walked out. They showed. no interest in the shop.

That Sunday I met with. a friend in Clapham, who started needling me about "do you know anything about the. CIA and FBI?". Rather unsubtle, and worrying considering Ive known this guy for 20 years.. From the words and demeanour of this "friend" and others in February, I. saw that the persecutors have again been trying to separate from me what remains. of my social. life.

Incidents. in my Road in February

MI5 very rarely place people in. my home road to harass me, but such was their persecutory fervour in February that. they did so on three separate occasions. On the first such occasion, I was. met my two youths who, grinning,. said a deeply offensive sexual obscenity at me - at which I coughed at them, so they called. me a "wanker". This incident is safely

recorded on minidisc-walkman,. but because of the offensive nature of their abuse the. recording will not be made public.

Another incident very. early in the morning of Sunday 20/Feb/2000 occurred outside my home, following an evening. in Croydon with some schoolfriends.. Again there were two youths - for some reason the persecutors always travel in. twos or threes, very rarely is there just one of them -. perhaps they need a group to bolster their courage, perhaps just one. of them wouldnt have the guts to say something unpleasant. One of the youths said quietly, and bitterly, "shitty, very. shitty".

Anyway, in March there were no further incidents near. my house in in my road, and our neighbours are very well disposed towards us, so let us. hope that the. current quiet continues.
